 1-34 is amended to read as follows:

1-35 Sec. 1301.005. AVAILABILITY OF PREFERRED PROVIDERS;

1-37 SECTION 3. Section 1301.005, Insurance Code, is amended by  
 1-38 amending Subsection (a) and adding Subsection (d) to read as  
 1-39 follows:

1-40 (a) An insurer offering a preferred provider benefit plan  
 1-41 shall ensure that both preferred provider benefits and basic level  
 1-42 benefits, including benefits for emergency care, as defined by  
 1-43 Section 1301.155, and post-emergency stabilization care, are  
 1-44 reasonably available to all insureds within a designated service  
 1-45 area. This subsection does not apply to an exclusive provider  
 1-46 benefit plan.

1-47 (d) A service area, other than a statewide service area, may  
 1-48 include noncontiguous geographic areas but may not divide a county.

1-49 SECTION 4. Section 1301.0053, Insurance Code, is amended by  
 1-50 amending Subsections (a) and (b) and adding Subsections (d) and (e)  
 1-51 to read as follows:

1-52 (a) If an out-of-network provider provides emergency care  
 1-53 as defined by Section 1301.155 or post-emergency stabilization care  
 1-54 to an enrollee in an exclusive provider benefit plan, the issuer of  
 1-55 the plan shall reimburse the out-of-network provider at the usual  
 1-56 and customary rate or at a rate agreed to by the issuer and the  
 1-57 out-of-network provider for the provision of the services and any  
 1-58 supply related to those services. The insurer shall make a payment  
 1-59 required by this subsection directly to the provider not later  
 1-60 than, as applicable:

 2-6 services that includes all information necessary for the insurer to  
 2-7 pay the claim.  
 2-8 (b) For emergency care or post-emergency stabilization care  
 2-9 subject to this section or a supply related to that care, an  
 2-10 out-of-network provider or a person asserting a claim as an agent or  
 2-11 assignee of the provider may not bill an insured in, and the insured  
 2-12 does not have financial responsibility for, an amount greater than  
 2-13 an applicable copayment, coinsurance, and deductible under the  
 2-14 insured's exclusive provider benefit plan that:  
 2-15 (1) is based on:  
 2-16 (A) the amount initially determined payable by  
 2-17 the insurer; or  
 2-18 (B) if applicable, a modified amount as  
 2-19 determined under the insurer's internal appeal process; and  
 2-20 (2) is not based on any additional amount determined  
 2-21 to be owed to the provider under Chapter 1467.  
 2-22 (d) Post-emergency stabilization care that is subject to  
 2-23 this section and a supply related to that care are subject to  
 2-24 Chapter 1467 in the same manner as if the care and supply are  
 2-25 emergency care, as defined by Section 1301.155.  
 2-26 (e) This section does not apply to claims for post-emergency  
 2-27 stabilization care if all of the conditions described by 42 U.S.C.  
 2-28 Section 300gg-111(a)(3)(C)(ii)(II) are met.  
 2-29 SECTION 5. Section 1301.0055, Insurance Code, is amended to  
 2-30 read as follows:  
 2-31 Sec. 1301.0055. NETWORK ADEQUACY STANDARDS. (a) The  
 2-32 commissioner shall by rule adopt network adequacy standards that:  
 2-33 (1) require an insurer offering a preferred provider  
 2-34 benefit plan to:  
 2-35 (A) monitor compliance with network adequacy  
 2-36 standards, including provisions of this chapter relating to network  
 2-37 adequacy, on an ongoing basis, reporting any material deviation  
 2-38 from network adequacy standards to the department within 30 days of  
 2-39 the date the material deviation occurred; and  
 2-40 (B) promptly take any corrective action required  
 2-41 to ensure that the network is compliant not later than the 90th day  
 2-42 after the date the material deviation occurred unless:  
 2-43 (i) there are no uncontracted licensed  
 2-44 physicians or health care providers in the affected county; or  
 2-45 (ii) the insurer requests a waiver under  
 2-46 this subsection [are adapted to local markets in which an insurer  
 2-47 offering a preferred provider benefit plan operates];  
 2-48 (2) ensure availability of, and accessibility to, a  
 2-49 full range of contracted physicians and health care providers to  
 2-50 provide current and projected utilization of health care services  
 2-51 for adult and minor [to] insureds; [and]  
 2-52 (3) [on good cause shown,] may allow a waiver for a  
 2-53 departure from [local market] network adequacy standards for a  
 2-54 period not to exceed one year if the commissioner determines after  
 2-55 receiving public testimony at a public hearing under Section  
 2-56 1301.00565 that good cause is shown and posts on the department's  
 2-57 Internet website the name of the preferred provider benefit plan,  
 2-58 the insurer offering the plan, each affected county, the specific  
 2-59 network adequacy standards waived, and the insurer's access plan;  
 2-60 (4) require disclosure by the insurer of the  
 2-61 information described by Subdivision (3) in all promotion and  
 2-62 advertisement of the preferred provider benefit plan for which a  
 2-63 waiver is allowed under that subdivision;  
 2-64 (5) except as provided by Subdivision (6), limit a  
 2-65 waiver from being issued to a preferred provider benefit plan:  
 2-66 (A) more than twice consecutively for the same  
 2-67 network adequacy standard in the same county unless the insurer  
 2-68 demonstrates, in addition to the good cause described by  
 2-69 Subdivision (3), multiple good faith attempts to bring the plan

3-1 into compliance with the network adequacy standard during each of  
3-2 the prior consecutive waiver periods; or  
3-3 (B) more than a total of four times within a  
3-4 21-year period for each county in a service area for issues that may  
3-5 be remedied through good faith efforts; and  
3-6 (6) authorize the commissioner to issue a waiver that  
3-7 would otherwise be unavailable under Subdivision (5) if the waiver  
3-8 request demonstrates, and the department confirms annually, that  
3-9 there are no uncontracted physicians or health care providers in  
3-10 the area to meet the specific standard for a county in a service  
3-11 area [and the affected local market].  
3-12 (b) The standards described by Subsection (a)(2) must  
3-13 include factors regarding time, distance, and appointment  
3-14 availability. The factors must:  
3-15 (1) require that all insureds are able to receive an  
3-16 appointment with a preferred provider within the maximum travel  
3-17 times and distances established under Sections 1301.00553 and  
3-18 1301.00554;

3-20 appointment with a preferred provider within the maximum  
3-21 appointment wait times established under Section 1301.00555;  
3-22 (3) require a preferred provider benefit plan to  
3-23 ensure sufficient choice, access, and quality of physicians and  
3-24 health care providers, in number, size, and geographic  
3-25 distribution, to be capable of providing the health care services  
3-26 covered by the plan from preferred providers to all insureds within  
3-27 the insurer's designated service area, taking into account the  
3-28 insureds' characteristics, medical conditions, and health care  
3-29 needs, including:  
3-30 (A) the current utilization of covered health  
3-31 care services within the counties of the service area; and  
3-32 (B) an actuarial projection of utilization of  
3-33 covered health care services, physicians, and health care providers  
3-34 needed within the counties of the service area to meet the needs of  
3-35 the number of projected insureds;  
3-36 (4) require a sufficient number of preferred providers

3-40 services, including radiology and laboratory services, at each  
3-41 preferred hospital, ambulatory surgical center, or freestanding  
3-42 emergency medical care facility that credentials the particular  
3-43 specialty to ensure all insureds are able to receive covered  
3-44 benefits, including access to clinical trials covered by the health  
3-45 benefit plan, at that preferred location;  
3-46 (5) require that all insureds have the ability to  
3-47 access a preferred institutional provider listed in Section  
3-48 1301.00553 within the maximum travel times and distances  
3-49 established under Section 1301.00553 for the corresponding county

3-51 (6) require that insureds have the option of  
3-52 facilities, if available, of pediatric, for-profit, nonprofit, and  
3-53 tax-supported institutions, with special consideration to  
3-54 contracting with:  
3-55 (A) teaching hospitals that provide indigent  
3-56 care or care for uninsured individuals as a significant percentage  
3-57 of their overall patient load; and  
3-58 (B) teaching facilities that specialize in  
3-59 providing care for rare and complex medical conditions and  
3-60 conducting clinical trials;  
3-61 (7) require that there is an adequate number of  
3-62 preferred provider physicians who have admitting privileges at one  
3-63 or more preferred provider hospitals located within the insurer's  
3-64 designated service area to make any necessary hospital admissions;  
3-65 (8) provide for necessary hospital services by

 4-4 accessible from preferred providers within the insurer's  
 4-5 designated service area within 24 hours for medical and behavioral  
 4-6 health conditions;  
 4-7 (11) require an adequate number of preferred providers  
 4-8 to be available and accessible to insureds 24 hours a day, seven  
 4-9 days a week, within the insurer's designated service area; and

 4-11 preferred providers to ensure choice, access, and quality of care  
 4-12 across the insurer's designated service area.

9-1 REQUIREMENTS; COMMISSIONER AUTHORITY. (a) In this section,  
9-2 "maximum distance" has the meaning assigned by Section 1301.00553.

9-3 (b) For a physician specialty not specifically listed in  
9-4 Section 1301.00553, the maximum distance, in any county  
9-5 classification, is 75 miles.

9-6 (c) When necessary due to utilization or supply patterns,  
9-7 the commissioner by rule may decrease the base maximum travel time  
9-8 and distance standards listed in this section or Section 1301.00553  
9-9 for specific counties.

9-10 Sec. 1301.00555. MAXIMUM APPOINTMENT WAIT TIME STANDARDS.  
9-11 An insurer must ensure that:

9-12 (1) routine care is available and accessible from  
9-13 preferred providers:

9-14 (A) within three weeks for medical conditions;  
9-15 and

9-16 (B) within two weeks for behavioral health  
9-17 conditions; and

9-18 (2) preventive health care services are available and  
9-19 accessible from preferred providers:

9-20 (A) within two months for a child, or earlier if  
9-21 necessary for compliance with recommendations for specific  
9-22 preventive health care services; and

9-23 (B) within three months for an adult.

9-24 SECTION 7. Section 1301.0056, Insurance Code, is amended by  
9-25 amending Subsection (a) and adding Subsections (a-1) and (e) to  
9-26 read as follows:

9-27 (a) The commissioner shall by rule adopt a process for the  
9-28 commissioner to examine a preferred provider benefit plan before an  
9-29 insurer offers the plan for delivery to insureds to determine  
9-30 whether the plan meets the quality of care and network adequacy  
9-31 standards of this chapter. An insurer may not offer [of a network  
9-32 used by] a preferred provider benefit plan or an exclusive provider  
9-33 benefit plan before [offered by] the commissioner determines that  
9-34 the network meets the quality of care and network adequacy  
9-35 standards of [insurer under] this chapter or the insurer receives a  
9-36 waiver under Section 1301.0055.

9-37 (a-1) An insurer is subject to a qualifying examination of  
9-38 the insurer's preferred provider benefit plans [~~and exclusive~~  
9-39 ~~provider benefit plans~~] and subsequent quality of care and network  
9-40 adequacy examinations by the commissioner at least once every three  
9-41 years, in connection with a public hearing under Section 1301.00565  
9-42 concerning a material deviation from network adequacy standards by  
9-43 a previously authorized plan or a request for a waiver of a network  
9-44 adequacy standard, and whenever the commissioner considers an  
9-45 examination necessary. Documentation provided to the commissioner  
9-46 during an examination conducted under this section is confidential  
9-47 and is not subject to disclosure as public information under  
9-48 Chapter 552, Government Code.

9-49 (e) Rules adopted under this section must require insurers  
9-50 to provide access to or submit data or information necessary for the  
9-51 commissioner to evaluate and make a determination of compliance  
9-52 with quality of care and network adequacy standards. The rules must  
9-53 require insurers to provide access to or submit data or information  
9-54 that includes:

9-55 (1) a searchable and sortable database of network  
9-56 physicians and health care providers by national provider  
9-57 identifier, county, physician specialty, hospital privileges and  
9-58 credentials, and type of health care provider or licensure, as  
9-59 applicable;

9-60 (2) actuarial data of current and projected number of  
9-61 insureds by county;

9-62 (3) actuarial data of current and projected  
9-63 utilization of each preferred provider type listed in Section  
9-64 1301.00553 and described by Section 1301.00554 by county; and

9-65 (4) any other data or information considered necessary  
9-66 by the commissioner to make a determination to authorize the use of  
9-67 the preferred provider benefit plan in the most efficient and  
9-68 effective manner possible.

9-69 SECTION 8. Subchapter A, Chapter 1301, Insurance Code, is

10-1 amended by adding Sections 1301.00565 and 1301.00566 to read as  
10-2 follows:

10-3 Sec. 1301.00565. PUBLIC HEARING ON NETWORK ADEQUACY  
10-4 STANDARDS WAIVERS. (a) In this section, "good faith effort" means  
10-5 honesty in fact, timely participation, observance of reasonable  
10-6 commercial standards of fair dealing, and prioritizing patients'  
10-7 access to in-network care.

10-8 (b) The commissioner shall set a public hearing for a  
10-9 determination of whether there is good cause for a waiver when an  
10-10 insurer:

10-11 (1) requests a waiver that does not satisfy Section  
10-12 1301.0055(a)(6);

10-13 (2) requests a waiver that the commissioner does not  
10-14 deny; and

10-15 (3) does not complete corrective action for a material  
10-16 deviation reported under Section 1301.0055.

10-17 (c) The commissioner shall notify affected physicians and  
10-18 health care providers that may be the subject of a discussion of  
10-19 good faith efforts on behalf of the insurer to meet network adequacy  
10-20 standards and provide the physicians and health care providers with  
10-21 an opportunity to submit evidence, including written testimony, and  
10-22 to attend the public hearing and offer testimony either in person or  
10-23 virtually. An out-of-network physician or hospital, including a  
10-24 physician group or health care system referenced in the insurer's  
10-25 waiver request or notice of material deviation, may not be  
10-26 identified by name at the hearing unless the physician or hospital  
10-27 consents to the identification in advance of the hearing.

10-28 (d) At the hearing, the commissioner shall consider all  
10-29 written and oral testimony and evidence submitted by the insurer  
10-30 and the public pertinent to the requested waiver, including:

10-31 (1) the total number of physicians or health care  
10-32 providers in each preferred provider type listed in Section  
10-33 1301.00553 within the county and service area being submitted for  
10-34 the waiver and whether the insurer made a good faith effort to  
10-35 contract with those required preferred provider types to meet  
10-36 network adequacy standards of this chapter;

10-37 (2) the total number of facilities, and availability  
10-38 of pediatric, for-profit, nonprofit, tax-supported, and teaching  
10-39 facilities, within the county and service area being submitted for  
10-40 a waiver and whether the insurer made a good faith effort to  
10-41 contract with these facilities and facility-based physicians and  
10-42 health care providers to meet network adequacy standards of this  
10-43 chapter;

10-44 (3) population, density, and geographical information  
10-45 to determine the possibility of meeting travel time and distance  
10-46 requirements within the county and service area being submitted for  
10-47 a waiver; and

10-48 (4) availability of services, population, and density  
10-49 within the county and service area being submitted for the waiver.

10-50 (e) The commissioner may not consider a prohibition on  
10-51 balance billing in determining whether to grant a waiver from  
10-52 network adequacy standards.

10-53 (f) The commissioner may not grant a waiver without a public  
10-54 hearing.

10-55 (g) Except as provided by this subsection, any evidence  
10-56 submitted to the commissioner as evidence for the public hearing  
10-57 that is proprietary in nature is confidential and not subject to  
10-58 disclosure as public information under Chapter 552, Government  
10-59 Code. Information related to provider directories, credentials,  
10-60 and privileges, estimates of patient populations, and actuarial  
10-61 estimates of needed providers to meet the estimated patient  
10-62 population is not protected under this subsection.

10-63 (h) A policyholder is entitled to seek judicial review of  
10-64 the commissioner's decision to grant a waiver under this section in  
10-65 a Travis County district court. Review by the district court under  
10-66 this subsection is de novo.

10-67 Sec. 1301.00566. EFFECT OF NETWORK ADEQUACY STANDARDS  
10-68 WAIVER ON BALANCE BILLING PROHIBITIONS. After a network adequacy  
10-69 standards waiver is granted by the commissioner, an insurer may

11-1 refer to the provisions prohibiting balance billing under Sections  
 11-2 1301.0053, 1301.155, 1301.164, or 1301.165, as applicable, in an  
 11-3 access plan submitted to the department for the sole purpose of  
 11-4 explaining how the insurer will coordinate care to limit the  
 11-5 likelihood of a balance bill for services subject to those  
 11-6 provisions and not to justify a departure from network adequacy  
 11-7 standards.

11-8 SECTION 9. Section 1301.009(b), Insurance Code, is amended  
 11-9 to read as follows:

11-10 (b) The report shall:

- 11-11 (1) be verified by at least two principal officers;
- 11-12 (2) be in a form prescribed by the commissioner; and
- 11-13 (3) include:

11-14 (A) a financial statement of the insurer,  
 11-15 including its balance sheet and receipts and disbursements for the  
 11-16 preceding calendar year, certified by an independent public  
 11-17 accountant;

11-18 (B) the number of individuals enrolled during the  
 11-19 preceding calendar year, the number of enrollees as of the end of  
 11-20 that year, and the number of enrollments terminated during that  
 11-21 year; and

11-22 (C) a statement of:

- 11-23 (i) an evaluation of enrollee satisfaction;
- 11-24 (ii) an evaluation of quality of care;
- 11-25 (iii) coverage areas;
- 11-26 (iv) accreditation status;
- 11-27 (v) premium costs;
- 11-28 (vi) plan costs;
- 11-29 (vii) premium increases;
- 11-30 (viii) the range of benefits provided;
- 11-31 (ix) copayments and deductibles;
- 11-32 (x) the accuracy and speed of claims  
 11-33 payment by the insurer for the plan;
- 11-34 (xi) the credentials of physicians who are  
 11-35 preferred providers; ~~and~~
- 11-36 (xii) the number of preferred providers;
- 11-37 (xiii) any waiver requests made and waivers  
 11-38 of network adequacy standards granted under Section 1301.00565;
- 11-39 (xiv) any material deviation from network  
 11-40 adequacy standards reported to the department under Section  
 11-41 1301.0055; and
- 11-42 (xv) any corrective actions, sanctions, or  
 11-43 penalties assessed against the insurer by the department for  
 11-44 deficiencies related to the preferred provider benefit plan.

11-45 SECTION 10. Subchapter B, Chapter 1301, Insurance Code, is  
 11-46 amended by adding Section 1301.0642 to read as follows:

11-47 Sec. 1301.0642. CONTRACT PROVISIONS ALLOWING CERTAIN  
 11-48 ADVERSE MATERIAL CHANGES PROHIBITED. (a) In this section,  
 11-49 "adverse material change" means a change to a preferred provider  
 11-50 contract that would decrease the preferred provider's payment or  
 11-51 compensation, change the provider's tier to a less preferred tier,  
 11-52 or change the administrative procedures in a way that may  
 11-53 reasonably be expected to significantly increase the provider's  
 11-54 administrative expenses or decrease the provider's payment or  
 11-55 compensation. The term does not include:

- 11-56 (1) a decrease in payment or compensation resulting  
 11-57 solely from a change in a published governmental fee schedule on  
 11-58 which the payment or compensation is based if the applicability of  
 11-59 the schedule is clearly identified in the contract;
- 11-60 (2) a decrease in payment or compensation that was  
 11-61 anticipated under the terms of the contract, if the amount and date  
 11-62 of applicability of the decrease is clearly identified in the  
 11-63 contract;
- 11-64 (3) an administrative change that may significantly  
 11-65 increase the provider's administrative expense, the specific  
 11-66 applicability of which is clearly identified in the contract;
- 11-67 (4) a change that is required by federal or state law;
- 11-68 (5) a termination for cause; or
- 11-69 (6) a termination without cause at the end of the term

12-1 of the contract.

12-2 (b) An adverse material change to a preferred provider  
12-3 contract may only be made during the term of the preferred provider  
12-4 contract with the mutual agreement of the parties. A provision in a  
12-5 preferred provider contract that allows the insurer to unilaterally  
12-6 make an adverse material change during the term of the contract is  
12-7 void and unenforceable.

12-8 (c) Any adverse material change to the preferred provider  
12-9 contract may not go into effect until the 120th day after the date  
12-10 the preferred provider affirmatively agrees to the adverse material  
12-11 change in writing.

12-12 (d) A proposed amendment by an insurer seeking an adverse  
12-13 material change to a preferred provider contract must include  
12-14 notice that clearly and conspicuously states that a preferred  
12-15 provider may choose to not agree to the amendment and that the  
12-16 decision to not agree to the amendment may not affect:

12-17 (1) the terms of the provider's existing contract with  
12-18 the insurer; or

12-19 (2) the provider's participation in other health plans  
12-20 or products.

12-21 (e) A preferred provider's failure to agree to an adverse  
12-22 material change to a preferred provider contract does not affect:

12-23 (1) the terms of the provider's existing contract with  
12-24 the insurer; or

12-25 (2) the provider's participation in other health care  
12-26 products or plans.

12-27 (f) An insurer's failure to include the notice described by  
12-28 Subsection (d) with the proposed amendment makes an otherwise  
12-29 agreed-to adverse material change void and unenforceable.

12-33 for delivery, or renewed before January 1, 2024, is governed by the  
12-34 law as it existed immediately before the effective date of this Act,  
12-35 and that law is continued in effect for that purpose.

12-36 (b) Section 1301.009(b), Insurance Code, as amended by this  
12-37 Act, applies only to a report submitted on or after October 1, 2024.  
12-38 A report submitted before October 1, 2024, is governed by the law in  
12-39 effect on the date the report was submitted, and that law is  
12-40 continued in effect for that purpose.
