AUTHOR'S / SPONSOR'S STATEMENT OF INTENT

Current law requires that the Comptroller of Public Accounts of the State of Texas prescribe tax rate calculation forms to be used by the designated officer of taxing units for purposes of calculating a no-new-revenue tax rate and voter-approval tax rate, as required under Chapter 26, Tax Code.

S.B. 1998 seeks to require that each line item entry on the tax rate calculation forms include a hyperlink to a document that evidences the accuracy of the entry. The inclusion of this information will allow taxpayers to more easily verify the accuracy of the tax rate calculation forms.

S.B. 1998 amends current law relating to the calculation of certain ad valorem tax rates.
