### **AUTHOR'S / SPONSOR'S STATEMENT OF INTENT**

Operation Freedom's Sentinel (OFS) was the mission succeeding Operation Enduring Freedom (OEF) in Afghanistan. OFS and the war in Afghanistan ended with the withdrawal of U.S. forces in August, 2021. Since 2003, Texas has allowed veterans of foreign wars to purchase specialty license plates in honor of their service. Veterans of OFS, however, are not offered specialty license plates in the same way as are Iraq War or previous Afghanistan War Veterans that served under OEF.

S.B. 280 would honor the memory of Marine Lance Corporal David Lee Espinoza who died in action during OFS by authorizing the Texas Department of Motor Vehicles to issue specialty license plates for persons who served in this mission.

As proposed, S.B. 280 amends current law relating to the issuance of specialty license plates for members of the military who served in Operation Freedom's Sentinel.

### **RULEMAKING AUTHORITY**

This bill does not expressly grant any additional rulemaking authority to a state officer, institution, or agency.
