A BILL TO BE ENTITLED

AN ACT
relating to state preemption of certain municipal and county regulation.

BE IT ENACTED BY THE LEGISLATURE OF THE STATE OF TEXAS:

SECTION 1. This Act shall be known as the Texas Regulatory Consistency Act.

SECTION 2. The legislature finds that:

(1) the State of Texas has historically been the exclusive regulator of many aspects of commerce and trade in this state;

(2) in recent years, several local jurisdictions have sought to establish their own regulations of commerce that are different than the state's regulations; and

(3) the local regulations have led to a patchwork of regulations across this state that provide inconsistency.

SECTION 3. The purpose of this Act is to provide regulatory consistency across this state and return the historic exclusive regulatory powers to the state where those powers belong.

SECTION 4. Chapter 1, Agriculture Code, is amended by adding Section 1.004 to read as follows:

Sec. 1.004. FIELD PREEMPTION. The provisions of this code preclude municipalities or counties from adopting or enforcing an ordinance, order, rule, or policy in a field occupied by a provision of this code unless explicitly authorized by statute. A municipal
or county ordinance, order, rule, or policy that violates this section is void and unenforceable.

If the action is brought in a venue authorized by this section, the action may not be transferred to a different venue without the written consent of all parties.
