Committee Report (Substituted)

### **AUTHOR'S / SPONSOR'S STATEMENT OF INTENT**

S.B. 823 would allow the secretary of state's office to suspend the employment of a county election administrator if any of the following problems become a recurring pattern:

1. A malfunction of voting system equipment
2. Unfair distribution of election supplies
3. Errors in the tabulation of results
4. Delays in reporting election returns
5. Discovery of voted ballots after the polls close

A vacancy created by the suspension of a county elections administrator would be filled by an appointment by the secretary of state. An election administrator appointed by the secretary of state under S.B. 823 serves until the secretary determines that the recurring pattern of problems with the election administration is rectified.

(Original Author's/Sponsor's Statement of Intent)

C.S.S.B. 823 amends current law relating to the suspension of a county elections administrator.

### **RULEMAKING AUTHORITY**

This bill does not expressly grant any additional rulemaking authority to a state officer, institution, or agency.
