### **AUTHOR'S / SPONSOR'S STATEMENT OF INTENT**

S.B. 321 from the 87th Legislature provided important provisions to reform the Employees Retirement System (ERS) pension fund. Since passage, ERS has identified technical changes needed to ensure that the new cash balance benefit structure is implemented as intended. These changes do not amend the current benefit structure.

Specifically, S.B. 729 amends the Qualified Domestic Relations Order (QDRO) that allows ex-spouses of Group 4 retirees to receive annual and gain sharing interest of their share, which ensures Group 4 participants have equivalent QDRO provisions compared to ERS Groups 1, 2, and 3. The bill also corrects a provision that may have prevented certain correctional officers from participating in the enhanced cash balance benefit. It restores the ability for future Group 4 retirees to select optional annuities, like survivor annuities and a partial lump-sum on retirement. It also ensures Group 4 has equivalent payment options just like ERS Groups 1, 2, and 3. It clarifies that Group 4 members are eligible for the Uniformed Services Employment and Reemployment Rights Act (USERRA), like those in Groups 1, 2, and 3. In addition, the new language allows ERS to bill the member's employing agency for the state contribution for the time of deployment. Finally, it clarifies the mechanics and timing of the gain share interest calculation.

As proposed, S.B. 729 amends current law relating to the cash balance benefit under the Employees Retirement System of Texas.

### **RULEMAKING AUTHORITY**

Rulemaking authority is expressly granted to the board of trustees of the Employees Retirement System of Texas in SECTION 4 (Section 820.021, Government Code) and SECTION 6 (Section 820.0537, Government Code) of this bill.

(b) Requires a person who selects an optional lifetime cash balance annuity to designate, before the selection becomes effective, one person to receive the annuity on the death of the person making the selection. (c) Authorizes a person eligible to select an optional cash balance annuity under this section to select an option which provides that:

(1) after the retiree's death, the reduced annuity is payable in the same amount throughout the life of the person designated by the retiree before retirement;

(2) after the retiree's death, one-half of the reduced annuity is payable throughout the life of the person designated by the retiree before retirement;

(d) Requires that the reduced annuity, if a beneficiary designated by a retiree under Subsection (b) predeceases the retiree and the retiree has elected an optional lifetime annuity, be increased to the standard cash balance annuity that the retiree would have been entitled to receive if the retiree had not selected the optional annuity. Requires that the standard cash balance annuity be adjusted as appropriate for post-retirement increases in retirement benefits authorized by law since the date of retirement.

(e) Provides that any increase in an annuity under Subsection (d) begins with the payment for the month following the month in which the designated beneficiary dies, and the increased annuity is payable to the retiree for the remainder of the retiree's life.

**Sec. 820.0536. CHANGE IN OPTIONAL CASH BALANCE ANNUITY SELECTION.**

(a) Authorizes a person who retired and selected an optional cash balance annuity described by Section 820.0535(c)(1), (c)(2), or (c)(5) to change the optional annuity to a standard cash balance annuity if:

(1) pursuant to a divorce decree, a court orders the change in the annuity to a standard cash balance annuity; or

(2) the retiree files with the Employees Retirement System of Texas (ERS) a request to change the annuity selection, if the retiree designated a person as beneficiary who:

(A) was not at the time of designation and is not currently the retiree's spouse or dependent child; or

(B) is not currently the retiree's spouse or dependent child and has executed since the designation a written, notarized instrument that releases ERS from any claim to the annuity by the beneficiary and that transfers all of the beneficiary's interest in the annuity to the retiree.

(b) Requires ERS, if a retiree files a request as provided by Subsection (a), to recompute the annuity as a standard cash balance annuity. Provides that the increase in the annuity under this section begins with the monthly payment made to the retiree for the month following the month in which a request is filed as provided by Subsection (a).

**Sec. 820.0537. PARTIAL LUMP-SUM CASH BALANCE OPTION.** (a) Authorizes a member who is eligible for a cash balance annuity to select a standard cash balance annuity under Section 820.053 or an optional cash balance annuity under Section 820.0535, together with a partial lump-sum distribution.

(c) Requires that the cash balance annuity selected by the member be actuarially reduced to reflect the lump-sum option selected by the member and be actuarially equivalent to a standard or optional cash balance annuity, as applicable, without the partial lump-sum distribution. Requires that the annuity and lump sum be computed to result in no actuarial loss to ERS.

(d) Requires that the lump-sum distribution be made as a single payment payable at the time that the first monthly annuity payment is paid.

(e) Requires that the amount of the lump-sum distribution be deducted from any amount otherwise payable under this chapter.

(f) Provides that the partial lump-sum option under this section is authorized to be elected only once by a member and is prohibited from being elected by a retiree. Provides that a member retiring under the proportionate retirement program under Chapter 803 (Proportionate Retirement Program) is not eligible for the partial lump-sum option.

(g) Provides that, before a retiring member selects a partial lump-sum distribution under this section:

(1) ERS is required to provide written notice to the member of the amount by which the member's annuity will be reduced because of the selection; and

(2) the member is required to acknowledge receipt of the notice in writing.

SECTION 8. Amends Sections 820.103(a), (b), and (d), Government Code, as follows:

(a) Requires ERS, each fiscal year and subject to Subsection (b), to compute the gain sharing interest rate, rather than the gain sharing interest rate applicable to the subsequent fiscal year, by:

(2) recalculate the annuity payment of a retiree or annuitant under this chapter by:
