AUTHOR'S / SPONSOR'S STATEMENT OF INTENT

Currently Texas Education Code Sections 25.033 and Section 25.034 allow a parent to petition in writing the transfer of a student to a designated school or to a school to be designated by the board. However, recent years have seen an alarming rise in child misconduct from teachers in schools across the country. The cases of physical, emotional, and sexual abuse of students by teachers have caused significant trauma to the victims, their families, and communities. The devastating effects of such misconduct go far beyond the immediate harm to the student and can last for a lifetime. The problem has been exacerbated by inadequate response and action from school districts and authorities, leading to a lack of trust and confidence in the education system.

S.B. 1557 seeks to provide options for parents and their children by allowing funds, totaling the normal apportionment for that child in a public school district, to be used at a school of their choice. The new school may be a different campus in the same district, a neighboring district, a charter school, or a private school.

S.B. 1557 creates Subchapter J of the Education Code which creates all necessary regulations, eligibility requirements, and gives rulemaking authority to the commissioner of education.

As proposed, S.B. 1557 amends current law relating to providing for an election by the parent of a student who was victimized by a public school employee to transfer the student to another public school campus or receive funding for the student to attend private school.

RULEMAKING AUTHORITY

Rulemaking authority is expressly granted to the commissioner of education in SECTION 1 (Section 38.505, Education Code) of this bill.
