H.B. No. 133

A BILL TO BE ENTITLED

AN ACT

relating to prohibiting the use of certain restraints on students
enrolled in public schools who receive special education services.

BE IT ENACTED BY THE LEGISLATURE OF THE STATE OF TEXAS:

SECTION 1. Section 37.0021(d), Education Code, is amended
to read as follows:

d) The commissioner by rule shall adopt procedures for the
use of restraint and time-out by a school district employee or
volunteer or an independent contractor of a district in the case of
a student with a disability receiving special education services
under Subchapter A, Chapter 29. A procedure adopted under this
subsection must:

(1) be consistent with:

(A) professionally accepted practices and
standards of student discipline and techniques for behavior
management; and

(B) relevant health and safety standards;

(2) identify any discipline management practice or
behavior management technique that requires a district employee or
volunteer or an independent contractor of a district to be trained
before using that practice or technique; [and]

(3) require a school district to:

(A) provide written notification to the
student's parent or person standing in parental relation to the
student for each use of restraint that includes:

(i) the name of the student;

(ii) the name of the district employee or volunteer or independent contractor of the district who administered the restraint;

(iii) the date of the restraint;

(iv) the time that the restraint started and ended;

(v) the location of the restraint;

(vi) the nature of the restraint;

(vii) a description of the activity in which the student was engaged immediately preceding the use of the restraint;

(viii) the behavior of the student that prompted the restraint;

(ix) any efforts made to de-escalate the situation and any alternatives to restraint that were attempted;

(x) if the student has a behavior improvement plan or a behavioral intervention plan, whether the plan may need to be revised as a result of the behavior that led to the restraint; and

(xi) if the student does not have a behavior improvement plan or a behavioral intervention plan, information on the procedure for the student's parent or person standing in parental relation to the student to request an admission, review, and dismissal committee meeting to discuss the possibility of conducting a functional behavioral assessment of the student and
developing a plan for the student;

(B) include in a student's special education eligibility school records:

(i) a copy of the written notification provided to the student's parent or person standing in parental relation to the student under Paragraph (A);

(ii) information on the method by which the written notification was sent to the parent or person; and

(iii) the contact information for the parent or person to whom the district sent the notification; and

(C) if the student has a behavior improvement plan or behavioral intervention plan, document each use of time-out prompted by a behavior of the student specified in the student's plan, including a description of the behavior that prompted the time-out; and

(4) prohibit a district employee or volunteer or an independent contractor of a district from:

(A) using any variation of a floor or ground restraint or other technique that results in immobilization of the student in a prone or supine position; and

(B) fully taking a student down to the floor or ground, except when necessary to assist a student with a health emergency.

SECTION 2. Section 37.0023(b), Education Code, is amended to read as follows:

(b) A school district or school district employee or volunteer or an independent contractor of a school district may not
apply an aversive technique, or by authorization, order, or consent, cause an aversive technique to be applied, to a student. Nothing in this section authorizes the use of a restraint prohibited by Section 37.0021(d) by a district employee or volunteer or an independent contractor of a district on a student with a disability receiving special education services under Subchapter A, Chapter 29.

SECTION 3. This Act applies beginning with the 2023-2024 school year.

SECTION 4. This Act takes effect immediately if it receives a vote of two-thirds of all the members elected to each house, as provided by Section 39, Article III, Texas Constitution. If this Act does not receive the vote necessary for immediate effect, this Act takes effect September 1, 2023.
