Sec. 201.9051. HIGHWAY SAFETY CORRIDOR. (a) In this  
section, "political subdivision" means a municipality or county.

(b) The department shall designate as a highway safety  
corridor a portion of a roadway containing a site with a high number

(c) The department shall remove a highway safety corridor  
designation made under Subsection (b) on the 10th anniversary of

designation extension made under this subsection must be for a  
period of 10 years unless a shorter period is requested by the

17 highway safety corridor designation under Subsection (c).

18        (g) The department may distribute literature to the public  
19 concerning highway safety corridors designated under this section.

20        SECTION 3. Subchapter D, Chapter 542, Transportation Code,

27 in a highway safety corridor:

1           (1) the minimum fine applicable to the offense is  
2 twice the minimum fine that would be applicable to the offense if it  
3 were committed outside a highway safety corridor; and

4           (2) the maximum fine applicable to the offense is
