### **AUTHOR'S / SPONSOR'S STATEMENT OF INTENT**

S.B. 1659 is the Sunset schedule bill, which is filed each session to make necessary adjustments to the agencies set for Sunset review in upcoming biennia. The Sunset Advisory Commission is governed by Chapter 325 of the Texas Government Code.

The changes in S.B. 1659 will help ensure the legislature benefits from review of similar state agency functions in the same biennium, as well as balance the Sunset review workload to give sufficient attention to each agency. The bill also updates provisions in the Sunset Act.

This legislation addresses issues differently from current law by:

- Moves the review date for the Texas Civil Commitment Office from 2027 to 2025 to be reviewed at the same time as the Texas Department of Criminal Justice and other related agencies.
- Makes adjustments to the review schedule for the next two biennia to ensure each review receives sufficient staffing and resources to provide the legislature with thorough and meaningful legislative oversight of each agency. Thirteen agencies would experience either a two-year or four-year extension of their review date as a result of these changes.
- Coordinates the reviews of the state's occupational licensing agencies by moving all such agencies' Sunset dates to 2033. This will allow the legislature to compare and consider how the state approaches occupational licensing functions across 19 agencies, identifying best practices and pathways to more efficient operations.
- Removes the Bandera County River Authority from Sunset review.
- Clarifies the Sunset process is not limited to executive branch agencies but is applicable to any state entity placed under review by the legislature, such as the State Commission on Judicial Conduct.
- Confirms that agencies subject to review but not abolishment under the Sunset Act are subject to all other provisions in the act relating to Sunset reviews.

As proposed, S.B. 1659 amends current law relating to the sunset review process and certain governmental entities subject to that process.

### **RULEMAKING AUTHORITY**

This bill does not expressly grant any additional rulemaking authority to a state officer, institution, or agency.
