### **AUTHOR'S / SPONSOR'S STATEMENT OF INTENT**

In 2019, a reversionary interest by the Health and Human Services Commission was authorized by H.B. 2641 for a new property in Big Spring for West Texas Centers Mental Health and Retardation (West Texas Centers), a local mental health authority. This property eventually proved to be inadequate, and H.B. 3800 passed in 2021 to complete the exchange between West Texas Centers and Cap Rock Holdings, LLC regarding a different, suitable property.

S.B. 565 extends the Health and Human Services Commission's reversionary interest to February 2027 in order to provide enough time for renovation of the second property.

S.B. 565 amends current law relating to the release of a reversionary interest in certain real property by the Health and Human Services Commission.

### **RULEMAKING AUTHORITY**

This bill does not expressly grant any additional rulemaking authority to a state officer, institution, or agency.
