4           (b) An agency described by Subsection (a)(2) must notify the  
5 office of the attorney general at the time the agency initiates the  
6 planning phase of the contracting process for a contract described  
7 by Subsection (a). A representative of the office of the attorney  
8 general or another attorney advising the agency as provided by  
9 Subsection (d) may:

10                   (1) participate in negotiations or discussions with  
11 proposed contractors; and

12                   (2) be physically present during those negotiations or  
13 discussions.

14           (c) Notwithstanding any other law, before an agency  
15 described by Subsection (a)(2) may enter into a contract described  
16 by Subsection (a), a representative of the office of the attorney  
17 general shall review the form and terms of the contract and may make  
18 recommendations to the agency for changes to the contract if the  
19 attorney general determines that the office of the attorney general  
20 has sufficient subject matter expertise and resources available to  
21 provide this service.

2 (e) The agency described by Subsection (a)(2) shall provide

13 include performance standards that measure the effectiveness,  
14 promptness, and accuracy of the contractor's oral and written  
15 communications with individuals with limited English proficiency.

17 Subsection (b) must include in the bid or other applicable

4 proficiency of the language services available to them and how to  
5 obtain those services;

6 (5) develop and implement qualifications for  
7 bilingual staff; and

8 (6) monitor compliance with the plan.

9 (d) In determining which bid or other applicable expression  
10 of interest offers the best value, the commission or a health and  
11 human services agency, as applicable, shall evaluate the extent to  
12 which the proposal for providing call center services or written  
13 communications related to call center services in languages other  
14 than English will provide meaningful access to the services for  
15 individuals with limited English proficiency.

16 (e) In determining the extent to which a proposal will  
17 provide meaningful access under Subsection (d), the commission or  
18 health and human services agency, as applicable, shall consider:

19 (1) the language access plan described by Subsection  
20 (c);

22 limited English proficiency in the commission's or agency's  
23 eligible service population;

25 English proficiency seek information regarding the commission's or  
26 agency's programs;

27 (4) the importance of the services provided by the

1 commission's or agency's programs; and

2 (5) the resources available to the commission or  
3 agency.

4 (f) The commission or health and human services agency, as

8 English that is limited in scope;

9 (2) unreasonably delay the provision of information in  
10 languages other than English; or

10 (2) appropriate information technology systems the  
11 commission and health and human services agencies use are  
12 interoperable;

13 (3) the system and external information technology  
14 systems are interoperable in receiving and exchanging appropriate  
15 electronic health information as necessary to enhance:

16 (A) the comprehensive nature of information  
17 contained in electronic health records; and

18 (B) health care provider efficiency by  
19 supporting integration of the information into the electronic  
20 health record health care providers use;

21 (4) the system and other health information systems  
22 not described by Subdivision (3) and data warehousing initiatives  
23 are interoperable; and

24 (5) the system includes the elements described by  
25 Subsection (b).

26 (b) The health information exchange system must include the  
27 following elements:

1           (1) an authentication process that uses multiple forms  
2 of identity verification before allowing access to information  
3 systems and data;

4           (2) a formal process for establishing data-sharing  
5 agreements within the community of participating providers in  
6 accordance with the Health Insurance Portability and

15 Information Network (NHIN) and other national health information  
16 technology initiatives coordinated by the Office of the National  
17 Coordinator for Health Information Technology;

18           (6) technology that allows for patient identification  
19 across multiple systems; and

20           (7) the capability of allowing a health care provider  
21 with technology that meets current national standards to access the  
22 system.

23           (c) The health information exchange system must be  
24 developed in accordance with the Medicaid Information Technology  
25 Architecture (MITA) initiative of the Centers for Medicare and  
26 Medicaid Services and conform to other standards required under  
27 federal law. (Gov. Code, Secs. 531.903(a), (b), (d).)

1           Sec. 525.0203. HEALTH INFORMATION EXCHANGE SYSTEM  
2 IMPLEMENTATION IN STAGES. The commission shall implement the  
3 health information exchange system in stages as described by this  
4 subchapter, except that the commission may deviate from those  
5 stages if technological advances make a deviation advisable or more  
6 efficient. (Gov. Code, Sec. 531.903(c).)

7           Sec. 525.0204. HEALTH INFORMATION EXCHANGE SYSTEM STAGE  
8 ONE: ENCOUNTER DATA. In stage one of implementing the health  
9 information exchange system and for purposes of the implementation,  
10 the commission shall require each managed care organization with  
11 which the commission contracts under Chapter 540 or 540A for the  
12 provision of Medicaid managed care services or under Chapter 62,  
13 Health and Safety Code, for the provision of child health plan  
14 program services to submit to the commission complete and accurate  
15 encounter data not later than the 30th day after the last day of the  
16 month in which the managed care organization adjudicated the claim.  
17 (Gov. Code, Sec. 531.9051.)

18           Sec. 525.0205. HEALTH INFORMATION EXCHANGE SYSTEM STAGE  
19 ONE: ELECTRONIC PRESCRIBING. (a) In stage one of implementing the  
20 health information exchange system, the commission shall support  
21 and coordinate electronic prescribing tools health care providers  
22 and health care facilities use under Medicaid and the child health  
23 plan program.

24           (b) The commission shall collaborate with, and accept  
25 recommendations from, physicians and other stakeholders to ensure  
26 that the electronic prescribing tools described by Subsection (a):

27           (1) are integrated with existing electronic

1 prescribing systems otherwise in use in the public and private  
2 sectors; and

3 (2) to the extent feasible:

4 (A) provide current payer formulary information  
5 at the time a health care provider writes a prescription; and

6 (B) support the electronic transmission of a  
7 prescription.

8 (c) The commission may take any reasonable action to comply  
9 with this section, including establishing information exchanges  
10 with national electronic prescribing networks or providing health  
11 care providers with access to an Internet-based prescribing tool  
12 the commission develops.

13 (d) The commission shall apply for and actively pursue any  
14 waiver to the state Medicaid plan or the child health plan program  
15 from the Centers for Medicare and Medicaid Services or any other  
16 federal agency as necessary to remove an identified impediment to  
17 supporting and implementing electronic prescribing tools under  
18 this section, including the requirement for handwritten  
19 certification of certain drugs under 42 C.F.R. Section 447.512. If  
20 the commission, with assistance from the Legislative Budget Board,  
21 determines that the implementation of an operational modification  
22 in accordance with a waiver the commission obtains as required by  
23 this subsection has resulted in a cost increase in Medicaid or the  
24 child health plan program, the commission shall take the necessary  
25 actions to reverse the operational modification. (Gov. Code, Sec.  
26 531.906.)

27 Sec. 525.0206. HEALTH INFORMATION EXCHANGE SYSTEM STAGE

1 TWO: EXPANSION. (a) In stage two of implementing the health  
2 information exchange system and based on feedback provided by  
3 interested parties, the commission may expand the system by:

4 (1) providing an electronic health record for each  
5 child health plan program enrollee;

6 (2) including state laboratory results information in  
7 an electronic health record, including the results of newborn  
8 screenings and tests conducted under the Texas Health Steps  
9 program, based on the system developed for the health passport  
10 under Section 266.006, Family Code;

11 (3) improving electronic health record data-gathering  
12 capabilities to allow the record to include basic health and  
13 clinical information as the executive commissioner determines in  
14 addition to available claims information;

15 (4) using evidence-based technology tools to create a  
16 unique health profile to alert health care providers regarding the  
17 need for additional care, education, counseling, or health  
18 management activities for specific patients; and

19 (5) continuing to enhance the electronic health record  
20 created for each Medicaid recipient as technology becomes available  
21 and interoperability capabilities improve.

22 (b) In expanding the health information exchange system,  
23 the commission shall collaborate with, and accept recommendations  
24 from, physicians and other stakeholders to ensure that electronic  
25 health records provided under this section support health  
26 information exchange with electronic medical records systems  
27 physicians use in the public and private sectors. (Gov. Code, Sec.

1 531.907.)

2           Sec. 525.0207. HEALTH INFORMATION EXCHANGE SYSTEM STAGE  
3 THREE: EXPANSION. In stage three of implementing the health  
4 information exchange system, the commission may expand the system  
5 by:

6           (1) developing evidence-based benchmarking tools for  
7 a health care provider to use in evaluating the provider's own  
8 performance on health care outcomes and overall quality of care as  
9 compared to aggregated peer performance data; and

10           (2) expanding the system to include state agencies,  
11 additional health care providers, laboratories, diagnostic  
12 facilities, hospitals, and medical offices. (Gov. Code, Sec.  
13 531.908.)

15 EXCHANGE SYSTEM USE. The commission shall develop strategies to  
16 encourage health care providers to use the health information  
17 exchange system, including incentives, education, and outreach  
18 tools to increase usage. (Gov. Code, Sec. 531.909.)

19           Sec. 525.0209. RULES. The executive commissioner may adopt  
20 rules to implement this subchapter. (Gov. Code, Sec. 531.911.)

10 information resources system a health and human services agency  
11 uses into a coordinated information resources management planning  
12 and development system the commission establishes;

13                   (E) establishes standards for information  
14 resources system security and that promotes the capability of  
15 information resources systems operating with each other;

16                   (F) achieves economies of scale and related  
17 benefits in purchasing for health and human services information  
18 resources systems; and

19                   (G) is consistent with the state strategic plan  
20 for information resources developed under Chapter 2054;

21           (2) establish and ensure compliance with information  
22 resources management policies, procedures, and technical  
23 standards; and

24           (3) review and approve the information resources  
25 deployment review and biennial operating plan of each health and  
26 human services agency.

27           (c) A health and human services agency may not submit the

1 agency's plans to the Department of Information Resources or the  
2 Legislative Budget Board under Subchapter E, Chapter 2054, until  
3 the commission approves the plans. (Gov. Code, Sec. 531.0273.)

7 agency to research and propose appropriate technological solutions  
8 to improve the agency's ability to perform the agency's functions.  
9 The technological solutions must:

10           (1) ensure that the public is able to easily find  
11 information about a health and human services agency on the  
12 Internet;

13           (2) ensure that an individual who wants to use a health  
14 and human services agency's services is able to:

15                   (A) interact with the agency through the  
16 Internet; and

17                   (B) access any service that can be effectively  
18 provided through the Internet;

19           (3) be cost-effective and developed through the  
20 commission's planning process; and

21           (4) meet federal accessibility standards for  
22 individuals with disabilities.

23       (b) The commission shall develop and implement the policy  
24 described by Subsection (a) in relation to the commission's  
25 functions. (Gov. Code, Secs. 531.0162(a), (b).)

26       Sec. 525.0253. TECHNOLOGY USE FOR ADULT PROTECTIVE SERVICES  
27 PROGRAM. (a) Subject to available appropriations, the commission

1 shall use technology whenever possible in connection with the  
2 Department of Family and Protective Services' adult protective  
3 services program to:

4 (1) provide for automated collection of information  
5 necessary to evaluate program effectiveness using systems that  
6 integrate collection of necessary information with other routine  
7 duties of caseworkers and other service providers; and

8 (2) consequently reduce the time required for  
9 caseworkers and other service providers to gather and report  
10 information necessary for program evaluation.

11 (b) The commission shall include private sector  
12 representatives in the technology planning process used to  
13 determine appropriate technology for the Department of Family and  
14 Protective Services' adult protective services program. (Gov.  
15 Code, Secs. 531.0162(c), (d).)

16 Sec. 525.0254. ELECTRONIC SIGNATURES. (a) In this

18 Business & Commerce Code.

19 (b) The executive commissioner shall establish standards  
20 for the use of electronic signatures in accordance with Chapter  
21 322, Business & Commerce Code, with respect to any transaction in  
22 connection with the administration of health and human services  
23 programs.

24 (c) The executive commissioner shall adopt rules to  
25 implement the executive commissioner's authority under this  
26 section. (Gov. Code, Secs. 531.0055(j), (m).)

27 Sec. 525.0255. HEALTH AND HUMAN SERVICES SYSTEM INTERNET

1 WEBSITES. The commission shall establish a process to ensure that  
2 Internet websites across the health and human services system are  
3 developed and maintained according to standard criteria for  
4 uniformity, efficiency, and technical capabilities. Under the  
5 process, the commission shall:

6 (1) develop and maintain an inventory of all health  
7 and human services system Internet websites; and

8 (2) on an ongoing basis, evaluate the inventory the  
9 commission maintains under Subdivision (1) to:

10 (A) determine whether any Internet websites  
11 should be consolidated to improve public access to those websites'  
12 content and, if appropriate, consolidate those websites; and

13 (B) ensure that the Internet websites comply with  
14 the standard criteria. (Gov. Code, Sec. 531.0164.)

15 Sec. 525.0256. AUTOMATION STANDARDS FOR DATA SHARING. The  
16 executive commissioner, with the Department of Information  
17 Resources, shall develop automation standards for computer systems  
18 to enable health and human services agencies, including agencies  
19 operating at a local level, to share pertinent data. (Gov. Code,  
20 Sec. 531.024(a) (part).)

21 Sec. 525.0257. ELECTRONIC EXCHANGE OF HEALTH INFORMATION;  
22 BIENNIAL REPORT. (a) In this section, "health care provider"  
23 includes a physician.

24 (b) The executive commissioner shall ensure that:

25 (1) all information systems available for the  
26 commission or a health and human services agency to use in sending  
27 protected health information to a health care provider or receiving

1 protected health information from a health care provider, and for  
2 which planning or procurement begins on or after September 1, 2015,  
3 are capable of sending or receiving the information in accordance  
4 with the applicable data exchange standards developed by the  
5 appropriate standards development organization accredited by the  
6 American National Standards Institute;

7 (2) if national data exchange standards do not exist  
8 for a system described by Subdivision (1), the commission makes  
9 every effort to ensure that the system is interoperable with the  
10 national standards for electronic health record systems; and

11 (3) the commission and each health and human services  
12 agency establish an interoperability standards plan for all  
13 information systems that exchange protected health information  
14 with health care providers.

15 (c) Not later than December 1 of each even-numbered year,  
16 the executive commissioner shall report to the governor and the  
17 Legislative Budget Board on the commission's and the health and  
18 human services agencies' measurable progress in ensuring that the  
19 information systems described by Subsection (b) are interoperable  
20 with one another and meet the appropriate standards specified by  
21 that subsection. The report must include an assessment of the  
22 progress made in achieving commission goals related to the exchange  
23 of health information, including facilitating care coordination  
24 among the agencies, ensuring quality improvement, and realizing  
25 cost savings. (Gov. Code, Secs. 531.0162(e), (f), (h) (part).)

7 terms and services. (Gov. Code, Sec. 531.040.)

8 Sec. 525.0302. CONSOLIDATION OF REPORTS. The commission  
9 may consolidate any annual or biennial reports required to be made  
10 under this chapter or another law if:

12 than the earliest deadline for the submission of any component of  
13 the report; and

14 (2) each person required to receive a component of the  
15 consolidated report receives the report, and the report identifies

13 questions; and

11 to and understandable by a consumer; and

12           (2) allow a consumer to make informed choices  
13 concerning long-term care services and include:

14           (A) an explanation of the manner in which  
15 long-term care service delivery is administered in different  
16 counties through different programs the commission operates so that  
17 an individual can easily understand the service options available

4 education, designed to educate or provide care for children younger  
5 than 13 years of age in middle-income or low-income families.

6           (b) In addition to providing health and human services  
7 information, the network Internet website established under  
8 Section 526.0005 must provide information to the public regarding  
9 child-care and education services public or private entities  
10 provide throughout this state. The Internet website will serve as a  
11 single point of access through which an individual may be directed  
12 toward information regarding the manner of or location for applying

8 Subsection (c)(3)(B), each applicable entity shall:

9 (1) contact the applicant to verify information  
10 regarding the applicant's eligibility for available child-care and  
11 education services; and

12 (2) on certifying the applicant's eligibility, match  
13 the applicant with entities providing those services in the  
14 applicant's community, including local workforce development  
15 boards, local child-care providers, or a Head Start or Early Head  
16 Start program provider.

17 (e) The child-care resource and referral network described

7 in the individual's community. In this subsection, "private  
8 entity" includes any provider of housing specifically for

11 regardless of whether the provider accepts payment for providing  
12 housing for those individuals.

13 (b) To the extent resources are available, the Internet

17 environment.

18 (d) For each housing facility named in the listing of  
19 available housing options for individuals with mental illness, the  
20 Internet website must indicate whether the provider operating the  
21 housing facility is licensed by this state.

21                   (B) not comply with one or more of the standards.

22 (Gov. Code, Sec. 531.0315.)

23       Sec. 526.0009. TECHNICAL ASSISTANCE FOR HUMAN SERVICES

17 family planning services in a manner that does not severely limit or  
18 eliminate access to those services in any region of this state.  
19 (Gov. Code, Sec. 531.0025.)

20 Sec. 526.0052. INFORMATION FOR CERTAIN ENROLLEES IN HEALTHY  
21 TEXAS WOMEN PROGRAM. (a) In this section, "Healthy Texas Women  
22 program" means a program the commission operates that is  
23 substantially similar to the demonstration project operated under  
24 former Section 32.0248, Human Resources Code, and that is intended  
25 to expand access to preventive health and family planning services  
26 for women in this state.

27 (b) This section applies to a woman who is automatically

1 enrolled in the Healthy Texas Women program following a pregnancy

14 organizations to perform those functions.

15           (b) A procedure, policy, or methodology implemented under  
16 this section must comply with any prohibitions in state or federal  
17 law on limits in the amount, duration, or scope of medically  
18 necessary services for Medicaid recipients who are children. (Gov.  
19 Code, Sec. 531.075.)

27           (b) If the commission determines it is feasible and to the

1 extent permitted by federal and state law, the commission shall:

2 (1) provide the health care services for individuals

21 SUBCHAPTER D. TEXAS HEALTH OPPORTUNITY POOL TRUST FUND

22 Sec. 526.0151. DEFINITION. In this subchapter, "fund"  
23 means the Texas health opportunity pool trust fund established  
24 under Section 526.0153. (Gov. Code, Sec. 531.501.)

26 executive commissioner may seek a waiver under Section 1115 of the  
27 Social Security Act (42 U.S.C. Section 1315) to the state Medicaid

1 plan to allow the commission to more efficiently and effectively  
2 use federal money paid to this state under various programs to  
3 defray costs associated with providing uncompensated health care in  
4 this state by using that federal money, appropriated state money to  
5 the extent necessary, and any other money described by this section  
6 for purposes consistent with this subchapter.

7 (b) The executive commissioner may include the following  
8 federal money in the waiver:

9 (1) money provided under:

10 (A) the disproportionate share hospitals  
11 program;

12 (B) the upper payment limit supplemental payment  
13 program; or

14 (C) both;

15 (2) money provided by the federal government in lieu  
16 of some or all of the payments provided under one or both of the  
17 programs described by Subdivision (1);

26 intergovernmental transfers; and

27 (D) if approved in the waiver, federal money

1 obtained through the use of certified public expenditures.

2 (c) The commission shall seek to optimize federal funding  
3 by:

4 (1) identifying health care-related state and local  
5 funds and program expenditures that, before September 1, 2011, are  
6 not being matched with federal money; and

7 (2) exploring the feasibility of:

8 (A) certifying or otherwise using those funds and  
9 expenditures as state expenditures for which this state may receive  
10 federal matching money; and

11 (B) depositing federal matching money received  
12 as provided by Paragraph (A) with other federal money deposited as  
13 provided by Section 526.0154, or substituting that federal matching  
14 money for federal money that otherwise would be received under the  
15 disproportionate share hospitals and upper payment limit  
16 supplemental payment programs as a match for local funds received  
17 by this state through intergovernmental transfers.

18 (d) The terms of a waiver approved under this section must:

19 (1) include safeguards to ensure that the total amount  
20 of federal money provided under the disproportionate share  
21 hospitals or upper payment limit supplemental payment program that  
22 is deposited as provided by Section 526.0154 is, for a particular  
23 state fiscal year, at least equal to the greater of the annualized  
24 amount provided to this state under those supplemental payment  
25 programs during:

26 (A) state fiscal year 2011, excluding  
27 retroactive payment amounts provided during that state fiscal year;

1 or

2 (B) the state fiscal years during which the  
3 waiver is in effect; and

4 (2) allow this state to develop a methodology for  
5 allocating money in the fund to:

6 (A) supplement Medicaid hospital reimbursements  
7 under a waiver that includes terms consistent with, or that produce  
8 revenues consistent with, disproportionate share hospital and  
9 upper payment limit principles;

10 (B) reduce the number of individuals in this  
11 state who do not have health benefits coverage; and

12 (C) maintain and enhance the community public  
13 health infrastructure provided by hospitals.

14 (e) In seeking a waiver under this section, the executive  
15 commissioner shall attempt to:

16 (1) obtain maximum flexibility in the use of the money  
17 in the fund for purposes consistent with this subchapter;

18 (2) include an annual adjustment to the aggregate caps  
19 under the upper payment limit supplemental payment program to  
20 account for inflation, population growth, and other appropriate  
21 demographic factors that affect the ability of residents of this  
22 state to obtain health benefits coverage;

23 (3) ensure, for the term of the waiver, that the  
24 aggregate caps under the upper payment limit supplemental payment  
25 program for each of the three classes of hospitals are not less than  
26 the aggregate caps applied during state fiscal year 2007; and

27 (4) to the extent allowed by federal law, including

1 federal regulations, and federal waiver authority, preserve the  
2 federal supplemental payment program payments made to hospitals,  
3 the state match with respect to which is funded by  
4 intergovernmental transfers or certified public expenditures that  
5 are used to optimize Medicaid payments to safety net providers for  
6 uncompensated care, and preserve allocation methods for those  
7 payments, unless the need for the payments is revised through  
8 measures that reduce the Medicaid shortfall or uncompensated care  
9 costs.

10 (f) The executive commissioner shall seek broad-based  
11 stakeholder input in the development of the waiver under this  
12 section and shall provide information to stakeholders regarding the  
13 terms of the waiver for which the executive commissioner seeks  
14 federal approval. (Gov. Code, Sec. 531.502.)

15 Sec. 526.0153. TEXAS HEALTH OPPORTUNITY POOL TRUST FUND

18 created as a trust fund outside the state treasury to be held by the  
19 comptroller and administered by the commission as trustee on behalf  
20 of residents of this state who do not have private health benefits  
21 coverage and health care providers providing uncompensated care to  
22 those individuals.

23 (b) The commission may spend money in the fund only for  
24 purposes consistent with this subchapter and the terms of the  
25 waiver authorized by Section 526.0152. (Gov. Code, Sec. 531.503.)

26 Sec. 526.0154. DEPOSITS TO FUND. (a) The comptroller shall  
27 deposit in the fund:

1           (1) federal money provided to this state under the  
2 disproportionate share hospitals supplemental payment program, the  
3 hospital upper payment limit supplemental payment program, or both,  
4 other than money provided under those programs to state-owned and  
5 -operated hospitals, and all other nonsupplemental payment program  
6 federal money provided to this state that is included in the waiver  
7 authorized by Section 526.0152; and

8           (2) state money appropriated to the fund.

9           (b) The commission and comptroller may accept gifts,  
10 grants, and donations from any source, and receive  
11 intergovernmental transfers, for purposes consistent with this  
12 subchapter and the terms of the waiver authorized by Section  
13 526.0152. The comptroller shall deposit a gift, grant, or donation  
14 made for those purposes in the fund.

15           (c) Any intergovernmental transfer received, including  
16 associated federal matching funds, shall be used, if feasible, for  
17 the purposes intended by the transferring entity and in accordance  
18 with the terms of the waiver authorized by Section 526.0152. (Gov.  
19 Code, Sec. 531.504.)

20           Sec. 526.0155. USE OF FUND IN GENERAL; RULES FOR  
21 ALLOCATION. (a) Except as otherwise provided by the terms of a  
22 waiver authorized by Section 526.0152, money in the fund may be  
23 used:

24           (1) subject to Section 526.0156, to provide to health  
25 care providers reimbursements that:

26           (A) are based on the providers' costs related to  
27 providing uncompensated care; and

1 (B) compensate the providers for at least a  
2 portion of those costs;

3 (2) to reduce the number of individuals in this state  
4 who do not have health benefits coverage;

5 (3) to reduce the need for uncompensated health care  
6 provided by hospitals in this state; and

7 (4) for any other purpose specified by this subchapter  
8 or the waiver.

9 (b) On approval of the waiver authorized by Section  
10 526.0152, the executive commissioner shall:

11 (1) seek input from a broad base of stakeholder  
12 representatives on the development of rules with respect to and for  
13 the administration of the fund; and

14 (2) by rule develop a methodology for allocating money  
15 in the fund that is consistent with the terms of the waiver. (Gov.  
16 Code, Sec. 531.505.)

17 Sec. 526.0156. REIMBURSEMENTS FOR UNCOMPENSATED HEALTH  
18 CARE COSTS. (a) Except as otherwise provided by the terms of a  
19 waiver authorized by Section 526.0152 and subject to Subsections  
20 (b) and (c), money in the fund may be allocated to hospitals in this  
21 state and political subdivisions of this state to defray the costs  
22 of providing uncompensated health care.

23 (b) To be eligible for money allocated from the fund under  
24 this section, a hospital or political subdivision must use a  
25 portion of the money to implement strategies that will reduce the  
26 need for uncompensated inpatient and outpatient care, including  
27 care provided in a hospital emergency room. The strategies may

1 include:

2 (1) fostering improved access for patients to primary  
3 care systems or other programs that offer those patients medical

9 benefits coverage; and

10 (2) creating health care systems efficiencies, such as  
11 using electronic medical records systems.

12 (c) The allocation methodology the executive commissioner  
13 develops under Section 526.0155(b) must specify the percentage of  
14 the money from the fund allocated to a hospital or political  
15 subdivision that the hospital or political subdivision must use for  
16 strategies described by Subsection (b) of this section. (Gov.  
17 Code, Sec. 531.506.)

18 Sec. 526.0157. INCREASING ACCESS TO HEALTH BENEFITS

20 waiver authorized by Section 526.0152, money in the fund that is  
21 available to reduce the number of individuals in this state who do  
22 not have health benefits coverage or to reduce the need for

24 be used for purposes relating to increasing access to health

26 (1) providing premium payment assistance to those  
27 individuals through a premium payment assistance program developed

1 under this section;

2 (2) making contributions to health savings accounts  
3 for those individuals; and

8 (b) The commission and the Texas Department of Insurance  
9 shall jointly develop a premium payment assistance program designed  
10 to assist individuals described by Subsection (a) in obtaining and  
11 maintaining health benefits coverage. The program may provide  
12 assistance in the form of payments for all or part of the premiums  
13 for that coverage. In developing the program, the executive  
14 commissioner shall adopt rules establishing:

15 (1) eligibility criteria for the program;

16 (2) the amount of premium payment assistance that will  
17 be provided under the program;

18 (3) the process by which that assistance will be paid;  
19 and

20 (4) the mechanism for measuring and reporting the  
21 number of individuals who obtained health insurance or other health  
22 benefits coverage as a result of the program.

23 (c) The commission shall implement the premium payment  
24 assistance program developed under Subsection (b), subject to  
25 availability of money in the fund for that purpose. (Gov. Code, Sec.  
26 531.507.)

2 526.0152 and subject to Subsection (c), money in the fund may be  
3 used for purposes related to developing and implementing  
4 initiatives to improve the infrastructure of local provider  
5 networks that provide services to Medicaid recipients and  
6 individuals with low income and without health benefits coverage in  
7 this state.

8 (b) The infrastructure improvements may include developing  
9 and implementing a system for maintaining medical records in an  
10 electronic format.

11 (c) Not more than 10 percent of the total amount of the money  
12 in the fund used in a state fiscal year for purposes other than  
13 providing reimbursements to hospitals for uncompensated health  
14 care may be used for infrastructure improvements described by  
15 Subsection (b).

16 (d) Money from the fund may not be used to finance the  
17 construction, improvement, or renovation of a building or land  
18 unless the commission approves the construction, improvement, or  
19 renovation in accordance with rules the executive commissioner  
20 adopts for that purpose. (Gov. Code, Sec. 531.508.)

27 shall establish an informal dispute resolution process in

1 accordance with this section. The process must:

2 (1) provide for adjudication by an appropriate  
3 disinterested person of disputes relating to a proposed commission

15 ADMINISTRATIVE PENALTY

16 Sec. 526.0251. RULES. The executive commissioner shall  
17 adopt rules providing for:

18 (1) a standard definition of "uncompensated hospital  
19 care";

20 (2) a methodology for hospitals in this state to use in  
21 computing the cost of uncompensated hospital care that incorporates  
22 a standard set of adjustments to a hospital's initial computation  
23 of the cost that accounts for all funding streams that:

24 (A) are not patient-specific; and

25 (B) are used to offset the hospital's initially  
26 computed amount of uncompensated hospital care; and

27 (3) procedures for hospitals to use in reporting the

1 cost of uncompensated hospital care to the commission and in  
2 analyzing that cost, which may include procedures by which the  
3 commission may periodically verify the completeness and accuracy of  
4 the reported information. (Gov. Code, Secs. 531.551(a), (b).)

5       Sec. 526.0252. NOTICE OF FAILURE TO REPORT; ADMINISTRATIVE  
6 PENALTY. (a) The commission shall notify the attorney general of a  
7 hospital's failure to report the cost of uncompensated hospital  
8 care on or before the report due date in accordance with rules  
9 adopted under Section 526.0251(3).

10       (b) On receipt of the notice, the attorney general shall  
11 impose an administrative penalty on the hospital in the amount of  
12 \$1,000 for each day after the report due date that the hospital has  
13 not submitted the report, not to exceed \$10,000. (Gov. Code, Sec.  
14 531.551(c).)

15       Sec. 526.0253. NOTICE OF INCOMPLETE OR INACCURATE REPORT;  
16 ADMINISTRATIVE PENALTY. (a) If the commission determines that a  
17 hospital submitted a report with incomplete or inaccurate  
18 information using a procedure adopted under Section 526.0251(3),  
19 the commission shall:

20               (1) notify the hospital of the specific information  
21 the hospital must submit; and

22               (2) prescribe a date by which the hospital must

27       (c) On receipt of the commission's notice, the attorney

1 general shall impose an administrative penalty on the hospital in  
2 an amount not to exceed \$10,000. In determining the amount of the  
3 penalty to be imposed, the attorney general shall consider:

- 4 (1) the seriousness of the violation;
- 5 (2) whether the hospital had previously committed a  
6 violation; and
- 7 (3) the amount necessary to deter the hospital from  
8 committing future violations. (Gov. Code, Sec. 531.551(d).)

9 Sec. 526.0254. REQUIREMENTS FOR ATTORNEY GENERAL  
10 NOTIFICATION. The commission's notification to the attorney  
11 general under Section 526.0252 or 526.0253 must include the facts  
12 on which the commission based the determination that the hospital  
13 failed to submit a report or failed to completely and accurately  
14 report information, as applicable. (Gov. Code, Sec. 531.551(e).)

15 Sec. 526.0255. ATTORNEY GENERAL NOTICE TO HOSPITAL. The  
16 attorney general shall give written notice of the commission's  
17 notification to the attorney general under Section 526.0252 or

19 The notice must include:

25 Code, Sec. 531.551(f).)

26 Sec. 526.0256. PENALTY PAID OR HEARING REQUESTED. Not

1 the notice under Section 526.0255, the hospital receiving the  
2 notice must submit a written request for a hearing or remit the  
3 amount of the administrative penalty to the attorney general.  
4 Failure to timely request a hearing or remit the amount of the  
5 administrative penalty results in a waiver of the right to a hearing  
6 under this section. (Gov. Code, Sec. 531.551(g) (part).)

7 Sec. 526.0257. HEARING. (a) If a hospital requests a  
8 hearing in accordance with Section 526.0256, the attorney general  
9 shall conduct the hearing in accordance with Chapter 2001.

11 occurred, the attorney general shall:

12 (1) provide to the hospital written notice of:

13 (A) the findings established at the hearing; and

14 (B) the amount of the penalty; and

15 (2) enter an order requiring the hospital to pay the  
16 amount of the penalty.

17 (c) An order entered by the attorney general under this  
18 section is subject to judicial review as a contested case under  
19 Chapter 2001. (Gov. Code, Secs. 531.551(g) (part), (i).)

20 Sec. 526.0258. OPTIONS FOLLOWING DECISION: PAY OR APPEAL.  
21 Not later than the 30th day after the date the hospital receives the  
22 order entered by the attorney general under Section 526.0257, the  
23 hospital shall:

24 (1) pay the amount of the administrative penalty;

25 (2) remit the amount of the penalty to the attorney  
26 general for deposit in an escrow account and file a petition for  
27 judicial review contesting the occurrence of the violation, the

1 amount of the penalty, or both; or

2 (3) without paying the amount of the penalty:

3 (A) file a petition for judicial review  
4 contesting the occurrence of the violation, the amount of the  
5 penalty, or both; and

6 (B) file with the court a sworn affidavit stating  
7 that the hospital is financially unable to pay the amount of the  
8 penalty. (Gov. Code, Sec. 531.551(h).)

9 Sec. 526.0259. DECISION BY COURT. (a) If a hospital paid  
10 an administrative penalty imposed under this subchapter and on  
11 review a court does not sustain the occurrence of the violation or  
12 finds that the amount of the penalty should be reduced, the attorney  
13 general shall remit the appropriate amount to the hospital not  
14 later than the 30th day after the date the court's judgment becomes  
15 final.

16 (b) If the court sustains the occurrence of the violation:

17 (1) the court:

18 (A) shall order the hospital to pay the amount of  
19 the administrative penalty; and

20 (B) may award to the attorney general the  
21 attorney's fees and court costs the attorney general incurred in  
22 defending the action; and

23 (2) the attorney general shall remit the amount of the  
24 penalty to the comptroller for deposit in the general revenue fund.  
25 (Gov. Code, Secs. 531.551(j), (k).)

26 Sec. 526.0260. RECOVERY OF PENALTY. If a hospital does not  
27 pay the amount of an administrative penalty imposed under this

1 subchapter after the attorney general's order becomes final for all  
2 purposes, the attorney general may enforce the penalty as provided  
3 by law for legal judgments. (Gov. Code, Sec. 531.551(1).)

25 The commission shall collaborate with the Office of Rural Affairs  
26 to ensure that this state is pursuing to the fullest extent possible

3 Health in the United States Department of Health and Human  
4 Services. (Gov. Code, Sec. 531.203.)

15 (2) require a regional contracted broker to:

16 (A) verify that each motor vehicle operator  
17 providing the services or seeking to provide the services has a  
18 valid driver's license;

19 (B) check the driving record information  
20 maintained by the Department of Public Safety under Subchapter C,

22 providing the services or seeking to provide the services; and

23 (C) check the public criminal record information  
24 maintained by the Department of Public Safety and made available to

7 Occupations Code, to provide services under this subchapter. (Gov.  
8 Code, Secs. 531.02414(j), (k), (l).)

18 Occupations Code, a motor vehicle operator who provides services  
19 under Sections 526.0354-526.0359 may use a wheelchair-accessible  
20 vehicle equipped with a lift or ramp that is capable of transporting

8 (d) Subject to the availability of funds the legislature  
9 appropriates:

10 (1) the commissioner of the Department of Family and  
11 Protective Services shall use the standards established under this  
12 section to determine the number of personnel to assign as  
13 caseworkers for the department; and

14 (2) the Department of Family and Protective Services  
15 shall use the standards established to assign caseloads to  
16 individual caseworkers the department employs.

17 (e) Nothing in this section may be construed to create a  
18 cause of action. (Gov. Code, Secs. 531.001(1), (5), 531.048; New.)

3 children at each health and human services agency or local mental  
4 health or intellectual and developmental disability authority,  
5 including long-term care programs and services available under a  
6 Section 1915(c) waiver program. (Gov. Code, Sec. 531.02491.)

17 The executive commissioner shall establish within the commission an  
18 office of community access and services. The office is responsible  
19 for:

20 (1) collaborating with community, state, and federal  
21 stakeholders to improve the elements of the health care system that  
22 are involved in delivering Medicaid services; and

23 (2) sharing with Medicaid providers, including  
24 hospitals, any best practices, resources, or other information  
25 regarding improvements to the health care system. (Gov. Code, Sec.  
26 531.020.)

27 Sec. 532.0055. SERVICE DELIVERY AUDIT MECHANISMS. The

1 commission shall make every effort to ensure the integrity of  
2 Medicaid. To ensure that integrity, the commission shall:

3 (1) perform risk assessments of every element of the  
4 program and audit the program elements determined to present the  
5 greatest risks;

6 (2) ensure that sufficient oversight is in place for  
7 the Medicaid medical transportation program and that a quality  
8 review assessment of that program occurs; and

9 (3) evaluate Medicaid with respect to use of the  
10 metrics developed through the Texas Health Steps performance  
11 improvement plan to guide changes and improvements to the program.  
12 (Gov. Code, Sec. 531.02412.)

13 Sec. 532.0056. FEDERAL AUTHORIZATION FOR REFORM. The  
14 executive commissioner shall seek a waiver under Section 1115 of  
15 the Social Security Act (42 U.S.C. Section 1315) to the state  
16 Medicaid plan that is designed to achieve the following objectives  
17 regarding Medicaid and alternatives to Medicaid:

18 (1) provide flexibility to determine Medicaid  
19 eligibility categories and income levels;

20 (2) provide flexibility to design Medicaid benefits  
21 that meet the demographic, public health, clinical, and cultural  
22 needs of this state or regions within this state;

23 (3) encourage use of the private health benefits  
24 coverage market rather than public benefits systems;

25 (4) encourage individuals who have access to private  
26 employer-based health benefits to obtain or maintain those  
27 benefits;

1           (5) create a culture of shared financial  
2 responsibility, accountability, and participation in Medicaid by:

3                   (A) establishing and enforcing copayment  
4 requirements similar to private sector principles for all  
5 eligibility groups;

6                   (B) promoting the use of health savings accounts  
7 to influence a culture of individual responsibility; and

8                   (C) promoting the use of vouchers for  
9 consumer-directed services in which consumers manage and pay for  
10 health-related services provided to them using program vouchers;

11           (6) consolidate federal funding streams, including  
12 funds from the disproportionate share hospitals and upper payment  
13 limit supplemental payment programs and other federal Medicaid  
14 funds, to ensure the most effective and efficient use of those  
15 funding streams;

16           (7) allow flexibility in the use of state funds used to  
17 obtain federal matching funds, including allowing the use of  
18 intergovernmental transfers, certified public expenditures, costs  
19 not otherwise matchable, or other funds and funding mechanisms to  
20 obtain federal matching funds;

21           (8) empower individuals who are uninsured to acquire  
22 health benefits coverage through the promotion of cost-effective  
23 coverage models that provide access to affordable primary,  
24 preventive, and other health care on a sliding scale, with fees paid  
25 at the point of service; and

26           (9) allow for the redesign of long-term care services  
27 and supports to increase access to patient-centered care in the

1 most cost-effective manner. (Gov. Code, Sec. 537.002.)

2           Sec. 532.0057. FEES, CHARGES, AND RATES. (a) The executive  
3 commissioner shall adopt reasonable rules and standards governing  
4 the determination of fees, charges, and rates for Medicaid  
5 payments.

6           (b) In adopting rules and standards required by Subsection  
7 (a), the executive commissioner:

8                   (1) may provide for payment of fees, charges, and  
9 rates in accordance with:

10                           (A) formulas, procedures, or methodologies  
11 commission rules prescribe;

12                           (B) state or federal law, policies, rules,  
13 regulations, or guidelines;

14                           (C) economic conditions that substantially and  
15 materially affect provider participation in Medicaid, as the  
16 executive commissioner determines; or

17                           (D) available levels of appropriated state and  
18 federal funds; and

19                   (2) shall include financial performance standards  
20 that, in the event of a proposed rate reduction, provide private  
21 ICF-IID facilities and home and community-based services providers  
22 with flexibility in determining how to use Medicaid payments to  
23 provide services in the most cost-effective manner while continuing  
24 to meet state and federal Medicaid requirements.

25           (c) Notwithstanding any other provision of Chapter 32,  
26 Human Resources Code, Chapter 531 or revised provisions of Chapter  
27 531, as that chapter existed on March 31, 2025, or Chapter 540 or

1 540A, the commission may adjust the fees, charges, and rates paid to  
2 Medicaid providers as necessary to achieve the objectives of  
3 Medicaid in a manner consistent with the considerations described  
4 by Subsection (b)(1).

5 (d) In adopting rates for Medicaid payments under  
6 Subsection (a), the executive commissioner may adopt reimbursement  
7 rates for appropriate nursing services provided to recipients with  
8 certain health conditions if those services are determined to  
9 provide a cost-effective alternative to hospitalization. A  
10 physician must certify that the nursing services are medically  
11 appropriate for the recipient for those services to qualify for  
12 reimbursement under this subsection.

13 (e) In adopting rates for Medicaid payments under  
14 Subsection (a), the executive commissioner may adopt  
15 cost-effective reimbursement rates for group appointments with  
16 Medicaid providers for certain diseases and medical conditions  
17 commission rules specify. (Gov. Code, Secs. 531.021(b-1), (c), (d),  
18 (e), (f), (g).)

19 Sec. 532.0058. ACUTE CARE BILLING COORDINATION SYSTEM;  
20 PENALTIES. (a) The acute care Medicaid billing coordination  
21 system for the fee-for-service and primary care case management  
22 delivery models for which the commission contracts must, on entry  
23 of a claim in the claims system:

24 (1) identify within 24 hours whether another entity  
25 has primary responsibility for paying the claim; and

26 (2) submit the claim to the entity the system  
27 determines is the primary payor.

1           (b) The billing coordination system may not increase  
2 Medicaid claims payment error rates.

3           (c) If cost-effective and feasible, the commission shall  
4 contract to expand the acute care Medicaid billing coordination  
5 system to process claims for all other Medicaid health care  
6 services in the manner the system processes claims for acute care  
7 services. This subsection does not apply to claims for Medicaid  
8 health care services if, before September 1, 2009, those claims  
9 were being processed by an alternative billing coordination system.

10          (d) If cost-effective, the executive commissioner shall  
11 adopt rules to enable the acute care Medicaid billing coordination  
12 system to identify an entity with primary responsibility for paying  
13 a claim that is processed by the system and establish reporting  
14 requirements for an entity that may have a contractual  
15 responsibility to pay for the types of services that are provided  
16 under Medicaid and the claims for which are processed by the system.

17          (e) An entity that holds a permit, license, or certificate  
18 of authority issued by a regulatory agency of this state:

19               (1) must allow a contractor under this section access  
20 to databases to allow the contractor to carry out the purposes of  
21 this section, subject to the contractor's contract with the  
22 commission and rules the executive commissioner adopts under this  
23 section; and

24               (2) is subject to an administrative penalty or other  
25 sanction as provided by the law applicable to the permit, license,  
26 or certificate of authority for the entity's violation of a rule the  
27 executive commissioner adopts under this section.

1 (f) Public funds may not be spent on an entity that is not in  
2 compliance with this section unless the executive commissioner and  
3 the entity enter into a memorandum of understanding.

4 (g) Information obtained under this section is  
5 confidential. The contractor may use the information only for the  
6 purposes authorized under this section. A person commits an  
7 offense if the person knowingly uses information obtained under  
8 this section for any purpose not authorized under this section. An  
9 offense under this subsection is a Class B misdemeanor and all other  
10 penalties may apply. (Gov. Code, Secs. 531.02413(a) (part), (a-1),  
11 (b), (c), (d), (e).)

12 Sec. 532.0059. RECOVERY OF CERTAIN THIRD-PARTY  
13 REIMBURSEMENTS. The commission shall obtain Medicaid  
14 reimbursement from each fiscal intermediary who makes a payment to  
15 a service provider on behalf of the Medicare program, including a  
16 reimbursement for a payment made to a home health services provider  
17 or nursing facility for services provided to an individual who is  
18 eligible to receive health care benefits under both Medicaid and  
19 the Medicare program. (Gov. Code, Sec. 531.0392.)

20 Sec. 532.0060. DENTAL DIRECTOR. The executive commissioner  
21 shall appoint a Medicaid dental director who is a licensed dentist  
22 under Subtitle D, Title 3, Occupations Code, and rules the State  
23 Board of Dental Examiners adopts under that subtitle. (Gov. Code,  
24 Sec. 531.02114.)

25 Sec. 532.0061. ALIGNMENT OF MEDICAID AND MEDICARE DIABETIC  
26 EQUIPMENT AND SUPPLIES WRITTEN ORDER PROCEDURES. (a) The  
27 commission shall review Medicaid forms and requirements regarding

1 written orders for diabetic equipment and supplies to identify  
2 variations between permissible Medicaid ordering procedures and  
3 ordering procedures available to Medicare providers.

4 (b) To the extent practicable and in conformity with Chapter  
5 157, Occupations Code, and Chapter 483, Health and Safety Code,  
6 after the commission conducts a review under Subsection (a), the  
7 commission or executive commissioner, as appropriate, shall modify  
8 only Medicaid forms, rules, and procedures applicable to orders for  
9 diabetic equipment and supplies to provide for an ordering system  
10 that is comparable to the Medicare ordering system for diabetic  
11 equipment and supplies. The ordering system must permit a diabetic  
12 equipment or supplies supplier to complete forms by hand or enter  
13 medical information or supply orders electronically into a form as  
14 necessary to provide the information required to dispense diabetic  
15 equipment or supplies.

16 (c) A diabetic equipment and supplies provider may bill and  
17 collect payment for the provider's services if the provider has a  
18 copy of the form that meets the requirements of Subsection (b) and  
19 is signed by a medical provider licensed in this state to treat  
20 diabetic patients. Additional documentation may not be required.  
21 (Gov. Code, Sec. 531.099.)

22 SUBCHAPTER C. FINANCING

23 Sec. 532.0101. FINANCING OPTIMIZATION. The commission  
24 shall ensure that the Medicaid finance system is optimized to:

- 25 (1) maximize this state's receipt of federal funds;  
26 (2) create incentives for providers to use preventive  
27 care;

1           (3) increase and retain providers in the system to  
2 maintain an adequate provider network;

3           (4) more accurately reflect the costs borne by  
4 providers; and

5           (5) encourage improvement of the quality of care.  
6 (Gov. Code, Sec. 531.02113.)

7           Sec. 532.0102. RETENTION OF CERTAIN MONEY TO ADMINISTER  
8 CERTAIN PROGRAMS; ANNUAL REPORT REQUIRED. (a) In this section,  
9 "directed payment program" means a delivery system and provider  
10 patient initiative implemented by this state under 42 C.F.R.  
11 Section 438.6(c).

12           (b) This section applies only to money the commission  
13 receives from a source other than the general revenue fund to  
14 operate a waiver program established under Section 1115 of the  
15 Social Security Act (42 U.S.C. Section 1315) or a directed payment  
16 program or successor program as the commission determines.

17           (c) Subject to Subsection (d), the commission may retain  
18 from money to which this section applies an amount equal to the  
19 estimated costs necessary to administer the program for which the  
20 commission receives the money, but not to exceed \$8 million for a  
21 state fiscal year.

22           (d) If the commission determines that the commission needs  
23 additional money to administer a program described by Subsection  
24 (b), the commission may retain an additional amount with the  
25 governor's and the Legislative Budget Board's approval, but not to  
26 exceed a total retained amount equal to 0.25 percent of the total  
27 estimated amount the commission receives for the program.

1           (e) The commission shall spend the retained money to assist  
2 in paying the costs necessary to administer the program for which  
3 the commission receives the money, except that the commission may  
4 not use the money to pay any type of administrative cost that,  
5 before June 1, 2019, was funded with general revenue.

6           (f) The commission shall submit an annual report to the  
7 governor and the Legislative Budget Board that:

8                 (1) details the amount of money the commission  
9 retained and spent under this section during the preceding state  
10 fiscal year, including a separate detail of any increase in the  
11 amount of money the commission retained for a program under  
12 Subsection (d);

13                 (2) contains a transparent description of how the  
14 commission used the money described by Subdivision (1); and

15                 (3) assesses the extent to which the retained money  
16 covered the estimated costs to administer the applicable program  
17 and states whether, based on that assessment, the commission  
18 adjusted or considered adjustments to the amount retained.

19           (g) The executive commissioner shall adopt rules necessary  
20 to implement this section. (Gov. Code, Sec. 531.021135.)

21           Sec. 532.0103. BIENNIAL FINANCIAL REPORT.     (a)     The  
22 commission shall prepare a biennial Medicaid financial report  
23 covering each state agency that operates a part of Medicaid and each  
24 component of Medicaid those agencies operate.

25           (b) The report must include:

26                 (1) for each state agency that operates a part of  
27 Medicaid:

1 (A) a description of each of the Medicaid  
2 components the agency operates; and

3 (B) an accounting of all funds related to  
4 Medicaid the agency received and disbursed during the period the  
5 report covers, including:

6 (i) the amount of any federal Medicaid  
7 funds allocated to the agency for the support of each of the  
8 Medicaid components the agency operates;

9 (ii) the amount of any funds the  
10 legislature appropriated to the agency for each of those  
11 components; and

12 (iii) the amount of Medicaid payments and  
13 related expenditures made by or in connection with each of those  
14 components; and

15 (2) for each Medicaid component identified in the  
16 report:

17 (A) the amount and source of funds or other  
18 revenue received by or made available to the agency for the  
19 component;

20 (B) the amount spent on each type of service or  
21 benefit provided by or under the component;

22 (C) the amount spent on component operations,  
23 including eligibility determination, claims processing, and case  
24 management; and

25 (D) the amount spent on any other administrative  
26 costs.

27 (c) The report must cover the three-year period ending on

1 the last day of the previous fiscal year.

2 (d) The commission may request from any appropriate state  
3 agency information necessary to complete the report. Each agency  
4 shall cooperate with the commission in providing information for  
5 the report.

6 (e) Not later than December 1 of each even-numbered year,  
7 the commission shall submit the report to the governor, the  
8 lieutenant governor, the speaker of the house of representatives,  
9 the presiding officer of each standing committee of the senate and  
10 house of representatives having jurisdiction over health and human  
11 services issues, and the state auditor. (Gov. Code, Sec.  
12 531.02111.)

13 SUBCHAPTER D. PROVIDERS

14 Sec. 532.0151. STREAMLINING PROVIDER ENROLLMENT AND  
15 CREDENTIALING PROCESSES. (a) The commission shall streamline  
16 Medicaid provider enrollment and credentialing processes.

17 (b) In streamlining the Medicaid provider enrollment  
18 process, the commission shall establish a centralized Internet  
19 portal through which providers may enroll in Medicaid.

20 (c) In streamlining the Medicaid provider credentialing  
21 process, the commission may:

22 (1) designate a centralized credentialing entity;

23 (2) share information in the database established  
24 under Subchapter C, Chapter 32, Human Resources Code, with the  
25 centralized credentialing entity; and

26 (3) require all Medicaid managed care organizations to  
27 use the centralized credentialing entity as a hub for collecting

1 and sharing information.

2 (d) The commission may:

3 (1) use the Internet portal created under Subsection  
4 (b) to create a single, consolidated Medicaid provider enrollment  
5 and credentialing process; and

6 (2) if cost-effective, contract with a third party to  
7 develop the single, consolidated process. (Gov. Code, Sec.  
8 531.02118.)

9 Sec. 532.0152. USE OF NATIONAL PROVIDER IDENTIFIER NUMBER.

10 (a) In this section, "national provider identifier number" means  
11 the national provider identifier number required under Section  
12 1128J(e) of the Social Security Act (42 U.S.C. Section  
13 1320a-7k(e)).

14 (b) The commission shall transition from using a  
15 state-issued provider identifier number to using only a national  
16 provider identifier number in accordance with this section.

17 (c) The commission shall implement a Medicaid provider  
18 management and enrollment system and, following that  
19 implementation, use only a national provider identifier number to  
20 enroll a provider in Medicaid.

21 (d) The commission shall implement a modernized claims  
22 processing system and, following that implementation, use only a  
23 national provider identifier number to process claims for and  
24 authorize Medicaid services. (Gov. Code, Sec. 531.021182.)

25 Sec. 532.0153. ENROLLMENT OF CERTAIN EYE HEALTH CARE  
26 PROVIDERS. (a) This section applies only to:

27 (1) an optometrist who is licensed by the Texas

1 Optometry Board;

2 (2) a therapeutic optometrist who is licensed by the  
3 Texas Optometry Board;

4 (3) an ophthalmologist who is licensed by the Texas  
5 Medical Board; and

6 (4) an institution of higher education that provides  
7 an accredited program for:

8 (A) training as a doctor of optometry or an  
9 optometrist residency; or

10 (B) training as an ophthalmologist or an  
11 ophthalmologist residency.

12 (b) The commission may not prevent a provider to whom this  
13 section applies from enrolling as a Medicaid provider if the  
14 provider:

15 (1) either:

16 (A) joins an established practice of a health  
17 care provider or provider group that has a contract with a Medicaid  
18 managed care organization to provide health care services to  
19 recipients under Chapter 540 or 540A; or

20 (B) is employed by or otherwise compensated for  
21 providing training at an institution of higher education described  
22 by Subsection (a)(4);

23 (2) applies to be an enrolled Medicaid provider;

24 (3) if applicable, complies with the requirements of  
25 the contract described by Subdivision (1)(A); and

26 (4) complies with all other applicable requirements  
27 related to being a Medicaid provider.

1 (c) The commission may not prevent an institution of higher  
2 education from enrolling as a Medicaid provider if the institution:

3 (1) has a contract with a managed care organization to  
4 provide health care services to recipients under Chapter 540 or  
5 540A;

6 (2) applies to be an enrolled Medicaid provider;

7 (3) complies with the requirements of the contract  
8 described by Subdivision (1); and

9 (4) complies with all other applicable requirements  
10 related to being a Medicaid provider. (Gov. Code, Sec. 531.021191.)

11 Sec. 532.0154. RURAL HEALTH CLINIC REIMBURSEMENT. The  
12 commission may not impose any condition on the reimbursement of a  
13 rural health clinic under Medicaid if the condition is more  
14 stringent than the conditions imposed by:

15 (1) the Rural Health Clinic Services Act of 1977 (Pub.  
16 L. No. 95-210); or

17 (2) the laws of this state regulating the practice of  
18 medicine, pharmacy, or professional nursing. (Gov. Code, Sec.  
19 531.02193.)

20 Sec. 532.0155. RURAL HOSPITAL REIMBURSEMENT. (a) In this  
21 section, "rural hospital" has the meaning assigned by commission  
22 rules for purposes of reimbursing hospitals for providing Medicaid  
23 inpatient or outpatient services.

24 (b) To the extent allowed by federal law and subject to  
25 limitations on appropriations, the executive commissioner by rule  
26 shall adopt a prospective reimbursement methodology for the payment  
27 of rural hospitals participating in Medicaid that ensures the rural

1 hospitals are reimbursed on an individual basis for providing  
2 inpatient and general outpatient services to recipients by using  
3 the hospitals' most recent cost information concerning the costs  
4 incurred for providing the services. The commission shall  
5 calculate the prospective cost-based reimbursement rates once  
6 every two years.

7 (c) In adopting rules under Subsection (b), the executive  
8 commissioner may:

9 (1) adopt a methodology that requires:

10 (A) a Medicaid managed care organization to  
11 reimburse rural hospitals for services delivered through the  
12 Medicaid managed care program using a minimum fee schedule or other  
13 method for which federal matching money is available; or

14 (B) both the commission and a Medicaid managed  
15 care organization to share in the total amount of reimbursement  
16 paid to rural hospitals; and

17 (2) require that the reimbursement amount paid to a  
18 rural hospital is subject to any applicable adjustments the  
19 commission makes for payments to or penalties imposed on the rural  
20 hospital that are based on a quality-based or performance-based  
21 requirement under the Medicaid managed care program.

22 (d) Not later than September 1 of each even-numbered year,  
23 the commission shall, for purposes of Subsection (b), determine the  
24 allowable costs incurred by a rural hospital participating in the  
25 Medicaid managed care program based on the rural hospital's cost  
26 reports submitted to the Centers for Medicare and Medicaid Services  
27 and other available information that the commission considers

1 relevant in determining the hospital's allowable costs.

2 (e) Notwithstanding Subsection (b) and subject to  
3 Subsection (f), the executive commissioner shall adopt and the  
4 commission shall implement, beginning with the state fiscal year  
5 ending August 31, 2022, a true cost-based reimbursement methodology  
6 for inpatient and general outpatient services provided to  
7 recipients at rural hospitals that provides:

8 (1) prospective payments during a state fiscal year to  
9 the hospitals using the reimbursement methodology adopted under  
10 Subsection (b); and

11 (2) to the extent allowed by federal law, in the  
12 subsequent state fiscal year a cost settlement to provide  
13 additional reimbursement as necessary to reimburse the hospitals  
14 for the true costs incurred in providing inpatient and general  
15 outpatient services to recipients during the previous state fiscal  
16 year.

17 (f) If federal law does not permit the use of a true  
18 cost-based reimbursement methodology described by Subsection (e),  
19 the commission shall continue to use the prospective cost-based  
20 reimbursement methodology the executive commissioner adopts under  
21 Subsection (b) for the payment of rural hospitals for providing  
22 inpatient and general outpatient services to recipients. (Gov.  
23 Code, Sec. 531.02194.)

24 Sec. 532.0156. REIMBURSEMENT SYSTEM FOR ELECTRONIC HEALTH  
25 INFORMATION REVIEW AND TRANSMISSION. If feasible and  
26 cost-effective, the executive commissioner by rule may develop and  
27 the commission may implement a system to provide Medicaid

1 reimbursement to a health care provider, including a physician, for  
2 reviewing and transmitting electronic health information. (Gov.  
3 Code, Secs. 531.0162(g), (h) (part).)

4 SUBCHAPTER E. DATA AND TECHNOLOGY

5 Sec. 532.0201. DATA COLLECTION SYSTEM. (a) The commission  
6 and each health and human services agency that administers a part of  
7 Medicaid shall jointly develop a system to coordinate and integrate  
8 state Medicaid databases to:

9 (1) facilitate the comprehensive analysis of Medicaid  
10 data; and

11 (2) detect fraud a program provider or recipient  
12 perpetrates.

13 (b) To minimize cost and duplication of activities, the  
14 commission shall assist and coordinate:

15 (1) the efforts of the agencies that are participating  
16 in developing the system; and

17 (2) the efforts of those agencies with the efforts of  
18 other agencies involved in a statewide health care data collection  
19 system provided for by Section 108.006, Health and Safety Code,  
20 including avoiding duplication of expenditure of state funds for  
21 computer hardware, staff, or services.

22 (c) On the executive commissioner's request, a state agency  
23 that administers any part of Medicaid shall assist the commission  
24 in developing the system.

25 (d) The commission shall develop the system in a manner that  
26 will enable a complete analysis of the use of prescription  
27 medications, including information relating to:

1           (1) recipients for whom more than three medications  
2 have been prescribed; and

3           (2) the medical effect denial of Medicaid coverage for  
4 more than three medications has had on recipients.

5           (e) The commission shall ensure that the system is used each  
6 month to match vital statistics unit death records with a list of  
7 individuals eligible for Medicaid, and that each individual who is  
8 deceased is promptly removed from the list of individuals eligible  
9 for Medicaid. (Gov. Code, Sec. 531.0214.)

10           Sec. 532.0202. INFORMATION COLLECTION AND ANALYSIS. (a)  
11 The commission shall:

12           (1) make every effort to improve data analysis and  
13 integrate available information associated with Medicaid;

14           (2) use the decision support system in the  
15 commission's center for analytics and decision support for the  
16 purpose described by Subdivision (1);

17           (3) modify or redesign the decision support system to  
18 allow for the data collected by Medicaid to be used more  
19 systematically and effectively for Medicaid evaluation and policy  
20 development; and

21           (4) develop or redesign the decision support system as  
22 necessary to ensure that the system:

23                   (A) incorporates currently collected Medicaid  
24 enrollment, utilization, and provider data;

25                   (B) allows data manipulation and quick analysis  
26 to address a large variety of questions concerning enrollment and  
27 utilization patterns and trends within Medicaid;

1 (C) is able to obtain consistent and accurate  
2 answers to questions;

3 (D) allows for analysis of multiple issues within  
4 Medicaid to determine whether any programmatic or policy issues  
5 overlap or are in conflict;

6 (E) includes predefined data reports on  
7 utilization of high-cost services that allow Medicaid management to  
8 analyze and determine the reasons for an increase or decrease in  
9 utilization and immediately proceed with policy changes, if  
10 appropriate;

11 (F) includes any encounter data with respect to  
12 recipients that a Medicaid managed care organization receives from  
13 a health care provider in the organization's provider network; and

14 (G) links Medicaid and non-Medicaid data sets,  
15 including data sets related to:

16 (i) Medicaid;

17 (ii) the financial assistance program under  
18 Chapter 31, Human Resources Code;

19 (iii) the special supplemental nutrition  
20 program for women, infants, and children authorized by 42 U.S.C.  
21 Section 1786;

22 (iv) vital statistics; and

23 (v) other public health programs.

24 (b) The commission shall ensure that all Medicaid data sets  
25 the decision support system creates or identifies are made  
26 available on the Internet to the extent not prohibited by federal or  
27 state laws regarding medical privacy or security. If privacy

1 concerns exist or arise with respect to making the data sets  
2 available on the Internet, the system and the commission shall make  
3 every effort to make the data available on the Internet either by:

4 (1) removing individually identifiable information;  
5 or

6 (2) aggregating the data in a manner to prevent the  
7 association of individual records with particular individuals.

8 (c) The commission shall regularly evaluate data submitted  
9 by Medicaid managed care organizations to determine whether:

10 (1) the data continues to serve a useful purpose; and

11 (2) additional data is needed to oversee contracts or  
12 evaluate the effectiveness of Medicaid.

13 (d) The commission shall collect Medicaid managed care data  
14 that effectively captures the quality of services recipients  
15 receive.

16 (e) The commission shall develop a dashboard for agency  
17 leadership that is designed to assist leadership with overseeing  
18 Medicaid and comparing the performance of Medicaid managed care  
19 organizations. The dashboard must identify a concise number of  
20 important Medicaid indicators, including key data, performance  
21 measures, trends, and problems. (Gov. Code, Sec. 531.02141.)

22 Sec. 532.0203. PUBLIC ACCESS TO CERTAIN DATA. (a) To the  
23 extent permitted by federal law, the commission, in collaboration  
24 with the appropriate advisory committees related to Medicaid, shall  
25 make available to the public on the commission's Internet website  
26 in an easy-to-read format data relating to the quality of health  
27 care recipients received and the health outcomes of those

1 recipients. Data the commission makes available to the public must  
2 be made available in a manner that does not identify or allow for  
3 the identification of individual recipients.

4 (b) In performing duties under this section, the commission  
5 may collaborate with an institution of higher education or another  
6 state agency with experience in analyzing and producing public use  
7 data. (Gov. Code, Sec. 531.02142.)

8 Sec. 532.0204. DATA REGARDING TREATMENT FOR PRENATAL  
9 ALCOHOL OR CONTROLLED SUBSTANCE EXPOSURE. (a) The commission  
10 shall collect hospital discharge data for recipients regarding  
11 treatment of a newborn child for prenatal exposure to alcohol or a  
12 controlled substance.

13 (b) The commission shall provide the collected data to the  
14 Department of Family and Protective Services. (Gov. Code, Sec.  
15 531.02143.)

16 Sec. 532.0205. MEDICAL TECHNOLOGY. The commission shall  
17 explore and evaluate new developments in medical technology and  
18 propose implementing the technology in Medicaid, if appropriate and  
19 cost-effective. Commission staff implementing this section must  
20 have skills and experience in research regarding health care  
21 technology. (Gov. Code, Sec. 531.0081.)

22 Sec. 532.0206. PILOT PROJECTS RELATING TO TECHNOLOGY  
23 APPLICATIONS. (a) Notwithstanding any other law, the commission  
24 may establish one or more pilot projects through which Medicaid  
25 reimbursement is made to demonstrate the applications of technology  
26 in providing Medicaid services.

27 (b) A pilot project under this section may relate to

1 providing rehabilitation services, services for the aging or  
2 individuals with disabilities, or long-term care services,  
3 including community care services and supports.

4 (c) Notwithstanding an eligibility requirement prescribed  
5 by any other law or rule, the commission may establish requirements  
6 for an individual to receive services provided through a pilot  
7 project under this section.

8 (d) An individual's receipt of services provided through a  
9 pilot project under this section does not entitle the individual to  
10 other services under a government-funded health program.

11 (e) The commission may set a maximum enrollment limit for a  
12 pilot project under this section. (Gov. Code, Sec. 531.062.)

13 SUBCHAPTER F. ELECTRONIC VISIT VERIFICATION SYSTEM

14 Sec. 532.0251. DEFINITION. In this subchapter, "electronic  
15 visit verification system" means the electronic visit verification  
16 system implemented under Section 532.0253. (New.)

17 Sec. 532.0252. IMPLEMENTATION OF CERTAIN PROVISIONS.  
18 Notwithstanding any other provision of this subchapter, the  
19 commission is required to implement a change in law made to former  
20 Section 531.024172 by Chapter 909 (S.B. 894), Acts of the 85th  
21 Legislature, Regular Session, 2017, only if the commission  
22 determines the implementation is appropriate based on the findings  
23 of the electronic visit verification system review conducted before  
24 April 1, 2018, under Section 531.024172(a) as that section existed  
25 before that date. (Gov. Code, Sec. 531.024172(a) (part).)

26 Sec. 532.0253. ELECTRONIC VISIT VERIFICATION SYSTEM  
27 IMPLEMENTATION. (a) Subject to Section 532.0258(a), the

1 commission shall, in accordance with federal law, implement an  
2 electronic visit verification system to electronically verify that  
3 personal care services, attendant care services, or other services  
4 the commission identifies that are provided under Medicaid to  
5 recipients, including personal care services or attendant care  
6 services provided under the Texas Health Care Transformation and  
7 Quality Improvement Program waiver issued under Section 1115 of the  
8 Social Security Act (42 U.S.C. Section 1315) or any other Medicaid  
9 waiver program, are provided to recipients in accordance with a  
10 prior authorization or plan of care.

11 (b) The verification must be made through a telephone,  
12 global positioning, or computer-based system. (Gov. Code, Sec.  
13 531.024172(b) (part).)

14 Sec. 532.0254. INFORMATION TO BE VERIFIED. The electronic  
15 visit verification system must allow for verification of only the  
16 following information relating to the delivery of Medicaid  
17 services:

- 18 (1) the type of service provided;
- 19 (2) the name of the recipient to whom the service was  
20 provided;
- 21 (3) the date and times the provider began and ended the  
22 service delivery visit;
- 23 (4) the location, including the address, at which the  
24 service was provided;
- 25 (5) the name of the individual who provided the  
26 service; and
- 27 (6) other information the commission determines is

1 necessary to ensure the accurate adjudication of Medicaid claims.  
2 (Gov. Code, Sec. 531.024172(b) (part).)

3 Sec. 532.0255. COMPLIANCE STANDARDS AND STANDARDIZED  
4 PROCESSES. (a) In implementing the electronic visit verification  
5 system:

6 (1) subject to Subsection (b), the executive  
7 commissioner shall adopt compliance standards for health care  
8 providers; and

9 (2) the commission shall ensure that:

10 (A) the information required to be reported by  
11 health care providers is standardized across Medicaid managed care  
12 organizations and commission programs;

13 (B) processes Medicaid managed care  
14 organizations require to retrospectively correct data are  
15 standardized and publicly accessible to health care providers;

16 (C) standardized processes are established for  
17 addressing the failure of a Medicaid managed care organization to  
18 provide a timely authorization for delivering services necessary to  
19 ensure continuity of care; and

20 (D) a health care provider is allowed to enter a  
21 variable schedule into the system.

22 (b) In establishing compliance standards for health care  
23 providers under Subsection (a), the executive commissioner shall  
24 consider:

25 (1) the administrative burdens placed on health care  
26 providers required to comply with the standards; and

27 (2) the benefits of using emerging technologies for

1 ensuring compliance, including Internet-based, mobile  
2 telephone-based, and global positioning-based technologies. (Gov.  
3 Code, Secs. 531.024172(d), (e).)

4       Sec. 532.0256. RECIPIENT COMPLIANCE. The commission shall  
5 inform each recipient who receives personal care services,  
6 attendant care services, or other services the commission  
7 identifies that the health care provider providing the services and  
8 the recipient are each required to comply with the electronic visit  
9 verification system. A Medicaid managed care organization shall  
10 also inform recipients described by this section who are enrolled  
11 in a managed care plan offered by the organization of those  
12 requirements. (Gov. Code, Sec. 531.024172(c).)

13       Sec. 532.0257. HEALTH CARE PROVIDER COMPLIANCE. A health  
14 care provider that provides to recipients personal care services,  
15 attendant care services, or other services the commission  
16 identifies shall:

17             (1) use the electronic visit verification system or a  
18 proprietary system the commission allows as provided by Section  
19 532.0258 to document the provision of those services;

20             (2) comply with all documentation requirements the  
21 commission establishes;

22             (3) comply with federal and state laws regarding  
23 confidentiality of recipients' information;

24             (4) ensure that the commission or the Medicaid managed  
25 care organization with which a claim for reimbursement for a  
26 service is filed may review electronic visit verification system  
27 documentation related to the claim or obtain a copy of that

1 documentation at no charge to the commission or the organization;  
2 and

3 (5) at any time, allow the commission or a Medicaid  
4 managed care organization with which a health care provider  
5 contracts to provide health care services to recipients enrolled in  
6 the organization's managed care plan to have direct, on-site access  
7 to the electronic visit verification system in use by the health  
8 care provider. (Gov. Code, Sec. 531.024172(f).)

9 Sec. 532.0258. HEALTH CARE PROVIDER: USE OF PROPRIETARY  
10 SYSTEM. (a) The commission may recognize a health care provider's  
11 proprietary electronic visit verification system, whether  
12 purchased or developed by the provider, as complying with this  
13 subchapter and allow the health care provider to use that system for  
14 a period the commission determines if the commission determines  
15 that the system:

16 (1) complies with all necessary data submission,  
17 exchange, and reporting requirements established under this  
18 subchapter; and

19 (2) meets all other standards and requirements  
20 established under this subchapter.

21 (b) If feasible, the executive commissioner shall ensure a  
22 health care provider is reimbursed for the use of the provider's  
23 proprietary electronic visit verification system the commission  
24 recognizes.

25 (c) For purposes of facilitating the use of proprietary  
26 electronic visit verification systems by health care providers and  
27 in consultation with industry stakeholders and the work group

1 established under Section 532.0259, the commission or the executive  
2 commissioner, as appropriate, shall:

3 (1) develop an open model system that mitigates the  
4 administrative burdens providers required to use electronic visit  
5 verification identify;

6 (2) allow providers to use emerging technologies,  
7 including Internet-based, mobile telephone-based, and global  
8 positioning-based technologies, in the providers' proprietary  
9 electronic visit verification systems; and

10 (3) adopt rules governing data submission and provider  
11 reimbursement. (Gov. Code, Secs. 531.024172(g), (g-1), (g-2).)

12 Sec. 532.0259. STAKEHOLDER INPUT. The commission shall  
13 create a stakeholder work group composed of representatives of  
14 affected health care providers, Medicaid managed care  
15 organizations, and recipients. The commission shall periodically  
16 solicit from the work group input regarding the ongoing operation  
17 of the electronic visit verification system. (Gov. Code, Sec.  
18 531.024172(h).)

19 Sec. 532.0260. RULES. The executive commissioner may adopt  
20 rules necessary to implement this subchapter. (Gov. Code, Sec.  
21 531.024172(i).)

22 SUBCHAPTER G. APPLICANTS AND RECIPIENTS

23 Sec. 532.0301. BILL OF RIGHTS AND BILL OF RESPONSIBILITIES.

24 (a) The executive commissioner by rule shall adopt a bill of rights  
25 and a bill of responsibilities for each recipient.

26 (b) The bill of rights must address a recipient's right to:

27 (1) respect, dignity, privacy, confidentiality, and

1 nondiscrimination;

2           (2) a reasonable opportunity to choose a health  
3 benefits plan and primary care provider and to change to another  
4 plan or provider in a reasonable manner;

5           (3) consent to or refuse treatment and actively  
6 participate in treatment decisions;

7           (4) ask questions and receive complete information  
8 relating to the recipient's medical condition and treatment  
9 options, including specialty care;

10           (5) access each available complaint process, receive a  
11 timely response to a complaint, and receive a fair hearing; and

12           (6) timely access to care that does not have any  
13 communication or physical access barriers.

14           (c) The bill of responsibilities must address a recipient's  
15 responsibility to:

16           (1) learn and understand each right the recipient has  
17 under Medicaid;

18           (2) abide by the health plan and Medicaid policies and  
19 procedures;

20           (3) share information relating to the recipient's  
21 health status with the primary care provider and become fully  
22 informed about service and treatment options; and

23           (4) actively participate in decisions relating to  
24 service and treatment options, make personal choices, and take  
25 action to maintain the recipient's health. (Gov. Code, Sec.  
26 531.0212.)

27           Sec. 532.0302. UNIFORM FAIR HEARING RULES. (a) The

1 executive commissioner shall adopt uniform fair hearing rules for  
2 Medicaid-funded services. The rules must provide:

3 (1) due process to a Medicaid applicant and to a  
4 recipient who seeks a Medicaid service, including a service that  
5 requires prior authorization; and

6 (2) the protections for applicants and recipients  
7 required by 42 C.F.R. Part 431, Subpart E, including requiring  
8 that:

9 (A) the written notice to an individual of the  
10 individual's right to a hearing must:

11 (i) contain an explanation of the  
12 circumstances under which Medicaid is continued if a hearing is  
13 requested; and

14 (ii) be delivered by mail, and postmarked  
15 at least 10 business days, before the date the individual's  
16 Medicaid eligibility or service is scheduled to be terminated,  
17 suspended, or reduced, except as provided by 42 C.F.R. Section  
18 431.213 or 431.214; and

19 (B) if a hearing is requested before the date a  
20 recipient's service, including a service that requires prior  
21 authorization, is scheduled to be terminated, suspended, or  
22 reduced, the agency may not take that proposed action before a  
23 decision is rendered after the hearing unless:

24 (i) it is determined at the hearing that the  
25 sole issue is one of federal or state law or policy; and

26 (ii) the agency promptly informs the  
27 recipient in writing that services are to be terminated, suspended,

1 or reduced pending the hearing decision.

2 (b) The commission shall develop a process to address a  
3 situation in which:

4 (1) an individual does not receive adequate notice as  
5 required by Subsection (a)(2)(A); or

6 (2) the notice required by Subsection (a)(2)(A) is  
7 delivered without a postmark. (Gov. Code, Secs. 531.024(a) (part),  
8 (b), (c).)

9 Sec. 532.0303. SUPPORT AND INFORMATION SERVICES FOR  
10 RECIPIENTS. (a) The commission shall provide support and  
11 information services to a recipient or applicant for Medicaid who  
12 experiences barriers to receiving health care services. The  
13 commission shall give emphasis to assisting an individual with an  
14 urgent or immediate medical or support need.

15 (b) The commission shall provide the support and  
16 information services through a network of entities that are:

17 (1) coordinated by the commission's office of the  
18 ombudsman or other commission division the executive commissioner  
19 designates; and

20 (2) composed of:

21 (A) the commission's office of the ombudsman or  
22 other commission division the executive commissioner designates to  
23 coordinate the network;

24 (B) the office of the state long-term care  
25 ombudsman required under Subchapter F, Chapter 101A, Human  
26 Resources Code;

27 (C) the commission division responsible for

1 oversight of Medicaid managed care contracts;

2 (D) area agencies on aging;

3 (E) aging and disability resource centers  
4 established under the aging and disability resource center  
5 initiative funded in part by the Administration on Aging and the  
6 Centers for Medicare and Medicaid Services; and

7 (F) any other entity the executive commissioner  
8 determines appropriate, including nonprofit organizations with  
9 which the commission contracts under Subsection (c).

10 (c) The commission may provide the support and information  
11 services by contracting with nonprofit organizations that are not  
12 involved in providing health care, health insurance, or health  
13 benefits.

14 (d) As a part of the support and information services, the  
15 commission shall:

16 (1) operate a statewide toll-free assistance  
17 telephone number that includes relay services for individuals with  
18 speech or hearing disabilities and assistance for individuals who  
19 speak Spanish;

20 (2) intervene promptly with the state Medicaid office,  
21 Medicaid managed care organizations and providers, and any other  
22 appropriate entity on behalf of an individual who has an urgent need  
23 for medical services;

24 (3) assist an individual who is experiencing barriers  
25 in the Medicaid application and enrollment process and refer the  
26 individual for further assistance if appropriate;

27 (4) educate individuals so that they:

1 (A) understand the concept of managed care;  
2 (B) understand their rights under Medicaid,  
3 including grievance and appeal procedures; and

4 (C) are able to advocate for themselves;  
5 (5) collect and maintain statistical information on a  
6 regional basis regarding calls the assistance lines receive and  
7 publish quarterly reports that:

8 (A) list the number of calls received by region;

9 (B) identify trends in delivery and access  
10 problems;

11 (C) identify recurring barriers in the Medicaid  
12 system; and

13 (D) indicate other identified problems with  
14 Medicaid managed care;

15 (6) assist the state Medicaid office and Medicaid  
16 managed care organizations and providers in identifying and  
17 correcting problems, including site visits to affected regions if  
18 necessary;

19 (7) meet the needs of all current and future managed  
20 care recipients, including children receiving dental benefits and  
21 other recipients receiving benefits, under:

22 (A) the STAR Medicaid managed care program;

23 (B) the STAR+PLUS Medicaid managed care program,  
24 including the Texas Dual Eligible Integrated Care Demonstration  
25 Project provided under that program;

26 (C) the STAR Kids managed care program  
27 established under Subchapter R, Chapter 540; and

1 (D) the STAR Health program;

2 (8) incorporate support services for children  
3 enrolled in the child health plan program established under Chapter  
4 62, Health and Safety Code; and

5 (9) ensure that staff providing support and  
6 information services receive sufficient training, including  
7 training in the Medicare program for the purpose of assisting  
8 recipients who are dually eligible for Medicare and Medicaid, and  
9 have sufficient authority to resolve barriers experienced by  
10 recipients to health care and long-term services and supports.

11 (e) The commission's office of the ombudsman or other  
12 commission division the executive commissioner designates to  
13 coordinate the network of entities responsible for providing the  
14 support and information services must be sufficiently independent  
15 from other aspects of Medicaid managed care to represent the best  
16 interests of recipients in problem resolution. (Gov. Code, Sec.  
17 531.0213.)

18 Sec. 532.0304. NURSING SERVICES ASSESSMENTS. (a) In this  
19 section, "acute nursing services" means home health skilled nursing  
20 services, home health aide services, and private duty nursing  
21 services.

22 (b) If cost-effective, the commission shall develop an  
23 objective assessment process for use in assessing a recipient's  
24 need for acute nursing services. If the commission develops the  
25 objective assessment process, the commission shall require that:

26 (1) the assessment be conducted:

27 (A) by a state employee or contractor who is a

1 registered nurse licensed to practice in this state, and who is not:

2 (i) the individual who will deliver any  
3 necessary services to the recipient; or

4 (ii) affiliated with the person who will  
5 deliver those services; and

6 (B) in a timely manner so as to protect the  
7 recipient's health and safety by avoiding unnecessary delays in  
8 service delivery; and

9 (2) the process include:

10 (A) an assessment of specified criteria and  
11 documentation of the assessment results on a standard form;

12 (B) an assessment of whether the recipient should  
13 be referred for additional assessments regarding the recipient's  
14 need for therapy services, as described by Section 532.0305,  
15 attendant care services, and durable medical equipment; and

16 (C) completion by the individual conducting the  
17 assessment of any documents related to obtaining prior  
18 authorization for necessary nursing services.

19 (c) If the commission develops the objective assessment  
20 process under Subsection (b), the commission shall:

21 (1) implement the process within the Medicaid  
22 fee-for-service model and the primary care case management Medicaid  
23 managed care model; and

24 (2) take necessary actions, including modifying  
25 contracts with Medicaid managed care organizations to the extent  
26 allowed by law, to implement the process within the STAR and  
27 STAR+PLUS Medicaid managed care programs.

1 (d) Unless the commission determines that the assessment is  
2 feasible and beneficial, an assessment under Subsection (b)(2)(B)  
3 of whether a recipient should be referred for additional therapy  
4 services assessments shall be waived if the recipient's need for  
5 therapy services has been established by a recommendation from a  
6 therapist providing care before the recipient is discharged from a  
7 licensed hospital or nursing facility. The assessment may not be  
8 waived if the recommendation is made by a therapist who:

9 (1) will deliver any services to the recipient; or

10 (2) is affiliated with a person who will deliver those  
11 services after the recipient is discharged from the licensed  
12 hospital or nursing facility.

13 (e) The executive commissioner shall adopt rules providing  
14 for a process by which a provider of acute nursing services who  
15 disagrees with the results of the assessment conducted under  
16 Subsection (b) may request and obtain a review of those results.  
17 (Gov. Code, Sec. 531.02417.)

18 Sec. 532.0305. THERAPY SERVICES ASSESSMENTS. (a) In this  
19 section, "therapy services" includes occupational, physical, and  
20 speech therapy services.

21 (b) After implementing the objective assessment process for  
22 acute nursing services in accordance with Section 532.0304, the  
23 commission shall consider whether implementing age- and  
24 diagnosis-appropriate objective assessment processes for use in  
25 assessing a recipient's need for therapy services would be feasible  
26 and beneficial.

27 (c) If the commission determines that implementing age- and

1 diagnosis-appropriate processes with respect to one or more types  
2 of therapy services is feasible and would be beneficial, the  
3 commission may implement the processes within:

- 4 (1) the Medicaid fee-for-service model;
- 5 (2) the primary care case management Medicaid managed  
6 care model; and
- 7 (3) the STAR and STAR+PLUS Medicaid managed care  
8 programs.

9 (d) An objective assessment process implemented under this  
10 section must include a process that allows a therapy services  
11 provider to request and obtain a review of the results of an  
12 assessment conducted as provided by this section. The review  
13 process must be comparable to the review process implemented under  
14 Section 532.0304(e). (Gov. Code, Sec. 531.024171.)

15 Sec. 532.0306. WELLNESS SCREENING PROGRAM. If  
16 cost-effective, the commission may implement a wellness screening  
17 program for recipients that is designed to evaluate a recipient's  
18 risk for having certain diseases and medical conditions to  
19 establish:

- 20 (1) a health baseline for each recipient that may be  
21 used to tailor the recipient's treatment plan; or
- 22 (2) the recipient's health goals. (Gov. Code, Sec.  
23 531.0981.)

24 Sec. 532.0307. FEDERALLY QUALIFIED HEALTH CENTER AND RURAL  
25 HEALTH CLINIC SERVICES. (a) In this section:

- 26 (1) "Federally qualified health center services" has  
27 the meaning assigned by 42 U.S.C. Section 1396d(1)(2)(A).

1 customized to meet the health care needs of recipients who are  
2 children with special health care needs, subject to approval of the  
3 waiver described by Subsection (a); and

4 (2) may develop tailored benefit packages that are  
5 customized to meet the health care needs of other categories of  
6 recipients.

7 (c) If the commission develops tailored benefit packages  
8 under Subsection (b)(2), the commission shall submit to the  
9 standing committees of the senate and house of representatives  
10 having primary jurisdiction over Medicaid a report that specifies  
11 in detail the categories of recipients to which each of those  
12 packages will apply and the services available under each package.

13 (d) Except as otherwise provided by this section and subject  
14 to the terms of the waiver authorized by this section, the  
15 commission has broad discretion to develop the tailored benefit  
16 packages and determine the respective categories of recipients to  
17 which the packages apply in a manner that preserves recipients'  
18 access to necessary services and is consistent with federal  
19 requirements. In developing the tailored benefit packages, the  
20 commission shall consider similar benefit packages established in  
21 other states as a guide.

22 (e) Each tailored benefit package must include:

23 (1) a basic set of benefits that are provided under all  
24 tailored benefit packages;

25 (2) to the extent applicable to the category of  
26 recipients to which the package applies:

27 (A) a set of benefits customized to meet the

1 health care needs of recipients in that category; and

2 (B) services to integrate the management of a  
3 recipient's acute and long-term care needs, to the extent feasible;  
4 and

5 (3) if the package applies to recipients who are  
6 children, at least the services required by federal law under the  
7 early and periodic screening, diagnosis, and treatment program.

8 (f) A tailored benefit package may include any service  
9 available under the state Medicaid plan or under any federal  
10 Medicaid waiver, including any preventive health or wellness  
11 service.

12 (g) A tailored benefit package must increase this state's  
13 flexibility with respect to the state's use of Medicaid funding and  
14 may not reduce the benefits available under the Medicaid state plan  
15 to any recipient population.

16 (h) The executive commissioner by rule shall define each  
17 category of recipients to which a tailored benefit package applies  
18 and a mechanism for appropriately placing recipients in specific  
19 categories. Recipient categories must include children with  
20 special health care needs and may include:

21 (1) individuals with disabilities or special health  
22 care needs;

23 (2) elderly individuals;

24 (3) children without special health care needs; and

25 (4) working-age parents and caretaker relatives.

26 (Gov. Code, Sec. 531.097.)

27 Sec. 532.0352. WAIVER PROGRAM FOR CERTAIN INDIVIDUALS WITH

1 CHRONIC HEALTH CONDITIONS. (a) If feasible and cost-effective,  
2 the commission may apply for a waiver from the Centers for Medicare  
3 and Medicaid Services or another appropriate federal agency to more  
4 efficiently leverage the use of state and local funds to maximize  
5 the receipt of federal Medicaid matching funds by providing  
6 Medicaid benefits to individuals who:

7 (1) meet established income and other eligibility  
8 criteria; and

9 (2) are eligible to receive services through the  
10 county for chronic health conditions.

11 (b) In establishing the waiver program, the commission  
12 shall:

13 (1) ensure that this state is a prudent purchaser of  
14 the health care services that are needed for the individuals  
15 described by Subsection (a);

16 (2) solicit broad-based input from interested  
17 persons;

18 (3) ensure that the benefits an individual receives  
19 through the county are not reduced once the individual is enrolled  
20 in the waiver program; and

21 (4) employ the use of intergovernmental transfers and  
22 other procedures to maximize the receipt of federal Medicaid  
23 matching funds. (Gov. Code, Sec. 531.0226.)

24 Sec. 532.0353. BUY-IN PROGRAMS FOR CERTAIN INDIVIDUALS WITH  
25 DISABILITIES. (a) The executive commissioner shall develop and  
26 implement:

27 (1) a Medicaid buy-in program for individuals with

1 disabilities as authorized by the Ticket to Work and Work  
2 Incentives Improvement Act of 1999 (Pub. L. No. 106-170) or the  
3 Balanced Budget Act of 1997 (Pub. L. No. 105-33); and

4 (2) a Medicaid buy-in program for children with  
5 disabilities described by 42 U.S.C. Section 1396a(cc)(1) whose  
6 family incomes do not exceed 300 percent of the applicable federal  
7 poverty level, as authorized by the Deficit Reduction Act of 2005  
8 (Pub. L. No. 109-171).

9 (b) The executive commissioner shall adopt rules in  
10 accordance with federal law that provide for:

11 (1) eligibility requirements for each program  
12 described by Subsection (a); and

13 (2) requirements for program participants to pay  
14 premiums or cost-sharing payments, subject to Subsection (c).

15 (c) Rules the executive commissioner adopts under  
16 Subsection (b) with respect to the program for children with  
17 disabilities described by Subsection (a)(2) must require a  
18 participant to pay monthly premiums according to a sliding scale  
19 that is based on family income, subject to the requirements of 42  
20 U.S.C. Sections 1396o(i)(2) and (3). (Gov. Code, Sec. 531.02444.)

21 SUBCHAPTER I. UTILIZATION REVIEW, PRIOR AUTHORIZATION, AND

22 COVERAGE PROCESSES AND DETERMINATIONS

23 Sec. 532.0401. REVIEW OF PRIOR AUTHORIZATION AND  
24 UTILIZATION REVIEW PROCESSES. The commission shall:

25 (1) in accordance with an established schedule,  
26 periodically review the prior authorization and utilization review  
27 processes within the Medicaid fee-for-service delivery model to

1 determine whether those processes need modification to reduce  
2 authorizations of unnecessary services and inappropriate use of  
3 services;

4           (2) monitor the prior authorization and utilization  
5 review processes within the Medicaid fee-for-service delivery  
6 model for anomalies and, on identification of an anomaly in a  
7 process, review the process for modification earlier than  
8 scheduled; and

9           (3) monitor Medicaid managed care organizations to  
10 ensure that the organizations are using prior authorization and  
11 utilization review processes to reduce authorizations of  
12 unnecessary services and inappropriate use of services. (Gov. Code,  
13 Sec. 531.076.)

14           Sec. 532.0402. ACCESSIBILITY OF INFORMATION REGARDING  
15 PRIOR AUTHORIZATION REQUIREMENTS. (a) The executive commissioner  
16 by rule shall require each Medicaid managed care organization or  
17 other entity responsible for authorizing coverage for health care  
18 services under Medicaid to ensure that the organization or entity  
19 maintains on the organization's or entity's Internet website in an  
20 easily searchable and accessible format:

21           (1) the applicable timelines for prior authorization  
22 requirements, including:

23                   (A) the time within which the organization or  
24 entity must make a determination on a prior authorization request;

25                   (B) a description of the notice the organization  
26 or entity provides to a provider and recipient on whose behalf the  
27 request was submitted regarding the documentation required to

1 complete a determination on a prior authorization request; and

2 (C) the deadline by which the organization or  
3 entity is required to submit the notice described by Paragraph (B);  
4 and

5 (2) an accurate and current catalog of coverage  
6 criteria and prior authorization requirements, including:

7 (A) for a prior authorization requirement first  
8 imposed on or after September 1, 2019, the effective date of the  
9 requirement;

10 (B) a list or description of any supporting or  
11 other documentation necessary to obtain prior authorization for a  
12 specified service; and

13 (C) the date and results of each review of a prior  
14 authorization requirement conducted under Section 540.0304, if  
15 applicable.

16 (b) The executive commissioner by rule shall require each  
17 Medicaid managed care organization or other entity responsible for  
18 authorizing coverage for health care services under Medicaid to:

19 (1) adopt and maintain a process for a provider or  
20 recipient to contact the organization or entity to clarify prior  
21 authorization requirements or to assist the provider in submitting  
22 a prior authorization request; and

23 (2) ensure that the process described by Subdivision  
24 (1) is not arduous or overly burdensome to a provider or recipient.  
25 (Gov. Code, Sec. 531.024163.)

26 Sec. 532.0403. NOTICE REQUIREMENTS REGARDING COVERAGE OR  
27 PRIOR AUTHORIZATION DENIAL AND INCOMPLETE REQUESTS. (a) The

1 commission shall ensure that a notice the commission or a Medicaid  
2 managed care organization sends to a recipient or Medicaid provider  
3 regarding the denial, partial denial, reduction, or termination of  
4 coverage or denial of prior authorization for a service includes:

5 (1) information required by federal and state law and  
6 regulations;

7 (2) for the recipient:

8 (A) a clear and easy-to-understand explanation  
9 of the reason for the decision, including a clear explanation of the  
10 medical basis, applying the policy or accepted standard of medical  
11 practice to the recipient's particular medical circumstances;

12 (B) a copy of the information the commission or  
13 organization sent to the provider; and

14 (C) an educational component that includes:

15 (i) a description of the recipient's  
16 rights;

17 (ii) an explanation of the process related  
18 to appeals and Medicaid fair hearings; and

19 (iii) a description of the role of an  
20 external medical review; and

21 (3) for the provider, a thorough and detailed clinical  
22 explanation of the reason for the decision, including, as  
23 applicable, information required under Subsection (b).

24 (b) The commission or a Medicaid managed care organization  
25 that receives from a provider a coverage or prior authorization  
26 request that contains insufficient or inadequate documentation to  
27 approve the request shall issue a notice to the provider and the

1 recipient on whose behalf the request was submitted. The notice  
2 must:

3 (1) include a section specifically for the provider  
4 that contains:

5 (A) a clear and specific list and description of  
6 the documentation necessary for the commission or organization to  
7 make a final determination on the request;

8 (B) the applicable timeline, based on the  
9 requested service, for the provider to submit the documentation and  
10 a description of the reconsideration process described by Section  
11 540.0306, if applicable; and

12 (C) information on the manner through which a  
13 provider may contact a Medicaid managed care organization or other  
14 entity as required by Section 532.0402; and

15 (2) be sent:

16 (A) to the provider:

17 (i) using the provider's preferred method  
18 of communication, to the extent practicable using existing  
19 resources; and

20 (ii) as applicable, through an electronic  
21 notification on an Internet portal; and

22 (B) to the recipient using the recipient's  
23 preferred method of communication, to the extent practicable using  
24 existing resources. (Gov. Code, Sec. 531.024162.)

25 Sec. 532.0404. EXTERNAL MEDICAL REVIEW. (a) In this  
26 section, "external medical reviewer" means a third-party medical  
27 review organization that provides objective, unbiased medical

1 necessity determinations conducted by clinical staff with  
2 education and practice in the same or similar practice area as the  
3 procedure for which an independent determination of medical  
4 necessity is sought in accordance with state law and rules.

5 (b) The commission shall contract with an independent  
6 external medical reviewer to conduct external medical reviews and  
7 review:

8 (1) the resolution of a recipient appeal related to a  
9 reduction in or denial of services on the basis of medical necessity  
10 in the Medicaid managed care program; or

11 (2) the commission's denial of eligibility for a  
12 Medicaid program in which eligibility is based on a recipient's  
13 medical and functional needs.

14 (c) A Medicaid managed care organization may not have a  
15 financial relationship with or ownership interest in the external  
16 medical reviewer with which the commission contracts.

17 (d) The external medical reviewer with which the commission  
18 contracts must:

19 (1) be overseen by a medical director who is a  
20 physician licensed in this state; and

21 (2) employ or be able to consult with staff with  
22 experience in providing private duty nursing services and long-term  
23 services and supports.

24 (e) The commission shall establish:

25 (1) a common procedure for external medical reviews  
26 that:

27 (A) to the greatest extent possible, reduces:

1 (i) administrative burdens on providers;

2 and

3 (ii) the submission of duplicative  
4 information or documents; and

5 (B) bases a medical necessity determination on  
6 clinical criteria that is:

7 (i) publicly available;

8 (ii) current;

9 (iii) evidence-based; and

10 (iv) peer-reviewed; and

11 (2) a procedure and time frame for expedited reviews  
12 that allow the external medical reviewer to:

13 (A) identify an appeal that requires an expedited  
14 resolution; and

15 (B) resolve the review of the appeal within a  
16 specified period.

17 (f) The external medical reviewer shall conduct an external  
18 medical review within a period the commission specifies.

19 (g) A recipient or Medicaid applicant, or the recipient's or  
20 applicant's parent or legally authorized representative, must  
21 affirmatively request an external medical review. If requested:

22 (1) an external medical review described by Subsection  
23 (b)(1):

24 (A) occurs after the internal Medicaid managed  
25 care organization appeal and before the Medicaid fair hearing; and

26 (B) is granted when a recipient contests the  
27 internal appeal decision of the Medicaid managed care organization;

1 and

2 (2) an external medical review described by Subsection  
3 (b)(2) occurs after the eligibility denial and before the Medicaid  
4 fair hearing.

5 (h) The external medical reviewer's determination of  
6 medical necessity establishes the minimum level of services a  
7 recipient must receive, except that the level of services may not  
8 exceed the level identified as medically necessary by the ordering  
9 health care provider.

10 (i) The external medical reviewer shall require a Medicaid  
11 managed care organization, in an external medical review relating  
12 to a reduction in services, to submit a detailed reason for the  
13 reduction and supporting documents.

14 (j) To the extent money is appropriated for this purpose,  
15 the commission shall publish data regarding prior authorizations  
16 the external medical reviewer reviewed, including the rate of prior  
17 authorization denials the external medical reviewer overturned and  
18 additional information the commission and the external medical  
19 reviewer determine appropriate. (Gov. Code, Sec. 531.024164.)

20 SUBCHAPTER J. COST-SAVING INITIATIVES

21 Sec. 532.0451. HOSPITAL EMERGENCY ROOM USE REDUCTION  
22 INITIATIVES. (a) The commission shall develop and implement a  
23 comprehensive plan to reduce recipients' use of hospital emergency  
24 room services. The plan may include:

25 (1) a pilot program that is designed to assist a  
26 program participant in accessing an appropriate level of health  
27 care and that may include as components:

1           (A) providing a program participant access to  
2 bilingual health services providers; and

3           (B) giving a program participant information on  
4 how to access primary care physicians, advanced practice registered  
5 nurses, and local health clinics;

6           (2) a pilot program under which a health care provider  
7 other than a hospital is given a financial incentive for treating a  
8 recipient outside of normal business hours to divert the recipient  
9 from a hospital emergency room;

10          (3) payment of a nominal referral fee to a hospital  
11 emergency room that performs an initial medical evaluation of a  
12 recipient and subsequently refers the recipient, if medically  
13 stable, to an appropriate level of health care, such as care  
14 provided by a primary care physician, advanced practice registered  
15 nurse, or local clinic;

16          (4) a program under which the commission or a Medicaid  
17 managed care organization contacts, by telephone or mail, a  
18 recipient who accesses a hospital emergency room three times during  
19 a six-month period and provides the recipient with information on  
20 ways the recipient may secure a medical home to avoid unnecessary  
21 treatment at a hospital emergency room;

22          (5) a health care literacy program under which the  
23 commission develops partnerships with other state agencies and  
24 private entities to:

25               (A) assist the commission in developing  
26 materials that:

27                       (i) contain basic health care information

1 for parents of young children who are recipients and who are  
2 participating in public or private child-care or prekindergarten  
3 programs, including federal Head Start programs; and

4 (ii) are written in a language  
5 understandable to those parents and specifically tailored to be  
6 applicable to the needs of those parents;

7 (B) distribute the materials developed under  
8 Paragraph (A) to those parents; and

9 (C) otherwise teach those parents about their  
10 children's health care needs and ways to address those needs; and

11 (6) other initiatives developed and implemented in  
12 other states that have shown success in reducing the incidence of  
13 unnecessary treatment in a hospital emergency room.

14 (b) The commission shall coordinate with hospitals and  
15 other providers that receive supplemental payments under the  
16 uncompensated care payment program operated under the Texas Health  
17 Care Transformation and Quality Improvement Program waiver issued  
18 under Section 1115 of the Social Security Act (42 U.S.C. Section  
19 1315) to identify and implement initiatives based on best practices  
20 and models that are designed to reduce recipients' use of hospital  
21 emergency room services as a primary means of receiving health care  
22 benefits, including initiatives designed to improve recipients'  
23 access to and use of primary care providers. (Gov. Code, Sec.  
24 531.085.)

25 Sec. 532.0452. PHYSICIAN INCENTIVE PROGRAM TO REDUCE  
26 HOSPITAL EMERGENCY ROOM USE FOR NON-EMERGENT CONDITIONS. (a) If  
27 cost-effective, the executive commissioner by rule shall establish

1 a physician incentive program designed to reduce recipients' use of  
2 hospital emergency room services for non-emergent conditions.

3 (b) In establishing the physician incentive program, the  
4 executive commissioner may include only the program components  
5 identified as cost-effective in the study conducted under former  
6 Section 531.086 before that section expired September 1, 2014.

7 (c) If the physician incentive program includes the payment  
8 of an enhanced reimbursement rate for routine after-hours  
9 appointments, the executive commissioner shall implement controls  
10 to ensure that the after-hours services billed are actually  
11 provided outside of normal business hours. (Gov. Code, Sec.  
12 531.0861.)

13 Sec. 532.0453. CONTINUED IMPLEMENTATION OF CERTAIN  
14 INTERVENTIONS AND BEST PRACTICES BY PROVIDERS; SEMIANNUAL REPORT.

15 (a) The commission shall encourage Medicaid providers to continue  
16 implementing effective interventions and best practices associated  
17 with improvements in the health outcomes of recipients that were  
18 developed and achieved under the Delivery System Reform Incentive  
19 Payment (DSRIP) program previously operated under the Texas Health  
20 Care Transformation and Quality Improvement Program waiver issued  
21 under Section 1115 of the Social Security Act (42 U.S.C. Section  
22 1315), through:

23 (1) existing provider incentive programs and the  
24 creation of new provider incentive programs;

25 (2) the terms included in contracts with Medicaid  
26 managed care organizations;

27 (3) implementation of alternative payment models; or

1           (4) adoption of other cost-effective measures.

2           (b) The commission shall semiannually prepare and submit to  
3 the legislature a report that contains a summary of the  
4 commission's efforts under this section and Section 532.0451(b).  
5 (Gov. Code, Sec. 531.0862.)

6           Sec. 532.0454. HEALTH SAVINGS ACCOUNT PILOT PROGRAM. (a)  
7 If the commission determines that it is cost-effective and  
8 feasible, the commission shall develop and implement a Medicaid  
9 health savings account pilot program that is consistent with  
10 federal law to:

11           (1) encourage adult recipients' health care cost  
12 awareness and sensitivity; and

13           (2) promote adult recipients' appropriate use of  
14 Medicaid services.

15           (b) If the commission implements the pilot program, the  
16 commission:

17           (1) may include only adult recipients as program  
18 participants; and

19           (2) shall ensure that:

20           (A) participation in the pilot program is  
21 voluntary; and

22           (B) a recipient who participates in the pilot  
23 program may, at the recipient's option and subject to Subsection  
24 (c), discontinue participating and resume receiving benefits and  
25 services under the traditional Medicaid delivery model.

26           (c) A recipient who chooses to discontinue participating in  
27 the pilot program and resume receiving benefits and services under

1 the traditional Medicaid delivery model before completion of the  
2 health savings account enrollment period forfeits any funds  
3 remaining in the recipient's health savings account. (Gov. Code,  
4 Sec. 531.0941.)

5 Sec. 532.0455. DURABLE MEDICAL EQUIPMENT REUSE PROGRAM.

6 (a) In this section:

7 (1) "Complex rehabilitation technology equipment":

8 (A) means equipment that is:

9 (i) classified as durable medical equipment  
10 under the Medicare program on January 1, 2013;

11 (ii) configured specifically for an  
12 individual to meet the individual's unique medical, physical, and  
13 functional needs and capabilities for basic and instrumental daily  
14 living activities; and

15 (iii) medically necessary to prevent the  
16 individual's hospitalization or institutionalization; and

17 (B) includes a complex rehabilitation power  
18 wheelchair, highly configurable manual wheelchair, adaptive  
19 seating and positioning system, standing frame, and gait trainer.

20 (2) "Durable medical equipment" means equipment,  
21 including repair and replacement parts for the equipment, but  
22 excluding complex rehabilitation technology equipment, that:

23 (A) can withstand repeated use;

24 (B) is primarily and customarily used to serve a  
25 medical purpose;

26 (C) generally is not useful to an individual in  
27 the absence of illness or injury; and

1 (D) is appropriate and safe for use in the home.

2 (b) If the commission determines that it is cost-effective,  
3 the executive commissioner by rule shall establish a program to  
4 facilitate the reuse of durable medical equipment provided to  
5 recipients.

6 (c) The program must include provisions for ensuring that:

7 (1) reused equipment meets applicable standards of  
8 functionality and sanitation; and

9 (2) a recipient's participation in the reuse program  
10 is voluntary.

11 (d) The program does not:

12 (1) waive any immunity from liability of the  
13 commission or a commission employee; or

14 (2) create a cause of action against the commission or  
15 a commission employee arising from the provision of reused durable  
16 medical equipment under the program. (Gov. Code, Secs.  
17 531.0843(a), (b), (c), (d).)

17 CHAPTER 540. MEDICAID MANAGED CARE PROGRAM

18 SUBCHAPTER A. GENERAL PROVISIONS

19 Sec. 540.0001. DEFINITIONS. In this chapter:

20 (1) Notwithstanding Section 521.0001(2), "commission"  
21 means the Health and Human Services Commission or an agency  
22 operating part of the Medicaid managed care program, as  
23 appropriate.

24 (2) "Health care service region" or "region" means a  
25 Medicaid managed care service area the commission delineates.

26 (3) "Managed care organization" means a person that is  
27 authorized or otherwise permitted by law to arrange for or provide a

1 managed care plan.

2 (4) "Managed care plan" means a plan under which a  
3 person undertakes to provide, arrange for, pay for, or reimburse  
4 any part of the cost of any health care service. A part of the plan  
5 must consist of arranging for or providing health care services as  
6 distinguished from indemnification against the cost of those  
7 services on a prepaid basis through insurance or otherwise. The  
8 term includes a primary care case management provider network. The  
9 term does not include a plan that indemnifies a person for the cost  
10 of health care services through insurance.

11 (5) "Potentially preventable event" has the meaning  
12 assigned by Section 543A.0001.

13 (6) "Recipient" means a Medicaid recipient. (Gov.  
14 Code, Secs. 533.001(1), (4), (5), (6), (7), 533.00251(a)(4),  
15 533.00253(a)(3), 533.00256(a)(1) (part), 533.00511(a).)

16 SUBCHAPTER B. ADMINISTRATION OF MEDICAID MANAGED CARE PROGRAM

17 Sec. 540.0051. PURPOSE AND IMPLEMENTATION. The commission  
18 shall implement the Medicaid managed care program by contracting  
19 with managed care organizations in a manner that, to the extent  
20 possible:

- 21 (1) improves the health of Texans by:
- 22 (A) emphasizing prevention;
  - 23 (B) promoting continuity of care; and
  - 24 (C) providing a medical home for recipients;
- 25 (2) ensures each recipient receives high quality,  
26 comprehensive health care services in the recipient's local  
27 community;

1           (3) encourages training of and access to primary care  
2 physicians and providers;

3           (4) maximizes cooperation with existing public health  
4 entities, including local health departments;

5           (5) provides incentives to managed care organizations  
6 to improve the quality of health care services for recipients by  
7 providing value-added services; and

8           (6) reduces administrative and other nonfinancial  
9 barriers for recipients in obtaining health care services. (Gov.  
10 Code, Sec. 533.002.)

11           Sec. 540.0052. RECIPIENT DIRECTORY. The commission shall,  
12 in accordance with a single source of truth design:

13           (1) maintain an accurate electronic directory of  
14 contact information for each recipient enrolled in a Medicaid  
15 managed care plan offered by a managed care organization,  
16 including, to the extent feasible, each recipient's:

17                   (A) home, work, and mobile telephone numbers;

18                   (B) e-mail address; and

19                   (C) home and work addresses; and

20           (2) ensure that each Medicaid managed care  
21 organization and enrollment broker participating in the Medicaid  
22 managed care program update the electronic directory in real time.

23 (Gov. Code, Sec. 533.00751.)

24           Sec. 540.0053. STATEWIDE EFFORT TO PROMOTE MEDICAID  
25 ELIGIBILITY MAINTENANCE. (a) The commission shall develop and  
26 implement a statewide effort to assist recipients who satisfy  
27 Medicaid eligibility requirements and who receive Medicaid

1 services through a Medicaid managed care organization with:

- 2 (1) maintaining eligibility; and
- 3 (2) avoiding lapses in Medicaid coverage.

4 (b) As part of the commission's effort under Subsection (a),  
5 the commission shall:

- 6 (1) require each Medicaid managed care organization to  
7 assist the organization's recipients with maintaining eligibility;
- 8 (2) if the commission determines it is cost-effective,  
9 develop specific strategies for assisting recipients who receive  
10 Supplemental Security Income (SSI) benefits under 42 U.S.C. Section  
11 1381 et seq. with maintaining eligibility; and
- 12 (3) ensure information relevant to a recipient's  
13 eligibility status is provided to the recipient's Medicaid managed  
14 care organization. (Gov. Code, Sec. 533.0077.)

15 Sec. 540.0054. PROVIDER AND RECIPIENT EDUCATION PROGRAMS.

16 (a) In adopting rules to implement a Medicaid managed care program,  
17 the executive commissioner shall establish guidelines for, and  
18 require Medicaid managed care organizations to provide, education  
19 programs for providers and recipients using a variety of techniques  
20 and media.

21 (b) A provider education program must include information  
22 on:

- 23 (1) Medicaid policies, procedures, eligibility  
24 standards, and benefits;
- 25 (2) recipients' specific problems and needs; and
- 26 (3) recipients' rights and responsibilities under the  
27 bill of rights and the bill of responsibilities prescribed by

1 Section 532.0301.

2 (c) A recipient education program must present information  
3 in a manner that is easy to understand. A program must include  
4 information on:

5 (1) a recipient's rights and responsibilities under  
6 the bill of rights and the bill of responsibilities prescribed by  
7 Section 532.0301;

8 (2) how to access health care services;

9 (3) how to access complaint procedures and the  
10 recipient's right to bypass the Medicaid managed care  
11 organization's internal complaint system and use the notice and  
12 appeal procedures otherwise required by Medicaid;

13 (4) Medicaid policies, procedures, eligibility  
14 standards, and benefits;

15 (5) the Medicaid managed care organization's policies  
16 and procedures; and

17 (6) the importance of prevention, early intervention,  
18 and appropriate use of services. (Gov. Code, Sec. 531.0211.)

19 Sec. 540.0055. MARKETING GUIDELINES. (a) The commission  
20 shall establish marketing guidelines for Medicaid managed care  
21 organizations, including guidelines that prohibit:

22 (1) door-to-door marketing to a recipient by a  
23 Medicaid managed care organization or the organization's agent;

24 (2) using marketing materials with inaccurate or  
25 misleading information;

26 (3) making a misrepresentation to a recipient or  
27 provider;

1           (4) offering a recipient a material or financial  
2 incentive to choose a Medicaid managed care plan, other than a  
3 nominal gift or free health screening the commission approves that  
4 the Medicaid managed care organization offers to all recipients  
5 regardless of whether the recipients enroll in the plan;

6           (5) using a marketing agent who is paid solely by  
7 commission; and

8           (6) face-to-face marketing at a public assistance  
9 office by a Medicaid managed care organization or the  
10 organization's agent.

11           (b) This section does not prohibit:

12           (1) distributing approved marketing materials at a  
13 public assistance office; or

14           (2) providing information directly to a recipient  
15 under marketing guidelines the commission establishes. (Gov. Code,  
16 Secs. 533.008(a), (b).)

17           Sec. 540.0056. GUIDELINES FOR COMMUNICATIONS WITH  
18 RECIPIENTS. The executive commissioner shall adopt and publish  
19 guidelines for Medicaid managed care organizations regarding how an  
20 organization may communicate by text message or e-mail with a  
21 recipient enrolled in the organization's Medicaid managed care plan  
22 using the contact information provided in the recipient's  
23 application for Medicaid benefits under Section 32.025(g)(2),  
24 Human Resources Code, including updated information provided to the  
25 organization in accordance with Section 32.025(h), Human Resources  
26 Code. (Gov. Code, Sec. 533.008(c).)

27           Sec. 540.0057. COORDINATION OF EXTERNAL OVERSIGHT

1 ACTIVITIES. (a) To the extent possible, the commission shall  
2 coordinate all external oversight activities to minimize  
3 duplicating oversight of Medicaid managed care plans and disrupting  
4 operations under those plans.

5 (b) The executive commissioner, after consulting with the  
6 commission's office of inspector general, shall by rule define the  
7 commission's and office's roles in, jurisdiction over, and  
8 frequency of audits of Medicaid managed care organizations that are  
9 conducted by the commission and the office.

10 (c) In accordance with Section 544.0109, the commission  
11 shall share with the commission's office of inspector general, at  
12 the office's request, the results of any informal audit or on-site  
13 visit that could inform the office's risk assessment when  
14 determining:

15 (1) whether to conduct an audit of a Medicaid managed  
16 care organization; or

17 (2) the scope of the audit. (Gov. Code, Sec. 533.015.)

18 Sec. 540.0058. INFORMATION FOR FRAUD CONTROL. (a) Each  
19 Medicaid managed care organization shall submit at no cost to the  
20 commission and, on request, the office of the attorney general:

21 (1) a description of any financial or other business  
22 relationship between the organization and any subcontractor  
23 providing health care services under the contract between the  
24 organization and the commission;

25 (2) a copy of each type of contract between the  
26 organization and a subcontractor relating to the delivery of or  
27 payment for health care services;

1           (3) a description of the fraud control program any  
2 subcontractor that delivers health care services uses; and

3           (4) a description and breakdown of all funds paid to or  
4 by the organization, including a health maintenance organization,  
5 primary care case management provider, pharmacy benefit manager,  
6 and exclusive provider organization, necessary for the commission  
7 to determine the actual cost of administering the Medicaid managed  
8 care plan.

9           (b) The information under this section must be:

10           (1) submitted in the form the commission or the office  
11 of the attorney general, as applicable, requires; and

12           (2) updated as the commission or the office of the  
13 attorney general, as applicable, requires.

14           (c) The commission's office of inspector general or the  
15 office of the attorney general, as applicable, shall review the  
16 information a Medicaid managed care organization submits under this  
17 section as appropriate in investigating fraud in the Medicaid  
18 managed care program.

19           (d) Information a Medicaid managed care organization  
20 submits to the commission or the office of the attorney general  
21 under Subsection (a)(1) is confidential and not subject to  
22 disclosure under Chapter 552. (Gov. Code, Sec. 533.012.)

23           Sec. 540.0059. MANAGED CARE CLINICAL IMPROVEMENT PROGRAM.

24           (a) In consultation with appropriate stakeholders with an interest  
25 in the provision of acute care services and long-term services and  
26 supports under the Medicaid managed care program, the commission  
27 shall:

1           (1) establish a clinical improvement program to  
2 identify goals designed to:

3                   (A) improve quality of care and care management;  
4 and

5                   (B) reduce potentially preventable events; and

6           (2) require Medicaid managed care organizations to  
7 develop and implement collaborative program improvement strategies  
8 to address the goals.

9           (b) Goals established under this section may be set by  
10 geographic region and program type. (Gov. Code, Secs. 533.00256(a)  
11 (part), (b).)

12           Sec. 540.0060. COMPLAINT SYSTEM GUIDELINES. (a) The Texas  
13 Department of Insurance, in conjunction with the commission, shall  
14 establish complaint system guidelines for Medicaid managed care  
15 organizations.

16           (b) The guidelines must require that information regarding  
17 a Medicaid managed care organization's complaint process be made  
18 available to a recipient in an appropriate communication format  
19 when the recipient enrolls in the Medicaid managed care program.  
20 (Gov. Code, Secs. 533.020(a) (part), (b).)

10 (1) periodically audit each pharmacy benefit manager  
11 that contracts with a managed care organization; and

4 (3) maximize Medicaid payment recovery options by  
5 contracting with private vendors to assist in recovering capitation  
6 payments, payments from other liable third parties, and other  
7 payments made to a managed care organization with respect to an  
8 enrolled recipient who leaves the managed care program;

9 (4) decrease the administrative burdens of managed  
10 care for this state, managed care organizations, and providers in  
11 managed care networks to the extent that those changes are  
12 compatible with state law and existing Medicaid managed care  
13 contracts, including by:

14 (A) where possible, decreasing duplicate  
15 administrative reporting and process requirements for managed care  
16 organizations and providers, such as requirements for submitting:

17 acute care services and long-term services and supports claims; and

18 (5) reserve the right to amend a managed care  
19 organization's process for resolving provider appeals of denials  
20 based on medical necessity to include an independent review process  
21 the commission establishes for final determination of these  
22 disputes. (Gov. Code, Sec. 533.0071.)

23 Sec. 540.0202. PUBLIC NOTICE OF REQUEST FOR CONTRACT

2 all related nonproprietary documents, including the proposed  
3 contract. (Gov. Code, Sec. 533.011.)

4       Sec. 540.0203. CERTIFICATION BY COMMISSION. (a) Before  
5 the commission may award a contract under this chapter to a managed  
6 care organization, the commission shall evaluate and certify that  
7 the organization is reasonably able to fulfill the contract terms,  
8 including all federal and state law requirements. Notwithstanding  
9 any other law, the commission may not award a contract under this  
10 chapter to an organization that does not receive the required  
11 certification.

12       (b) A managed care organization may appeal the commission's  
13 denial of certification. (Gov. Code, Sec. 533.0035.)

14       Sec. 540.0204. CONTRACT CONSIDERATIONS RELATING TO MANAGED  
15 CARE ORGANIZATIONS. In awarding contracts to managed care  
16 organizations, the commission shall:

17           (1) give preference to an organization that has  
18 significant participation in the organization's provider network  
19 from each health care provider in the region who has traditionally  
20 provided care to Medicaid and charity care patients;

21           (2) give extra consideration to an organization that  
22 agrees to assure continuity of care for at least three months beyond  
23 a recipient's Medicaid eligibility period;

24           (3) consider the need to use different managed care  
25 plans to meet the needs of different populations; and

26           (4) consider the ability of an organization to process  
27 Medicaid claims electronically. (Gov. Code, Sec. 533.003(a))

1 (part).)

2           Sec. 540.0205. CONTRACT CONSIDERATIONS RELATING TO  
3 PHARMACY BENEFIT MANAGERS. In considering approval of a  
4 subcontract between a managed care organization and a pharmacy  
5 benefit manager to provide Medicaid prescription drug benefits, the  
6 commission shall review and consider whether in the preceding three  
7 years the pharmacy benefit manager has been:

8           (1) convicted of:

9                   (A) an offense involving a material  
10 misrepresentation or an act of fraud; or

11                   (B) another violation of state or federal  
12 criminal law;

13           (2) adjudicated to have committed a breach of

16 state or federal administrative proceeding. (Gov. Code, Sec.  
17 533.003(b).)

18           Sec. 540.0206. MANDATORY CONTRACTS. (a) Subject to the  
19 certification required under Section 540.0203 and the  
20 considerations required under Section 540.0204, in providing  
21 health care services through Medicaid managed care to recipients in  
22 a health care service region, the commission shall contract with a  
23 managed care organization in that region that holds a certificate  
24 of authority issued under Chapter 843, Insurance Code, to provide  
25 health care in that region and that is:

26           (1) wholly owned and operated by a hospital district  
27 in that region;

1           (2) created by a nonprofit corporation that:

2           (A) has a contract, agreement, or other  
3 arrangement with a hospital district in that region or with a  
4 municipality in that region that owns a hospital licensed under  
5 Chapter 241, Health and Safety Code, and has an obligation to  
6 provide health care to indigent patients; and

7           (B) under the contract, agreement, or other  
8 arrangement, assumes the obligation to provide health care to  
9 indigent patients and leases, manages, or operates a hospital  
10 facility the hospital district or municipality owns; or

11           (3) created by a nonprofit corporation that has a  
12 contract, agreement, or other arrangement with a hospital district  
13 in that region under which the nonprofit corporation acts as an

15 arrange for services under the Medicaid expansion for children as  
16 authorized by Chapter 444 (S.B. 10), Acts of the 74th Legislature,  
17 Regular Session, 1995.

18           (b) A managed care organization described by Subsection (a)  
19 is subject to all terms to which other managed care organizations  
20 are subject, including all contractual, regulatory, and statutory  
21 provisions relating to participation in the Medicaid managed care  
22 program.

23           (c) The commission shall make the awarding and renewal of a  
24 mandatory contract under this section to a managed care  
25 organization affiliated with a hospital district or municipality  
26 contingent on the district or municipality entering into a matching  
27 funds agreement to expand Medicaid for children as authorized by

1 Chapter 444 (S.B. 10), Acts of the 74th Legislature, Regular  
2 Session, 1995. The commission shall make compliance with the  
3 matching funds agreement a condition of the continuation of the  
4 contract with the managed care organization to provide health care  
5 services to recipients.

6 (d) Subsection (c) does not apply if:

7 (1) the commission does not expand Medicaid for  
8 children as authorized by Chapter 444, Acts of the 74th  
9 Legislature, Regular Session, 1995; or

10 (2) a waiver from a federal agency necessary for the  
11 expansion is not granted.

15 care program, as the commission defined as of September 1, 1999, the  
16 commission shall also contract with a managed care organization in  
17 that region that holds a certificate of authority as a health  
18 maintenance organization issued under Chapter 843, Insurance Code,  
19 and that:

20 (1) is certified under Section 162.001, Occupations  
21 Code;

22 (2) is created by The University of Texas Medical  
23 Branch at Galveston; and

24 (3) has obtained a certificate of authority as a  
25 health maintenance organization to serve one or more counties in  
26 that region from the Texas Department of Insurance before September  
27 2, 1999. (Gov. Code, Sec. 533.004.)

1           Sec. 540.0207. CONTRACTUAL OBLIGATIONS REVIEW.       The  
2 commission shall review each Medicaid managed care organization to  
3 determine whether the organization is prepared to meet the  
4 organization's contractual obligations.       (Gov. Code, Sec.  
5 533.007(a).)

6           Sec. 540.0208. CONTRACT IMPLEMENTATION PLAN.   (a) Each  
7 Medicaid managed care organization that contracts to provide health  
8 care services to recipients in a health care service region shall  
9 submit an implementation plan not later than the 90th day before the  
10 date the organization plans to begin providing those services in  
11 that region through managed care. The implementation plan must  
12 include:

13                   (1) specific staffing patterns by function for all  
14 operations, including enrollment, information systems, member  
15 services, quality improvement, claims management, case management,  
16 and provider and recipient training; and

17                   (2) specific time frames for demonstrating  
18 preparedness for implementation before the date the organization  
19 plans to begin providing those services in that region through  
20 managed care.

21           (b) The commission shall respond to an implementation plan  
22 not later than the 10th day after the date a Medicaid managed care  
23 organization submits the plan if the plan does not adequately meet  
24 preparedness guidelines.

25           (c) Each Medicaid managed care organization that contracts  
26 to provide health care services to recipients in a health care  
27 service region shall submit status reports on the implementation

1 plan:

2 (1) not later than the 60th day and the 30th day before  
3 the date the organization plans to begin providing those services  
4 in that region through managed care; and

5 (2) every 30th day after that date until the 180th day  
6 after that date. (Gov. Code, Secs. 533.007(b), (c), (d).)

7 Sec. 540.0209. COMPLIANCE AND READINESS REVIEW. (a) The  
8 commission shall conduct a compliance and readiness review of each  
9 Medicaid managed care organization:

10 (1) not later than the 15th day before the date the  
11 process of enrolling recipients in a managed care plan the  
12 organization issues is to begin in a region; and

13 (2) not later than the 15th day before the date the  
14 organization plans to begin providing health care services to  
15 recipients in that region through managed care.

16 (b) The compliance and readiness review must include an  
17 on-site inspection and tests of service authorization and claims  
18 payment systems, including:

19 (1) the Medicaid managed care organization's ability  
20 to process claims electronically;

21 (2) the Medicaid managed care organization's complaint  
22 processing systems; and

23 (3) any other process or system the contract between  
24 the Medicaid managed care organization and the commission requires.

25 (c) The commission may delay recipient enrollment in a  
26 managed care plan a Medicaid managed care organization issues if  
27 the compliance and readiness review reveals that the organization

1 is not prepared to meet the organization's contractual obligations.  
2 The commission shall notify the organization of a decision to delay  
3 enrollment in a plan the organization issues. (Gov. Code, Secs.  
4 533.007(e), (f).)

5 Sec. 540.0210. INTERNET POSTING OF SANCTIONS IMPOSED FOR  
6 CONTRACTUAL VIOLATIONS. (a) The commission shall prepare and  
7 maintain a record of each enforcement action the commission  
8 initiates that results in a sanction, including a penalty, being  
9 imposed against a managed care organization for failure to comply  
10 with the terms of a contract to provide health care services to  
11 recipients through a Medicaid managed care plan the organization  
12 issues.

13 (b) The record must include:

- 14 (1) the managed care organization's name and address;  
15 (2) a description of the contractual obligation the  
16 organization failed to meet;  
17 (3) the date of determination of noncompliance;  
18 (4) the date the sanction was imposed;  
19 (5) the maximum sanction that may be imposed under the  
20 contract for the violation; and  
21 (6) the actual sanction imposed against the  
22 organization.

23 (c) The commission shall:

24 (1) post and maintain on the commission's Internet  
25 website the records required by this section:

- 26 (A) in English and Spanish; and  
27 (B) in a format that is readily accessible to and

1 understandable by the public; and

2 (2) update the list of records on the website at least  
3 quarterly.

4 (d) The commission may not post information under this  
5 section that relates to a sanction while the sanction is the subject  
6 of an administrative appeal or judicial review.

7 (e) A record prepared under this section may not include  
8 information that is excepted from disclosure under Chapter 552.

9 (f) The executive commissioner shall adopt rules as  
10 necessary to implement this section. (Gov. Code, Sec. 533.0072.)

11 Sec. 540.0211. PERFORMANCE MEASURES AND INCENTIVES FOR  
12 VALUE-BASED CONTRACTS. (a) The commission shall establish  
13 outcome-based performance measures and incentives to include in  
14 each contract between the commission and a health maintenance  
15 organization to provide health care services to recipients that is  
16 procured and managed under a value-based purchasing model. The  
17 performance measures and incentives must:

18 (1) be designed to facilitate and increase recipient  
19 access to appropriate health care services; and

20 (2) to the extent possible, align with other state and  
21 regional quality care improvement initiatives.

22 (b) Subject to Subsection (c), the commission shall include  
23 the performance measures and incentives in each contract described  
24 by Subsection (a) in addition to all other contract provisions  
25 required by this chapter and Chapter 540A.

26 (c) The commission may use a graduated approach to including  
27 the performance measures and incentives in contracts described by

1 Subsection (a) to ensure incremental and continued improvements  
2 over time.

3 (d) Subject to Subsection (e), the commission shall assess  
4 the feasibility and cost-effectiveness of including provisions in a  
5 contract described by Subsection (a) that require the health  
6 maintenance organization to provide to the providers in the  
7 organization's provider network pay-for-performance opportunities  
8 that support quality improvements in recipient care.  
9 Pay-for-performance opportunities may include incentives for  
10 providers to:

- 11 (1) provide care after normal business hours;
- 12 (2) participate in the early and periodic screening,  
13 diagnosis, and treatment program; and
- 14 (3) participate in other activities that improve  
15 recipient access to care.

16 (e) The commission shall, to the extent possible, base an  
17 assessment of feasibility and cost-effectiveness under Subsection  
18 (d) on publicly available, scientifically valid, evidence-based  
19 criteria appropriate for assessing the Medicaid population.

20 (f) In assessing feasibility and cost-effectiveness under  
21 Subsection (d), the commission may consult with participating  
22 Medicaid providers, including providers with expertise in quality  
23 improvement and performance measurement.

24 (g) If the commission determines that the provisions  
25 described by Subsection (d) are feasible and may be cost-effective,  
26 the commission shall develop and implement a pilot program in at  
27 least one health care service region under which the commission

1 will include the provisions in contracts with health maintenance  
2 organizations offering Medicaid managed care plans in the region.

3 (h) The commission shall post the financial statistical  
4 report on the commission's Internet website in a comprehensive and  
5 understandable format. (Gov. Code, Sec. 533.0051.)

6 Sec. 540.0212. MONITORING COMPLIANCE WITH BEHAVIORAL  
7 HEALTH INTEGRATION. (a) In this section, "behavioral health  
8 services" has the meaning assigned by Section 540.0703.

9 (b) In monitoring contracts the commission enters into with  
10 Medicaid managed care organizations under this chapter, the  
11 commission shall:

12 (1) ensure the organizations fully integrate  
13 behavioral health services into a recipient's primary care  
14 coordination;

15 (2) use performance audits and other oversight tools

1 States Food and Drug Administration's Approved Drug Products with  
2 Therapeutic Equivalence Evaluations, also known as the Orange Book;

3 (4) establish a process for eliminating products from  
4 the maximum allowable cost list or modifying maximum allowable cost  
5 prices in a timely manner to remain consistent with pricing changes  
6 and product availability in the marketplace; and

7 (5) notify the commission not later than the 21st day  
8 after implementing a practice of using a maximum allowable cost  
9 list for drugs dispensed at retail but not by mail.

10 (b) A Medicaid managed care organization or pharmacy  
11 benefit manager, as applicable, under the organization's pharmacy  
12 benefit plan required by Section 540.0273 in a contract to which  
13 this subchapter applies, must:

14 (1) provide a procedure for a network pharmacy  
15 provider to challenge a drug's listed maximum allowable cost price;

16 (2) respond to a challenge not later than the 15th day  
17 after the date the provider makes the challenge;

18 (3) if the challenge is successful, adjust the drug  
19 price effective on the date the challenge is resolved and make the  
20 adjustment applicable to all similarly situated network pharmacy  
21 providers, as the Medicaid managed care organization or pharmacy  
22 benefit manager, as appropriate, determines;

23 (4) if the challenge is denied, provide the reason for  
24 the denial; and

25 (5) report to the commission every 90 days the total  
26 number of challenges that were made and denied in the preceding  
27 90-day period for each maximum allowable cost list drug for which a

1 challenge was denied during the period.

2 (c) A Medicaid managed care organization or pharmacy  
3 benefit manager, as applicable, under the organization's pharmacy  
4 benefit plan required by Section 540.0273 in a contract to which  
5 this subchapter applies, must provide:

6 (1) to a network pharmacy provider, at the time the  
7 organization or pharmacy benefit manager enters into or renews a  
8 contract with the provider, the sources used to determine the  
9 maximum allowable cost pricing for the maximum allowable cost list  
10 specific to that provider; and

11 (2) a process for each network pharmacy provider to  
12 readily access the maximum allowable cost list specific to that  
13 provider.

14 (d) Except as provided by Subsection (c)(2), a maximum  
15 allowable cost list specific to a provider that a Medicaid managed  
16 care organization or pharmacy benefit manager maintains is  
17 confidential. (Gov. Code, Secs. 533.005(a)(23)(K), (a-2).)

18 Sec. 540.0280. PHARMACY BENEFIT PLAN: PHARMACY BENEFITS FOR  
19 CHILD ENROLLED IN STAR KIDS MANAGED CARE PROGRAM. A Medicaid  
20 managed care organization or pharmacy benefit manager, as  
21 applicable, under the organization's pharmacy benefit plan  
22 required by Section 540.0273 in a contract to which this subchapter  
23 applies:

24 (1) may not require a prior authorization, other than  
25 a clinical prior authorization or a prior authorization the  
26 commission imposes to minimize the opportunity for fraud, waste, or  
27 abuse, for or impose any other barriers to a drug that is prescribed

1 to a child enrolled in the STAR Kids managed care program for a  
2 particular disease or treatment and that is on the vendor drug  
3 program formulary or require additional prior authorization for a  
4 drug included in the preferred drug list the commission adopts  
5 under Subchapter E, Chapter 549;

6 (2) must provide continued access to a drug prescribed  
7 to a child enrolled in the STAR Kids managed care program,  
8 regardless of whether the drug is on the vendor drug program  
9 formulary or, if applicable on or after August 31, 2023, the  
10 organization's formulary;

11 (3) may not use a protocol that requires a child  
12 enrolled in the STAR Kids managed care program to use a prescription  
13 drug or sequence of prescription drugs other than the drug the  
14 child's physician recommends for the child's treatment before the  
15 organization will cover the recommended drug; and

16 (4) must pay liquidated damages to the commission for  
17 each failure, as the commission determines, to comply with this  
18 section in an amount that is a reasonable forecast of the damages  
19 caused by the noncompliance. (Gov. Code, Sec. 533.005(a)(23)(L).)

20 SUBCHAPTER G. PRIOR AUTHORIZATION AND UTILIZATION REVIEW

21 PROCEDURES

22 Sec. 540.0301. INAPPLICABILITY OF CERTAIN OTHER LAW TO  
23 MEDICAID MANAGED CARE UTILIZATION REVIEWS. Section  
24 4201.304(a)(2), Insurance Code, does not apply to a Medicaid  
25 managed care organization or a utilization review agent who  
26 conducts utilization reviews for a Medicaid managed care  
27 organization. (Gov. Code, Sec. 533.00282(a).)

1           Sec. 540.0302. PRIOR AUTHORIZATION PROCEDURES FOR  
2 HOSPITALIZED RECIPIENT. (a) This section applies only to a prior  
3 authorization request submitted with respect to a recipient who is  
4 hospitalized at the time of the request.

5           (b) In addition to the requirements of Subchapter F, a  
6 contract between a Medicaid managed care organization and the  
7 commission to which that subchapter applies must require that,  
8 notwithstanding any other law, the organization review and issue a  
9 determination on a prior authorization request to which this  
10 section applies according to the following time frames:

11           (1) within one business day after the organization  
12 receives the request, except as provided by Subdivisions (2) and  
13 (3);

14           (2) within 72 hours after the organization receives  
15 the request if a provider of acute care inpatient services submits  
16 the request and the request is for services or equipment necessary  
17 to discharge the recipient from an inpatient facility; or

18           (3) within one hour after the organization receives  
19 the request if the request is related to poststabilization care or a  
20 life-threatening condition. (Gov. Code, Sec. 533.002821.)

21           Sec. 540.0303. PRIOR AUTHORIZATION PROCEDURES FOR  
22 NONHOSPITALIZED RECIPIENT. (a) This section applies only to a  
23 prior authorization request submitted with respect to a recipient  
24 who is not hospitalized at the time of the request.

25           (b) In addition to the requirements of Subchapter F, a  
26 contract between a Medicaid managed care organization and the  
27 commission to which that subchapter applies must require that the

1 organization review and issue a determination on a prior  
2 authorization request to which this section applies according to  
3 the following time frames:

4 (1) within three business days after the organization  
5 receives the request; or

6 (2) within the time frame and following the process  
7 the commission establishes if the organization receives a prior  
8 authorization request that does not include sufficient or adequate  
9 documentation.

10 (c) In consultation with the state Medicaid managed care  
11 advisory committee, the commission shall establish a process for  
12 use by a Medicaid managed care organization that receives a prior  
13 authorization request to which this section applies that does not  
14 include sufficient or adequate documentation. The process must  
15 provide a time frame within which a provider may submit the  
16 necessary documentation. The time frame must be longer than the  
17 time frame specified by Subsection (b)(1). (Gov. Code, Secs.  
18 533.00282(b) (part), (c).)

19 Sec. 540.0304. ANNUAL REVIEW OF PRIOR AUTHORIZATION  
20 REQUIREMENTS. (a) Each Medicaid managed care organization, in  
21 consultation with the organization's provider advisory group  
22 required by contract, shall develop and implement a process for  
23 conducting an annual review of the organization's prior  
24 authorization requirements. The annual review process does not  
25 apply to a prior authorization requirement prescribed by or  
26 implemented under Subchapter F, Chapter 549, for the vendor drug  
27 program.

1 (b) In conducting an annual review, a Medicaid managed care  
2 organization must:

3 (1) solicit, receive, and consider input from  
4 providers in the organization's provider network; and

5 (2) ensure that each prior authorization requirement  
6 is based on accurate, up-to-date, evidence-based, and  
7 peer-reviewed clinical criteria that, as appropriate, distinguish  
8 between categories of recipients for whom prior authorization  
9 requests are submitted, including age categories.

10 (c) A Medicaid managed care organization may not impose a  
11 prior authorization requirement, other than a prior authorization  
12 requirement prescribed by or implemented under Subchapter F,  
13 Chapter 549, for the vendor drug program, unless the organization  
14 reviewed the requirement during the most recent annual review.

15 (d) The commission shall periodically review each Medicaid  
16 managed care organization to ensure the organization's compliance  
17 with this section. (Gov. Code, Sec. 533.00283.)

18 Sec. 540.0305. PHYSICIAN CONSULTATION BEFORE ADVERSE PRIOR  
19 AUTHORIZATION DETERMINATION. In addition to the requirements of  
20 Subchapter F, a contract between a Medicaid managed care  
21 organization and the commission to which that subchapter applies  
22 must require that, before issuing an adverse determination on a  
23 prior authorization request, the organization provide the  
24 physician requesting the prior authorization with a reasonable  
25 opportunity to discuss the request with another physician who:

26 (1) practices in the same or a similar specialty, but  
27 not necessarily the same subspecialty; and

1           (2) has experience in treating the same category of  
2 population as the recipient on whose behalf the physician submitted  
3 the request. (Gov. Code, Sec. 533.00282(b) (part).)

4           Sec. 540.0306. RECONSIDERATION           FOLLOWING           ADVERSE  
5 DETERMINATIONS ON CERTAIN PRIOR AUTHORIZATION REQUESTS. (a) In  
6 consultation with the state Medicaid managed care advisory  
7 committee, the commission shall establish a uniform process and  
8 timeline for a Medicaid managed care organization to reconsider an  
9 adverse determination on a prior authorization request that  
10 resulted solely from the submission of insufficient or inadequate  
11 documentation. In addition to the requirements of Subchapter F, a  
12 contract between a Medicaid managed care organization and the  
13 commission to which that subchapter applies must include a  
14 requirement that the organization implement the process and  
15 timeline.

16           (b) The process and timeline must:

17           (1) allow a provider to submit any documentation  
18 identified as insufficient or inadequate in the notice provided  
19 under Section 532.0403;

20           (2) allow the provider requesting the prior  
21 authorization to discuss the request with another provider who:

22                   (A) practices in the same or a similar specialty,  
23 but not necessarily the same subspecialty; and

24                   (B) has experience in treating the same category  
25 of population as the recipient on whose behalf the provider  
26 submitted the request; and

27           (3) require the Medicaid managed care organization to

1 amend the determination on the prior authorization request as  
2 necessary, considering the additional documentation.

3 (c) An adverse determination on a prior authorization  
4 request is considered a denial of services in an evaluation of the  
5 Medicaid managed care organization only if the determination is not  
6 amended under Subsection (b)(3) to approve the request.

7 (d) The process and timeline for reconsidering an adverse  
8 determination on a prior authorization request under this section  
9 do not affect:

10 (1) any related timelines, including the timeline for  
11 an internal appeal, a Medicaid fair hearing, or a review conducted  
12 by an external medical reviewer; or

13 (2) any rights of a recipient to appeal a  
14 determination on a prior authorization request. (Gov. Code, Sec.  
15 533.00284.)

16 Sec. 540.0307. MAXIMUM PERIOD FOR PRIOR AUTHORIZATION  
17 DECISION; ACCESS TO CARE. The combined amount of time provided for  
18 the time frames prescribed by the utilization review and prior  
19 authorization procedures described by Sections 540.0301, 540.0303,  
20 and 540.0305 and the timeline for reconsidering an adverse  
21 determination on a prior authorization described by Section  
22 540.0306 may not exceed the time frame for a decision under  
23 federally prescribed time frames. It is the intent of the  
24 legislature that these provisions allow sufficient time to provide  
25 necessary documentation and avoid unnecessary denials without  
26 delaying access to care. (Gov. Code, Sec. 533.002841.)

1                   SUBCHAPTER H. PREMIUM PAYMENT RATES

2           Sec. 540.0351. PREMIUM PAYMENT RATE DETERMINATION. (a) In  
3 determining premium payment rates paid to a managed care  
4 organization under a managed care plan, the commission shall  
5 consider:

6                   (1) the regional variation in health care service  
7 costs;

8                   (2) the range and type of health care services that  
9 premium payment rates are to cover;

10                   (3) the number of managed care plans in a region;

11                   (4) the current and projected number of recipients in  
12 each region, including the current and projected number for each  
13 category of recipient;

14                   (5) the managed care plan's ability to meet operating  
15 costs under the proposed premium payment rates;

16                   (6) the requirements of the Balanced Budget Act of  
17 1997 (Pub. L. No. 105-33) and implementing regulations that require  
18 adequacy of premium payments to Medicaid managed care  
19 organizations;

20                   (7) the adequacy of the management fee paid for  
21 assisting enrollees of Supplemental Security Income (SSI) (42  
22 U.S.C. Section 1381 et seq.) who are voluntarily enrolled in the  
23 managed care plan;

24                   (8) the impact of reducing premium payment rates for  
25 the category of pregnant recipients; and

26                   (9) the managed care plan's ability under the proposed  
27 premium payment rates to pay inpatient and outpatient hospital

1 provider payment rates that are comparable to the inpatient and  
2 outpatient hospital provider payment rates the commission pays  
3 under a primary care case management model or a partially capitated  
4 model.

5 (b) The premium payment rates paid to a managed care  
6 organization that holds a certificate of authority issued under  
7 Chapter 843, Insurance Code, must be established by a competitive  
8 bid process but may not exceed the maximum premium payment rates the  
9 commission establishes under Section 540.0352(b).

10 (c) The commission shall pursue and, if appropriate,  
11 implement premium rate-setting strategies that encourage provider  
12 payment reform and more efficient service delivery and provider  
13 practices. In pursuing the strategies, the commission shall review  
14 and consider strategies employed or under consideration by other  
15 states. If necessary, the commission may request a waiver or other  
16 authorization from a federal agency to implement strategies the  
17 commission identifies under this subsection. (Gov. Code, Secs.  
18 533.013(a), (c), (e).)

19 Sec. 540.0352. MAXIMUM PREMIUM PAYMENT RATES FOR CERTAIN  
20 PROGRAMS. (a) This section applies only to a Medicaid managed care  
21 organization that holds a certificate of authority issued under  
22 Chapter 843, Insurance Code, and with respect to Medicaid managed  
23 care pilot programs, Medicaid behavioral health pilot programs, and  
24 Medicaid STAR+PLUS pilot programs implemented in a health care  
25 service region after June 1, 1999.

26 (b) In determining the maximum premium payment rates paid to  
27 a Medicaid managed care organization to which this section applies,

1 the commission shall consider and adjust for the regional variation  
2 in costs of services under the traditional fee-for-service  
3 component of Medicaid, utilization patterns, and other factors that  
4 influence the potential for cost savings. For a service area with a  
5 service area factor of .93 or less, or another appropriate service  
6 area factor, as the commission determines, the commission may not  
7 discount premium payment rates in an amount that is more than the  
8 amount necessary to meet federal budget neutrality requirements for  
9 projected fee-for-service costs unless:

10 (1) a historical review of managed care financial  
11 results among managed care organizations in the service area the  
12 organization serves demonstrates that additional savings are  
13 warranted; or

14 (2) a review of Medicaid fee-for-service delivery in  
15 the service area the organization serves has historically shown:

16 (A) significant recipient overutilization of  
17 certain services covered by the premium payment rates in comparison  
18 to utilization patterns throughout the rest of this state; or

19 (B) an above-market cost for services for which  
20 there is substantial evidence that Medicaid managed care delivery  
21 will reduce the cost of those services. (Gov. Code, Secs.  
22 533.013(b), (d).)

23 Sec. 540.0353. USE OF ENCOUNTER DATA IN DETERMINING PREMIUM  
24 PAYMENT RATES AND OTHER PAYMENT AMOUNTS. (a) In determining  
25 premium payment rates and other amounts paid to managed care  
26 organizations under a managed care plan, the commission may not  
27 base or derive the rates or amounts on or from encounter data, or

1 incorporate in the determination an analysis of encounter data,  
2 unless a certifier of encounter data certifies that:

3 (1) the encounter data for the most recent state  
4 fiscal year is complete, accurate, and reliable; and

5 (2) there is no statistically significant variability  
6 in the encounter data attributable to incompleteness, inaccuracy,  
7 or another deficiency as compared to equivalent data for similar  
8 populations and when evaluated against professionally accepted  
9 standards.

10 (b) In determining whether data is equivalent data for  
11 similar populations under Subsection (a)(2), a certifier of  
12 encounter data shall, at a minimum, consider:

13 (1) the regional variation in recipient utilization  
14 patterns and health care service costs;

15 (2) the range and type of health care services premium  
16 payment rates are to cover;

17 (3) the number of managed care plans in the region; and

18 (4) the current number of recipients in each region,  
19 including the number for each recipient category. (Gov. Code, Sec.  
20 533.0131.)

21 SUBCHAPTER I. ENCOUNTER DATA

22 Sec. 540.0401. PROVIDER REPORTING OF ENCOUNTER DATA. The  
23 commission shall collaborate with Medicaid managed care  
24 organizations and health care providers in the organizations'  
25 provider networks to develop incentives and mechanisms to encourage  
26 providers to report complete and accurate encounter data to the  
27 organizations in a timely manner. (Gov. Code, Sec. 533.016.)

1           Sec. 540.0402. CERTIFIER OF ENCOUNTER DATA QUALIFICATIONS.

2   (a)   The state Medicaid director shall appoint a person as the  
3 certifier of encounter data.

4           (b)   The certifier of encounter data must have:

5               (1)   demonstrated expertise in estimating premium  
6 payment rates paid to a managed care organization under a managed  
7 care plan; and

8               (2)   access to actuarial expertise, including  
9 expertise in estimating premium payment rates paid to a managed  
10 care organization under a managed care plan.

11          (c)   A person may not be appointed as the certifier of  
12 encounter data if the person participated with the commission in  
13 developing premium payment rates for managed care organizations  
14 under managed care plans in this state during the three-year period  
15 before the date the certifier is appointed. (Gov. Code, Sec.  
16 533.017.)

17          Sec. 540.0403. ENCOUNTER DATA CERTIFICATION. (a)   The  
18 certifier of encounter data shall certify the completeness,  
19 accuracy, and reliability of encounter data for each state fiscal  
20 year.

21          (b)   The commission shall make available to the certifier of  
22 encounter data all records and data the certifier considers  
23 appropriate for evaluating whether to certify the encounter data.  
24 The commission shall provide to the certifier selected resources  
25 and assistance in obtaining, compiling, and interpreting the  
26 records and data. (Gov. Code, Sec. 533.018.)

1 SUBCHAPTER J. MANAGED CARE PLAN REQUIREMENTS

2 Sec. 540.0451. MEDICAID MANAGED CARE PLAN ACCREDITATION.

3 (a) A Medicaid managed care plan must be accredited by a nationally  
4 recognized accreditation organization. The commission may:

5 (1) require all Medicaid managed care plans to be  
6 accredited by the same organization; or

7 (2) allow for accreditation by different  
8 organizations.

9 (b) The commission may use the data, scoring, and other  
10 information provided to or received from an accreditation  
11 organization in the commission's contract oversight process. (Gov.  
12 Code, Sec. 533.0031.)

13 Sec. 540.0452. MEDICAL DIRECTOR QUALIFICATIONS. An  
14 individual who serves as a medical director for a managed care plan  
15 must be a physician licensed to practice medicine in this state  
16 under Subtitle B, Title 3, Occupations Code. (Gov. Code, Sec.  
17 533.0073.)

18 SUBCHAPTER K. MEDICAID MANAGED CARE PLAN ENROLLMENT AND

19 DISENROLLMENT

20 Sec. 540.0501. RECIPIENT ENROLLMENT IN AND DISENROLLMENT  
21 FROM MEDICAID MANAGED CARE PLAN. The commission shall:

22 (1) encourage recipients to choose appropriate  
23 Medicaid managed care plans and primary health care providers by:

24 (A) providing initial information to recipients  
25 and providers in a region about the need for recipients to choose  
26 plans and providers not later than the 90th day before the date a  
27 Medicaid managed care organization plans to begin providing health

1 care services to recipients in that region through managed care;

2 (B) providing follow-up information before  
3 assignment of plans and providers and after assignment, if  
4 necessary, to recipients who delay in choosing plans and providers;  
5 and

6 (C) allowing plans and providers to provide  
7 information to recipients or engage in marketing activities under  
8 marketing guidelines the commission establishes under Section  
9 540.0055(a) after the commission approves the information or  
10 activities;

11 (2) in assigning plans and providers to recipients who  
12 fail to choose plans and providers, consider:

13 (A) the importance of maintaining existing  
14 provider-patient and physician-patient relationships, including  
15 relationships with specialists, public health clinics, and  
16 community health centers;

17 (B) to the extent possible, the need to assign  
18 family members to the same providers and plans; and

19 (C) geographic convenience of plans and  
20 providers for recipients;

21 (3) retain responsibility for enrolling recipients in  
22 and disenrolling recipients from plans, except that the commission  
23 may delegate the responsibility to an independent contractor who  
24 receives no form of payment from, and has no financial ties to, any  
25 managed care organization;

26 (4) develop and implement an expedited process for  
27 determining eligibility for and enrolling pregnant women and

1 newborn infants in plans; and

2           (5) ensure immediate access to prenatal services and  
3 newborn care for pregnant women and newborn infants enrolled in  
4 plans, including ensuring that a pregnant woman may obtain an  
5 appointment with an obstetrical care provider for an initial  
6 maternity evaluation not later than the 30th day after the date the  
7 woman applies for Medicaid. (Gov. Code, Sec. 533.0075.)

8           Sec. 540.0502. AUTOMATIC ENROLLMENT IN MEDICAID MANAGED  
9 CARE PLAN. (a) If the commission determines that it is feasible  
10 and notwithstanding any other law, the commission may implement an  
11 automatic enrollment process under which an applicant determined  
12 eligible for Medicaid is automatically enrolled in a Medicaid  
13 managed care plan the applicant chooses.

14           (b) The commission may elect to implement the automatic  
15 enrollment process for certain recipient populations. (Gov. Code,  
16 Sec. 533.0025(h).)

17           Sec. 540.0503. ENROLLMENT OF CERTAIN RECIPIENTS IN SAME  
18 MEDICAID MANAGED CARE PLAN. The commission shall ensure that all  
19 recipients who are children and who reside in the same household  
20 may, at the family's election, be enrolled in the same Medicaid  
21 managed care plan. (Gov. Code, Sec. 533.0027.)

22           Sec. 540.0504. QUALITY-BASED ENROLLMENT INCENTIVE PROGRAM  
23 FOR MEDICAID MANAGED CARE ORGANIZATIONS. The commission shall  
24 create an incentive program that automatically enrolls in a  
25 Medicaid managed care plan a greater percentage of recipients who  
26 did not actively choose a plan, based on:

27           (1) the quality of care provided through the Medicaid

1 managed care organization offering the plan;

2 (2) the organization's ability to efficiently and  
3 effectively provide services, considering the acuity of  
4 populations the organization primarily serves; and

5 (3) the organization's performance with respect to  
6 exceeding or failing to achieve appropriate outcome and process  
7 measures the commission develops, including measures based on  
8 potentially preventable events. (Gov. Code, Sec. 533.00511(b).)

9 Sec. 540.0505. LIMITATIONS ON RECIPIENT DISENROLLMENT FROM  
10 MEDICAID MANAGED CARE PLAN. (a) Except as provided by Subsections  
11 (b) and (c) and to the extent permitted by federal law, a recipient  
12 enrolled in a Medicaid managed care plan may not disenroll from that  
13 plan and enroll in another Medicaid managed care plan during the  
14 12-month period after the date the recipient initially enrolls in a  
15 plan.

16 (b) At any time before the 91st day after the date of a  
17 recipient's initial enrollment in a Medicaid managed care plan, the  
18 recipient may disenroll from that plan for any reason and enroll in  
19 another Medicaid managed care plan.

20 (c) The commission shall allow a recipient who is enrolled  
21 in a Medicaid managed care plan to disenroll from that plan and  
22 enroll in another Medicaid managed care plan:

23 (1) at any time for cause in accordance with federal  
24 law; and

25 (2) once for any reason after the periods described by  
26 Subsections (a) and (b). (Gov. Code, Sec. 533.0076.)

1 SUBCHAPTER L. CONTINUITY OF CARE AND COORDINATION OF BENEFITS

2 Sec. 540.0551. GUIDANCE REGARDING CONTINUATION OF SERVICES  
3 UNDER CERTAIN CIRCUMSTANCES. The commission shall provide guidance  
4 and additional education to Medicaid managed care organizations  
5 regarding federal law requirements to continue providing services  
6 during an internal appeal, a Medicaid fair hearing, or any other  
7 review. (Gov. Code, Sec. 533.005(g).)

8 Sec. 540.0552. COORDINATION OF BENEFITS; CONTINUITY OF  
9 SPECIALTY CARE FOR CERTAIN RECIPIENTS. (a) In this section,  
10 "Medicaid wrap-around benefit" means a Medicaid-covered service,  
11 including a pharmacy or medical benefit, that is provided to a  
12 recipient who has primary health benefit plan coverage in addition  
13 to Medicaid coverage when:

14 (1) the recipient has exceeded the primary health  
15 benefit plan coverage limit; or

16 (2) the service is not covered by the primary health  
17 benefit plan issuer.

18 (b) The commission, in coordination with Medicaid managed  
19 care organizations and in consultation with the STAR Kids Managed  
20 Care Advisory Committee, shall develop and adopt a clear policy for  
21 a Medicaid managed care organization to ensure the coordination and  
22 timely delivery of Medicaid wrap-around benefits for recipients who  
23 have primary health benefit plan coverage in addition to Medicaid  
24 coverage. In developing the policy, the commission shall consider  
25 requiring a Medicaid managed care organization to allow,  
26 notwithstanding Subchapter F, Chapter 549, Section 540.0273, and  
27 Section 540.0280 or any other law, a recipient using a prescription

1 drug for which the recipient's primary health benefit plan issuer  
2 previously provided coverage to continue receiving the  
3 prescription drug without requiring additional prior  
4 authorization.

5 (c) If the commission determines that a recipient's primary  
6 health benefit plan issuer should have been the primary payor of a  
7 claim, the Medicaid managed care organization that paid the claim  
8 shall:

9 (1) work with the commission on the recovery process;  
10 and

11 (2) make every attempt to reduce health care provider  
12 and recipient abrasion.

13 (d) The executive commissioner may seek a waiver from the  
14 federal government as needed to:

15 (1) address federal policies related to coordination  
16 of benefits and third-party liability; and

17 (2) maximize federal financial participation for  
18 recipients who have primary health benefit plan coverage in  
19 addition to Medicaid coverage.

20 (e) The commission may include in the Medicaid managed care  
21 eligibility files an indication of whether a recipient has primary  
22 health benefit plan coverage or is enrolled in a group health  
23 benefit plan for which the commission provides premium assistance  
24 under the health insurance premium payment program. For a recipient  
25 with that coverage or for whom that premium assistance is provided,  
26 the files may include the following up-to-date, accurate  
27 information related to primary health benefit plan coverage to the

1 extent the information is available to the commission:

2 (1) the primary health benefit plan issuer's name and  
3 address;

4 (2) the recipient's policy number;

5 (3) the primary health benefit plan coverage start and  
6 end dates; and

7 (4) the primary health benefit plan coverage benefits,  
8 limits, copayment, and coinsurance information.

9 (f) To the extent allowed by federal law, the commission  
10 shall maintain processes and policies to allow a health care  
11 provider who is primarily providing services to a recipient through  
12 primary health benefit plan coverage to receive Medicaid  
13 reimbursement for services ordered, referred, or prescribed,  
14 regardless of whether the provider is enrolled as a Medicaid  
15 provider. The commission shall allow a provider who is not enrolled  
16 as a Medicaid provider to order, refer, or prescribe services to a  
17 recipient based on the provider's national provider identifier  
18 number and may not require an additional state provider identifier  
19 number to receive reimbursement for the services. The commission  
20 may seek a waiver of Medicaid provider enrollment requirements for  
21 providers of recipients with primary health benefit plan coverage  
22 to implement this subsection.

23 (g) The commission shall develop a clear and easy process,  
24 to be implemented through a contract, that allows a recipient with  
25 complex medical needs who has established a relationship with a  
26 specialty provider to continue receiving care from that provider,  
27 regardless of whether the recipient has primary health benefit plan

1 coverage in addition to Medicaid coverage.

2 (h) If a recipient who has complex medical needs wants to  
3 continue to receive care from a specialty provider that is not in  
4 the provider network of the Medicaid managed care organization  
5 offering the Medicaid managed care plan in which the recipient is  
6 enrolled, the organization shall develop a simple, timely, and  
7 efficient process to, and shall make a good-faith effort to,  
8 negotiate a single-case agreement with the specialty provider.  
9 Until the organization and the specialty provider enter into the  
10 single-case agreement, the specialty provider shall be reimbursed  
11 in accordance with the applicable reimbursement methodology  
12 specified in commission rules, including 1 T.A.C. Section 353.4.

13 (i) A single-case agreement entered into under this section  
14 is not considered accessing an out-of-network provider for the  
15 purposes of Medicaid managed care organization network adequacy  
16 requirements. (Gov. Code, Sec. 533.038.)

17 SUBCHAPTER M. PROVIDER NETWORK ADEQUACY

18 Sec. 540.0601. MONITORING OF PROVIDER NETWORKS. The  
19 commission shall establish and implement a process for the direct  
20 monitoring of a Medicaid managed care organization's provider  
21 network and providers in the network. The process:

22 (1) must be used to ensure compliance with contractual  
23 obligations related to:

24 (A) the number of providers accepting new  
25 patients under the Medicaid managed care program; and

26 (B) the length of time a recipient must wait  
27 between scheduling an appointment with a provider and receiving

1 treatment from the provider;

2 (2) may use reasonable methods to ensure compliance  
3 with contractual obligations, including telephone calls made at  
4 random times without notice to assess the availability of providers  
5 and services to new and existing recipients; and

6 (3) may be implemented directly by the commission or  
7 through a contractor. (Gov. Code, Sec. 533.007(1).)

8 Sec. 540.0602. REPORT ON OUT-OF-NETWORK PROVIDER SERVICES.  
9 To ensure appropriate access to an adequate provider network, each  
10 Medicaid managed care organization providing health care services  
11 to recipients in a health care service region shall submit to the  
12 commission, in the format and manner the commission prescribes, a  
13 report detailing the number, type, and scope of services  
14 out-of-network providers provide to recipients enrolled in a  
15 Medicaid managed care plan the organization provides. (Gov. Code,  
16 Sec. 533.007(g) (part).)

17 Sec. 540.0603. REPORT ON COMMISSION INVESTIGATION OF  
18 PROVIDER COMPLAINT. Not later than the 60th day after the date a  
19 provider files a complaint with the commission regarding  
20 reimbursement for or overuse of out-of-network providers by a  
21 Medicaid managed care organization, the commission shall provide to  
22 the provider a report regarding the conclusions of the commission's  
23 investigation. The report must include:

24 (1) a description of any corrective action required of  
25 the organization that was the subject of the complaint; and

26 (2) if applicable, a conclusion regarding the amount  
27 of reimbursement owed to an out-of-network provider. (Gov. Code,

1 Sec. 533.007(i).)

2           Sec. 540.0604. ADDITIONAL REIMBURSEMENT FOLLOWING PROVIDER  
3 COMPLAINT. (a) If, after an investigation, the commission  
4 determines that a Medicaid managed care organization owes  
5 additional reimbursement to a provider, the organization shall, not  
6 later than the 90th day after the date the provider filed the  
7 complaint, pay the additional reimbursement or provide to the  
8 provider a reimbursement payment plan under which the organization  
9 must pay the entire amount of the additional reimbursement not  
10 later than the 120th day after the date the provider filed the  
11 complaint.

12           (b) The commission may require a Medicaid managed care  
13 organization to pay interest on any amount of the additional  
14 reimbursement that is not paid on or before the 90th day after the  
15 date the provider to whom the amount is owed filed the complaint.  
16 If the commission requires the organization to pay interest,  
17 interest accrues at a rate of 18 percent simple interest per year on  
18 the unpaid amount beginning on the 90th day after the date the  
19 provider to whom the amount is owed filed the complaint and accrues  
20 until the date the organization pays the entire reimbursement  
21 amount. (Gov. Code, Sec. 533.007(j).)

22           Sec. 540.0605. CORRECTIVE ACTION PLAN FOR INADEQUATE  
23 NETWORK AND PROVIDER REIMBURSEMENT. (a) The commission shall  
24 initiate a corrective action plan requiring a Medicaid managed care  
25 organization to maintain an adequate provider network, provide  
26 reimbursement to support that network, and educate recipients  
27 enrolled in Medicaid managed care plans provided by the

1 organization regarding the proper use of the plan's provider  
2 network, if:

3 (1) as the commission determines, the organization  
4 exceeds maximum limits the commission established for  
5 out-of-network access to health care services; or

6 (2) based on the commission's investigation of a  
7 provider complaint regarding reimbursement, the commission  
8 determines that the organization did not reimburse an  
9 out-of-network provider based on a reasonable reimbursement  
10 methodology.

11 (b) The corrective action plan required by Subsection (a)  
12 must include at least one of the following elements:

13 (1) a requirement that reimbursements the Medicaid  
14 managed care organization pays to out-of-network providers for a  
15 health care service provided to a recipient enrolled in a Medicaid  
16 managed care plan provided by the organization equal the allowable  
17 rate for the service, as determined under Sections 32.028 and  
18 32.0281, Human Resources Code, for all health care services  
19 provided during the period the organization:

20 (A) is not in compliance with the utilization  
21 benchmarks the commission determines; or

22 (B) is not reimbursing out-of-network providers  
23 based on a reasonable methodology, as the commission determines;

24 (2) an immediate freeze on the enrollment of  
25 additional recipients in a Medicaid managed care plan the  
26 organization provides that continues until the commission  
27 determines that the provider network under the plan can adequately

1 meet the needs of additional recipients; and

2 (3) other actions the commission determines are  
3 necessary to ensure that recipients enrolled in a Medicaid managed  
4 care plan the organization provides have access to appropriate  
5 health care services and that providers are properly reimbursed for  
6 providing medically necessary health care services to those  
7 recipients. (Gov. Code, Secs. 533.007(g) (part), (h).)

8 Sec. 540.0606. REMEDIES FOR NONCOMPLIANCE WITH CORRECTIVE  
9 ACTION PLAN. The commission shall pursue any appropriate remedy  
10 authorized in the contract between the Medicaid managed care  
11 organization and the commission if the organization fails to comply  
12 with a corrective action plan under Section 540.0605(a). (Gov.  
13 Code, Sec. 533.007(k).)

14 SUBCHAPTER N. PROVIDERS

15 Sec. 540.0651. INCLUSION OF CERTAIN PROVIDERS IN MEDICAID  
16 MANAGED CARE ORGANIZATION PROVIDER NETWORK. (a) The commission  
17 shall require that each managed care organization that contracts  
18 with the commission under any managed care model or arrangement to  
19 provide health care services to recipients in a region:

20 (1) seek participation in the organization's provider  
21 network from:

22 (A) each health care provider in the region who  
23 has traditionally provided care to recipients;

24 (B) each hospital in the region that has been  
25 designated as a disproportionate share hospital under Medicaid; and

26 (C) each specialized pediatric laboratory in the  
27 region, including a laboratory located in a children's hospital;

1           (2) include in the organization's provider network for  
2 at least three years:

3           (A) each health care provider in the region who:

4           (i) previously provided care to Medicaid  
5 and charity care recipients at a significant level as the  
6 commission prescribes;

7           (ii) agrees to accept the organization's  
8 prevailing provider contract rate; and

9           (iii) has the credentials the organization  
10 requires, provided that lack of board certification or  
11 accreditation by The Joint Commission may not be the sole ground for  
12 exclusion from the provider network;

13          (B) each accredited primary care residency  
14 program in the region; and

15          (C) each disproportionate share hospital the  
16 commission designates as a statewide significant traditional  
17 provider; and

18          (3) subject to Section 32.047, Human Resources Code,  
19 and notwithstanding any other law, include in the organization's  
20 provider network each optometrist, therapeutic optometrist, and  
21 ophthalmologist described by Section 532.0153(b)(1)(A) or (B) who,  
22 and an institution of higher education described by Section  
23 532.0153(a)(4) in the region that:

24          (A) agrees to comply with the organization's  
25 terms;

26          (B) agrees to accept the organization's  
27 prevailing provider contract rate;

1 (C) agrees to abide by the organization's  
2 required standards of care; and

3 (D) is an enrolled Medicaid provider.

4 (b) A contract between a Medicaid managed care organization  
5 and the commission for the organization to provide health care  
6 services to recipients in a health care service region that  
7 includes a rural area must require the organization to include in  
8 the organization's provider network rural hospitals, physicians,  
9 home and community support services agencies, and other rural  
10 health care providers who:

11 (1) are sole community providers;

12 (2) provide care to Medicaid and charity care  
13 recipients at a significant level as the commission prescribes;

14 (3) agree to accept the organization's prevailing  
15 provider contract rate; and

16 (4) have the credentials the organization requires,  
17 provided that lack of board certification or accreditation by The  
18 Joint Commission may not be the sole ground for exclusion from the  
19 provider network. (Gov. Code, Secs. 533.006, 533.0067.)

20 Sec. 540.0652. PROVIDER ACCESS STANDARDS; BIENNIAL REPORT.

21 (a) The commission shall establish minimum provider access  
22 standards for a Medicaid managed care organization's provider  
23 network. The provider access standards must ensure that a Medicaid  
24 managed care organization provides recipients sufficient access  
25 to:

26 (1) preventive care;

27 (2) primary care;

- 1 (3) specialty care;
- 2 (4) after-hours urgent care;
- 3 (5) chronic care;
- 4 (6) long-term services and supports;
- 5 (7) nursing services;
- 6 (8) therapy services, including services provided in a
- 7 clinical setting or in a home or community-based setting; and
- 8 (9) any other services the commission identifies.

9 (b) To the extent feasible, the provider access standards  
10 must:

11 (1) distinguish between access to providers in urban  
12 and rural settings;

13 (2) consider the number and geographic distribution of  
14 Medicaid-enrolled providers in a particular service delivery area;  
15 and

16 (3) subject to Section 548.0054(a) and consistent with  
17 Section 111.007, Occupations Code, consider and include the  
18 availability of telehealth services and telemedicine medical  
19 services in a Medicaid managed care organization's provider  
20 network.

21 (c) The commission shall biennially submit to the  
22 legislature and make available to the public a report that  
23 contains:

24 (1) information and statistics on:

25 (A) recipient access to providers through  
26 Medicaid managed care organizations' provider networks; and

27 (B) Medicaid managed care organization

1 compliance with contractual obligations related to provider access  
2 standards;

3 (2) a compilation and analysis of information Medicaid  
4 managed care organizations submit to the commission under Section  
5 540.0260(4);

6 (3) for both primary care providers and specialty  
7 providers, information on provider-to-recipient ratios in a  
8 Medicaid managed care organization's provider network and  
9 benchmark ratios to indicate whether deficiencies exist in a given  
10 network; and

11 (4) a description of, and analysis of the results  
12 from, the commission's monitoring process established under  
13 Section 540.0601. (Gov. Code, Sec. 533.0061.)

14 Sec. 540.0653. PENALTIES AND OTHER REMEDIES FOR FAILURE TO  
15 COMPLY WITH PROVIDER ACCESS STANDARDS. If a Medicaid managed care  
16 organization fails to comply with one or more provider access  
17 standards the commission establishes under Section 540.0652 and the  
18 commission determines the organization has not made substantial  
19 efforts to mitigate or remedy the noncompliance, the commission:

20 (1) may:

21 (A) elect to not retain or renew the commission's  
22 contract with the organization; or

23 (B) require the organization to pay liquidated  
24 damages in accordance with Section 540.0260(3); and

25 (2) if the organization's noncompliance occurs in a  
26 given service delivery area for two consecutive calendar quarters,  
27 shall suspend default enrollment to the organization in that

1 service delivery area for at least one calendar quarter. (Gov.  
2 Code, Sec. 533.0062.)

3 Sec. 540.0654. PROVIDER NETWORK DIRECTORIES. (a) The  
4 commission shall ensure that a Medicaid managed care organization:

5 (1) posts on the organization's Internet website:

6 (A) the organization's provider network  
7 directory; and

8 (B) a direct telephone number and e-mail address  
9 through which a recipient enrolled in the organization's managed  
10 care plan or the recipient's provider may contact the organization  
11 to receive assistance with:

12 (i) identifying in-network providers and  
13 services available to the recipient; and

14 (ii) scheduling an appointment for the  
15 recipient with an available in-network provider or to access  
16 available in-network services; and

17 (2) updates the online directory required under  
18 Subdivision (1)(A) at least monthly.

19 (b) A Medicaid managed care organization is required to send  
20 a paper form of the organization's provider network directory for  
21 the program only to a recipient who requests to receive the  
22 directory in paper form. (Gov. Code, Sec. 533.0063.)

23 Sec. 540.0655. PROVIDER PROTECTION PLAN. (a) The  
24 commission shall develop and implement a provider protection plan  
25 designed to:

26 (1) reduce administrative burdens on providers  
27 participating in a Medicaid managed care model or arrangement

1 implemented under this chapter or Chapter 540A; and

2 (2) ensure efficient provider enrollment and  
3 reimbursement.

4 (b) To the greatest extent possible, the commission shall  
5 incorporate the measures in the provider protection plan into each  
6 contract between a managed care organization and the commission to  
7 provide health care services to recipients.

8 (c) The provider protection plan must provide for:

9 (1) a Medicaid managed care organization's prompt  
10 payment to and proper reimbursement of providers;

11 (2) prompt and accurate claim adjudication through:

12 (A) educating providers on properly submitting  
13 clean claims and on appeals;

14 (B) accepting uniform forms, including HCFA  
15 Forms 1500 and UB-92 and subsequent versions of those forms,  
16 through an electronic portal; and

17 (C) establishing standards for claims payments  
18 in accordance with a provider's contract;

19 (3) adequate and clearly defined provider network  
20 standards that:

21 (A) are specific to provider type, including  
22 physicians, general acute care facilities, and other provider types  
23 defined in the commission's network adequacy standards in effect on  
24 January 1, 2013; and

25 (B) ensure choice among multiple providers to the  
26 greatest extent possible;

27 (4) a prompt credentialing process for providers;

1           (5) uniform efficiency standards and requirements for  
2 Medicaid managed care organizations for submitting and tracking  
3 preauthorization requests for Medicaid services;

4           (6) establishing an electronic process, including the  
5 use of an Internet portal, through which providers in any managed  
6 care organization's provider network may:

7                   (A) submit electronic claims, prior  
8 authorization requests, claims appeals and reconsiderations,  
9 clinical data, and other documents that the organization requests  
10 for prior authorization and claims processing; and

11                   (B) obtain electronic remittance advice,  
12 explanation of benefits statements, and other standardized  
13 reports;

14           (7) measuring Medicaid managed care organization  
15 retention rates of significant traditional providers;

16           (8) creating a work group to review and make  
17 recommendations to the commission concerning any requirement under  
18 this subsection for which immediate implementation is not feasible  
19 at the time the plan is otherwise implemented, including the  
20 required process for submitting and accepting attachments for  
21 claims processing and prior authorization requests through an  
22 electronic process under Subdivision (6) and, for any requirement  
23 that is not implemented immediately, recommendations regarding the  
24 expected:

25                   (A) fiscal impact of implementing the  
26 requirement; and

27                   (B) timeline for implementing the requirement;

1 and

2 (9) any other provision the commission determines will  
3 ensure efficiency or reduce administrative burdens on providers  
4 participating in a Medicaid managed care model or arrangement.  
5 (Gov. Code, Sec. 533.0055.)

6 Sec. 540.0656. EXPEDITED CREDENTIALING PROCESS FOR CERTAIN  
7 PROVIDERS. (a) In this section, "applicant provider" means a  
8 physician or other health care provider applying for expedited  
9 credentialing.

10 (b) Notwithstanding any other law and subject to Subsection  
11 (c), a Medicaid managed care organization shall establish and  
12 implement an expedited credentialing process that allows an  
13 applicant provider to provide services to recipients on a  
14 provisional basis.

15 (c) The commission shall identify the types of providers for  
16 which a Medicaid managed care organization must establish and  
17 implement an expedited credentialing process.

18 (d) To qualify for expedited credentialing and payment  
19 under Subsection (e), an applicant provider must:

20 (1) be a member of an established health care provider  
21 group that has a current contract with a Medicaid managed care  
22 organization;

23 (2) be a Medicaid-enrolled provider;

24 (3) agree to comply with the terms of the contract  
25 described by Subdivision (1); and

26 (4) submit all documentation and other information the  
27 Medicaid managed care organization requires as necessary to enable

1 the organization to begin the credentialing process the  
2 organization requires to include a provider in the organization's  
3 provider network.

4 (e) On an applicant provider's submission of the  
5 information the Medicaid managed care organization requires under  
6 Subsection (d), and for Medicaid reimbursement purposes only, the  
7 organization shall treat the provider as if the provider were in the  
8 organization's provider network when the provider provides  
9 services to recipients, subject to Subsections (f) and (g).

10 (f) Except as provided by Subsection (g), a Medicaid managed  
11 care organization that determines on completion of the  
12 credentialing process that an applicant provider does not meet the  
13 organization's credentialing requirements may recover from the  
14 provider the difference between payments for in-network benefits  
15 and out-of-network benefits.

16 (g) A Medicaid managed care organization that determines on  
17 completion of the credentialing process that an applicant provider  
18 does not meet the organization's credentialing requirements and  
19 that the provider made fraudulent claims in the provider's  
20 application for credentialing may recover from the provider the  
21 entire amount the organization paid the provider. (Gov. Code, Sec.  
22 533.0064.)

23 Sec. 540.0657. FREQUENCY OF PROVIDER RECREDENTIALING. (a)  
24 A Medicaid managed care organization shall formally recredential a  
25 physician or other provider with the frequency required by the  
26 single, consolidated Medicaid provider enrollment and  
27 credentialing process, if that process is created under Section

1 532.0151.

2 (b) Notwithstanding any other law, the required frequency  
3 of recredentialing may be less frequent than once in any three-year  
4 period. (Gov. Code, Sec. 533.0065.)

5 Sec. 540.0658. PROVIDER INCENTIVES FOR PROMOTING  
6 PREVENTIVE SERVICES. To the extent possible, the commission shall  
7 work to ensure that a Medicaid managed care organization provides  
8 payment incentives to a health care provider in the organization's  
9 provider network whose performance in promoting recipient use of  
10 preventive services exceeds minimum established standards. (Gov.  
11 Code, Sec. 533.0066.)

12 Sec. 540.0659. REIMBURSEMENT RATE FOR CERTAIN SERVICES  
13 PROVIDED BY CERTAIN HEALTH CENTERS AND CLINICS OUTSIDE REGULAR  
14 BUSINESS HOURS. (a) This section applies only to a recipient  
15 receiving benefits through a Medicaid managed care model or  
16 arrangement.

17 (b) The commission shall ensure that a federally qualified  
18 health center, rural health clinic, or municipal health  
19 department's public clinic is reimbursed for health care services  
20 provided to a recipient outside of regular business hours,  
21 including on a weekend or holiday, at a rate that is equal to the  
22 allowable rate for those services as determined under Section  
23 32.028, Human Resources Code, regardless of whether the recipient  
24 has a referral from the recipient's primary care provider.

25 (c) The executive commissioner shall adopt rules regarding  
26 the days, times of days, and holidays that are considered to be  
27 outside of regular business hours for purposes of Subsection (b).

1 (Gov. Code, Sec. 533.01315.)

2 SUBCHAPTER O. DELIVERY OF SERVICES: GENERAL PROVISIONS

3 Sec. 540.0701. ACUTE CARE SERVICE DELIVERY THROUGH MOST  
4 COST-EFFECTIVE MODEL; MANAGED CARE SERVICE DELIVERY AREAS. (a)

5 Except as otherwise provided by this section and notwithstanding  
6 any other law, the commission shall provide Medicaid acute care  
7 services through the most cost-effective model of Medicaid  
8 capitated managed care as the commission determines. The  
9 commission shall require mandatory participation in a Medicaid  
10 capitated managed care program for all individuals eligible for  
11 Medicaid acute care benefits, but may implement alternative models  
12 or arrangements, including a traditional fee-for-service  
13 arrangement, if the commission determines the alternative would be  
14 more cost-effective or efficient.

15 (b) In determining whether a model or arrangement described  
16 by Subsection (a) is more cost-effective, the executive  
17 commissioner must consider:

18 (1) the scope, duration, and types of health benefits  
19 or services to be provided in a certain part of this state or to a  
20 certain recipient population;

21 (2) administrative costs necessary to meet federal and  
22 state statutory and regulatory requirements;

23 (3) the anticipated effect of market competition  
24 associated with the configuration of Medicaid service delivery  
25 models the commission determines; and

26 (4) the gain or loss to this state of a tax collected  
27 under Chapter 222, Insurance Code.

1 (c) If the commission determines that it is not more  
2 cost-effective to use a Medicaid managed care model to provide  
3 certain types of Medicaid acute care in a certain area or to certain  
4 recipients as prescribed by this section, the commission shall  
5 provide Medicaid acute care through a traditional fee-for-service  
6 arrangement.

7 (d) The commission shall determine the most cost-effective  
8 alignment of managed care service delivery areas. The executive  
9 commissioner may consider:

10 (1) the number of lives impacted;

11 (2) the usual source of health care services for  
12 residents in an area; and

13 (3) other factors that impact health care service  
14 delivery in the area. (Gov. Code, Secs. 533.0025(b), (c), (d),  
15 (e).)

16 Sec. 540.0702. TRANSITION OF CASE MANAGEMENT FOR CHILDREN  
17 AND PREGNANT WOMEN PROGRAM RECIPIENTS TO MEDICAID MANAGED CARE  
18 PROGRAM. (a) In this section, "children and pregnant women  
19 program" means the Medicaid benefits program administered by the  
20 Department of State Health Services that provides case management  
21 services to children who have a health condition or health risk and  
22 pregnant women who have a high-risk condition.

23 (b) The commission shall transition to a Medicaid managed  
24 care model all case management services provided to children and  
25 pregnant women program recipients. In transitioning the services,  
26 the commission shall ensure a recipient is provided case management  
27 services through the Medicaid managed care plan in which the

1 recipient is enrolled.

2 (c) In implementing this section, the commission shall  
3 ensure that:

4 (1) there is a seamless transition in case management  
5 services for children and pregnant women program recipients; and

6 (2) case management services provided under the  
7 program are not interrupted. (Gov. Code, Sec. 533.002555.)

8 Sec. 540.0703. BEHAVIORAL HEALTH AND PHYSICAL HEALTH  
9 SERVICES. (a) In this section, "behavioral health services" means  
10 mental health and substance use disorder services.

11 (b) To the greatest extent possible, the commission shall  
12 integrate the following services into the Medicaid managed care  
13 program:

14 (1) behavioral health services, including targeted  
15 case management and psychiatric rehabilitation services; and

16 (2) physical health services.

17 (c) A Medicaid managed care organization shall:

18 (1) develop a network of public and private behavioral  
19 health services providers; and

20 (2) ensure adults with serious mental illness and  
21 children with serious emotional disturbance have access to a  
22 comprehensive array of services.

23 (d) In implementing this section, the commission shall  
24 ensure that:

25 (1) an appropriate assessment tool is used to  
26 authorize services;

27 (2) providers are well-qualified and able to provide

1 an appropriate array of services;

2 (3) appropriate performance and quality outcomes are  
3 measured;

4 (4) two health home pilot programs are established in  
5 two health service areas, representing two distinct regions of this  
6 state, for individuals who are diagnosed with:

7 (A) a serious mental illness; and

8 (B) at least one other chronic health condition;

9 (5) a health home established under a pilot program  
10 under Subdivision (4) complies with the principles for  
11 patient-centered medical homes described in Section 540.0712; and

12 (6) all behavioral health services provided under this  
13 section are based on an approach to treatment in which the expected  
14 outcome of treatment is recovery.

15 (e) If the commission determines that it is cost-effective  
16 and beneficial to recipients, the commission shall include a peer  
17 specialist as a benefit to recipients or as a provider type.

18 (f) To the extent of any conflict between this section and  
19 any other law relating to behavioral health services, this section  
20 prevails.

21 (g) The executive commissioner shall adopt rules necessary  
22 to implement this section. (Gov. Code, Sec. 533.00255.)

23 Sec. 540.0704. TARGETED CASE MANAGEMENT AND PSYCHIATRIC  
24 REHABILITATIVE SERVICES FOR CHILDREN, ADOLESCENTS, AND FAMILIES.

25 (a) A provider in the provider network of a Medicaid managed care  
26 organization that contracts with the commission to provide  
27 behavioral health services under Section 540.0703 may contract with

1 the organization to provide targeted case management and  
2 psychiatric rehabilitative services to children, adolescents, and  
3 their families.

4 (b) Commission rules and guidelines concerning contract and  
5 training requirements applicable to the provision of behavioral  
6 health services may apply to a provider that contracts with a  
7 Medicaid managed care organization under Subsection (a) only to the  
8 extent those contract and training requirements are specific to the  
9 provision of targeted case management and psychiatric  
10 rehabilitative services to children, adolescents, and their  
11 families.

12 (c) Commission rules and guidelines applicable to a  
13 provider that contracts with a Medicaid managed care organization  
14 under Subsection (a) may not require the provider to provide a  
15 behavioral health crisis hotline or a mobile crisis team that  
16 operates 24 hours per day and seven days per week. This subsection  
17 does not prohibit a Medicaid managed care organization that  
18 contracts with the commission to provide behavioral health services  
19 under Section 540.0703 from specifically contracting with a  
20 provider for the provision of a behavioral health crisis hotline or  
21 a mobile crisis team that operates 24 hours per day and seven days  
22 per week.

23 (d) Commission rules and guidelines applicable to a  
24 provider that contracts with a Medicaid managed care organization  
25 to provide targeted case management and psychiatric rehabilitative  
26 services specific to children and adolescents who are at risk of  
27 juvenile justice involvement, expulsion from school, displacement

1 from the home, hospitalization, residential treatment, or serious  
2 injury to self, others, or animals may not require the provider to  
3 also provide less intensive psychiatric rehabilitative services  
4 specified by commission rules and guidelines as applicable to the  
5 provision of targeted case management and psychiatric  
6 rehabilitative services to children, adolescents, and their  
7 families, if that provider has a referral arrangement to provide  
8 access to those less intensive psychiatric rehabilitative  
9 services.

10 (e) Commission rules and guidelines applicable to a  
11 provider that contracts with a Medicaid managed care organization  
12 under Subsection (a) may not require the provider to provide  
13 services not covered under Medicaid. (Gov. Code, Sec. 533.002552.)

14 Sec. 540.0705. BEHAVIORAL HEALTH SERVICES PROVIDED THROUGH  
15 THIRD PARTY OR SUBSIDIARY. (a) In this section, "behavioral health  
16 services" has the meaning assigned by Section 540.0703.

17 (b) For a Medicaid managed care organization that provides  
18 behavioral health services through a contract with a third party or  
19 an arrangement with a subsidiary of the organization, the  
20 commission shall:

21 (1) require the effective sharing and integration of  
22 care coordination, service authorization, and utilization  
23 management data between the organization and the third party or  
24 subsidiary;

25 (2) encourage the colocation of physical health and  
26 behavioral health care coordination staff, to the extent feasible;

27 (3) require warm call transfers between physical

1 health and behavioral health care coordination staff;

2 (4) require the organization and the third party or  
3 subsidiary to implement joint rounds for physical health and  
4 behavioral health services network providers or some other  
5 effective means for sharing clinical information; and

6 (5) ensure that the organization makes available a  
7 seamless provider portal for both physical health and behavioral  
8 health services network providers, to the extent allowed by federal  
9 law. (Gov. Code, Sec. 533.002553.)

10 Sec. 540.0706. PSYCHOTROPIC MEDICATION MONITORING SYSTEM  
11 FOR CERTAIN CHILDREN. (a) In this section, "psychotropic  
12 medication" has the meaning assigned by Section 266.001, Family  
13 Code.

14 (b) The commission shall implement a system under which the  
15 commission will use Medicaid prescription drug data to monitor the  
16 prescribing of psychotropic medications for:

17 (1) children who are in the conservatorship of the  
18 Department of Family and Protective Services and enrolled in the  
19 STAR Health program or eligible for both Medicaid and Medicare; and

20 (2) children who are under the supervision of the  
21 Department of Family and Protective Services through an agreement  
22 under the Interstate Compact on the Placement of Children under  
23 Subchapter B, Chapter 162, Family Code.

24 (c) The commission shall include as a component of the  
25 monitoring system a medical review of a prescription to which  
26 Subsection (b) applies when that review is appropriate. (Gov. Code,  
27 Sec. 533.0161.)

1           Sec. 540.0707. MEDICATION THERAPY MANAGEMENT.       The  
2 executive commissioner shall collaborate with Medicaid managed  
3 care organizations to implement medication therapy management  
4 services to lower costs and improve quality outcomes for recipients  
5 by reducing adverse drug events. (Gov. Code, Sec. 533.00515.)

6           Sec. 540.0708. SPECIAL DISEASE MANAGEMENT.       (a)    The  
7 commission shall ensure that a Medicaid managed care organization  
8 develops and implements special disease management programs to  
9 manage a disease or other chronic health condition with respect to  
10 which disease management would be cost-effective for populations  
11 the commission identifies. The special disease management programs  
12 may manage a disease or other chronic health condition such as:

- 13                   (1) heart disease;
- 14                   (2) chronic kidney disease and related medical  
15 complications;
- 16                   (3) respiratory illness, including asthma;
- 17                   (4) diabetes;
- 18                   (5) end-stage renal disease;
- 19                   (6) HIV infection; or
- 20                   (7) AIDS.

21           (b) A Medicaid managed care plan must provide, in the manner  
22 the commission requires, disease management services including:

- 23                   (1) patient self-management education;
- 24                   (2) provider education;
- 25                   (3) evidence-based models and minimum standards of  
26 care;
- 27                   (4) standardized protocols and participation

1 criteria; and

2 (5) physician-directed or physician-supervised care.

3 (c) The executive commissioner by rule shall prescribe the  
4 minimum requirements that a Medicaid managed care organization must  
5 meet in providing a special disease management program to be  
6 eligible to receive a contract under this section. The  
7 organization must at a minimum be required to:

8 (1) provide disease management services that have  
9 performance measures for particular diseases that are comparable to  
10 the relevant performance measures applicable to a provider of  
11 disease management services under Section 32.057, Human Resources  
12 Code;

13 (2) show evidence of ability to manage complex  
14 diseases in the Medicaid population; and

15 (3) if a special disease management program the  
16 organization provides has low active participation rates, identify  
17 the reason for the low rates and develop an approach to increase  
18 active participation in special disease management programs for  
19 high-risk recipients.

20 (d) If a Medicaid managed care organization implements a  
21 special disease management program to manage chronic kidney disease  
22 and related medical complications as provided by Subsection (a) and  
23 the organization develops a program to provide screening for and  
24 diagnosis and treatment of chronic kidney disease and related  
25 medical complications to recipients under the organization's  
26 Medicaid managed care plan, the program for screening, diagnosis,  
27 and treatment must use generally recognized clinical practice

1 guidelines and laboratory assessments that identify chronic kidney  
2 disease on the basis of impaired kidney function or the presence of  
3 kidney damage. (Gov. Code, Sec. 533.009.)

4       Sec. 540.0709. SPECIAL PROTOCOLS FOR INDIGENT POPULATIONS.  
5 In conjunction with an academic center, the commission may study  
6 the treatment of indigent populations to develop special protocols  
7 for use by Medicaid managed care organizations in providing health  
8 care services to recipients. (Gov. Code, Sec. 533.010.)

9       Sec. 540.0710. DIRECT ACCESS TO EYE HEALTH CARE SERVICES.

10 (a) Notwithstanding any other law, the commission shall ensure  
11 that a Medicaid managed care plan offered by a Medicaid managed care  
12 organization and any other Medicaid managed care model or  
13 arrangement implemented under this chapter allow a recipient  
14 receiving services through the plan or other model or arrangement  
15 to, in the manner and to the extent required by Section 32.072,  
16 Human Resources Code:

17               (1) select an in-network ophthalmologist or  
18 therapeutic optometrist in the managed care network to provide eye  
19 health care services other than surgery; and

20               (2) have direct access to the selected in-network  
21 ophthalmologist or therapeutic optometrist for the nonsurgical  
22 services.

23       (b) This section does not affect the obligation of an  
24 ophthalmologist or therapeutic optometrist in a managed care  
25 network to comply with the terms of the Medicaid managed care plan.  
26 (Gov. Code, Sec. 533.0026.)

27       Sec. 540.0711. DELIVERY OF BENEFITS USING

1 TELECOMMUNICATIONS OR INFORMATION TECHNOLOGY. (a) The commission  
2 shall establish policies and procedures to improve access to care  
3 under the Medicaid managed care program by encouraging the use  
4 under the program of:

- 5 (1) telehealth services;
- 6 (2) telemedicine medical services;
- 7 (3) home telemonitoring services; and
- 8 (4) other telecommunications or information  
9 technology.

10 (b) To the extent allowed by federal law, the executive  
11 commissioner by rule shall establish policies and procedures that  
12 allow a Medicaid managed care organization to conduct assessments  
13 and provide care coordination services using telecommunications or  
14 information technology. In establishing the policies and  
15 procedures, the executive commissioner shall consider:

16 (1) the extent to which a Medicaid managed care  
17 organization determines using the telecommunications or  
18 information technology is appropriate;

19 (2) whether the recipient requests that the assessment  
20 or service be provided using telecommunications or information  
21 technology;

22 (3) whether the recipient consents to receiving the  
23 assessment or service using telecommunications or information  
24 technology;

25 (4) whether conducting the assessment, including an  
26 assessment for an initial waiver eligibility determination, or  
27 providing the service in person is not feasible because of the

1 existence of an emergency or state of disaster, including a public  
2 health emergency or natural disaster; and

3 (5) whether the commission determines using the  
4 telecommunications or information technology is appropriate under  
5 the circumstances.

6 (c) If a Medicaid managed care organization conducts an  
7 assessment of or provides care coordination services to a recipient  
8 using telecommunications or information technology, the  
9 organization shall:

10 (1) monitor the health care services provided to the  
11 recipient for evidence of fraud, waste, and abuse; and

12 (2) determine whether additional social services or  
13 supports are needed.

14 (d) To the extent allowed by federal law, the commission  
15 shall allow a recipient who is assessed or provided with care  
16 coordination services by a Medicaid managed care organization using  
17 telecommunications or information technology to provide consent or  
18 other authorizations to receive services verbally instead of in  
19 writing.

20 (e) The commission shall determine categories of recipients  
21 of home and community-based services who must receive in-person  
22 visits. Except during circumstances described by Subsection  
23 (b)(4), a Medicaid managed care organization shall, for a recipient  
24 of home and community-based services for which the commission  
25 requires in-person visits, conduct:

26 (1) at least one in-person visit with the recipient to  
27 make an initial waiver eligibility determination; and

1           (2) additional in-person visits with the recipient if  
2 necessary, as determined by the organization.

3           (f) Notwithstanding this section, the commission may, on a  
4 case-by-case basis, require a Medicaid managed care organization to  
5 discontinue the use of telecommunications or information  
6 technology for assessment or care coordination services if the  
7 commission determines that the discontinuation is in the  
8 recipient's best interest. (Gov. Code, Sec. 533.039.)

9           Sec. 540.0712. PROMOTION AND PRINCIPLES OF  
10 PATIENT-CENTERED MEDICAL HOME. (a) In this section,  
11 "patient-centered medical home" means a medical relationship:

12           (1) between a primary care physician and a patient in  
13 which the physician:

14           (A) provides comprehensive primary care to the  
15 patient; and

16           (B) facilitates partnerships between the  
17 physician, the patient, any acute care and other care providers,  
18 and, when appropriate, the patient's family; and

19           (2) that encompasses the following primary  
20 principles:

21           (A) the patient has an ongoing relationship with  
22 the physician, who is trained to be the first contact for and to  
23 provide continuous and comprehensive care to the patient;

24           (B) the physician leads a team of individuals at  
25 the practice level who are collectively responsible for the  
26 patient's ongoing care;

27           (C) the physician is responsible for providing

1 all of the care the patient needs or for coordinating with other  
2 qualified providers to provide care to the patient throughout the  
3 patient's life, including preventive care, acute care, chronic  
4 care, and end-of-life care;

5 (D) the patient's care is coordinated across  
6 health care facilities and the patient's community and is  
7 facilitated by registries, information technology, and health  
8 information exchange systems to ensure that the patient receives  
9 care when and where the patient wants and needs the care and in a  
10 culturally and linguistically appropriate manner; and

11 (E) quality and safe care is provided.

12 (b) The commission shall, to the extent possible, work to  
13 ensure that Medicaid managed care organizations:

14 (1) promote the development of patient-centered  
15 medical homes for recipients; and

16 (2) provide payment incentives for providers that meet  
17 the requirements of a patient-centered medical home. (Gov. Code,  
18 Sec. 533.0029.)

19 Sec. 540.0713. VALUE-ADDED SERVICES. The commission shall  
20 actively encourage Medicaid managed care organizations to offer  
21 benefits, including health care services or benefits or other types  
22 of services, that:

23 (1) are in addition to the services ordinarily covered  
24 by the Medicaid managed care plan the organization offers; and

25 (2) have the potential to improve the health status of  
26 recipients enrolled in the plan. (Gov. Code, Sec. 533.019.)

1 SUBCHAPTER P. DELIVERY OF SERVICES: STAR+PLUS MEDICAID MANAGED CARE  
2 PROGRAM

3 Sec. 540.0751. DELIVERY OF ACUTE CARE SERVICES AND  
4 LONG-TERM SERVICES AND SUPPORTS. Subject to Sections 540.0701 and  
5 540.0753, the commission shall expand the STAR+PLUS Medicaid  
6 managed care program to all areas of this state to serve individuals  
7 eligible for Medicaid acute care services and long-term services  
8 and supports. (Gov. Code, Sec. 533.00251(b).)

9 Sec. 540.0752. DELIVERY OF MEDICAID BENEFITS TO NURSING  
10 FACILITY RESIDENTS. (a) In this section:

11 (1) "Clean claim" means a claim that meets the same  
12 criteria the commission uses for a clean claim in reimbursing  
13 nursing facility claims.

14 (2) "Nursing facility" means a convalescent or nursing  
15 home or related institution licensed under Chapter 242, Health and  
16 Safety Code, that provides long-term services and supports to  
17 recipients.

18 (b) Subject to Section 540.0701 and notwithstanding any  
19 other law, the commission shall provide Medicaid benefits through  
20 the STAR+PLUS Medicaid managed care program to recipients who  
21 reside in nursing facilities. In implementing this subsection, the  
22 commission shall ensure that:

23 (1) a nursing facility is paid not later than the 10th  
24 day after the date the facility submits a clean claim;

25 (2) services are used appropriately, consistent with  
26 criteria the commission establishes;

27 (3) the incidence of potentially preventable events

1 and unnecessary institutionalizations is reduced;

2 (4) a Medicaid managed care organization providing  
3 services under the program:

4 (A) provides discharge planning, transitional  
5 care, and other education programs to physicians and hospitals  
6 regarding all available long-term care settings;

7 (B) assists in collecting applied income from  
8 recipients; and

9 (C) provides payment incentives to nursing  
10 facility providers that:

11 (i) reward reductions in preventable acute  
12 care costs; and

13 (ii) encourage transformative efforts in  
14 the delivery of nursing facility services, including efforts to  
15 promote a resident-centered care culture through facility design  
16 and services provided;

17 (5) a portal is established that complies with state  
18 and federal regulations, including standard coding requirements,  
19 through which nursing facility providers participating in the  
20 program may submit claims to any participating Medicaid managed  
21 care organization;

22 (6) rules and procedures relating to certifying and  
23 decertifying nursing facility beds under Medicaid are not affected;

24 (7) a Medicaid managed care organization providing  
25 services under the program, to the greatest extent possible, offers  
26 nursing facility providers access to:

27 (A) acute care professionals; and

1                   (B) telemedicine, when feasible and in  
2 accordance with state law, including rules adopted by the Texas  
3 Medical Board; and

4                   (8) the commission approves the staff rate enhancement  
5 methodology for the staff rate enhancement paid to a nursing  
6 facility that qualifies for the enhancement under the program.

7                   (c) The commission shall establish credentialing and  
8 minimum performance standards for nursing facility providers  
9 seeking to participate in the STAR+PLUS Medicaid managed care  
10 program that are consistent with adopted federal and state  
11 standards. A Medicaid managed care organization may refuse to  
12 contract with a nursing facility provider if the nursing facility  
13 does not meet the minimum performance standards the commission  
14 establishes under this section.

15                   (d) In addition to the minimum performance standards the  
16 commission establishes for nursing facility providers seeking to  
17 participate in the STAR+PLUS Medicaid managed care program, the  
18 executive commissioner shall adopt rules establishing minimum  
19 performance standards applicable to nursing facility providers  
20 that participate in the program. The commission is responsible for  
21 monitoring provider performance in accordance with the standards  
22 and requiring corrective actions, as the commission determines  
23 necessary, from providers that do not meet the standards. The  
24 commission shall share data regarding the requirements of this  
25 subsection with STAR+PLUS Medicaid managed care organizations as  
26 appropriate.

27                   (e) A managed care organization may not require prior

1 authorization for a nursing facility resident in need of emergency  
2 hospital services. (Gov. Code, Secs. 533.00251(a)(2), (3), (c) as  
3 eff. Sept. 1, 2023, (e), (f), (h).)

4 Sec. 540.0753. DELIVERY OF BASIC ATTENDANT AND HABILITATION  
5 SERVICES. Subject to Section 542.0152, the commission shall:

6 (1) implement the option for the delivery of basic  
7 attendant and habilitation services to individuals with  
8 disabilities under the STAR+PLUS Medicaid managed care program  
9 that:

10 (A) is the most cost-effective; and

11 (B) maximizes federal funding for the delivery of  
12 services for that program and other similar programs; and

13 (2) provide voluntary training to individuals  
14 receiving services under the STAR+PLUS Medicaid managed care  
15 program or their legally authorized representatives regarding how  
16 to select, manage, and dismiss a personal attendant providing basic  
17 attendant and habilitation services under the program. (Gov. Code,  
18 Sec. 533.0025(i).)

19 Sec. 540.0754. EVALUATION OF CERTAIN PROGRAM SERVICES. The  
20 external quality review organization shall periodically conduct  
21 studies and surveys to assess the quality of care and satisfaction  
22 with health care services provided to recipients who are:

23 (1) enrolled in the STAR+PLUS Medicaid managed care  
24 program; and

25 (2) eligible to receive health care benefits under  
26 both Medicaid and the Medicare program. (Gov. Code, Sec. 533.0028.)

27 Sec. 540.0755. UTILIZATION REVIEW; ANNUAL REPORT. (a) The

1 commission's office of contract management shall establish an  
2 annual utilization review process for Medicaid managed care  
3 organizations participating in the STAR+PLUS Medicaid managed care  
4 program. The commission shall determine the topics to be examined  
5 in the review process. The review process must include a thorough  
6 investigation of each Medicaid managed care organization's  
7 procedures for determining whether a recipient should be enrolled  
8 in the STAR+PLUS home and community-based services (HCBS) waiver  
9 program, including the conduct of functional assessments for that  
10 purpose and records relating to those assessments.

11 (b) The office of contract management shall use the  
12 utilization review process to review each fiscal year:

13 (1) every Medicaid managed care organization  
14 participating in the STAR+PLUS Medicaid managed care program; or

15 (2) only the Medicaid managed care organizations that,  
16 using a risk-based assessment process, the office determines have a  
17 higher likelihood of inappropriate recipient placement in the  
18 STAR+PLUS home and community-based services (HCBS) waiver program.

19 (c) Not later than December 1 of each year and in  
20 conjunction with the commission's office of contract management,  
21 the commission shall provide a report to the standing committees of  
22 the senate and house of representatives with jurisdiction over  
23 Medicaid. The report must:

24 (1) summarize the results of the utilization reviews  
25 conducted under this section during the preceding fiscal year;

26 (2) provide analysis of errors committed by each  
27 reviewed Medicaid managed care organization; and

1           (3) extrapolate those findings and make  
2 recommendations for improving the STAR+PLUS Medicaid managed care  
3 program's efficiency.

4           (d) If a utilization review conducted under this section  
5 results in a determination to recoup money from a Medicaid managed  
6 care organization, a service provider who contracts with the  
7 organization may not be held liable for providing services in good  
8 faith based on the organization's authorization. (Gov. Code, Sec.  
9 533.00281.)

10           SUBCHAPTER Q. DELIVERY OF SERVICES: STAR HEALTH PROGRAM

11           Sec. 540.0801. TRAUMA-INFORMED CARE TRAINING. (a) A STAR  
12 Health program managed care contract between a Medicaid managed  
13 care organization and the commission must require that  
14 trauma-informed care training be offered to each contracted  
15 physician or provider.

16           (b) The commission shall encourage each Medicaid managed  
17 care organization providing health care services to recipients  
18 under the STAR Health program to make training in post-traumatic  
19 stress disorder and attention-deficit/hyperactivity disorder  
20 available to a contracted physician or provider within a reasonable  
21 time after the date the physician or provider begins providing  
22 services under the Medicaid managed care plan the organization  
23 offers. (Gov. Code, Sec. 533.0052.)

24           Sec. 540.0802. MENTAL HEALTH PROVIDERS. A STAR Health  
25 program managed care contract between a Medicaid managed care  
26 organization and the commission must require the organization to  
27 ensure that the organization maintains a network of mental and

1 behavioral health providers, including child psychiatrists and  
2 other appropriate providers, in all Department of Family and  
3 Protective Services regions in this state, regardless of whether  
4 community-based care has been implemented in any region. (Gov.  
5 Code, Sec. 533.00522.)

6       Sec. 540.0803. HEALTH SCREENING REQUIREMENTS AND  
7 COMPLIANCE WITH TEXAS HEALTH STEPS. (a) A Medicaid managed care  
8 organization providing health care services to a recipient under  
9 the STAR Health program must ensure that the recipient receives a  
10 complete early and periodic screening, diagnosis, and treatment  
11 checkup in accordance with the requirements specified in the  
12 managed care contract between the organization and the commission.

13       (b) The commission shall encourage each Medicaid managed  
14 care organization providing health care services to a recipient  
15 under the STAR Health program to ensure that the organization's  
16 network providers comply with the regimen of care prescribed by the  
17 Texas Health Steps program under Section 32.056, Human Resources  
18 Code, if applicable, including the requirement to provide a mental  
19 health screening during each of the recipient's Texas Health Steps  
20 medical exams a network provider conducts.

21       (c) The commission shall include a provision in a STAR  
22 Health program managed care contract between a Medicaid managed  
23 care organization and the commission specifying progressive  
24 monetary penalties for the organization's failure to comply with  
25 Subsection (a). (Gov. Code, Secs. 533.0053, 533.0054.)

26       Sec. 540.0804. HEALTH CARE AND OTHER SERVICES FOR CHILDREN  
27 IN SUBSTITUTE CARE. (a) The commission shall annually evaluate the

1 use of benefits offered to children in foster care under the STAR  
2 Health program and provide recommendations to the Department of  
3 Family and Protective Services and each single source continuum  
4 contractor in this state to better coordinate the provision of  
5 health care and use of those benefits for those children.

6 (b) In conducting the evaluation, the commission shall:

7 (1) collaborate with residential child-care providers  
8 regarding any unmet needs of children in foster care and the  
9 development of capacity for providing quality medical, behavioral  
10 health, and other services for those children; and

11 (2) identify options to obtain federal matching funds  
12 under Medicaid to pay for a safe home-like or community-based  
13 residential setting for a child in the conservatorship of the  
14 Department of Family and Protective Services:

15 (A) who is identified or diagnosed as having a  
16 serious behavioral or mental health condition that requires  
17 intensive treatment;

18 (B) who is identified as a victim of serious  
19 abuse or serious neglect;

20 (C) for whom a traditional substitute care  
21 placement contracted for or purchased by the department is not  
22 available or would further denigrate the child's behavioral or  
23 mental health condition; or

24 (D) for whom the department determines a safe  
25 home-like or community-based residential placement could stabilize  
26 the child's behavioral or mental health condition in order to  
27 return the child to a traditional substitute care placement.

1 (c) The commission shall report the commission's findings  
2 to the standing committees of the senate and house of  
3 representatives having jurisdiction over the Department of Family  
4 and Protective Services. (Gov. Code, Sec. 533.00521.)

5 Sec. 540.0805. PLACEMENT CHANGE NOTICE AND CARE  
6 COORDINATION. A STAR Health program managed care contract between  
7 a Medicaid managed care organization and the commission must  
8 require the organization to ensure continuity of care for a child  
9 whose placement has changed by:

10 (1) notifying each specialist treating the child of  
11 the placement change; and

12 (2) coordinating the transition of care from the  
13 child's previous treating primary care physician and specialists to  
14 the child's new treating primary care physician and specialists, if  
15 any. (Gov. Code, Sec. 533.0056.)

16 Sec. 540.0806. MEDICAID BENEFITS FOR CERTAIN CHILDREN  
17 FORMERLY IN FOSTER CARE. (a) This section applies only with  
18 respect to a child who:

19 (1) resides in this state; and

20 (2) is eligible for assistance or services under:

21 (A) Subchapter D, Chapter 162, Family Code; or

22 (B) Subchapter K, Chapter 264, Family Code.

23 (b) Except as provided by Subsection (c), the commission  
24 shall ensure that each child to whom this section applies remains or  
25 is enrolled in the STAR Health program until the child is enrolled  
26 in another Medicaid managed care program.

27 (c) A child to whom this section applies who received

1 Supplemental Security Income (SSI) (42 U.S.C. Section 1381 et seq.)  
2 or was receiving Supplemental Security Income before becoming  
3 eligible for assistance or services under Subchapter D, Chapter  
4 162, Family Code, or Subchapter K, Chapter 264, Family Code, may  
5 receive Medicaid benefits in accordance with the program  
6 established under this subsection. To the extent allowed by federal  
7 law, the commission, in consultation with the Department of Family  
8 and Protective Services, shall develop and implement a program that  
9 allows the adoptive parent or permanent managing conservator of a  
10 child described by this subsection to elect on behalf of the child  
11 to receive or continue receiving Medicaid benefits under the:

- 12 (1) STAR Health program; or
- 13 (2) STAR Kids managed care program.

14 (d) The commission shall protect the continuity of care for  
15 each child to whom this section applies and ensure coordination  
16 between the STAR Health program and any other Medicaid managed care  
17 program for each child who is transitioning between Medicaid  
18 managed care programs.

19 (e) The executive commissioner shall adopt rules necessary  
20 to implement this section. (Gov. Code, Sec. 533.00531.)

21 SUBCHAPTER R. DELIVERY OF SERVICES: STAR KIDS MANAGED CARE PROGRAM

22 Sec. 540.0851. STAR KIDS MANAGED CARE PROGRAM. (a) In this  
23 section, "health home" means a primary care provider practice or  
24 specialty care provider practice that incorporates several  
25 features, including comprehensive care coordination,  
26 family-centered care, and data management, that are focused on  
27 improving outcome-based quality of care and increasing patient and

1 provider satisfaction under Medicaid.

2 (b) Subject to Sections 540.0701 and 540.0753, the  
3 commission shall establish a mandatory STAR Kids capitated managed  
4 care program tailored to provide Medicaid benefits to children with  
5 disabilities. The program must:

6 (1) provide Medicaid benefits customized to meet the  
7 health care needs of program recipients through a defined system of  
8 care;

9 (2) better coordinate recipient care under the  
10 program;

11 (3) improve recipient:

12 (A) access to health care services; and

13 (B) health outcomes;

14 (4) achieve cost containment and cost efficiency;

15 (5) reduce:

16 (A) the administrative complexity of delivering  
17 Medicaid benefits; and

18 (B) the incidence of unnecessary  
19 institutionalizations and potentially preventable events by  
20 ensuring the availability of appropriate services and care  
21 management;

22 (6) require a health home; and

23 (7) for recipients who receive long-term services and  
24 supports outside of the Medicaid managed care organization,  
25 coordinate and collaborate with long-term care service providers  
26 and long-term care management providers. (Gov. Code, Secs.  
27 533.00253(a)(2), (b).)

1           Sec. 540.0852. CARE MANAGEMENT AND CARE NEEDS ASSESSMENT.

2 (a) The commission may require that care management services made  
3 available as provided by Section 540.0851(b)(5)(B):

4           (1) incorporate best practices as the commission  
5 determines;

6           (2) integrate with a nurse advice line to ensure  
7 appropriate redirection rates;

8           (3) use an identification and stratification  
9 methodology that identifies recipients who have the greatest need  
10 for services;

11           (4) include a care needs assessment for a recipient;

21                   (C) other financial and clinical metrics the  
22 commission determines appropriate; and

23           (8) use innovations in providing services.

24           (b) To improve the care needs assessment tool used for a  
25 care needs assessment provided as a component of care management  
26 services and to improve the initial assessment and reassessment  
27 processes, the commission, in consultation and collaboration with

1 the STAR Kids Managed Care Advisory Committee, shall consider  
2 changes that will:

3 (1) reduce the amount of time needed to complete the  
4 initial care needs assessment and a reassessment; and

5 (2) improve training and consistency in the completion  
6 of the care needs assessment using the tool and in the initial  
7 assessment and reassessment processes across different Medicaid  
8 managed care organizations and different service coordinators  
9 within the same Medicaid managed care organization.

10 (c) To the extent feasible and allowed by federal law, the  
11 commission shall streamline the STAR Kids managed care program  
12 annual care needs reassessment process for a child who has not had a  
13 significant change in function that may affect medical necessity.  
14 (Gov. Code, Secs. 533.00253(a)(1), (c), (c-1), (c-2).)

15 Sec. 540.0853. BENEFITS FOR CHILDREN IN MEDICALLY DEPENDENT  
16 CHILDREN (MDCP) WAIVER PROGRAM. The commission shall:

21 provides all of the benefits provided under the medically dependent  
22 children (MDCP) waiver program to the extent necessary to implement  
23 this section. (Gov. Code, Sec. 533.00253(d).)

24 Sec. 540.0854. BENEFITS TRANSITION FROM STAR KIDS TO  
25 STAR+PLUS MEDICAID MANAGED CARE PROGRAM. The commission shall  
26 ensure that there is a plan for transitioning the provision of  
27 Medicaid benefits to recipients 21 years of age or older from the

1 STAR Kids managed care program to the STAR+PLUS Medicaid managed  
2 care program in a manner that protects continuity of care. The plan  
3 must ensure that coordination between the programs begins when a  
4 recipient reaches 18 years of age. (Gov. Code, Sec. 533.00253(e).)

5 Sec. 540.0855. UTILIZATION REVIEW OF PRIOR AUTHORIZATIONS.  
6 At least once every two years, the commission shall conduct a  
7 utilization review on a sample of cases for children enrolled in the  
8 STAR Kids managed care program to ensure that all imposed clinical  
9 prior authorizations are based on publicly available clinical  
10 criteria and are not being used to negatively impact a recipient's  
11 access to care. (Gov. Code, Sec. 533.00253(n).)

26           (4) "Medical transportation program" has the meaning  
27 assigned by Section 526.0351.

5 medically necessary, nonemergency covered health care service in a  
6 standard passenger vehicle that is scheduled not more than 48 hours  
7 before the transportation occurs, that is provided to a recipient  
8 enrolled in a Medicaid managed care plan offered by a Medicaid  
9 managed care organization, and that the organization determines  
10 meets the level of care that is medically appropriate for the  
11 recipient, including transportation related to:

12                   (i) discharging a recipient from a health  
13 care facility;

14                   (ii) receiving urgent care; and

3 SUBCHAPTER B. MEDICAL TRANSPORTATION PROGRAM SERVICES THROUGH  
4 MANAGED TRANSPORTATION DELIVERY MODEL

5 Sec. 540A.0051. DELIVERY OF MEDICAL TRANSPORTATION PROGRAM  
6 SERVICES THROUGH MANAGED TRANSPORTATION ORGANIZATION. (a) The  
7 commission may provide medical transportation program services on a  
8 regional basis through a managed transportation delivery model  
9 using managed transportation organizations and providers, as  
10 appropriate, that:

- 11 (1) operate under a capitated rate system;
- 12 (2) assume financial responsibility under a full-risk  
13 model;
- 14 (3) operate a call center;
- 15 (4) use fixed routes when available and appropriate;
- 16 and
- 17 (5) agree to provide data to the commission if the  
18 commission determines that the data is required to receive federal  
19 matching funds.

20 (b) The commission shall procure managed transportation  
21 organizations under the medical transportation program through a  
22 competitive bidding process for each managed transportation region  
23 as determined by the commission.

24 (c) The commission may not delay providing medical  
25 transportation program services through a managed transportation  
26 delivery model in:

- 27 (1) a county with a population of 750,000 or more:

1 (A) in which all or part of a municipality with a  
2 population of one million or more is located; and

4 population of two million or more; or

5 (2) a county with a population of at least 55,000 but  
6 not more than 65,000 that is located adjacent to a county with a  
7 population of at least 500,000 but not more than 1.5 million. (Gov.  
8 Code, Secs. 533.00257(b), (c), (j).)

9 Sec. 540A.0052. MINIMUM QUALITY AND EFFICIENCY MEASURES.  
10 Except as provided by Sections 540A.0054, 540A.0057, and 540A.0058,  
11 the commission shall require that managed transportation  
12 organizations and providers participating in the medical  
13 transportation program meet minimum quality and efficiency  
14 measures the commission determines. (Gov. Code, Sec.  
15 533.00257(g).)

16 Sec. 540A.0053. MANAGED TRANSPORTATION ORGANIZATION:  
17 CONTRACT WITH MEDICAL TRANSPORTATION PROVIDER. Except as provided  
18 by Sections 540A.0054, 540A.0057, and 540A.0058, a managed  
19 transportation organization that participates in the medical  
20 transportation program must attempt to contract with medical  
21 transportation providers that:

22 (1) are significant traditional providers, as the  
23 executive commissioner defines by rule;

24 (2) meet the minimum quality and efficiency measures  
25 required under Section 540A.0052 and other requirements that the  
26 managed transportation organization may impose; and

1 organization's prevailing contract rate. (Gov. Code, Sec.  
2 533.00257(d).)

3 Sec. 540A.0054. MANAGED TRANSPORTATION ORGANIZATION:  
4 SUBCONTRACT WITH TRANSPORTATION NETWORK COMPANY. A managed  
5 transportation organization may subcontract with a transportation  
6 network company to provide services under this subchapter. A rule  
7 or other requirement the executive commissioner adopts under this  
8 subchapter or Subchapter H, Chapter 526, does not apply to the  
9 subcontracted transportation network company or a motor vehicle  
10 operator who is part of the company's network. (Gov. Code, Sec.  
11 533.00257(k) (part).)

12 Sec. 540A.0055. MANAGED TRANSPORTATION ORGANIZATION:  
13 VEHICLE FLEETS. (a) To the extent allowed under federal law, a  
14 managed transportation organization may own, operate, and maintain  
15 a fleet of vehicles or contract with an entity that owns, operates,

17 appropriate federal waiver or other authorization to implement this  
18 subsection as necessary.

19 (b) The commission shall consider a managed transportation  
20 organization's ownership, operation, and maintenance of a fleet of  
21 vehicles to be a related-party transaction for purposes of applying  
22 experience rebates, administrative costs, and other administrative  
23 controls the commission determines. (Gov. Code, Secs.  
24 533.00257(e), (f).)

25 Sec. 540A.0056. PERIODIC SCREENING OF TRANSPORTATION  
26 NETWORK COMPANY OR MOTOR VEHICLE OPERATOR AUTHORIZED. The  
27 commission or a managed transportation organization that

1 subcontracts with a transportation network company under Section  
2 540A.0054 may require the transportation network company or a motor  
3 vehicle operator who provides services under this subchapter to be  
4 periodically screened against the list of excluded individuals and  
5 entities the Office of Inspector General of the United States  
6 Department of Health and Human Services maintains. (Gov. Code,  
7 Sec. 533.00257(1).)

8       Sec. 540A.0057. ENROLLMENT AS MEDICAID PROVIDER BY CERTAIN  
9 MOTOR VEHICLE OPERATORS NOT REQUIRED. The commission or a managed  
10 transportation organization that subcontracts with a  
11 transportation network company under Section 540A.0054 may not  
12 require a motor vehicle operator who is part of the subcontracted

6 able to request the removal of equipment associated with the  
7 technology and, on receipt of a request for the removal, the  
8 equipment is immediately removed; and

9 (4) a participant is not required to use telemedicine  
10 at any point during the pilot program and, if the participant

2 program;

3 (2) individuals eligible to participate in the pilot  
4 program, including individuals enrolled in the STAR+PLUS Medicaid  
5 managed care program, their families, and other persons actively

7 on the pilot program;

8 (3) the materials contain clear, simple language  
9 presented in a manner that is easy to understand; and

10 (4) at a minimum, the materials explain that:

11 (A) on the pilot program's conclusion, each pilot  
12 program participant will be asked to provide feedback on the  
13 participant's experience, including feedback on whether the pilot  
14 program was able to meet the participant's unique support needs;

13 developmental disability or a cognitive disability, including:

14 (A) individuals with autism;

9 SUBCHAPTER E. STAGE TWO: TRANSITION OF ICF-IID PROGRAM RECIPIENTS  
10 AND LONG-TERM CARE MEDICAID WAIVER PROGRAM RECIPIENTS TO INTEGRATED  
11 MANAGED CARE SYSTEM

12 Sec. 542.0201. TRANSITION OF ICF-IID PROGRAM RECIPIENTS AND  
13 CERTAIN OTHER MEDICAID WAIVER PROGRAM RECIPIENTS TO MANAGED CARE  
14 PROGRAM. (a) This section applies to individuals with an  
15 intellectual or developmental disability who are receiving  
16 long-term services and supports under:

- 17 (1) a Medicaid waiver program; or  
18 (2) an ICF-IID program.

19 (b) After implementing the pilot program under Subchapter C  
20 and completing the evaluations required by Section 542.0119, the  
21 commission, in collaboration with the advisory committee, shall  
22 develop a plan for transitioning all or a portion of the services  
23 provided through a Medicaid waiver program or an ICF-IID program to  
24 a Medicaid managed care model. The plan must include:

- 25 (1) a process for transitioning the services in the  
26 following phases:

27 (A) beginning September 1, 2027, the Texas home

1 living (TxHmL) waiver program services;

2 (B) beginning September 1, 2029, the community  
3 living assistance and support services (CLASS) waiver program  
4 services;

5 (C) beginning September 1, 2031, nonresidential  
6 services provided under the home and community-based services (HCS)  
7 waiver program and the deaf-blind with multiple disabilities (DBMD)  
8 waiver program; and

9 (D) subject to Subdivision (2), the residential  
10 services provided under an ICF-IID program, the home and  
11 community-based services (HCS) waiver program, and the deaf-blind  
12 with multiple disabilities (DBMD) waiver program; and

13 (2) a process for evaluating and determining the  
14 feasibility and cost efficiency of transitioning residential  
15 services described by Subdivision (1)(D) to a Medicaid managed care  
16 model based on an evaluation of a separate pilot program the  
17 commission, in collaboration with the advisory committee, conducts  
18 that operates after the transition process described by Subdivision  
19 (1).

20 (c) Before implementing the transition plan, the commission  
21 shall determine whether to:

22 (1) continue operating the Medicaid waiver programs or  
23 ICF-IID program only for purposes of providing, if applicable:

24 (A) supplemental long-term services and supports  
25 not available under the managed care program delivery model the  
26 commission selects; or

27 (B) long-term services and supports to Medicaid

1 waiver program recipients who choose to continue receiving benefits  
2 under the waiver programs as provided by Section 542.0202(a); or

3 (2) provide all or a portion of the long-term services  
4 and supports previously available under the Medicaid waiver  
5 programs or ICF-IID program through the managed care program  
6 delivery model the commission selects.

7 (d) In implementing the transition plan, the commission  
8 shall develop a process to receive and evaluate input from  
9 interested statewide stakeholders that is in addition to the input  
10 the advisory committee provides.

11 (e) The commission shall ensure that there is a  
12 comprehensive plan for transitioning the provision of Medicaid  
13 benefits under this section that protects the continuity of care  
14 provided to individuals to whom this section applies and ensures  
15 that individuals have a choice among acute care and comprehensive  
16 long-term services and supports providers and service delivery  
17 options, including the consumer direction model.

18 (f) Before transitioning the provision of Medicaid benefits  
19 for children under this section, a managed care organization  
20 providing services under the managed care program delivery model  
21 the commission selects must demonstrate to the commission's  
22 satisfaction that the providers in the organization's provider  
23 network have experience and expertise in providing services to  
24 children with an intellectual or developmental disability.

25 (g) Before transitioning the provision of Medicaid benefits  
26 for adults under this section, a managed care organization  
27 providing services under the managed care program delivery model

1 the commission selects must demonstrate to the commission's  
2 satisfaction that the providers in the organization's provider  
3 network have experience and expertise in providing services to  
4 adults with an intellectual or developmental disability. (Gov.  
5 Code, Secs. 534.202(a), (b), (c), (d), (e), (f).)

6 Sec. 542.0202. RECIPIENT CHOICE OF DELIVERY MODEL. (a) If  
7 the commission determines under Section 542.0201(c)(2) that all or  
8 a portion of the long-term services and supports previously  
9 available under Medicaid waiver programs should be provided through  
10 a managed care program delivery model, the commission shall, at the  
11 time of the transition, allow each recipient receiving long-term  
12 services and supports under a Medicaid waiver program the option  
13 of:

14 (1) continuing to receive the services and supports  
15 under the Medicaid waiver program; or

16 (2) receiving the services and supports through the  
17 managed care program delivery model the commission selects.

18 (b) A recipient who chooses under Subsection (a) to receive  
19 long-term services and supports through a managed care program  
20 delivery model may not subsequently choose to receive the services  
21 and supports under a Medicaid waiver program. (Gov. Code, Secs.  
22 534.202(g), (h).)

23 Sec. 542.0203. REQUIRED CONTRACT PROVISIONS. In addition  
24 to the requirements of Subchapter F, Chapter 540, a contract  
25 between a managed care organization and the commission for the  
26 organization to provide Medicaid benefits under Section 542.0201  
27 must contain a requirement that the organization implement a

1 process for individuals with an intellectual or developmental  
2 disability that:

3 (1) ensures that the individuals have a choice among  
4 acute care and comprehensive long-term services and supports  
5 providers and service delivery options, including the consumer  
6 direction model;

7 (2) to the greatest extent possible, protects those  
8 individuals' continuity of care with respect to access to primary  
9 care providers, including through the use of single-case agreements  
10 with out-of-network providers; and

11 (3) provides access to a member services telephone  
12 line for individuals or their legally authorized representatives to  
13 obtain information on and assistance with accessing services  
14 through network providers, including providers of primary and  
15 specialty services and other long-term services and supports. (Gov.  
16 Code, Sec. 534.202(i).)

17 Sec. 542.0204. RESPONSIBILITIES OF COMMISSION UNDER  
18 SUBCHAPTER. In administering this subchapter, the commission shall  
19 ensure, on making a determination to transition services under  
20 Section 542.0201:

21 (1) that the commission is responsible for setting the  
22 minimum reimbursement rate paid to an ICF-IID services or group  
23 home provider under the integrated managed care system, including  
24 the staff rate enhancement paid to an ICF-IID services or group home  
25 provider;

26 (2) that an ICF-IID services or group home provider is

2 reimburse an ICF-IID services or group home provider, as  
3 applicable;

4 (3) the establishment of an electronic portal through  
5 which an ICF-IID services or group home provider participating in  
6 the STAR+PLUS Medicaid managed care program delivery model or the  
7 most appropriate integrated capitated managed care program  
8 delivery model, as appropriate, may submit long-term services and  
9 supports claims to any participating managed care organization; and

10 (4) that the consumer direction model is an available  
11 option for each individual with an intellectual or developmental  
12 disability who receives Medicaid benefits in accordance with this  
13 subchapter to achieve self-determination, choice, and control and  
14 that the individual or the individual's legally authorized  
15 representative has access to a comprehensive, facilitated,  
16 person-centered plan that identifies outcomes for the individual.

17 (A) the process of determining Medicaid  
18 benefits, including the approval process for receiving benefits for  
19 durable medical equipment; or

20 (B) any applicable approval process required for  
21 reimbursement for services or other equipment under Medicaid;

2 538.003.)

3 Sec. 543.0003. INTERNET WEBSITE. The commission shall  
4 maintain an Internet website related to the quality improvement  
5 process required under this chapter. The website must include:

6 (1) an explanation of the process for submission,  
7 preliminary review, analysis, and approval of a clinical initiative  
8 under this chapter;

9 (2) an explanation of how members of the public may  
10 submit comments or research related to an initiative;

11 (3) a copy of each initiative selected for analysis

14 process; and

15 (5) a copy of each final report prepared under this  
16 chapter. (Gov. Code, Sec. 538.056.)

17 SUBCHAPTER B. ASSESSMENT OF CLINICAL INITIATIVES

18 Sec. 543.0051. MEDICAID QUALITY IMPROVEMENT PROCESS. The  
19 commission shall, in accordance with this chapter, develop and  
20 implement a quality improvement process by which the commission:

21 (1) receives suggestions for clinical initiatives  
22 designed to improve:

23 (A) the quality of care provided under Medicaid;  
24 and

25 (B) the cost-effectiveness of Medicaid;

26 (2) conducts a preliminary review under Section  
27 543.0053(2) of each suggestion received under Section 543.0052 to

1 determine whether the suggestion warrants further consideration  
2 and analysis; and

3 (3) conducts an analysis under Section 543.0054 of  
4 each suggestion that is selected for analysis in accordance with  
5 Subdivision (2). (Gov. Code, Sec. 538.051.)

6 Sec. 543.0052. SOLICITATION OF SUGGESTIONS FOR CLINICAL  
7 INITIATIVES. (a) Subject to Subsection (b), the commission shall  
8 solicit and accept written or electronic suggestions for clinical  
9 initiatives from:

10 (1) a member of the legislature;

11 (2) the executive commissioner;

12 (3) the commissioner of state health services;

13 (4) the commissioner of the Department of Family and

15 (5) the medical care advisory committee appointed  
16 under Section 32.022, Human Resources Code.

17 (b) The commission may not accept a suggestion for a  
18 clinical initiative that:

19 (1) is undergoing clinical trials; or

20 (2) expands a health care provider's scope of practice  
21 beyond the law governing the provider's practice. (Gov. Code, Sec.  
22 538.052.)

23 Sec. 543.0053. CLINICAL INITIATIVE EVALUATION PROCESS. The  
24 commission shall establish and implement an evaluation process for  
25 the submission, preliminary review, analysis, and approval of a  
26 clinical initiative. The process must:

27 (1) require that a suggestion for a clinical

1 initiative be submitted to the state Medicaid director;

2 (2) allow the commission to conduct, with the  
3 assistance of an appropriate advisory committee or similar group as  
4 determined by the commission, a preliminary review of each  
5 suggested clinical initiative to determine whether the initiative  
6 warrants further consideration and analysis under Section  
7 543.0054;

8 (3) require the commission to publish on the Internet  
9 website maintained in accordance with Section 543.0003 the criteria  
10 the commission uses in the preliminary review under Subdivision (2)  
11 to determine whether an initiative warrants analysis under Section  
12 543.0054;

13 (4) limit the number of suggestions analyzed under  
14 Section 543.0054;

15 (5) require that a suggestion for a clinical  
16 initiative selected for analysis under Section 543.0054 be  
17 published on the Internet website maintained in accordance with  
18 Section 543.0003 not later than the 30th day after the date the  
19 state Medicaid director receives the suggestion;

20 (6) provide for a formal public comment period that  
21 lasts at least 30 days during which the public may submit comments  
22 and research relating to a suggested clinical initiative;

23 (7) require commission employees to analyze, in  
24 accordance with Section 543.0054, each suggested clinical  
25 initiative selected for analysis; and

26 (8) require the development and publication of a final  
27 report in accordance with Section 543.0055 on each clinical

1 initiative selected for analysis under Section 543.0054 not later  
2 than the 180th day after the date the state Medicaid director  
3 receives the suggestion. (Gov. Code, Sec. 538.053.)

4       Sec. 543.0054. ANALYSIS OF CLINICAL INITIATIVES. After  
5 conducting a preliminary review of a clinical initiative under  
6 Section 543.0053(2), the commission shall analyze the clinical  
7 initiative if the commission selects the initiative for analysis.  
8 The analysis must include a review of:

9           (1) any public comments and submitted research  
10 relating to the initiative;

11           (2) the available clinical research and historical  
12 utilization information relating to the initiative;

13           (3) published medical literature relating to the  
14 initiative;

15           (4) any adoption of the initiative by a medical  
16 society or other clinical group;

17           (5) whether the initiative has been implemented under:

18                   (A) the Medicare program;

19                   (B) another state medical assistance program; or

20                   (C) a state-operated health care program,  
21 including the child health plan program;

22           (6) the results of reports, research, pilot programs,  
23 or clinical studies relating to the initiative conducted by:

24                   (A) institutions of higher education, including  
25 related medical schools;

26                   (B) governmental entities and agencies; and

27                   (C) private and nonprofit think tanks and

1 research groups;

2 (7) the impact the initiative would have on Medicaid  
3 if the initiative were implemented in this state, including:

4 (A) an estimate of the number of Medicaid  
5 recipients that would be impacted by implementing the initiative;  
6 and

7 (B) a description of any potential cost savings  
8 to the state that would result from implementing the initiative;  
9 and

10 (8) any statutory barriers to implementing the  
11 initiative. (Gov. Code, Sec. 538.054.)

12 Sec. 543.0055. FINAL REPORT ON CLINICAL INITIATIVE. The  
13 commission shall prepare a final report based on the analysis of a  
14 clinical initiative conducted under Section 543.0054. The final  
15 report must include:

16 (1) a final determination of:

17 (A) the feasibility of implementing the  
18 initiative;

19 (B) the likely impact implementing the  
20 initiative would have on the quality of care provided under  
21 Medicaid; and

23 that would result from implementing the initiative;

24 (2) a summary of the public comments, including a  
25 description of any opposition to the initiative;

26 (3) an identification of any statutory barriers to  
27 implementing the initiative; and

1           (4) if the initiative is not implemented, an  
2 explanation of that decision. (Gov. Code, Sec. 538.055.)

3           Sec. 543.0056. COMMISSION ACTION ON CLINICAL INITIATIVE.  
4 After the commission analyzes a clinical initiative under Section  
5 543.0054:

6           (1) if the commission determined that the initiative  
7 is cost-effective and will improve the quality of care under  
8 Medicaid, the commission may:

9                   (A) implement the initiative if implementing the  
10 initiative is not otherwise prohibited by law; or

11                   (B) if implementation requires a change in law,  
12 submit a copy of the final report together with recommendations  
13 relating to the initiative's implementation to the standing  
14 committees of the senate and house of representatives with  
15 jurisdiction over Medicaid; and

16           (2) if the commission determined that the initiative  
17 is not cost-effective or will not improve quality of care under  
18 Medicaid, the commission may not implement the initiative. (Gov.  
19 Code, Sec. 538.057.)

13 CHAPTER 543A. QUALITY-BASED OUTCOMES AND PAYMENTS UNDER MEDICAID  
14 AND CHILD HEALTH PLAN PROGRAM

15 SUBCHAPTER A. GENERAL PROVISIONS

16 Sec. 543A.0001. DEFINITIONS. In this chapter:

17 (1) "Alternative payment system" includes:

18 (A) a global payment system;

19 (B) an episode-based bundled payment system; and

20 (C) a blended payment system.

21 (2) "Blended payment system" means a system for  
22 compensating a physician or other health care provider that:

23 (A) includes at least one feature of a global  
24 payment system and an episode-based bundled payment system; and

25 (B) may include a system under which a portion of  
26 the compensation paid to a physician or other health care provider  
27 is based on a fee-for-service payment arrangement.

1           (3) "Enrollee" means an individual enrolled in the  
2 child health plan program.

3           (4) "Episode-based bundled payment system" means a  
4 system for compensating a physician or other health care provider  
5 for providing or arranging for health care services to an enrollee  
6 or recipient that is based on a flat payment for all services  
7 provided in connection with a single episode of medical care.

8           (5) "Exclusive provider benefit plan" means a managed  
9 care plan subject to 28 T.A.C. Part 1, Chapter 3, Subchapter KK.

10          (6) "Freestanding emergency medical care facility"  
11 means a facility licensed under Chapter 254, Health and Safety  
12 Code.

13          (7) "Global payment system" means a system for  
14 compensating a physician or other health care provider for  
15 providing or arranging for a defined set of covered health care  
16 services to an enrollee or recipient for a specified period that is  
17 based on a predetermined payment per enrollee or recipient for the  
18 specified period, without regard to the quantity of services  
19 actually provided.

20          (8) "Health care provider" means a person, facility,  
21 or institution licensed, certified, registered, or chartered by  
22 this state to provide health care. The term includes an employee,  
23 independent contractor, or agent of a health care provider acting  
24 in the course and scope of the employment or contractual  
25 relationship.

26          (9) "HIV" has the meaning assigned by Section 81.101,  
27 Health and Safety Code.

1           (10) "Hospital" means an institution licensed under  
2 Chapter 241 or 577, Health and Safety Code, including a general or  
3 special hospital as defined by Section 241.003 of that code.

4           (11) "Managed care organization" means a person that  
5 is authorized or otherwise permitted by law to arrange for or  
6 provide a managed care plan. The term includes a health maintenance  
7 organization and an exclusive provider organization.

8           (12) "Managed care plan" means a plan, including an  
9 exclusive provider benefit plan, under which a person undertakes to  
10 provide, arrange or pay for, or reimburse any part of the cost of  
11 health care services. The plan must include arranging for or  
12 providing health care services as distinguished from  
13 indemnification against the cost of those services on a prepaid  
14 basis through insurance or otherwise. The term does not include a  
15 plan that indemnifies a person for the cost of health care services  
16 through insurance.

17           (13) "Physician" means an individual licensed to  
18 practice medicine in this state under Subtitle B, Title 3,  
19 Occupations Code.

20           (14) "Potentially preventable admission" means an  
21 individual's admission to a hospital or long-term care facility  
22 that may have reasonably been prevented with adequate access to  
23 ambulatory care or health care coordination.

24           (15) "Potentially preventable ancillary service"  
25 means a health care service that:

26                   (A) a physician or other health care provider  
27 provides or orders to supplement or support evaluating or treating

1 a patient, including a diagnostic test, laboratory test, therapy  
2 service, or radiology service; and

3 (B) might not be reasonably necessary to provide  
4 quality health care or treatment.

5 (16) "Potentially preventable complication" means a  
6 harmful event or negative outcome with respect to an individual,  
7 including an infection or surgical complication, that:

8 (A) occurs after the individual's admission to a  
9 hospital or long-term care facility; and

10 (B) may have resulted from the care, lack of  
11 care, or treatment provided during the hospital or long-term care  
12 facility stay rather than from a natural progression of an  
13 underlying disease.

14 (17) "Potentially preventable emergency room visit"  
15 means an individual's treatment in a hospital emergency room or  
16 freestanding emergency medical care facility for a condition that  
17 might not require emergency medical attention because the condition  
18 could be treated, or could have been prevented, by a physician or  
19 other health care provider in a nonemergency setting.

20 (18) "Potentially preventable event" means a:

21 (A) potentially preventable admission;

22 (B) potentially preventable ancillary service;

23 (C) potentially preventable complication;

24 (D) potentially preventable emergency room  
25 visit;

26 (E) potentially preventable readmission; or

27 (F) combination of those events.

1           (19) "Potentially preventable readmission" means an  
2 individual's return hospitalization within a period the commission  
3 specifies that may have resulted from deficiencies in the  
4 individual's care or treatment provided during a previous hospital  
5 stay or from deficiencies in post-hospital discharge follow-up. The  
6 term does not include a hospital readmission necessitated by the  
7 occurrence of unrelated events after the individual's discharge.  
8 The term includes an individual's readmission to a hospital for:

9                   (A) the same condition or procedure for which the  
10 individual was previously admitted;

11                   (B) an infection or other complication resulting  
12 from care previously provided;

13                   (C) a condition or procedure indicating that a  
14 surgical intervention performed during a previous admission was  
15 unsuccessful in achieving the anticipated outcome; or

16                   (D) another condition or procedure of a similar  
17 nature that the executive commissioner determines.

18           (20) "Quality-based payment system" means a system,  
19 including an alternative payment system, for compensating a  
20 physician or other health care provider that:

21                   (A) provides incentives to the physician or other  
22 health care provider to provide high-quality, cost-effective care;  
23 and

24                   (B) bases some portion of the payment made to the  
25 physician or other health care provider on quality-of-care  
26 outcomes, which may include the extent to which the physician or  
27 other health care provider reduces potentially preventable events.

1           (21) "Recipient" means a Medicaid recipient. (Gov.  
2 Code, Secs. 536.001, 536.003(h); New.)

3           Sec. 543A.0002. DEVELOPMENT OF OUTCOME AND PROCESS  
4 MEASURES; CORRELATION WITH INCREASED REIMBURSEMENT RATES. (a) The  
5 commission shall develop quality-based outcome and process  
6 measures that:

7           (1) promote the provision of efficient, quality health  
8 care; and

9           (2) can be used in the child health plan program and  
10 Medicaid to implement quality-based payments for acute care  
11 services and long-term services and supports across all delivery  
12 models and payment systems, including fee-for-service and managed  
13 care payment systems.

14          (b) The commission, in coordination with the Department of  
15 State Health Services, shall develop and implement a quality-based  
16 outcome measure for the child health plan program and Medicaid to  
17 annually measure the percentage of enrollees or recipients with HIV  
18 infection, regardless of age, whose most recent viral load test  
19 indicates a viral load of less than 200 copies per milliliter of  
20 blood.

21          (c) To the extent feasible, the commission shall develop  
22 outcome and process measures:

23           (1) consistently across all child health plan program  
24 and Medicaid delivery models and payment systems;

25           (2) in a manner that takes into account appropriate  
26 patient risk factors, including the burden of chronic illness on a  
27 patient and the severity of a patient's illness;

1           (3) that will have the greatest effect on improving  
2 quality of care and the efficient use of services, including acute  
3 care services and long-term services and supports;

4           (4) that are similar to outcome and process measures  
5 used in the private sector, as appropriate;

6           (5) that reflect effective coordination of acute care  
7 services and long-term services and supports;

8           (6) that can be tied to expenditures; and

9           (7) that reduce preventable health care utilization  
10 and costs.

11          (d) In developing the outcome and process measures, the  
12 commission must include measures that are based on potentially  
13 preventable events and advance quality improvement and innovation.  
14 The outcome measures based on potentially preventable events must:

15           (1) allow for a rate-based determination of health  
16 care provider performance compared to statewide norms; and

17           (2) be risk-adjusted to account for the severity of  
18 the illnesses of patients a provider serves.

19          (e) The commission may modify the outcome and process  
20 measures to:

21           (1) promote continuous system reform, improved  
22 quality, and reduced costs; and

23           (2) account for managed care organizations added to a  
24 service area.

25          (f) To the extent feasible, the commission shall align the  
26 outcome and process measures with measures required or recommended  
27 under reporting guidelines established by:

- 1 (1) the Centers for Medicare and Medicaid Services;
- 2 (2) the Agency for Healthcare Research and Quality; or
- 3 (3) another federal agency.

4 (g) The executive commissioner by rule may require  
5 physicians, other health care providers, and managed care  
6 organizations participating in the child health plan program and  
7 Medicaid to report information necessary to develop the outcome and  
8 process measures to the commission in a format the executive  
9 commissioner specifies.

10 (h) If the commission increases physician and other health  
11 care provider reimbursement rates under the child health plan  
12 program or Medicaid as a result of an increase in the amounts  
13 appropriated for those programs for a state fiscal biennium as  
14 compared to the preceding state fiscal biennium, the commission  
15 shall, to the extent permitted under federal law and to the extent  
16 otherwise possible considering other relevant factors, correlate  
17 the increased reimbursement rates with the quality-based outcome  
18 and process measures. (Gov. Code, Secs. 536.003(a), (a-1), (b),  
19 (c), (d), (e), (f).)

20 Sec. 543A.0003. USE OF QUALITY-BASED OUTCOME MEASURE FOR  
21 ENROLLEES OR RECIPIENTS WITH HIV INFECTION. (a) The commission  
22 shall include aggregate, nonidentifying data collected using the  
23 quality-based outcome measure described by Section 543A.0002(b) in  
24 the annual report required by Section 543A.0008. The commission  
25 may include the data in any other report required by this chapter.

26 (b) The commission shall determine the appropriateness of  
27 including the quality-based outcome measure described by Section

1 543A.0002(b) in the quality-based payments and payment systems  
2 developed under Sections 543A.0004 and 543A.0051. (Gov. Code, Sec.  
3 536.003(g).)

4       Sec. 543A.0004. DEVELOPMENT OF QUALITY-BASED PAYMENT  
5 SYSTEMS. (a) Using the quality-based outcome and process measures  
6 developed under Section 543A.0002 and after consulting with  
7 appropriate stakeholders with an interest in the provision of acute  
8 care and long-term services and supports under the child health  
9 plan program and Medicaid, the commission shall develop and require  
10 managed care organizations to develop quality-based payment  
11 systems for compensating a physician or other health care provider  
12 participating in the child health plan program or Medicaid that:

13               (1) align payment incentives with high-quality,  
14 cost-effective health care;

15               (2) reward the use of evidence-based best practices;

16               (3) promote health care coordination;

17               (4) encourage appropriate physician and other health  
18 care provider collaboration;

19               (5) promote effective health care delivery models; and

20               (6) take into account the specific needs of the  
21 enrollee and recipient populations.

22       (b) The commission shall develop the quality-based payment  
23 systems in the manner specified by this chapter. To the extent  
24 necessary to maximize the receipt of federal funds or reduce  
25 administrative burdens, the commission shall coordinate the  
26 timeline for developing and implementing a payment system with the  
27 implementation of other initiatives such as:

1           (1) the Medicaid Information Technology Architecture  
2 (MITA) initiative of the Center for Medicaid and State Operations;

3           (2) the ICD-10 code sets initiative; or

4           (3) the ongoing Enterprise Data Warehouse (EDW)  
5 planning process.

6           (c) In developing the quality-based payment systems, the  
7 commission shall examine and consider implementing:

8           (1) an alternative payment system;

9           (2) an existing performance-based payment system used  
10 under the Medicare program that meets the requirements of this  
11 chapter, modified as necessary to account for programmatic  
12 differences, if implementing the system would:

13           (A) reduce unnecessary administrative burdens;  
14 and

15           (B) align quality-based payment incentives for  
16 physicians and other health care providers with the Medicare  
17 program; and

18           (3) alternative payment methodologies within a system  
19 that are used in the Medicare program, modified as necessary to  
20 account for programmatic differences, and that will achieve cost  
21 savings and improve quality of care in the child health plan program  
22 and Medicaid.

23           (d) In developing the quality-based payment systems, the  
24 commission shall ensure that a system will not reward a physician,  
25 other health care provider, or managed care organization for  
26 withholding or delaying medically necessary care.

27           (e) The commission may modify a quality-based payment

1 system to account for:

2 (1) programmatic differences between the child health  
3 plan program and Medicaid; and

4 (2) delivery systems under those programs. (Gov.  
5 Code, Sec. 536.004.)

6 Sec. 543A.0005. PAYMENT METHODOLOGY CONVERSION. (a) To the  
7 extent possible, the commission shall convert hospital  
8 reimbursement systems under the child health plan program and  
9 Medicaid to a diagnosis-related groups (DRG) methodology that will  
10 allow the commission to more accurately classify specific patient  
11 populations and account for the severity of patient illness and  
12 mortality risk.

13 (b) Subsection (a) does not authorize the commission to  
14 direct a managed care organization to compensate a physician or  
15 other health care provider providing services under the  
16 organization's managed care plan based on a diagnosis-related  
17 groups (DRG) methodology.

18 (c) Notwithstanding Subsection (a) and to the extent  
19 possible, the commission shall convert outpatient hospital  
20 reimbursement systems under the child health plan program and  
21 Medicaid to an appropriate prospective payment system that will  
22 allow the commission to:

23 (1) more accurately classify the full range of  
24 outpatient service episodes;

25 (2) more accurately account for the intensity of  
26 services provided; and

27 (3) motivate outpatient service providers to increase

1 efficiency and effectiveness. (Gov. Code, Sec. 536.005.)

2           Sec. 543A.0006. TRANSPARENCY; CONSIDERATIONS. (a) The  
3 commission shall:

4                   (1) ensure transparency in developing and  
5 establishing:

6                           (A) quality-based payment and reimbursement  
7 systems under Section 543A.0004 and Subchapters B, C, and D,  
8 including in developing outcome and process measures under Section  
9 543A.0002; and

10                           (B) quality-based payment initiatives under  
11 Subchapter E, including developing quality-of-care and  
12 cost-efficiency benchmarks under Section 543A.0203(a) and  
13 approving efficiency performance standards under Section  
14 543A.0203(b); and

15                   (2) for developing and establishing the quality-based  
16 payment and reimbursement systems and initiatives described by  
17 Subdivision (1), develop guidelines that establish procedures to  
18 provide notice and information to and receive input from managed  
19 care organizations, health care providers, including physicians  
20 and experts in the various medical specialty fields, and other  
21 stakeholders, as appropriate.

22           (b) In developing and establishing the quality-based  
23 payment and reimbursement systems and initiatives described by  
24 Subsection (a)(1), the commission shall consider that there will be  
25 a diminishing rate of improved performance over time as the  
26 performance of a physician, other health care provider, or managed  
27 care organization improves with respect to an outcome or process

1 measure, quality-of-care and cost-efficiency benchmark, or  
2 efficiency performance standard, as applicable.

3 (c) The commission shall develop web-based capability that:

4 (1) provides health care providers and managed care  
5 organizations with data on their clinical and utilization  
6 performance, including comparisons to peer organizations and  
7 providers located in this state and in the provider's respective  
8 region; and

9 (2) supports the requirements of the electronic health  
10 information exchange system under Sections 525.0206, 525.0207, and  
11 525.0208. (Gov. Code, Sec. 536.006.)

12 Sec. 543A.0007. PERIODIC EVALUATION. At least once each  
13 two-year period, the commission shall evaluate the outcomes and  
14 cost-effectiveness of any quality-based payment system or other  
15 payment initiative implemented under this chapter. (Gov. Code, Sec.  
16 536.007.)

17 Sec. 543A.0008. ANNUAL REPORT. (a) The commission shall  
18 submit to the legislature and make available to the public an annual  
19 report on:

20 (1) the quality-based outcome and process measures  
21 developed under Section 543A.0002, including measures based on each  
22 potentially preventable event; and

23 (2) the progress of implementing quality-based  
24 payment systems and other payment initiatives under this chapter.

25 (b) The commission shall, as appropriate, report outcome  
26 and process measures under Subsection (a)(1) by:

27 (1) geographic location, which may require reporting

1 by county, health care service region, or another appropriately  
2 defined geographic area;

3 (2) enrollee or recipient population or eligibility  
4 group served;

5 (3) type of health care provider, such as acute care or  
6 long-term care provider;

7 (4) number of enrollees and recipients who relocated  
8 to a community-based setting from a less integrated setting;

9 (5) quality-based payment system; and

10 (6) service delivery model.

11 (c) The report may not identify a specific health care  
12 provider. (Gov. Code, Sec. 536.008.)

13 SUBCHAPTER B. QUALITY-BASED PAYMENTS RELATING TO MANAGED CARE  
14 ORGANIZATIONS

15 Sec. 543A.0051. QUALITY-BASED PREMIUM PAYMENTS;  
16 PERFORMANCE REPORTING. (a) Subject to Section 1903(m)(2)(A),  
17 Social Security Act (42 U.S.C. Section 1396b(m)(2)(A)), and other  
18 federal law, the commission shall base a percentage of the premiums  
19 paid to a managed care organization participating in the child  
20 health plan program or Medicaid on the organization's performance  
21 with respect to outcome and process measures developed under  
22 Section 543A.0002 that address potentially preventable events. The  
23 percentage may increase each year.

24 (b) The commission shall make available information  
25 relating to a managed care organization's performance with respect  
26 to outcome and process measures under this subchapter to an  
27 enrollee or recipient before the enrollee or recipient chooses a

1 managed care plan. (Gov. Code, Sec. 536.051.)

2           Sec. 543A.0052. FINANCIAL INCENTIVES AND CONTRACT AWARD  
3 PREFERENCES. (a) The commission may allow a managed care  
4 organization participating in the child health plan program or  
5 Medicaid increased flexibility to implement quality initiatives in  
6 a managed care plan offered by the organization, including  
7 flexibility with respect to financial arrangements, to:

8           (1) achieve high-quality, cost-effective health care;

9           (2) increase the use of high-quality, cost-effective  
10 delivery models;

11           (3) reduce the incidence of unnecessary  
12 institutionalization and potentially preventable events; and

13           (4) in collaboration with physicians and other health  
14 care providers, increase the use of alternative payment systems,  
15 including shared savings models.

16           (b) The commission shall develop quality-of-care and  
17 cost-efficiency benchmarks, including benchmarks based on a  
18 managed care organization's performance with respect to:

19           (1) reducing potentially preventable events; and

20           (2) containing the growth rate of health care costs.

21           (c) The commission may include in a contract between a  
22 managed care organization and the commission financial incentives  
23 that are based on the organization's successful implementation of  
24 quality initiatives under Subsection (a) or success in achieving  
25 quality-of-care and cost-efficiency benchmarks under Subsection  
26 (b). The commission may implement the financial incentives only if  
27 implementing the incentives would be cost-effective.

1 (d) In awarding contracts to managed care organizations  
2 under the child health plan program and Medicaid, the commission  
3 shall, in addition to considerations under Section 540.0204 of this  
4 code and Section 62.155, Health and Safety Code, give preference to  
5 an organization that offers a managed care plan that:

6 (1) successfully implements quality initiatives under  
7 Subsection (a) as the commission determines based on data or other  
8 evidence the organization provides; or

9 (2) meets quality-of-care and cost-efficiency  
10 benchmarks under Subsection (b). (Gov. Code, Sec. 536.052.)

11 SUBCHAPTER C. QUALITY-BASED HEALTH HOME PAYMENT SYSTEMS

12 Sec. 543A.0101. DEFINITION. In this subchapter, "health  
13 home" means a primary care provider practice or, if appropriate, a  
14 specialty care provider practice, incorporating several features,  
15 including comprehensive care coordination, family-centered care,  
16 and data management, that are focused on improving outcome-based  
17 quality of care and increasing patient and provider satisfaction  
18 under the child health plan program and Medicaid. (Gov. Code, Sec.  
19 536.101(1).)

20 Sec. 543A.0102. QUALITY-BASED HEALTH HOME PAYMENTS. (a)  
21 The commission may develop and implement quality-based payment  
22 systems for health homes designed to improve quality of care and  
23 reduce the provision of unnecessary medical services. A  
24 quality-based payment system must:

25 (1) base payments made to an enrollee's or recipient's  
26 health home on quality and efficiency measures that may include  
27 measurable wellness and prevention criteria and the use of

1 evidence-based best practices, sharing a portion of any realized  
2 cost savings the health home achieves, and ensuring quality of care  
3 outcomes, including a reduction in potentially preventable events;  
4 and

5 (2) allow for the examination of measurable wellness  
6 and prevention criteria, use of evidence-based best practices, and  
7 quality-of-care outcomes based on the type of primary or specialty  
8 care provider practice.

9 (b) The commission may develop a quality-based payment  
10 system for health homes only if implementing the system would be  
11 feasible and cost-effective. (Gov. Code, Sec. 536.102.)

12 Sec. 543A.0103. HEALTH HOME ELIGIBILITY. To be eligible to  
13 receive reimbursement under a quality-based payment system under  
14 this subchapter, a health home must:

15 (1) directly or indirectly provide enrollees or  
16 recipients who have a health home with access to health care  
17 services outside of regular business hours;

18 (2) educate those enrollees and recipients about the  
19 availability of health care services outside of regular business  
20 hours; and

21 (3) provide evidence satisfactory to the commission  
22 that the health home meets the requirement of Subdivision (1).  
23 (Gov. Code, Sec. 536.103.)

24 SUBCHAPTER D. QUALITY-BASED HOSPITAL REIMBURSEMENT SYSTEM

25 Sec. 543A.0151. COLLECTING CERTAIN INFORMATION; REPORTS TO  
26 CERTAIN HOSPITALS. (a) The executive commissioner shall adopt  
27 rules for identifying:

1           (1) potentially preventable admissions and  
2 readmissions of enrollees and recipients, including preventable  
3 admissions to long-term care facilities;

4           (2) potentially preventable ancillary services  
5 provided to or ordered for enrollees and recipients;

6           (3) potentially preventable emergency room visits by  
7 enrollees and recipients; and

8           (4) potentially preventable complications experienced  
9 by enrollees and recipients.

10          (b) The commission shall collect data from hospitals on  
11 present-on-admission indicators for purposes of this section.

12          (c) The commission shall establish a program to provide to  
13 each hospital in this state that participates in the child health  
14 plan program or Medicaid a report regarding the hospital's  
15 performance with respect to each potentially preventable event  
16 described by Subsection (a). To the extent possible, the report  
17 should include all potentially preventable events across all child  
18 health plan program and Medicaid payment systems. A hospital shall  
19 distribute the information in the report to physicians and other  
20 health care providers providing services at the hospital.

21          (d) Except as provided by Subsection (e), a report provided  
22 to a hospital under Subsection (c) is confidential and not subject  
23 to Chapter 552.

24          (e) The commission may release information in a report  
25 described by Subsection (c):

26                 (1) not earlier than one year after the date the report  
27 is provided to the hospital; and

1           (2) only after deleting any data that relates to a  
2 hospital's performance with respect to a particular  
3 diagnosis-related group or an individual patient. (Gov. Code, Sec.  
4 536.151.)

5           Sec. 543A.0152. REIMBURSEMENT ADJUSTMENTS. (a) The  
6 commission shall use the data collected under Section 543A.0151 and  
7 the diagnosis-related groups (DRG) methodology implemented under  
8 Section 543A.0005, if applicable, to adjust, to the extent  
9 feasible, child health plan program and Medicaid reimbursements to  
10 hospitals, including payments made under the disproportionate  
11 share hospitals and upper payment limit supplemental payment  
12 programs. The commission shall base an adjustment for a hospital on  
13 the hospital's performance with respect to exceeding or failing to  
14 achieve outcome and process measures developed under Section  
15 543A.0002 that address the rates of potentially preventable  
16 readmissions and potentially preventable complications.

17           (b) The commission must provide the report required by  
18 Section 543A.0151(c) to a hospital at least one year before  
19 adjusting child health plan program and Medicaid reimbursements to  
20 the hospital under this section. (Gov. Code, Sec. 536.152.)

21           SUBCHAPTER E. QUALITY-BASED PAYMENT INITIATIVES

22           Sec. 543A.0201. PAYMENT INITIATIVES; DETERMINATION OF  
23 BENEFIT TO STATE. (a) The commission shall establish payment  
24 initiatives to test the effectiveness of quality-based payment  
25 systems, alternative payment methodologies, and high-quality,  
26 cost-effective health care delivery models that provide incentives  
27 to physicians and other health care providers to develop health

1 care interventions for enrollees or recipients that will:

2 (1) improve the quality of health care provided to the  
3 enrollees or recipients;

4 (2) reduce potentially preventable events;

5 (3) promote prevention and wellness;

6 (4) increase the use of evidence-based best practices;

7 (5) increase appropriate physician and other health  
8 care provider collaboration;

9 (6) contain costs; and

10 (7) improve integration of acute care services and  
11 long-term services and supports, including discharge planning from  
12 acute care services to community-based long-term services and  
13 supports.

14 (b) The commission shall:

15 (1) establish a process through which a physician,  
16 other health care provider, or managed care organization may submit  
17 a proposal for a payment initiative; and

18 (2) determine whether implementing one or more  
19 proposed payment initiatives is feasible and cost-effective.

20 (c) If the commission determines that implementing one or  
21 more payment initiatives is feasible and cost-effective for this  
22 state, the commission shall establish one or more payment  
23 initiatives as provided by this subchapter. (Gov. Code, Secs.  
24 536.202, 536.203(a).)

25 Sec. 543A.0202. PAYMENT INITIATIVE ADMINISTRATION. (a)  
26 The commission shall administer any payment initiative the  
27 commission establishes under this subchapter. The executive

1 commissioner may adopt rules, plans, and procedures and enter into  
2 contracts and other agreements as the executive commissioner  
3 considers appropriate and necessary to administer this subchapter.

4 (b) The commission may limit a payment initiative to:

5 (1) one or more regions in this state;

6 (2) one or more organized networks of physicians and  
7 other health care providers; or

8 (3) specified types of services provided under the  
9 child health plan program or Medicaid, or specified types of  
10 enrollees or recipients.

11 (c) An implemented payment initiative must be operated for  
12 at least one calendar year. (Gov. Code, Secs. 536.203(b), (c),  
13 (d).)

14 Sec. 543A.0203. QUALITY-OF-CARE AND COST-EFFICIENCY  
15 BENCHMARKS AND GOALS; EFFICIENCY PERFORMANCE STANDARDS. (a) The  
16 executive commissioner shall develop quality-of-care and  
17 cost-efficiency benchmarks and measurable goals that a payment  
18 initiative must meet to ensure high-quality and cost-effective  
19 health care services and healthy outcomes.

20 (b) In addition to the benchmarks and goals described by  
21 Subsection (a), the executive commissioner may approve efficiency  
22 performance standards that may include the sharing of realized cost  
23 savings with physicians and other health care providers who provide  
24 health care services that exceed the standards. The standards may  
25 not create a financial incentive for or involve making a payment to  
26 a physician or other health care provider that directly or  
27 indirectly induces limiting medically necessary services. (Gov.

1 Code, Sec. 536.204.)

2           Sec. 543A.0204. PAYMENT RATES UNDER PAYMENT INITIATIVES.  
3 The executive commissioner may contract with appropriate entities,  
4 including qualified actuaries, to assist in determining  
5 appropriate payment rates for an implemented payment initiative.  
6 (Gov. Code, Sec. 536.205.)

7           SUBCHAPTER F. QUALITY-BASED LONG-TERM SERVICES AND SUPPORTS

8                           PAYMENT SYSTEMS

9           Sec. 543A.0251. QUALITY-BASED PAYMENT SYSTEMS FOR  
10 LONG-TERM SERVICES AND SUPPORTS. (a) The commission, after  
11 consulting with appropriate stakeholders representing nursing  
12 facility providers with an interest in providing long-term services  
13 and supports, may develop and implement quality-based payment  
14 systems for Medicaid long-term services and supports providers  
15 designed to improve quality of care and reduce the provision of  
16 unnecessary services. A quality-based payment system must base  
17 payments made to providers on quality and efficiency measures that  
18 may include measurable wellness and prevention criteria and the use  
19 of evidence-based best practices, sharing a portion of any realized  
20 cost savings the provider achieves, and ensuring quality of care  
21 outcomes, including a reduction in potentially preventable events.

22           (b) The commission may develop a quality-based payment  
23 system for Medicaid long-term services and supports providers only  
24 if implementing the system would be feasible and cost-effective.  
25 (Gov. Code, Sec. 536.251.)

26           Sec. 543A.0252. DATA SET EVALUATION. To ensure that the  
27 commission is using the best data to inform developing and

1 implementing quality-based payment systems under Section  
2 543A.0251, the commission shall evaluate the reliability,  
3 validity, and functionality of post-acute and long-term services  
4 and supports data sets. The commission's evaluation should assess:

5 (1) to what degree data sets on which the commission  
6 relies meet a standard:

7 (A) for integrating care;

8 (B) for developing coordinated care plans; and

9 (C) that would allow for the meaningful  
10 development of risk adjustment techniques;

11 (2) whether the data sets will provide value for  
12 outcome or performance measures and cost containment; and

13 (3) how classification systems and data sets used for  
14 Medicaid long-term services and supports providers can be  
15 standardized and, where possible, simplified. (Gov. Code, Sec.  
16 536.252.)

17 Sec. 543A.0253. COLLECTING CERTAIN INFORMATION; REPORTS TO  
18 CERTAIN PROVIDERS. (a) The executive commissioner shall adopt  
19 rules for identifying the incidence of potentially preventable  
20 admissions, potentially preventable readmissions, and potentially  
21 preventable emergency room visits by Medicaid long-term services  
22 and supports recipients.

23 (b) The commission shall establish a program to provide to  
24 each Medicaid long-term services and supports provider in this  
25 state a report regarding the provider's performance with respect to  
26 potentially preventable admissions, potentially preventable  
27 readmissions, and potentially preventable emergency room visits.

1 To the extent possible, the report should include applicable  
2 potentially preventable events information across all Medicaid  
3 payment systems.

4 (c) Except as provided by Subsection (d), a report provided  
5 to a provider under Subsection (b) is confidential and not subject  
6 to Chapter 552.

7 (d) The commission may release information in a report  
8 described by Subsection (b):

9 (1) not earlier than one year after the date the report  
10 is provided to the provider; and

11 (2) only after deleting any data that relates to a  
12 provider's performance with respect to a particular resource  
13 utilization group or an individual recipient. (Gov. Code, Sec.  
14 536.253.)

22 cases to appropriate state agencies for investigation,  
23 prosecution, or other disposition to:

11 reasonably indicated;

12 (B) keep detailed records for cases the office of  
13 inspector general or the office of the attorney general processes,

26 (c) An exchange of information under this section between

27 the office of the attorney general and the commission, the office of

1 inspector general, or a health and human services agency does not  
2 affect whether the information is subject to disclosure under  
3 Chapter 552.

4 (d) The commission and the office of the attorney general  
5 may not assess or collect investigation and attorney's fees on any  
6 state agency's behalf unless the office of the attorney general or  
7 another state agency collects a penalty, restitution, or other  
8 reimbursement payment to this state.

9 (e) A district attorney, county attorney, city attorney, or  
10 private collection agency may collect and retain:

11 (1) costs associated with a case referred to the  
12 attorney or agency in accordance with procedures adopted under this  
13 section; and

15 restitution, or other reimbursement payment collected.

16 (f) The commission and the office of the attorney general  
17 shall jointly prepare and submit to the governor, lieutenant  
18 governor, and speaker of the house of representatives an annual  
19 report concerning the activities of those agencies in detecting and  
20 preventing fraud, waste, and abuse under Medicaid or another  
21 program the commission or a health and human services agency  
22 administers. The commission and the office of the attorney general  
23 may consolidate the report with any other report relating to the  
24 same subject matter the commission or the office of the attorney  
25 general is required to submit under other law. (Gov. Code, Sec.  
26 531.103.)

27 Sec. 544.0052. RULES REGARDING ENFORCEMENT AND PUNITIVE

1 ACTIONS. (a) The executive commissioner, in consultation with the  
2 office of inspector general, shall adopt rules establishing  
3 criteria for determining enforcement and punitive actions  
4 regarding a provider who violated state law, program rules, or the  
5 provider's Medicaid provider agreement.

6 (b) The rules must include:

7 (1) direction for categorizing provider violations  
8 according to the nature of the violation and for scaling resulting  
9 enforcement actions, taking into consideration:

10 (A) the seriousness of the violation;

11 (B) the prevalence of errors by the provider;

12 (C) the financial or other harm to this state or  
13 recipients resulting or potentially resulting from those errors;  
14 and

15 (D) mitigating factors the office of inspector  
16 general determines appropriate; and

17 (2) a specific list of potential penalties, including  
18 the amount of the penalties, for fraud and other Medicaid  
19 violations. (Gov. Code, Sec. 531.102(x).)

20 Sec. 544.0053. PROVISION OF INFORMATION TO PHARMACY SUBJECT  
21 TO AUDIT; INFORMAL HEARING ON AUDIT FINDINGS. (a) To increase  
22 transparency, the office of inspector general shall, if the office  
23 has access to the information, provide to pharmacies that are  
24 subject to audit by the office or by an entity that contracts with  
25 the federal government to audit Medicaid providers information  
26 relating to the extrapolation methodology used as part of the audit  
27 and the methods used to determine whether the pharmacy has been

1 overpaid under Medicaid in sufficient detail so that the audit  
2 results may be demonstrated to be statistically valid and are fully  
3 reproducible.

4 (b) A pharmacy has a right to request an informal hearing  
5 before the commission's appeals division to contest the findings of  
6 an audit that the office of inspector general or an entity that  
7 contracts with the federal government to audit Medicaid providers  
8 conducted if the audit findings do not include findings that the  
9 pharmacy engaged in Medicaid fraud.

10 (c) In an informal hearing held under this section, the  
11 commission's appeals division staff, assisted by staff responsible  
12 for the commission's vendor drug program with expertise in the law  
13 governing pharmacies' participation in Medicaid, make the final  
14 decision on whether the audit findings are accurate. Office of  
15 inspector general staff may not serve on the panel that makes the  
16 decision on the accuracy of an audit. (Gov. Code, Sec. 531.1203.)

17 Sec. 544.0054. RECORDS OF ALLEGATIONS OF FRAUD OR ABUSE.  
18 The commission shall maintain a record of all allegations of fraud  
19 or abuse against a provider containing the date each allegation was  
20 received or identified and the source of the allegation, if  
21 available. The record is confidential under Section 544.0259(e)  
22 and is subject to Section 544.0259(f). (Gov. Code, Sec.  
23 531.118(a).)

24 Sec. 544.0055. RECORD AND CONFIDENTIALITY OF INFORMAL  
25 RESOLUTION MEETINGS. (a) On the written request of a provider who  
26 requests an informal resolution meeting held under Section 544.0304  
27 or 544.0506(b), the commission shall, at no expense to the

1 provider, provide for the meeting to be recorded and for the  
2 recording to be made available to the provider. The commission may  
3 not record an informal resolution meeting unless the commission  
4 receives a written request from a provider.

5 (b) Notwithstanding Section 544.0259(e) and except as  
6 provided by this section:

7 (1) an informal resolution meeting held under Section  
8 544.0304 or 544.0506(b) is confidential; and

9 (2) any information or materials the office of  
10 inspector general, including the office's employees or agents,  
11 obtains during or in connection with an informal resolution  
12 meeting, including a recording made under Subsection (a), are  
13 privileged, confidential, and not subject to disclosure under  
14 Chapter 552 or any other means of legal compulsion for release,  
15 including disclosure, discovery, or subpoena. (Gov. Code, Sec.  
16 531.1202.)

17 Sec. 544.0056. EXPUNCTION OF CHILD'S CHEMICAL DEPENDENCY  
18 DIAGNOSIS IN CERTAIN RECORDS. (a) In this section:

19 (1) "Chemical dependency" has the meaning assigned by  
20 Section 461A.002, Health and Safety Code.

21 (2) "Child" means an individual who is 13 years of age  
22 or younger.

23 (b) After a chemical dependency treatment provider is  
24 finally convicted of an offense in which an element of the offense  
25 involves submitting a fraudulent claim for reimbursement for  
26 services under Medicaid, the commission or other health and human  
27 services agency that operates a portion of Medicaid shall expunge

1 or provide for the expunction of a child's diagnosis of chemical  
2 dependency that the provider made and that has been entered in any:

3 (1) appropriate official record of the commission or  
4 agency;

5 (2) applicable medical record that is in the  
6 commission's or agency's custody; and

7 (3) applicable record of a company with which the  
8 commission contracts for processing and paying Medicaid claims.  
9 (Gov. Code, Sec. 531.112.)

10 SUBCHAPTER C. OFFICE OF INSPECTOR GENERAL: GENERAL PROVISIONS

11 Sec. 544.0101. APPOINTMENT OF INSPECTOR GENERAL; TERM. (a)  
12 The governor shall appoint an inspector general to serve as

16 Sec. 544.0102. COMMISSION POWERS AND DUTIES RELATED TO  
17 OFFICE OF INSPECTOR GENERAL. (a) The executive commissioner shall  
18 work in consultation with the office of inspector general when the  
19 executive commissioner is required by law to adopt a rule or policy  
20 necessary to implement a power or duty of the office of inspector  
21 general, including a rule necessary to carry out a responsibility  
22 of the office of inspector general under Section 544.0103(a).

23 (b) The executive commissioner is responsible for  
24 performing all administrative support services functions necessary  
25 to operate the office of inspector general in the same manner that  
26 the executive commissioner is responsible for providing  
27 administrative support services functions for the health and human

1 services system, including office functions related to:

2 (1) procurement processes;

3 (2) contracting policies;

4 (3) information technology services;

5 (4) legal services, but only those related to:

6 (A) open records;

7 (B) procurement;

8 (C) contracting;

9 (D) human resources;

10 (E) privacy;

11 (F) litigation support by the attorney general;

12 (G) bankruptcy; and

13 (H) other legal services as detailed in the

14 memorandum of understanding or other written agreement required

15 under Subchapter E, Chapter 524;

16 (5) budgeting; and

17 (6) personnel and employment policies.

18 (c) The commission's internal audit division shall:

23 (d) The commission's chief counsel is the final authority

24 for all legal interpretations related to statutes, rules, and

25 commission policies on programs the commission administers.

26 (e) The commission shall:

27 (1) in consultation with the inspector general, set

1 clear objectives, priorities, and performance standards for the  
2 office of inspector general that emphasize:

3 (A) coordinating investigative efforts to  
4 aggressively recover money;

5 (B) allocating resources to cases that have the  
6 strongest supportive evidence and greatest potential to recover  
7 money; and

8 (C) maximizing opportunities for referral of  
9 cases to the office of the attorney general in accordance with  
10 Section 544.0051; and

11 (2) train office of inspector general staff to enable  
12 the staff to pursue priority Medicaid and other health and human  
13 services fraud and abuse cases as necessary.

14 (f) The commission may require employees of health and human  
15 services agencies to provide assistance to the office of inspector  
16 general in connection with its duties relating to the investigation  
17 of fraud and abuse in the provision of health and human services.  
18 The office of inspector general is entitled to access to any  
19 information a health and human services agency maintains that is  
20 relevant to the office of inspector general's functions, including  
21 internal records.

22 (g) To the extent permitted by federal law, the executive  
23 commissioner, on the office of inspector general's behalf, shall  
24 adopt rules establishing:

25 (1) criteria for:

26 (A) initiating a full-scale fraud or abuse  
27 investigation;

1 (B) conducting the investigation;  
2 (C) collecting evidence; and  
3 (D) accepting and approving a provider's request  
4 to post a surety bond to secure potential recoupments in lieu of a  
5 payment hold or other asset or payment guarantee; and

6 (2) minimum training requirements for Medicaid  
7 provider fraud or abuse investigators.

8 (h) The executive commissioner, in consultation with the  
9 office of inspector general, shall adopt rules establishing  
10 criteria:

11 (1) for opening a case;

12 (2) for prioritizing cases for the efficient  
13 management of the office of inspector general's workload, including  
14 rules that direct the office to prioritize:

15 (A) provider cases according to the highest  
16 potential for recovery or risk to this state as indicated through:

17 (i) the provider's volume of billings;

18 (ii) the provider's history of  
19 noncompliance with the law; and

20 (iii) identified fraud trends;

21 (B) recipient cases according to the highest  
22 potential for recovery and federal timeliness requirements; and

23 (C) internal affairs investigations according to  
24 the seriousness of the threat to recipient safety and the risk to  
25 program integrity in terms of the amount or scope of fraud, waste,  
26 and abuse the allegation that is the subject of the investigation  
27 poses; and

1           (3) to guide field investigators in closing a case  
2 that is not worth pursuing through a full investigation. (Gov.  
3 Code, Secs. 531.102(a-2), (a-3), (a-4), (a-7), (a-8), (b), (c),  
4 (d), (n), (p).)

5           Sec. 544.0103. OFFICE OF INSPECTOR GENERAL: GENERAL POWERS  
6 AND DUTIES. (a) The office of inspector general is responsible  
7 for:

8           (1) preventing, detecting, auditing, inspecting,  
9 reviewing, and investigating fraud, waste, and abuse in the  
10 provision and delivery of all health and human services in this  
11 state, including services provided:

12                   (A) through any state-administered health or  
13 human services program that is wholly or partly federally funded;  
14 or

15                   (B) by the Department of Family and Protective  
16 Services; and

17           (2) enforcing state law relating to providing those  
18 services.

19           (b) The commission may obtain any information or technology  
20 necessary for the office of inspector general to meet its  
21 responsibilities under this chapter or other law.

22           (c) The office of inspector general shall closely  
23 coordinate with the executive commissioner and relevant staff of  
24 health and human services system programs the office of inspector  
25 general oversees in performing functions relating to preventing  
26 fraud, waste, and abuse in the delivery of health and human services  
27 and enforcing state law relating to the provision of those

1 services, including audits, utilization reviews, provider  
2 education, and data analysis.

3 (d) The office of inspector general shall conduct audits,  
4 inspections, and investigations independent of the executive  
5 commissioner and the commission but shall rely on the coordination  
6 required by Subsection (c) to ensure that the office of inspector  
7 general has a thorough understanding of the health and human

4 damages, or penalties. (Gov. Code, Sec. 531.102(m).)

5       Sec. 544.0106. CONTRACT FOR REVIEW OF INVESTIGATIVE  
6 FINDINGS BY QUALIFIED EXPERT. (a) If the commission does not  
7 receive any responsive bids under Chapter 2155 on a competitive

10 prior approval before carrying out any duties requiring peace  
11 officer status. (Gov. Code, Sec. 531.1022.)

12 Sec. 544.0108. INVESTIGATIVE PROCESS REVIEW. (a) Office  
13 of inspector general staff who are not directly involved in

15 investigative process, including the office's use of sampling and  
16 extrapolation to audit provider records.

17 (b) The office of inspector general shall arrange for the

20 techniques. Based on the review and generally accepted practices  
21 among other offices of inspectors general, the executive  
22 commissioner, in consultation with the office, shall by rule adopt  
23 sampling and extrapolation standards for the office's use in  
24 conducting audits. (Gov. Code, Secs. 531.102(r), (s).)

25 Sec. 544.0109. PERFORMANCE AUDITS AND COORDINATION OF AUDIT  
26 ACTIVITIES. (a) Notwithstanding any other law, the office of  
27 inspector general may conduct a performance audit of any program or

1 project administered or agreement entered into by the commission or  
2 a health and human services agency, including an audit related to:

3 (1) the commission's or a health and human services

7 (b) The office of inspector general shall coordinate all

12 (1) to determine whether to audit a Medicaid managed  
13 care organization, annually seek the commission's input and

16 and

17 (2) request the results of an informal audit or  
18 on-site visit the commission performed that could inform the  
19 office's risk assessment when determining whether to conduct or the  
20 scope of an audit of a Medicaid managed care organization.

21 (c) In addition to the coordination required by Subsection  
22 (b), the office of inspector general shall coordinate the office's  
23 other audit activities with those of the commission, including  
24 developing audit plans, performing risk assessments, and reporting  
25 findings, to minimize duplicative audit activities. In  
26 coordinating audit activities with the commission under this  
27 subsection, the office shall:

1           (1) to determine whether to conduct a performance  
2 audit, seek the commission's input and consider previous audits the  
3 commission conducted; and

4           (2) request the results of an audit the commission  
5 conducted if those results could inform the office's risk  
6 assessment when determining whether to conduct or the scope of a  
7 performance audit.

8           (d) In accordance with Section 540.0057(b), the office of  
9 inspector general shall consult with the executive commissioner  
10 regarding the adoption of rules defining the office's role in and  
11 jurisdiction over, and the frequency of, audits of Medicaid managed  
12 care organizations that the office and commission conduct. (Gov.  
13 Code, Secs. 531.102(q), (v), (w), 531.1025.)

15 INVESTIGATIONS. (a) The office of inspector general shall prepare  
16 a final report on each audit, inspection, or investigation  
17 conducted under Section 544.0102, 544.0103, 544.0252(b), 544.0254,  
18 or 544.0257. The final report must include:

19           (1) a summary of the activities the office performed  
20 in conducting the audit, inspection, or investigation;

21           (2) a statement on whether the audit, inspection, or  
22 investigation resulted in a finding of any wrongdoing; and

23           (3) a description of any findings of wrongdoing.

24           (b) A final report on an audit, inspection, or investigation  
25 is subject to required disclosure under Chapter 552. All  
26 information and materials compiled during the audit, inspection, or  
27 investigation remain confidential and not subject to required

1 disclosure in accordance with Section 544.0259(e).

2 (c) A confidential draft report on an audit, inspection, or  
3 investigation that concerns the death of a child may be shared with  
4 the Department of Family and Protective Services. A draft report  
5 that is shared with the Department of Family and Protective  
6 Services remains confidential and is not subject to disclosure  
7 under Chapter 552. (Gov. Code, Secs. 531.102(j), (k).)

8 Sec. 544.0111. COMPLIANCE WITH FEDERAL CODING GUIDELINES.

9 (a) In this section, "federal coding guidelines" means the code  
10 sets and guidelines the United States Department of Health and  
11 Human Services adopts in accordance with the Health Insurance  
12 Portability and Accountability Act of 1996 (42 U.S.C. Section 1320d  
13 et seq.).

14 (b) The office of inspector general, including office staff  
15 and any third party with which the office contracts to perform  
16 coding services, and the commission's medical and utilization  
17 review appeals unit shall comply with federal coding guidelines,  
18 including guidelines for diagnosis-related group (DRG) validation  
19 and related audits. (Gov. Code, Sec. 531.1023.)

20 Sec. 544.0112. HOSPITAL UTILIZATION REVIEWS AND AUDITS:  
21 PROVIDER EDUCATION PROCESS. The executive commissioner, in  
22 consultation with the office of inspector general, shall develop by  
23 rule a process for the office, including office staff and any third  
24 party with which the office contracts to perform coding services,  
25 to communicate with and educate providers about the  
26 diagnosis-related group (DRG) validation criteria that the office  
27 uses in conducting hospital utilization reviews and audits. (Gov.

1 Code, Sec. 531.1024.)

2 Sec. 544.0113. PROGRAM EXCLUSIONS. The office of inspector  
3 general, in consultation with this state's Medicaid fraud control  
4 unit, shall establish guidelines under which program exclusions:

5 (1) may permissively be imposed on a provider; or

6 (2) shall automatically be imposed on a provider.

7 (Gov. Code, Sec. 531.102(g)(7).)

8 Sec. 544.0114. REPORT. (a) At each quarterly meeting of  
9 any advisory council responsible for advising the executive  
10 commissioner on the commission's operation, the inspector general  
11 shall submit to the executive commissioner, the governor, and the  
12 legislature a report on:

13 (1) the office of inspector general's activities;

14 (2) the office's performance with respect to  
15 performance measures the executive commissioner establishes for  
16 the office;

17 (3) fraud trends the office has identified;

18 (4) any recommendations for policy changes to prevent  
19 or address fraud, waste, and abuse in the delivery of health and  
20 human services in this state; and

21 (5) the amount of money recovered during the preceding  
22 quarter as a result of investigations involving peace officers  
23 employed and commissioned by the office for each program for which  
24 the office has investigative authority.

25 (b) The office of inspector general shall publish each  
26 report required under this section on the office's Internet  
27 website. (Gov. Code, Secs. 531.102(t), (u).)

1 SUBCHAPTER D. MEDICAID PROVIDER CRIMINAL HISTORY RECORD

2 INFORMATION AND ELIGIBILITY

3 Sec. 544.0151. DEFINITIONS. In this subchapter:

4 (1) "Health care professional" means an individual  
5 issued a license to engage in a health care profession.

6 (2) "License" means a license, certificate,  
7 registration, permit, or other authorization that:

8 (A) a licensing authority issues; and

9 (B) must be obtained before a person may practice  
10 or engage in a particular business, occupation, or profession.

11 (3) "Licensing authority" means a department,  
12 commission, board, office, or other state agency that issues a  
13 license.

14 (4) "Participating agency" means:

15 (A) the Medicaid fraud enforcement divisions of  
16 the office of the attorney general;

17 (B) each licensing authority with authority to  
18 issue a license to a health care professional or managed care  
19 organization that may participate in Medicaid; and

20 (C) the office of inspector general.

21 (5) "Provider" means a person that was or is approved  
22 by the commission to provide Medicaid services under a contract or  
23 provider agreement with the commission. (Gov. Code, Secs.  
24 531.1011(10) (part), 531.1031(a)(1), (1-a), (1-b), (2), (3).)

25 Sec. 544.0152. EXCHANGE OF CRIMINAL HISTORY RECORD  
26 INFORMATION BETWEEN PARTICIPATING AGENCIES. (a) This section

27 applies only to:

1           (1) criminal history record information a  
2 participating agency holds that relates to a health care  
3 professional; and

4           (2) information a participating agency holds that  
5 relates to a health care professional or managed care organization  
6 that is the subject of an investigation by a participating agency  
7 for alleged Medicaid fraud or abuse.

8           (b) A participating agency may submit to another  
9 participating agency a written request for information to which  
10 this section applies. The participating agency that receives the  
11 request shall provide the requesting agency with the requested  
12 information unless releasing the information:

13           (1) would jeopardize an ongoing investigation or  
14 prosecution by the participating agency that possesses the  
15 information; or

16           (2) is prohibited by other law.

17           (c) Notwithstanding any other law, a participating agency  
18 may enter into a memorandum of understanding or agreement with  
19 another participating agency for exchanging criminal history  
20 record information relating to a health care professional that both  
21 participating agencies are authorized access to under Chapter 411.  
22 Confidential criminal history record information in a  
23 participating agency's possession that is provided to another  
24 participating agency remains confidential while in the possession  
25 of the participating agency that receives the information.

26           (d) A participating agency that discovers information that  
27 may indicate fraud or abuse by a health care professional or managed

1 care organization may provide the information to any other  
2 participating agency unless the release of the information is  
3 prohibited by other law.

4 (e) If after receiving a request for information under  
5 Subsection (b) a participating agency determines that the agency is  
6 prohibited from releasing the information, the agency shall, not  
7 later than the 30th day after the date the agency received the  
8 request, inform the requesting agency of that determination in  
9 writing.

10 (f) Confidential information shared under this section is  
11 subject to the same confidentiality requirements and legal  
12 restrictions on access to the information that are imposed by law on  
13 the participating agency that originally obtained or collected the  
14 information. Sharing information under this section does not  
15 affect whether the information is subject to disclosure under  
16 Chapter 552.

17 (g) A participating agency that receives information from  
18 another participating agency under this section must obtain written  
19 permission from the agency that shared the information before using  
20 the information in a licensure or enforcement action.

21 (h) This section does not affect a participating agency's  
22 authority to exchange information under other law. (Gov. Code,  
23 Secs. 531.1031(b), (c), (c-1), (d), (e), (f), (g), (h).)

24 Sec. 544.0153. PROVIDER ELIGIBILITY FOR MEDICAID  
25 PARTICIPATION: CRIMINAL HISTORY RECORD INFORMATION. (a) The  
26 office of inspector general and each licensing authority that  
27 requires the submission of fingerprints to conduct a criminal

1 history record information check of a health care professional  
2 shall enter into a memorandum of understanding to ensure that only  
3 individuals who are licensed and in good standing as health care  
4 professionals participate as Medicaid providers. The memorandum  
5 under this section may be combined with a memorandum authorized  
6 under Section 544.0152(c) and must include a process by which:

7           (1) to determine a health care professional's  
8 eligibility to participate in Medicaid, the office may confirm with  
9 a licensing authority that the professional is licensed and in good  
10 standing; and

11           (2) the licensing authority immediately notifies the  
12 office if:

13                   (A) a provider's license has been revoked or  
14 suspended; or

15                   (B) the licensing authority has taken  
16 disciplinary action against a provider.

17           (b) To determine a health care professional's eligibility  
18 to participate as a Medicaid provider, the office of inspector  
19 general may not conduct a criminal history record information check  
20 of a health care professional who the office has confirmed under  
21 Subsection (a) is licensed and in good standing. This subsection  
22 does not prohibit the office from conducting a criminal history  
23 record information check of a provider that is required or  
24 appropriate for other reasons, including for conducting an  
25 investigation of fraud, waste, or abuse.

26           (c) To determine a provider's eligibility to participate in  
27 Medicaid and subject to Subsection (d), the office of inspector

1 general, after seeking public input, shall establish and the  
2 executive commissioner by rule shall adopt guidelines for  
3 evaluating criminal history record information of providers and  
4 potential providers. The guidelines must outline conduct, by  
5 provider type, that may be contained in criminal history record  
6 information that will result in excluding a person as a Medicaid  
7 provider, taking into consideration:

8 (1) the extent to which the underlying conduct relates  
9 to the services provided through Medicaid;

10 (2) the degree to which the person would interact with  
11 Medicaid recipients as a provider; and

12 (3) any previous evidence that the person engaged in  
13 Medicaid fraud, waste, or abuse.

14 (d) The guidelines adopted under Subsection (c) may not  
15 impose stricter standards for an individual's eligibility to  
16 participate in Medicaid than a licensing authority described by  
17 Subsection (a) requires for the individual to engage in a health  
18 care profession without restriction in this state.

19 (e) The office of inspector general and the commission shall  
20 use the guidelines the executive commissioner adopts under  
21 Subsection (c) to determine whether a Medicaid provider continues  
22 to be eligible to participate as a Medicaid provider.

23 (f) The provider enrollment contractor, if applicable, and  
24 a Medicaid managed care organization shall defer to the office of  
25 inspector general on whether an individual's criminal history  
26 record information precludes the individual from participating as a  
27 Medicaid provider. (Gov. Code, Secs. 531.1032(a), (b), (c), as

1 added Acts 84th Leg., R.S., Ch. 945, (d), (e), (f).)

2 Sec. 544.0154. MONITORING OF CERTAIN FEDERAL DATABASES.

3 The office of inspector general shall routinely check appropriate  
4 federal databases, including databases referenced in 42 C.F.R.  
5 Section 455.436, to ensure that a person excluded by the federal  
6 government from participating in Medicaid or Medicare is not  
7 participating as a Medicaid provider. (Gov. Code, Sec. 531.1033.)

8 Sec. 544.0155. PERIOD FOR DETERMINING PROVIDER ELIGIBILITY

9 FOR MEDICAID. (a) Not later than the 10th day after the date the  
10 office of inspector general receives a health care professional's  
11 complete application seeking to participate in Medicaid, the office  
12 shall inform the commission or the health care professional, as  
13 appropriate, of the office's determination of whether the health  
14 care professional should be denied participation in Medicaid based  
15 on:

16 (1) information concerning the health care  
17 professional's licensing status obtained as described by Section  
18 544.0153(a);

19 (2) information contained in the criminal history  
20 record information check that is evaluated in accordance with  
21 guidelines the executive commissioner adopts under Section  
22 544.0153(c);

23 (3) a review of federal databases under Section  
24 544.0154;

25 (4) the pendency of an open investigation by the  
26 office; or

27 (5) any other reason the office determines

1 appropriate.

2 (b) Completion of an on-site visit of a health care  
3 professional during the period prescribed by Subsection (a) is not  
4 required.

5 (c) The office of inspector general shall develop  
6 performance metrics to measure the length of time for conducting a  
7 determination described by Subsection (a) with respect to:

8 (1) applications that are complete when submitted; and

9 (2) all other applications. (Gov. Code, Sec.  
10 531.1034.)

11 SUBCHAPTER E. PREVENTION AND DETECTION OF FRAUD, WASTE, AND ABUSE

12 Sec. 544.0201. SELECTION AND REVIEW OF MEDICAID CLAIMS TO  
13 DETERMINE RESOURCE ALLOCATION. (a) The commission shall annually  
14 select and review a random, statistically valid sample of all  
15 claims for Medicaid reimbursement, including under the vendor drug  
16 program, for potential cases of fraud, waste, or abuse.

17 (b) In conducting the annual review of claims, the  
18 commission may directly contact a recipient by telephone, in  
19 person, or both to verify that the services for which a provider  
20 submitted a reimbursement claim were actually provided to the  
21 recipient.

22 (c) Based on the results of the annual review of claims, the  
23 commission shall determine the types of claims toward which  
24 commission resources for fraud and abuse detection should be  
25 primarily directed.

26 (d) Absent an allegation of fraud, waste, or abuse, the  
27 commission may conduct an annual review of claims only after the

1 commission completes the prior year's annual review of claims.  
2 (Gov. Code, Sec. 531.109.)

3 Sec. 544.0202. DUTIES RELATED TO FRAUD PREVENTION. (a) The  
4 office of inspector general shall compile and disseminate accurate  
5 information and statistics relating to:

6 (1) fraud prevention; and

7 (2) post-fraud referrals received and accepted or  
8 rejected from the commission's or a health and human services  
9 agency's case management system.

10 (b) The commission shall:

11 (1) aggressively publicize successful fraud  
12 prosecutions and fraud-prevention programs through all available  
13 means, including the use of statewide press releases; and

14 (2) ensure that the commission or a health and human  
15 services agency maintains and promotes a toll-free telephone  
16 hotline for reporting suspected fraud in programs the commission or  
17 a health and human services agency administers.

18 (c) The commission shall develop a cost-effective method to  
19 identify applicants for public assistance in counties bordering  
20 other states and in metropolitan areas the commission selects who  
21 are already receiving benefits in other states. If economically  
22 feasible, the commission may develop a computerized matching  
23 system.

24 (d) The commission shall:

25 (1) verify automobile information that is used as  
26 eligibility criteria; and

27 (2) establish with the Texas Department of Criminal

1 Justice a computerized matching system to prevent an incarcerated  
2 individual from illegally receiving public assistance benefits the  
3 commission administers.

4 (e) Not later than October 1 of each year, the commission  
5 shall submit to the governor and Legislative Budget Board a report  
6 on the results of computerized matching of commission information  
7 with information from neighboring states, if any, and information  
8 from the Texas Department of Criminal Justice. The commission may  
9 consolidate the report with any other report relating to the same  
10 subject matter the commission is required to submit under other  
11 law.

12 (f) The commission and each health and human services agency  
13 that administers part of Medicaid shall maintain statistics on the  
14 number, type, and disposition of fraudulent benefits claims  
15 submitted under the part of the program the agency administers.  
16 (Gov. Code, Secs. 531.0215, 531.108.)

17 Sec. 544.0203. FRAUD, WASTE, AND ABUSE DETECTION TRAINING.

18 (a) The commission shall develop and implement a program to provide  
19 annual training on identifying potential cases of Medicaid fraud,  
20 waste, or abuse to:

- 21 (1) contractors who process Medicaid claims; and  
22 (2) appropriate health and human services agency  
23 staff.

24 (b) The training must include clear criteria that specify:

25 (1) the circumstances under which a person should  
26 refer a potential case to the commission; and

27 (2) the time by which a referral should be made. (Gov.

1 Code, Sec. 531.105(a).)

2           Sec. 544.0204. HEALTH AND HUMAN SERVICES AGENCY MEDICAID  
3 FRAUD, WASTE, AND ABUSE DETECTION GOAL. (a) The health and human  
4 services agencies, in cooperation with the commission, shall  
5 periodically set a goal for the number of potential cases of  
6 Medicaid fraud, waste, or abuse that each agency will attempt to  
7 identify and refer to the commission.

8           (b) The commission shall include in the report required by  
9 Section 544.0051(f) information on the health and human services  
10 agencies' goals and the success of each agency in meeting the  
11 agency's goal. (Gov. Code, Sec. 531.105(b).)

12           Sec. 544.0205. AWARD FOR REPORTING MEDICAID FRAUD, ABUSE,  
13 OR OVERCHARGES. (a) The commission may grant an award to an  
14 individual who reports activity that constitutes fraud or abuse of  
15 Medicaid funds or who reports Medicaid overcharges if the  
16 commission determines that the disclosure results in the recovery  
17 of an administrative penalty imposed under Section 32.039, Human  
18 Resources Code. The commission may not grant an award to an  
19 individual in connection with a report if the commission or  
20 attorney general had independent knowledge of the activity the  
21 individual reported.

22           (b) The commission shall determine the amount of an award.  
23 The award may not exceed five percent of the amount of the  
24 administrative penalty imposed under Section 32.039, Human  
25 Resources Code, that resulted from the individual's disclosure. In  
26 determining the award amount, the commission:

27           (1) shall consider how important the disclosure is in

1 ensuring the fiscal integrity of Medicaid; and

2 (2) may consider whether the individual participated  
3 in the fraud, abuse, or overcharge.

4 (c) A person who brings an action under Subchapter C,  
5 Chapter 36, Human Resources Code, is not eligible for an award under  
6 this section. (Gov. Code, Sec. 531.101.)

7 SUBCHAPTER F. INVESTIGATION OF FRAUD, WASTE, ABUSE, AND  
8 OVERCHARGES

9 Sec. 544.0251. CLAIMS CRITERIA REQUIRING COMMENCEMENT OF  
10 INVESTIGATION. The executive commissioner, in consultation with  
11 the inspector general, by rule shall set specific claims criteria  
12 that, when met, require the office of inspector general to begin an  
13 investigation. (Gov. Code, Sec. 531.102(e).)

14 Sec. 544.0252. CIRCUMSTANCES REQUIRING COMMENCEMENT OF  
15 PRELIMINARY INVESTIGATION OF ALLEGED FRAUD OR ABUSE. (a) The  
16 office of inspector general shall conduct a preliminary  
17 investigation of an allegation of fraud or abuse against a provider  
18 that the commission receives from any source to determine whether  
19 there is a sufficient basis to warrant a full investigation. The  
20 office must begin a preliminary investigation not later than the  
21 30th day and complete the preliminary investigation not later than  
22 the 45th day after the date the commission receives or identifies an  
23 allegation of fraud or abuse.

24 (b) The office of inspector general shall conduct a  
25 preliminary investigation as provided by Section 544.0253 of a  
26 complaint or allegation of Medicaid fraud or abuse that the  
27 commission receives from any source to determine whether there is a

1 sufficient basis to warrant a full investigation. The office must  
2 begin a preliminary investigation not later than the 30th day and  
3 complete the preliminary investigation not later than the 45th day  
4 after the date the commission receives a complaint or allegation or  
5 has reason to believe that fraud or abuse has occurred. (Gov. Code,  
6 Secs. 531.102(f)(1), 531.118(b).)

7       Sec. 544.0253. CONDUCT OF PRELIMINARY INVESTIGATION OF  
8 ALLEGED FRAUD OR ABUSE. In conducting a preliminary investigation  
9 of an allegation of fraud or abuse and before the allegation may  
10 proceed to a full investigation, the office of inspector general  
11 must:

12               (1) review the allegation and all facts and evidence  
13 relating to the allegation; and

14               (2) prepare a preliminary investigation report that  
15 documents:

16                       (A) the allegation;

17                       (B) the evidence the office reviewed, if  
18 available;

19                       (C) the procedures the office used to conduct the  
20 preliminary investigation;

21                       (D) the preliminary investigation findings; and

22                       (E) the office's determination of whether a full  
23 investigation is warranted. (Gov. Code, Sec. 531.118(c).)

24       Sec. 544.0254. FINDING OF CERTAIN MEDICAID FRAUD OR ABUSE  
25 FOLLOWING PRELIMINARY INVESTIGATION: CRIMINAL REFERRAL OR FULL  
26 INVESTIGATION. If the findings of a preliminary investigation give  
27 the office of inspector general reason to believe that an incident

1 of Medicaid fraud or abuse involving possible criminal conduct has  
2 occurred, not later than the 30th day after completing the  
3 preliminary investigation, the office, as appropriate:

4 (1) must refer the case to this state's Medicaid fraud  
5 control unit if a provider is suspected of fraud or abuse involving  
6 criminal conduct, provided that the criminal referral does not  
7 preclude the office from continuing the office's investigation of  
8 the provider that may lead to the imposition of appropriate  
9 administrative or civil sanctions; or

10 (2) may conduct a full investigation, subject to  
11 Section 544.0253, if there is reason to believe that a recipient has  
12 defrauded Medicaid. (Gov. Code, Sec. 531.102(f)(2).)

13 Sec. 544.0255. IMMEDIATE CRIMINAL REFERRAL UNDER CERTAIN  
14 CIRCUMSTANCES. If the office of inspector general learns or has  
15 reason to suspect that a provider's records are being withheld,  
16 concealed, destroyed, fabricated, or in any way falsified, the  
17 office shall immediately refer the case to this state's Medicaid  
18 fraud control unit. The criminal referral does not preclude the  
19 office from continuing the office's investigation of the provider  
20 that may lead to the imposition of appropriate administrative or  
21 civil sanctions. (Gov. Code, Sec. 531.102(g)(1).)

22 Sec. 544.0256. CONTINUATION OF PAYMENT HOLD FOLLOWING  
23 REFERRAL TO LAW ENFORCEMENT AGENCY. (a) If this state's Medicaid  
24 fraud control unit or another law enforcement agency accepts a  
25 fraud referral from the office of inspector general for  
26 investigation, a payment hold based on a credible allegation of  
27 fraud may be continued until:

1           (1) the investigation and any associated enforcement  
2 proceedings are complete; or

3           (2) the Medicaid fraud control unit, another law  
4 enforcement agency, or another prosecuting authority determines  
5 that there is insufficient evidence of fraud by the provider that is  
6 the subject of the investigation.

7           (b) If this state's Medicaid fraud control unit or another  
8 law enforcement agency declines to accept a fraud referral from the  
9 office of inspector general for investigation, a payment hold based  
10 on a credible allegation of fraud must be discontinued unless:

11           (1) the commission has alternative federal or state  
12 authority under which the commission may impose a payment hold; or

13           (2) the office makes a fraud referral to another law  
14 enforcement agency.

15           (c) On a quarterly basis, the office of inspector general  
16 shall request a certification from this state's Medicaid fraud  
17 control unit and other law enforcement agencies as to whether each  
18 matter the unit or agency accepted on the basis of a credible  
19 allegation of fraud referral continues to be under investigation  
20 and that the continuation of a payment hold is warranted. (Gov.  
21 Code, Secs. 531.118(d), (e), (f).)

22           Sec. 544.0257. COMPLETION OF FULL INVESTIGATION OF ALLEGED  
23 MEDICAID FRAUD OR ABUSE. (a) The office of inspector general shall  
24 complete a full investigation of a complaint or allegation of  
25 Medicaid fraud or abuse against a provider not later than the 180th  
26 day after the date the full investigation begins unless the office  
27 determines that more time is needed to complete the investigation.

1           (b) Except as otherwise provided by this subsection, if the  
2 office of inspector general determines that more time is needed to  
3 complete a full investigation, the office shall provide notice to  
4 the provider who is the subject of the investigation stating that  
5 the length of the investigation will exceed 180 days and specifying  
6 the reasons why the office was unable to complete the investigation  
7 within the 180-day period. The office is not required to provide  
8 notice to the provider under this subsection if the office  
9 determines that providing notice would jeopardize the  
10 investigation. (Gov. Code, Sec. 531.102(f-1).)

11           Sec. 544.0258. MEMORANDUM OF UNDERSTANDING FOR ASSISTING  
12 ATTORNEY GENERAL INVESTIGATIONS RELATED TO MEDICAID. (a) The  
13 commission and the attorney general shall enter into a memorandum  
14 of understanding under which the commission shall:

15                 (1) provide investigative support to the attorney  
16 general as required in connection with cases under Subchapter B,  
17 Chapter 36, Human Resources Code; and

18                 (2) assist in performing preliminary investigations  
19 and ongoing investigations for actions the attorney general  
20 prosecutes under Subchapter C, Chapter 36, Human Resources Code.

21           (b) The memorandum of understanding must specify the type,  
22 scope, and format of the investigative support the commission  
23 provides to the attorney general.

24           (c) The memorandum of understanding must ensure that  
25 barriers to direct fraud referrals to this state's Medicaid fraud  
26 control unit by Medicaid agencies or unreasonable impediments to  
27 communication between Medicaid agency employees and the Medicaid

1 fraud control unit are not imposed. (Gov. Code, Sec. 531.104.)

2 Sec. 544.0259. SUBPOENAS. (a) The office of inspector  
3 general may issue a subpoena in connection with an investigation  
4 the office conducts. The subpoena may be:

5 (1) issued to compel the attendance of a relevant  
6 witness or the production, for inspection or copying, of relevant  
7 evidence in this state; and

8 (2) served personally or by certified mail.

9 (b) The office of inspector general, acting through the  
10 attorney general, may file suit in a district court in this state to  
11 enforce a subpoena with which a person fails to comply. On finding  
12 that good cause exists for issuing the subpoena, the court shall  
13 order the person to comply with the subpoena. The court may punish  
14 a person who fails to obey the court order.

15 (c) Reimbursement of the expenses of a witness whose  
16 attendance is compelled under this section is governed by Section  
17 2001.103.

18 (d) The office of inspector general shall pay a reasonable  
19 fee for subpoenaed photocopies. The fee may not exceed the amount  
20 the office of inspector general may charge for copies of its  
21 records.

22 (e) Except for the disclosure of information to the state  
23 auditor's office, law enforcement agencies, and other entities as  
24 permitted by other law, all information and materials subpoenaed or  
25 compiled by the office of inspector general in connection with an  
26 audit, inspection, or investigation or by the office of the  
27 attorney general in connection with a Medicaid fraud investigation

1 are:

2 (1) confidential and not subject to disclosure under  
3 Chapter 552; and

4 (2) not subject to disclosure, discovery, subpoena, or  
5 other means of legal compulsion for release to anyone other than the  
6 office of inspector general, the attorney general, or the office's  
7 or attorney general's employees or agents involved in the audit,  
8 inspection, or investigation.

9 (f) A person who receives information under Subsection (e)  
10 may disclose the information only in accordance with Subsection (e)  
11 and in a manner that is consistent with the authorized purpose for  
12 which the person first received the information. (Gov. Code, Sec.  
13 531.1021.)

14 SUBCHAPTER G. PAYMENT HOLDS

15 Sec. 544.0301. IMPOSITION OF PAYMENT HOLD. (a) As  
16 authorized by state and federal law and except as provided by  
17 Subsections (d) and (e), the office of inspector general shall  
18 impose, as a serious enforcement tool to mitigate ongoing financial  
19 risk to this state, a payment hold on claims for reimbursement  
20 submitted by a provider only:

21 (1) to compel production of records;

22 (2) when requested by this state's Medicaid fraud  
23 control unit; or

24 (3) on the determination that a credible allegation of  
25 fraud exists, subject to Sections 544.0104(b) and 544.0105(b), as  
26 applicable.

27 (b) The office of inspector general shall impose a payment

1 hold under this section without prior notice, and the payment hold  
2 takes effect immediately.

3 (c) The office of inspector general shall, in consultation  
4 with this state's Medicaid fraud control unit, establish guidelines  
5 regarding the imposition of payment holds authorized under this  
6 section.

7 (d) On the determination that a credible allegation of fraud  
8 exists and in accordance with 42 C.F.R. Sections 455.23(e) and (f),  
9 the office of inspector general may find that good cause exists to  
10 not impose a payment hold, to not continue a payment hold, to impose  
11 a payment hold only in part, or to convert a payment hold imposed in  
12 whole to one imposed only in part if:

13 (1) law enforcement officials specifically requested  
14 that a payment hold not be imposed because a payment hold would  
15 compromise or jeopardize an investigation;

16 (2) available remedies implemented by this state other  
17 than a payment hold would more effectively or quickly protect  
18 Medicaid funds;

19 (3) the office of inspector general determines, based  
20 on the submission of written evidence by the provider who is the  
21 subject of the payment hold, that the payment hold should be  
22 removed;

23 (4) Medicaid recipients' access to items or services  
24 would be jeopardized by a full or partial payment hold because the  
25 provider who is the subject of the payment hold:

26 (A) is the sole community physician or the sole  
27 source of essential specialized services in a community; or

1 (B) serves a large number of Medicaid recipients  
2 within a designated medically underserved area;

3 (5) the attorney general declines to certify that a  
4 matter continues to be under investigation; or

5 (6) the office of inspector general determines that a  
6 full or partial payment hold is not in the best interests of  
7 Medicaid.

8 (e) Unless the office of inspector general has evidence that  
9 a provider materially misrepresented documentation relating to  
10 medically necessary services, the office of inspector general may  
11 not impose a payment hold on claims for reimbursement the provider  
12 submits for those services if the provider obtained prior  
13 authorization from the commission or a commission contractor.  
14 (Gov. Code, Secs. 531.102(g)(2) (part), (7-a), (8), (9).)

15 Sec. 544.0302. NOTICE. (a) The office of inspector general  
16 shall notify a provider of a payment hold imposed under Section  
17 544.0301(a) in accordance with 42 C.F.R. Section 455.23(b) and,  
18 except as provided by that regulation, not later than the fifth day  
19 after the date the office imposes the payment hold.

20 (b) In addition to the requirements of 42 C.F.R. Section  
21 455.23(b), the payment hold notice must also include:

22 (1) the specific basis for the hold, including:

23 (A) the claims supporting the allegation at that  
24 point in the investigation;

25 (B) a representative sample of any documents that  
26 form the basis for the hold; and

27 (C) a detailed summary of the office of inspector

1 general's evidence relating to the allegation;

2 (2) a description of administrative and judicial due  
3 process rights and remedies, including:

4 (A) the provider's option to seek informal  
5 resolution;

6 (B) the provider's right to seek a formal  
7 administrative appeal hearing; or

8 (C) the provider's ability to seek both an  
9 informal resolution and a formal administrative appeal hearing; and

10 (3) a detailed timeline for the provider to pursue the  
11 rights and remedies described in Subdivision (2). (Gov. Code, Sec.  
12 531.102(g)(2) (part).)

13 Sec. 544.0303. EXPEDITED ADMINISTRATIVE HEARING. (a) A  
14 provider subject to a payment hold imposed under Section  
15 544.0301(a), other than a hold this state's Medicaid fraud control  
16 unit requested, must request an expedited administrative hearing  
17 not later than the 10th day after the date the provider receives  
18 notice of the hold from the office of inspector general under  
19 Section 544.0302.

20 (b) On a provider's timely written request, the office of  
21 inspector general shall, not later than the third day after the date  
22 the office of inspector general receives the request, file a  
23 request with the State Office of Administrative Hearings for an  
24 expedited administrative hearing regarding the payment hold for  
25 which the provider submitted the request.

26 (c) Not later than the 45th day after the date the State  
27 Office of Administrative Hearings receives a request from the

1 office of inspector general for an expedited administrative  
2 hearing, the State Office of Administrative Hearings shall hold the  
3 hearing.

4 (d) In an expedited administrative hearing held under this  
5 section:

6 (1) the provider and the office of inspector general  
7 are each limited to four hours of testimony, excluding time for  
8 responding to questions from the administrative law judge;

9 (2) the provider and the office of inspector general  
10 are each entitled to two continuances under reasonable  
11 circumstances; and

12 (3) the office of inspector general is required to  
13 show probable cause that:

14 (A) the credible allegation of fraud that is the  
15 basis of the imposed payment hold has an indicia of reliability; and

16 (B) continuing to pay the provider presents an  
17 ongoing significant financial risk to this state and a threat to the  
18 integrity of Medicaid.

19 (e) The office of inspector general is responsible for the  
20 costs of the expedited administrative hearing, but a provider is  
21 responsible for the provider's own costs incurred in preparing for  
22 the hearing.

23 (f) In the expedited administrative hearing, the  
24 administrative law judge shall decide whether the payment hold  
25 should continue but may not adjust the amount or percent of the  
26 payment hold.

27 (g) Notwithstanding any other law, including Section

1 2001.058(e), the administrative law judge's decision in the  
2 expedited administrative hearing is final and may not be appealed.  
3 (Gov. Code, Secs. 531.102(g)(3), (4), (5).)

4 Sec. 544.0304. INFORMAL RESOLUTION. (a) The executive  
5 commissioner, in consultation with the office of inspector general,  
6 shall adopt rules that allow a provider subject to a payment hold  
7 imposed under Section 544.0301(a), other than a hold this state's  
8 Medicaid fraud control unit requested, to seek an informal  
9 resolution of the issues the office identifies in the notice  
10 provided under Section 544.0302.

11 (b) A provider must request an initial informal resolution  
12 meeting under this section not later than the deadline prescribed  
13 by Section 544.0303(a) for requesting an expedited administrative  
14 hearing.

15 (c) On receipt of a timely request, the office of inspector  
16 general shall:

17 (1) decide whether to grant the provider's request for  
18 an initial informal resolution meeting; and

19 (2) if the office decides to grant the request,  
20 schedule the initial informal resolution meeting and give notice to  
21 the provider of the time and place of the meeting.

22 (d) A provider may request a second informal resolution  
23 meeting after the date of an initial informal resolution meeting.  
24 On receipt of a timely request, the office of inspector general  
25 shall:

26 (1) decide whether to grant the provider's request for  
27 a second informal resolution meeting; and

1 (2) if the office decides to grant the request,  
2 schedule the second informal resolution meeting and give notice to  
3 the provider of the time and place of the second meeting.

4 (e) Before a second informal resolution meeting is held, a  
5 provider must have an opportunity to provide additional information  
6 for the office of inspector general to consider.

7 (f) A provider's decision to seek an informal resolution  
8 under this section does not extend the time by which the provider  
9 must request an expedited administrative hearing under Section  
10 544.0303(a). The informal resolution process shall run  
11 concurrently with the administrative hearing process, and the  
12 informal resolution process shall be discontinued when the State  
13 Office of Administrative Hearings issues a final determination on  
14 the payment hold. (Gov. Code, Sec. 531.102(g)(6).)

15 Sec. 544.0305. WEBSITE POSTING. The office of inspector  
16 general shall post on the office's publicly available Internet  
17 website a description in plain English of, and a video explaining,  
18 the processes and procedures the office uses to determine whether  
19 to impose a payment hold on a provider under this subchapter. (Gov.  
20 Code, Sec. 531.119.)

21 SUBCHAPTER H. MANAGED CARE ORGANIZATION PREVENTION AND  
22 INVESTIGATION OF FRAUD AND ABUSE

23 Sec. 544.0351. APPLICABILITY OF SUBCHAPTER. This  
24 subchapter applies only to a managed care organization that  
25 provides or arranges for the provision of health care services to an

8 applicable, and service providers; or

9           (2) contract with another entity to investigate  
10 fraudulent claims and other types of program abuse by recipients or  
11 enrollees, as applicable, and service providers.

12           (b) A managed care organization that contracts for the  
13 investigation of fraudulent claims and other types of program abuse  
14 by recipients or enrollees, as applicable, and service providers  
15 under Subsection (a)(2) shall file with the office of inspector  
16 general:

17           (1) a copy of the written contract;

18           (2) the names, addresses, telephone numbers, and fax  
19 numbers of the principals of the entity with which the organization  
20 contracts; and

21           (3) a description of the qualifications of the  
22 principals of the entity with which the organization contracts.

23 (Gov. Code, Secs. 531.113(a) (part), (c).)

24           Sec. 544.0353. FRAUD AND ABUSE PREVENTION PLAN. (a) A  
25 managed care organization to which this subchapter applies shall:

26           (1) adopt a plan to prevent and reduce fraud and abuse;

27 and

1           (2) annually file the plan with the office of  
2 inspector general for approval.

3           (b) The plan must include:

4           (1) a description of the organization's procedures  
5 for:

6                   (A) detecting and investigating possible acts of  
7 fraud or abuse;

8                   (B) mandatory reporting of possible acts of fraud  
9 or abuse to the office of inspector general; and

10                   (C) educating and training personnel to prevent  
11 fraud and abuse;

12           (2) the name, address, telephone number, and fax  
13 number of the individual responsible for carrying out the plan;

14           (3) a description or chart outlining the

22           (5) provisions for maintaining the confidentiality of  
23 any patient information relevant to a fraud or abuse investigation.  
24 (Gov. Code, Sec. 531.113(b).)

25           Sec. 544.0354. ASSISTANCE AND OVERSIGHT BY OFFICE OF  
26 INSPECTOR GENERAL. (a) The office of inspector general may review  
27 the records of a managed care organization to which this subchapter

1 applies to determine compliance with this subchapter.

2 (b) The office of inspector general, in consultation with  
3 the commission, shall:

4 (1) investigate, including by means of regular audits,  
5 possible fraud, waste, and abuse by managed care organizations to  
6 which this subchapter applies;

7 (2) establish requirements for providing training to  
8 and regular oversight of special investigative units established by  
9 managed care organizations under Section 544.0352(a)(1) and  
10 entities with which managed care organizations contract under  
11 Section 544.0352(a)(2);

12 (3) establish requirements for approving plans to  
13 prevent and reduce fraud and abuse that managed care organizations  
14 adopt under Section 544.0353;

20 discovering or investigating fraud, waste, and abuse; and

24 and abuse by service providers, recipients, and enrollees. (Gov.  
25 Code, Secs. 531.113(d), (d-1).)

26 Sec. 544.0355. RULES. (a) The executive commissioner, in  
27 consultation with the office of inspector general, shall adopt

1 rules as necessary to accomplish the purposes of this subchapter,  
2 including rules defining the investigative role of the office with

6 contract under Section 544.0352(a)(2).

7 (b) The rules must specify the office of inspector general's  
8 role in:

10 units and contracted entities;

11 (2) investigating cases in which the overpayment  
12 amount sought to be recovered exceeds \$100,000; and

13 (3) investigating providers who are enrolled in more  
14 than one managed care organization. (Gov. Code, Sec. 531.113(e).)

15 SUBCHAPTER I. FINANCIAL ASSISTANCE FRAUD

16 Sec. 544.0401. DEFINITION. In this subchapter, "financial

22 eligibility of an individual and the individual's family for  
23 financial assistance or to increase or prevent a reduction in the  
24 amount of that assistance, an individual may not intentionally:

5 that an individual violated Section 544.0402, the commission shall:

6           (1) notify the individual of the alleged violation not  
7 later than the 30th day after the date the commission completes the

13 FOLLOWING VIOLATION; RIGHT TO APPEAL. (a) An individual is not  
14 eligible to receive financial assistance as provided by Subsection  
15 (b) if the individual waives the right to a hearing or a hearing  
16 officer at an administrative hearing held under this subchapter  
17 determines that the individual violated Section 544.0402. An  
18 individual who a hearing officer determines violated Section  
19 544.0402 may appeal that determination by filing a petition in the  
20 district court in the county in which the violation occurred not  
21 later than the 30th day after the date the hearing officer makes the  
22 determination.

23           (b) An individual determined under Subsection (a) to have  
24 violated Section 544.0402 is not eligible for financial assistance:

25           (1) before the first anniversary of the date of that  
26 determination if the individual has no previous violations; and

27           (2) permanently if the individual was previously

1 determined to have committed a violation.

2 (c) An individual who is convicted of a state or federal  
3 offense for conduct described by Section 544.0402 or who is granted  
4 deferred adjudication or placed on community supervision for that  
5 conduct is permanently disqualified from receiving financial  
6 assistance. (Gov. Code, Secs. 531.114(c), (d), (e).)

7 Sec. 544.0405. HOUSEHOLD ELIGIBILITY FOR FINANCIAL  
8 ASSISTANCE NOT AFFECTED. This subchapter does not affect the  
9 eligibility for financial assistance of any other member of the  
10 household of an individual who is ineligible as a result of Section  
11 544.0404(b) or (c). (Gov. Code, Sec. 531.114(f).)

12 Sec. 544.0406. RULES. The executive commissioner shall  
13 adopt rules as necessary to implement this subchapter. (Gov. Code,  
14 Sec. 531.114(g).)

15 SUBCHAPTER J. USE OF TECHNOLOGY TO DETECT, INVESTIGATE, AND  
16 PREVENT FRAUD, ABUSE, AND OVERCHARGES

17 Sec. 544.0451. LEARNING, NEURAL NETWORK, OR OTHER  
18 TECHNOLOGY RELATING TO MEDICAID. (a) The commission shall:

19 (1) use learning, neural network, or other technology  
20 to identify and deter Medicaid fraud throughout this state; and

21 (2) require each health and human services agency that  
22 performs any part of Medicaid to participate in implementing and  
23 using the technology.

24 (b) The commission shall contract with a private or public  
25 entity to develop and implement the technology. The commission may  
26 require the contracted entity to install and operate the technology  
27 at locations the commission specifies, including commission

1 offices.

2 (c) The commission shall maintain all information necessary  
3 to apply the technology to claims data covering a period of at least  
4 two years. The data used for data processing shall be maintained as  
5 an independent subset for security purposes.

6 (d) The commission shall refer cases the technology  
7 identifies to the office of inspector general or the office of the  
8 attorney general, as appropriate.

9 (e) Each month, the technology must match vital statistics  
10 unit death records with Medicaid claims filed by a provider. If the  
11 commission determines that a provider filed a claim for services  
12 provided to an individual after the individual's date of death, as  
13 determined by the vital statistics unit death records, the  
14 commission shall refer the case to the office of inspector general  
15 for investigation. (Gov. Code, Sec. 531.106.)

16 Sec. 544.0452. MEDICAID FRAUD INVESTIGATION TRACKING  
17 SYSTEM. (a) The commission shall use an automated fraud  
18 investigation tracking system through the office of inspector  
19 general to monitor the progress of an investigation of suspected  
20 fraud, abuse, or insufficient quality of care in Medicaid.

21 (b) For each case of suspected fraud, abuse, or insufficient  
22 quality of care the technology required under Section 544.0451  
23 identifies, the automated fraud investigation tracking system  
24 must:

25 (1) receive from the technology electronically  
26 transferred records relating to the case;

27 (2) record the details and monitor the status of an

1 investigation of the case, including maintaining a record of the  
2 beginning and completion dates for each phase of the case  
3 investigation;

4 (3) generate documents and reports related to the  
5 status of the case investigation; and

6 (4) generate standard letters to a provider regarding  
7 the status or outcome of an investigation.

8 (c) The commission shall require each health and human  
9 services agency that performs any part of Medicaid to participate  
10 in implementing and using the automated fraud investigation  
11 tracking system. (Gov. Code, Sec. 531.1061.)

12 Sec. 544.0453. MEDICAID FRAUD DETECTION TECHNOLOGY. The  
13 commission may contract with a contractor who specializes in  
14 developing technology capable of identifying fraud patterns  
15 exhibited by Medicaid recipients to:

16 (1) develop and implement the fraud detection  
17 technology; and

18 (2) determine whether a fraud pattern by Medicaid  
19 recipients is present in the recipients' eligibility files the  
20 commission maintains. (Gov. Code, Sec. 531.111.)

21 Sec. 544.0454. DATA MATCHING AGAINST FEDERAL FELON LIST.  
22 The commission shall develop and implement a system to  
23 cross-reference the list of fugitive felons the federal government  
24 maintains with data collected for the following programs:

25 (1) the child health plan program;

26 (2) the financial assistance program under Chapter 31,  
27 Human Resources Code;

- 1           (3) Medicaid;
- 2           (4) nutritional assistance programs under Chapter 33,
- 3 Human Resources Code;
- 4           (5) long-term care services, as defined by Section
- 5 22.0011, Human Resources Code;
- 6           (6) community-based support services identified or
- 7 provided in accordance with Subchapter D, Chapter 546; and
- 8           (7) other health and human services programs, as
- 9 appropriate. (Gov. Code, Sec. 531.115.)

10           Sec. 544.0455. ELECTRONIC DATA MATCHING. (a) In this

11 section, "public assistance program" includes:

- 12           (1) Medicaid;
- 13           (2) the financial assistance program under Chapter 31,
- 14 Human Resources Code; and
- 15           (3) a nutritional assistance program under Chapter 33,
- 16 Human Resources Code, including the supplemental nutrition
- 17 assistance program under that chapter.

18           (b) At least quarterly, the commission shall conduct

19 electronic data matches for a recipient of public assistance

20 program benefits to verify the identity, income, employment status,

21 and other factors that affect the recipient's eligibility. To

22 verify a recipient's eligibility, the electronic data matching must

23 match information the recipient provided with information

24 contained in databases appropriate federal and state agencies

25 maintain.

26           (c) Health and human services agencies shall cooperate with

27 the commission by providing data or any other assistance necessary

1 to conduct the electronic data matches required by this section.

2 (d) The commission shall enter into a memorandum of  
3 understanding with each state agency from which data is required to  
4 conduct electronic data matches under this section and Section  
5 544.0456.

6 (e) The commission may contract with a public or private  
7 entity to conduct the electronic data matches required by this  
8 section.

9 (f) The executive commissioner shall establish procedures  
10 by which the commission or a health and human services agency the  
11 commission designates verifies the electronic data matches the  
12 commission conducts under this section. Not later than the 20th day  
13 after the date an electronic data match is verified, the commission  
14 shall remove from eligibility a recipient who is determined to be  
15 ineligible for a public assistance program. (Gov. Code, Sec.  
16 531.110.)

17 Sec. 544.0456. METHODS TO REDUCE FRAUD, WASTE, AND ABUSE IN  
18 CERTAIN PUBLIC ASSISTANCE PROGRAMS. (a) In this section:

19 (1) "Financial assistance benefits" means monetary  
20 payments under:

21 (A) the federal Temporary Assistance for Needy  
22 Families program operated under Chapter 31, Human Resources Code;  
23 or

24 (B) this state's temporary assistance and  
25 support services program operated under Chapter 34, Human Resources  
26 Code.

27 (2) "Supplemental nutrition assistance benefits"

1 means monetary payments under the supplemental nutrition  
2 assistance program operated under Chapter 33, Human Resources Code.

3 (b) To the extent not otherwise provided by this subtitle or  
4 Title 2, Human Resources Code, and in accordance with this section,  
5 the commission shall develop and implement methods for reducing  
6 fraud, waste, and abuse in public assistance programs.

7 (c) On a monthly basis, the commission shall:

8 (1) conduct electronic data matches with the Texas  
9 Lottery Commission to determine whether a recipient of supplemental  
10 nutrition assistance benefits or a recipient's household member  
11 received reportable lottery winnings;

12 (2) use the database system developed under Section  
13 532.0201 to:

14 (A) match vital statistics unit death records  
15 with a list of individuals eligible for financial assistance or  
16 supplemental nutrition assistance benefits; and

17 (B) ensure that any individual receiving  
18 assistance under either program who is discovered to be deceased  
19 has the individual's eligibility for assistance promptly  
20 terminated; and

21 (3) review the out-of-state electronic benefit  
22 transfer card transactions a recipient of supplemental nutrition  
23 assistance benefits made to determine whether those transactions  
24 indicate a possible change in the recipient's residence.

25 (d) The commission shall immediately review a recipient's  
26 eligibility for public assistance benefits if the commission  
27 discovers information under this section that affects the

1 recipient's eligibility.

2 (e) A recipient presumptively commits a program violation  
3 if the recipient fails to disclose lottery winnings that are  
4 required to be reported to the commission under a public assistance  
5 program.

6 (f) The executive commissioner shall adopt rules necessary  
7 to implement this section. (Gov. Code, Sec. 531.1081.)

8 SUBCHAPTER K. RECOVERY AND RECOUPMENT IN CASES OF FRAUD, ABUSE, AND  
9 OVERCHARGES

10 Sec. 544.0501. RECOVERY MONITORING SYSTEM. (a) The  
11 commission shall use an automated recovery monitoring system to  
12 monitor the collections process for a settled case of fraud, abuse,  
13 or insufficient quality of care in Medicaid.

14 (b) The recovery monitoring system must:

15 (1) monitor the collection of funds resulting from  
16 settled cases, including by recording:

17 (A) monetary payments received from a provider  
18 who agreed to a monetary payment plan; and

19 (B) deductions taken through the recoupment  
20 program from subsequent Medicaid claims the provider filed; and

21 (2) provide immediate notice of a provider who:

22 (A) agreed to a monetary payment plan or to  
23 deductions through the recoupment program from subsequent Medicaid  
24 claims; and

25 (B) fails to comply with the settlement  
26 agreement, including by providing notice of a provider who:

27 (i) does not make a scheduled payment; or

1 (ii) pays less than a scheduled amount.

2 (Gov. Code, Sec. 531.1062.)

3 Sec. 544.0502. PAYMENT RECOVERY EFFORTS BY CERTAIN PERSONS;  
4 RETENTION OF RECOVERED AMOUNTS. (a) In this section, "contracted  
5 entity" means an entity with which a managed care organization  
6 contracts under Section 544.0352(a)(2).

7 (b) A managed care organization or the organization's  
8 contracted entity that discovers Medicaid or child health plan  
9 program fraud or abuse shall:

10 (1) immediately submit written notice to the office of  
11 inspector general and the office of the attorney general that:

12 (A) is in the form and manner the office of  
13 inspector general prescribes; and

14 (B) contains a detailed description of:

15 (i) the fraud or abuse; and

16 (ii) each payment made to a provider as a  
17 result of the fraud or abuse;

18 (2) subject to Subsection (c), begin payment recovery  
19 efforts; and

20 (3) ensure that any payment recovery efforts in which  
21 the organization engages are in accordance with rules the executive  
22 commissioner adopts.

23 (c) A managed care organization or the organization's  
24 contracted entity may not engage in payment recovery efforts if:

25 (1) the amount sought to be recovered under Subsection  
26 (b)(2) exceeds \$100,000; and

27 (2) not later than the 10th business day after the date

1 the organization or entity notifies the office of inspector general  
2 and the office of the attorney general under Subsection (b)(1), the  
3 organization or entity receives a notice from either office  
4 indicating that the organization or entity is not authorized to  
5 proceed with recovery efforts.

6 (d) A managed care organization may retain one-half of any  
7 money the organization or the organization's contracted entity  
8 recovers under Subsection (b)(2). The organization shall remit the  
9 remaining amount of recovered money to the office of inspector  
10 general for deposit to the credit of the general revenue fund.

11 (e) If the office of inspector general notifies a managed  
12 care organization in accordance with Subsection (c), proceeds with  
13 recovery efforts, and recovers all or part of the payments the  
14 organization identified as required by Subsection (b)(1), the  
15 organization is entitled to one-half of the amount recovered for  
16 each payment the organization identified after any applicable  
17 federal share is deducted. The organization may not receive more  
18 than one-half of the total amount recovered after any federal share  
19 is deducted.

20 (f) Notwithstanding this section, if the office of  
21 inspector general discovers Medicaid or child health plan program  
22 fraud, waste, or abuse in performing the office's duties, the  
23 office of inspector general may recover payments made to a provider  
24 as a result of the fraud, waste, or abuse as otherwise provided by  
25 this chapter. All payments the office of inspector general  
26 recovers under this subsection shall be deposited to the credit of  
27 the general revenue fund.

1 (g) The office of inspector general shall coordinate with  
2 appropriate managed care organizations to ensure that the office of  
3 inspector general and an organization or an organization's  
4 contracted entity do not both begin payment recovery efforts under  
5 this section for the same case of fraud, waste, or abuse.

6 (h) A managed care organization shall submit a quarterly  
7 report to the office of inspector general detailing the amount of  
8 money the organization recovered under Subsection (b)(2).

9 (i) The executive commissioner shall adopt rules necessary  
10 to implement this section, including rules establishing due process  
11 procedures that a managed care organization must follow when  
12 engaging in payment recovery efforts as provided by this section.  
13 In adopting the rules establishing due process procedures, the  
14 executive commissioner shall require that a managed care  
15 organization or an organization's contracted entity that engages in  
16 payment recovery efforts as provided by this section and Section  
17 544.0503 provide to a provider required to use electronic visit  
18 verification:

19 (1) written notice of the organization's intent to  
20 recoup overpayments in accordance with Section 544.0503; and

21 (2) at least 60 days to cure any defect in a claim  
22 before the organization may begin efforts to collect overpayments.

23 (Gov. Code, Sec. 531.1131.)

24 Sec. 544.0503. PROCESS FOR MANAGED CARE ORGANIZATIONS TO  
25 RECOUP OVERPAYMENTS RELATED TO ELECTRONIC VISIT VERIFICATION  
26 TRANSACTIONS. (a) The executive commissioner shall adopt rules  
27 that standardize the process by which a managed care organization

1 collects alleged overpayments that are made to a health care  
2 provider and discovered through an audit or investigation the  
3 organization conducts secondary to missing electronic visit  
4 verification information. The rules must require that the  
5 organization:

6 (1) provide written notice to a provider:

7 (A) of the organization's intent to recoup  
8 overpayments not later than the 30th day after the date an audit is  
9 complete;

10 (B) of the specific claims and electronic visit  
11 verification transactions that are the basis of the overpayment;

12 (C) of the process the provider should use to  
13 communicate with the organization to provide information about the  
14 electronic visit verification transactions;

15 (D) of the provider's option to seek an informal  
16 resolution of the alleged overpayment;

17 (E) of the process to appeal the determination  
18 that an overpayment was made; and

19 (F) if the provider intends to respond to the  
20 notice, that the provider must respond not later than the 30th day  
21 after the date the provider receives the notice; and

22 (2) limit the duration of audits to 24 months.

23 (b) Notwithstanding any other law, a managed care  
24 organization may not attempt to recover an overpayment described by  
25 Subsection (a) until the provider exhausts all rights to an appeal.  
26 (Gov. Code, Sec. 531.1135.)

27 Sec. 544.0504. RECOVERY AUDIT CONTRACTORS. To the extent

1 required under Section 1902(a)(42), Social Security Act (42 U.S.C.  
2 Section 1396a(a)(42)), the commission shall establish a program  
3 under which the commission contracts with one or more recovery  
4 audit contractors to identify Medicaid underpayments and  
5 overpayments and recover the overpayments. (Gov. Code, Sec.  
6 531.117.)

7 Sec. 544.0505. ANNUAL REPORT ON CERTAIN FRAUD AND ABUSE  
8 RECOVERIES. Not later than December 1 of each year, the commission  
9 shall prepare and submit to the legislature a report on the amount  
10 of money recovered during the preceding 12-month period as a result  
11 of investigations and recovery efforts made under Subchapter H and  
12 Section 544.0502 by special investigative units or entities with  
13 which a managed care organization contracts under Section  
14 544.0352(a)(2). The report must specify the amount of money each  
15 managed care organization retained under Section 544.0502(d).  
16 (Gov. Code, Sec. 531.1132.)

17 Sec. 544.0506. NOTICE AND INFORMAL RESOLUTION OF PROPOSED  
18 RECOUPMENT OF OVERPAYMENT OR DEBT. (a) The commission or the  
19 office of inspector general shall provide a provider with written  
20 notice of any proposed recoupment of an overpayment or debt and any  
21 damages or penalties relating to a proposed recoupment of an  
22 overpayment or debt arising out of a fraud or abuse investigation.  
23 The notice must include:

- 24 (1) the specific basis for the overpayment or debt;
- 25 (2) a description of facts and supporting evidence;
- 26 (3) a representative sample of any documents that form  
27 the basis for the overpayment or debt;

1 (4) the extrapolation methodology;

2 (5) information relating to the extrapolation  
3 methodology used as part of the investigation and the methods used  
4 to determine the overpayment or debt in sufficient detail so that  
5 the extrapolation results may be demonstrated to be statistically  
6 valid and are fully reproducible;

7 (6) the calculation of the overpayment or debt amount;

8 (7) the amount of damages and penalties, if  
9 applicable; and

10 (8) a description of administrative and judicial due  
11 process remedies, including the provider's option to seek informal  
12 resolution, the provider's right to seek a formal administrative  
13 appeal hearing, or that the provider may seek both.

14 (b) A provider may request an informal resolution meeting.  
15 On receipt of the request, the office of inspector general shall  
16 schedule the meeting and give notice to the provider of the time and  
17 place of the meeting. The informal resolution process shall run  
18 concurrently with the administrative hearing process, and the  
19 administrative hearing process may not be delayed on account of the  
20 informal resolution process.

21 (c) The commission shall provide the notice required by  
22 Subsection (a) to a provider that is a hospital not later than the  
23 90th day before the date the overpayment or debt that is the subject  
24 of the notice must be paid. (Gov. Code, Sec. 531.120.)

25 Sec. 544.0507. APPEAL OF DETERMINATION TO RECOUP  
26 OVERPAYMENT OR DEBT. (a) A provider must request an appeal under  
27 this section not later than the 30th day after the date the provider

1 is notified that the commission or the office of inspector general  
2 will seek to recover an overpayment or debt from the provider.

3 (b) On receipt of a timely written request by a provider who  
4 is the subject of a recoupment of overpayment or debt arising out of  
5 a fraud or abuse investigation, the office of inspector general  
6 shall file a docketing request with the State Office of  
7 Administrative Hearings or the commission's appeals division, as  
8 the provider requests, for an administrative hearing regarding the  
9 proposed recoupment amount and any associated damages or penalties.  
10 The office of inspector general shall file the docketing request  
11 not later than the 60th day after the date of the provider's request  
12 or not later than the 60th day after completing the informal  
13 resolution process, if applicable.

14 (c) The office of inspector general is responsible for the  
15 costs of an administrative hearing, but a provider is responsible  
16 for the provider's own costs incurred in preparing for the hearing.

17 (d) A provider who is the subject of a recoupment of  
18 overpayment or debt arising out of a fraud or abuse investigation  
19 may appeal a final administrative order issued after an  
20 administrative hearing by filing a petition for judicial review in  
21 a district court in Travis County. (Gov. Code, Sec. 531.1201.)

25 Sec. 545.0001. DEFINITIONS. In this subchapter:

26 (1) "Integrated system" means the integrated

27 eligibility determination and service delivery system that is

1 implemented under the integration plan.

2 (2) "Integration plan" means the plan to integrate  
3 services and functions relating to eligibility determination and  
4 service delivery required by Section 545.0002. (New.)

5 Sec. 545.0002. DEVELOPMENT AND IMPLEMENTATION OF  
6 INTEGRATION PLAN. (a) The commission, subject to the approval of  
7 the governor and the Legislative Budget Board, shall develop and  
8 implement a plan to integrate services and functions relating to  
9 eligibility determination and service delivery by health and human  
10 services agencies, the Texas Workforce Commission, and other  
11 agencies. The integration plan must include:

12 (1) a reengineering of eligibility determination  
13 business processes;

14 (2) streamlined service delivery;

15 (3) a unified and integrated process for the  
16 transition from welfare to work; and

17 (4) improved access to benefits and services for  
18 clients.

19 (b) In developing and implementing the integration plan,  
20 the commission:

21 (1) shall give priority to the design and development  
22 of computer hardware and software for and provide technical support  
23 relating to the integrated eligibility determination system;

24 (2) shall consult with agencies whose programs are  
25 included in the plan, including the Department of State Health  
26 Services and the Texas Workforce Commission; and

27 (3) may contract for appropriate professional and

1 technical assistance.

2 (c) The commission shall develop and implement the  
3 integrated system to achieve:

4 (1) increased quality of and client access to  
5 services; and

6 (2) savings in the cost of providing administrative  
7 and other services and staff as a result of streamlining and  
8 eliminating duplication of services. (Gov. Code, Secs. 531.191(a)  
9 (part), (b) (part).)

10 Sec. 545.0003. METHODS TO ADDRESS FRAUD AND ELIGIBILITY  
11 ERROR RATE. The commission shall examine cost-effective methods to  
12 address:

13 (1) fraud in assistance programs; and

14 (2) the error rate in eligibility determination.  
15 (Gov. Code, Sec. 531.191(c).)

16 Sec. 545.0004. CONTRACT FOR INTEGRATION PLAN  
17 IMPLEMENTATION. (a) On receipt by this state of any necessary  
18 federal approval and subject to the approval of the governor and the  
19 Legislative Budget Board, the commission may contract to implement  
20 all or part of the integration plan if the commission determines  
21 that contracting:

22 (1) may advance the objectives of Sections 545.0002  
23 and 545.0006(b); and

24 (2) meets the criteria set out in the cost-benefit  
25 analysis described by this section.

26 (b) Before awarding a contract, the commission shall  
27 provide to the governor and the Legislative Budget Board a detailed

1 cost-benefit analysis that demonstrates:

2 (1) the integration plan's cost-effectiveness;

3 (2) mechanisms for monitoring performance under the  
4 plan; and

5 (3) specific improvements the plan makes to the  
6 service delivery system and client access.

7 (c) The commission shall make the cost-benefit analysis  
8 described by Subsection (b) available to the public.

9 (d) On or before the 10th day after releasing a request for  
10 bids, proposals, offers, or other applicable expressions of  
11 interest relating to developing or implementing the integration  
12 plan, the commission shall hold a public hearing and receive public  
13 comment on the request. (Gov. Code, Sec. 531.191(d).)

14 Sec. 545.0005. USE OF OTHER AGENCIES' STAFF AND RESOURCES.

15 (a) The commission, in developing and implementing the integration  
16 plan, may use the staff and resources of agencies whose programs are  
17 included in the plan.

18 (b) The agencies whose programs are included in the  
19 integration plan shall cooperate with a commission request to  
20 provide available staff and resources that will be subject to the  
21 commission's direction. (Gov. Code, Secs. 531.191(a) (part), (e).)

22 Sec. 545.0006. FUNDING. (a) The design, development, and  
23 operation of an automated data processing system to support the  
24 integration plan may be financed through the issuance of bonds or  
25 other obligations under Chapter 1232.

26 (b) The commission, subject to any spending limitation  
27 prescribed in the General Appropriations Act, may use savings

1 described by Section 545.0002(c)(2) to further develop the  
2 integrated system and provide other health and human services.  
3 (Gov. Code, Secs. 531.191(b) (part), (f).)

4 SUBCHAPTER B. ADMINISTRATION OF CERTAIN PUBLIC ASSISTANCE BENEFITS  
5 PROGRAMS

6 Sec. 545.0051. CONSOLIDATED RECIPIENT IDENTIFICATION AND  
7 BENEFITS ISSUANCE METHOD. (a) If the commission determines that  
8 the implementation would be feasible and cost-effective, the  
9 commission may develop and implement a method to consolidate, to  
10 the extent possible, recipient identification and benefits  
11 issuance for the commission and health and human services agencies.

12 (b) The method may:

13 (1) provide for the use of a single integrated  
14 benefits issuance card or multiple cards capable of integrating  
15 benefits issuance or other program functions;

16 (2) incorporate a fingerprint image identifier to  
17 enable personal identity verification at a point of service and  
18 reduce fraud;

19 (3) enable immediate electronic verification of  
20 recipient eligibility; and

21 (4) replace multiple forms, cards, or other methods  
22 used for fraud reduction or provision of health and human services  
23 benefits, including:

24 (A) electronic benefits transfer cards; and

25 (B) smart cards used in Medicaid.

26 (c) In developing and implementing the method, the  
27 commission shall:

1           (1) to the extent possible, use industry-standard  
2 communication, messaging, and electronic benefits transfer  
3 protocols;

4           (2) ensure that all identifying and descriptive  
5 information of recipients of each health and human services program  
6 included in the method can be accessed only by a provider or other  
7 entity participating in the particular program;

8           (3) ensure that a provider or other entity  
9 participating in a health and human services program included in  
10 the method cannot identify whether a program recipient is receiving  
11 benefits under another program included in the method; and

12           (4) ensure that the storage and communication of all  
13 identifying and descriptive information included in the method  
14 comply with existing federal and state privacy laws governing  
15 individually identifiable information for recipients of public  
16 benefits programs. (Gov. Code, Sec. 531.091.)

17           Sec. 545.0052. EXPANSION OF BILLING COORDINATION AND  
18 INFORMATION COLLECTION ACTIVITIES. (a) If cost-effective, the  
19 commission may:

20           (1) contract to expand all or part of the billing  
21 coordination system established under Section 532.0058 to process  
22 claims for services provided through other benefits programs the  
23 commission or a health and human services agency administers;

24           (2) expand any other billing coordination tools and  
25 resources used to process claims for health care services provided  
26 through Medicaid to process claims for services provided through  
27 other benefits programs the commission or a health and human

1 services agency administers; and

2 (3) expand the scope of individuals about whom  
3 information is collected under Section 32.042, Human Resources  
4 Code, to include recipients of services provided through other  
5 benefits programs the commission or a health and human services  
6 agency administers.

7 (b) Notwithstanding any other state law, each health and  
8 human services agency shall provide the commission with information  
9 necessary to allow the commission or the commission's designee to  
10 perform the billing coordination and information collection  
11 activities authorized by this section. (Gov. Code, Sec.  
12 531.024131.)

13 Sec. 545.0053. SERVICE DELIVERY AREA ALIGNMENT.  
14 Notwithstanding Section 540.0701(d) or any other law and to the  
15 extent possible, the commission shall align Medicaid and the child  
16 health plan program service delivery areas. (Gov. Code, Sec.  
17 531.024115.)

18 Sec. 545.0054. PROGRAM TO IMPROVE AND MONITOR CERTAIN  
19 OUTCOMES OF MEDICAID RECIPIENTS AND CHILD HEALTH PLAN PROGRAM  
20 ENROLLEES. The commission may design and implement a program to  
21 improve and monitor clinical and functional outcomes of a Medicaid  
22 recipient or child health plan program enrollee. The program may  
23 use financial, clinical, and other criteria based on pharmacy,  
24 medical services, and other claims data related to Medicaid or the  
25 child health plan program. (Gov. Code, Sec. 531.067.)

26 Sec. 545.0055. MINIMUM COLLECTION GOAL FOR RECOVERY OF  
27 CERTAIN BENEFITS. (a) Not later than August 30 of each year, the

1 executive commissioner by rule shall set a minimum goal for the  
2 commission specifying the percentage of the amount of benefits the  
3 commission granted in error under the supplemental nutrition  
4 assistance program under Chapter 33, Human Resources Code, or the  
5 financial assistance program under Chapter 31, Human Resources  
6 Code, that the commission should recover. The executive  
7 commissioner shall set the percentage based on:

8 (1) comparable recovery rates other states reported;

9 or

10 (2) other appropriate factors the executive  
11 commissioner identifies.

12 (b) If the commission fails to meet the goal set under  
13 Subsection (a) for the fiscal year, the executive commissioner  
14 shall notify the comptroller, and the comptroller shall reduce the  
15 commission's general revenue appropriation by an amount equal to  
16 the difference between the amount of state funds the commission  
17 would have collected had the commission met the goal and the amount  
18 of state funds the commission actually collected.

19 (c) The executive commissioner, the governor, and the  
20 Legislative Budget Board shall monitor the commission's  
21 performance in meeting the goal set under Subsection (a). The  
22 commission shall cooperate by providing to the governor and the  
23 Legislative Budget Board, on request, information concerning the  
24 commission's collection efforts. (Gov. Code, Sec. 531.050.)

25 Sec. 545.0056. DISTRIBUTION OF EARNED INCOME TAX CREDIT  
26 INFORMATION. (a) The commission shall ensure that educational  
27 materials relating to the federal earned income tax credit are

1 provided in accordance with this section to each individual  
2 receiving assistance or benefits under:

3 (1) the child health plan program;

4 (2) the financial assistance program under Chapter 31,  
5 Human Resources Code;

6 (3) Medicaid;

7 (4) the supplemental nutrition assistance program  
8 under Chapter 33, Human Resources Code; or

9 (5) another appropriate health and human services  
10 program.

11 (b) In accordance with Section 526.0002, the commission  
12 shall, by mail or through the Internet, provide an individual  
13 described by Subsection (a) with access to:

14 (1) Internal Revenue Service publications relating to  
15 the federal earned income tax credit or information the comptroller  
16 prepares under Section 403.025 relating to that credit;

17 (2) federal income tax forms necessary to claim the  
18 federal earned income tax credit; and

19 (3) where feasible, the location of at least one  
20 program that:

21 (A) is in close geographic proximity to the  
22 individual; and

23 (B) provides free federal income tax preparation  
24 services to low-income and other eligible persons.

25 (c) In January of each year, the commission or a commission  
26 representative shall mail to each individual described by  
27 Subsection (a) information about the federal earned income tax

1           (2) the process by which and time frame within which  
2 the information must be provided; and

3           (3) the roles and responsibilities of all parties to  
4 the memorandum, including a requirement that the commission pursue  
5 the actions necessary to complete eligibility applications.

6           (c) The memorandum of understanding must be tailored to:

7           (1) achieve the goal of ensuring that an individual  
8 described by Subsection (a) who the commission determines is  
9 eligible for Medicaid or the child health plan program:

10           (A) is enrolled in the program for which the  
11 individual is eligible; and

12           (B) may begin receiving services through the  
13 program as soon as possible after the eligibility determination is  
14 made; and

15           (2) if possible, achieve the goal of ensuring that the  
16 individual may begin receiving services through the program on the  
17 date of the individual's release from commitment, placement, or  
18 detention.

19           (d) The executive commissioner may adopt rules as necessary  
20 to implement this section. (Gov. Code, Sec. 531.02418.)

21           Sec. 545.0102. VERIFICATION OF IMMIGRATION STATUS OF  
22 CERTAIN APPLICANTS FOR PUBLIC ASSISTANCE BENEFITS. (a) This  
23 section applies only with respect to the following benefits  
24 programs:

25           (1) the child health plan program under Chapter 62,  
26 Health and Safety Code;

27           (2) the financial assistance program under Chapter 31,

1 Human Resources Code;

2 (3) Medicaid; and

3 (4) the supplemental nutrition assistance program  
4 under Chapter 33, Human Resources Code.

5 (b) If an individual states at the time of application for  
6 benefits under a program to which this section applies that the  
7 individual is a qualified alien, as that term is defined by 8 U.S.C.  
8 Section 1641(b), the commission shall, to the extent allowed by  
9 federal law, verify information regarding the individual's  
10 immigration status using an automated system where available.

11 (c) The executive commissioner shall adopt rules necessary  
12 to implement this section.

13 (d) Nothing in this section adds to or changes the  
14 eligibility requirements for a benefits program to which this  
15 section applies. (Gov. Code, Sec. 531.024181.)

16 Sec. 545.0103. VERIFICATION OF SPONSORSHIP INFORMATION FOR  
17 CERTAIN BENEFITS RECIPIENTS OR ENROLLEES; REIMBURSEMENT. (a) In  
18 this section, "sponsored alien" means an individual who:

19 (1) has been lawfully admitted to the United States  
20 for permanent residence under the Immigration and Nationality Act  
21 (8 U.S.C. Section 1101 et seq.); and

22 (2) as a condition of that admission, was sponsored by  
23 another individual who executed an affidavit of support on the  
24 lawfully admitted individual's behalf.

25 (b) This section applies only with respect to the following  
26 benefits programs:

27 (1) the child health plan program under Chapter 62,

1 Health and Safety Code;

2 (2) the financial assistance program under Chapter 31,  
3 Human Resources Code;

4 (3) Medicaid; and

5 (4) the supplemental nutrition assistance program  
6 under Chapter 33, Human Resources Code.

7 (c) If an individual states at the time of application for  
8 benefits under a program to which this section applies that the  
9 individual is a sponsored alien, the commission:

10 (1) shall make a reasonable effort to notify the  
11 individual that the commission may seek reimbursement from the  
12 individual's sponsor for any program benefits the individual  
13 receives; and

14 (2) may, to the extent allowed by federal law and using  
15 an automated system where available, verify information relating to  
16 the sponsorship after the individual is determined eligible for and  
17 begins receiving program benefits.

18 (d) If the commission verifies that an individual who  
19 receives benefits under a program to which this section applies is a  
20 sponsored alien and determines that seeking reimbursement is  
21 cost-effective, the commission may seek reimbursement from the  
22 individual's sponsor for the program benefits provided to the  
23 individual to the extent allowed by federal law.

24 (e) The executive commissioner shall adopt rules necessary  
25 to implement this section, including rules that specify the most  
26 cost-effective procedures by which the commission may seek  
27 reimbursement under Subsection (d).

1 (f) Nothing in this section adds to or changes the  
2 eligibility requirements for a benefits program to which this  
3 section applies. (Gov. Code, Sec. 531.024182.)

4 Sec. 545.0104. CALL CENTERS. (a) If cost-effective, the  
5 executive commissioner by rule shall establish at least one but not  
6 more than four call centers to determine and certify or recertify an  
7 individual's eligibility and need for services related to the  
8 following programs:

9 (1) the child health plan program;

10 (2) the financial assistance program under Chapter 31,  
11 Human Resources Code;

12 (3) Medicaid;

13 (4) nutritional assistance programs under Chapter 33,  
14 Human Resources Code;

15 (5) long-term care services, as defined by Section  
16 22.0011, Human Resources Code;

17 (6) community-based support services identified or  
18 provided in accordance with Subchapter D, Chapter 546; and

19 (7) other health and human services programs, as  
20 appropriate.

21 (b) The commission shall contract with at least one but not  
22 more than four private entities to operate the call centers unless  
23 the commission determines that contracting would not be  
24 cost-effective.

25 (c) Each call center:

26 (1) must be located in this state, except that this  
27 subdivision does not prohibit a call center located in this state

1 from processing overflow calls through a center located in another  
2 state; and

3 (2) shall provide translation services as required by  
4 federal law for consumers who are unable to speak, hear, or  
5 comprehend the English language.

6 (d) The commission shall develop consumer service and  
7 performance standards for the operation of each call center and  
8 make those standards available to the public. The standards must  
9 address a call center's:

10 (1) ability to serve consumers in a timely manner,  
11 including consideration of:

12 (A) consumers' ability to access the call center;

13 (B) whether the call center has toll-free  
14 telephone access;

15 (C) the average amount of time a consumer spends  
16 on hold;

17 (D) the frequency of call transfers;

18 (E) whether a consumer is able to communicate  
19 with a live individual at the call center; and

20 (F) whether the call center makes mail  
21 correspondence available;

22 (2) staff, including employee courtesy, friendliness,  
23 training, and knowledge about the programs listed under Subsection  
24 (a); and

25 (3) complaint handling procedures, including:

26 (A) the level of difficulty involved in filing a  
27 complaint; and

1 (B) whether the call center's complaint  
2 responses are timely.

3 (e) The commission shall develop:

4 (1) mechanisms for measuring consumer service  
5 satisfaction; and

6 (2) performance measures to evaluate whether each call  
7 center meets the standards the commission develops under Subsection  
8 (d).

9 (f) The commission may inspect a call center and analyze the  
10 call center's consumer service performance through a consumer  
11 service evaluator posing as a consumer.

12 (g) Notwithstanding Subsection (a), the executive  
13 commissioner shall develop and implement policies that provide an  
14 applicant for services related to a program listed under Subsection  
15 (a) with an opportunity to appear in person to establish initial  
16 eligibility or comply with periodic eligibility recertification  
17 requirements if the applicant requests a personal interview. In  
18 implementing the policies, the commission shall maintain offices to  
19 serve applicants who request a personal interview. This subsection  
20 does not affect a law or rule that requires an applicant to appear  
21 in person to establish initial eligibility or comply with periodic  
22 eligibility recertification requirements. (Gov. Code, Sec.  
23 531.063.)

24 SUBCHAPTER D. ADMINISTRATIVE AND JUDICIAL REVIEW OF CERTAIN PUBLIC  
25 ASSISTANCE BENEFITS DECISIONS

26 Sec. 545.0151. DEFINITION. In this subchapter, "public  
27 assistance benefits" means benefits provided under a public

1 assistance program under Chapter 31, 32, or 33, Human Resources  
2 Code. (Gov. Code, Sec. 531.019(a).)

3       Sec. 545.0152. ELECTRONIC RECORDING OF HEARING. A hearing  
4 conducted by the commission, or by a health and human services  
5 agency to which the commission delegates a function related to  
6 public assistance benefits, that relates to a decision regarding  
7 public assistance benefits that is contested by an applicant for or  
8 recipient of the benefits must be recorded electronically. (Gov.  
9 Code, Sec. 531.019(b) (part).)

10       Sec. 545.0153. ADMINISTRATIVE REVIEW. (a) Before an  
11 applicant for or recipient of public assistance benefits may appeal  
12 a decision of a hearing officer for the commission or a health and  
13 human services agency related to those benefits and in accordance  
14 with rules of the executive commissioner, the applicant or  
15 recipient must request an administrative review by an appropriate  
16 attorney of the commission or a health and human services agency, as  
17 applicable.

18       (b) Not later than the 15th business day after the date the  
19 appropriate attorney described by Subsection (a) receives the  
20 request for administrative review, the attorney shall:

21             (1) complete an administrative review of the decision;  
22 and

23             (2) notify the applicant or recipient in writing of  
24 the results of that review. (Gov. Code, Sec. 531.019(c).)

25       Sec. 545.0154. JUDICIAL REVIEW. (a) An appeal of a  
26 decision made by a hearing officer for the commission or a health  
27 and human services agency related to public assistance benefits

1 brought by an applicant for or recipient of the benefits:

2 (1) is governed by Subchapters G and H, Chapter 2001,  
3 except as provided by this subchapter; and

4 (2) takes precedence over all civil cases except  
5 workers' compensation and unemployment compensation cases.

6 (b) For purposes of Section 2001.171, an applicant for or  
7 recipient of public assistance benefits has exhausted all available  
8 administrative remedies and a decision, including a decision under  
9 Section 31.034 or 32.035, Human Resources Code, is final and  
10 appealable on the date that, after a hearing:

11 (1) the hearing officer for the commission or a health  
12 and human services agency reaches a final decision related to the  
13 benefits; and

14 (2) the appropriate attorney completes an  
15 administrative review of the decision and notifies the applicant or  
16 recipient in writing of the results of that review.

17 (c) For purposes of Section 2001.171, an applicant for or  
18 recipient of public assistance benefits is not required to file a  
19 motion for rehearing with the commission or a health and human  
20 services agency, as applicable.

21 (d) Notwithstanding Section 2001.177, the cost of preparing  
22 the record and transcript of a hearing described by Section

2 court in Travis County, as provided by Subchapter G, Chapter 2001;  
3 and

4           (2) under the substantial evidence rule.

6 531.019(b) (part), (d), (e), (f), (g), (h), (i).)

7 SUBCHAPTER E. CERTAIN PUBLIC ASSISTANCE BENEFITS PROGRAM PROVIDERS

8           Sec. 545.0201. COMPLIANCE WITH SOLICITATION PROHIBITIONS.

9           (a) In this section, "furnish" and "provider" have the meanings  
10 assigned by Section 544.0001.

11           (b) A provider who furnishes Medicaid or child health plan  
12 program services is subject to Chapter 102, Occupations Code. The  
13 provider's compliance with that chapter is a condition of the  
14 provider's eligibility to participate as a provider under those  
15 programs. (Gov. Code, Sec. 531.116; New.)

16           Sec. 545.0202. MARKETING ACTIVITIES BY MEDICAID OR CHILD

22 engaging in the dissemination of material or another attempt to  
23 communicate, that:

25 Medicaid recipient or a parent whose child is a Medicaid recipient  
26 or child health plan program enrollee, including by:

27           (A) door-to-door solicitation;

1 (B) solicitation at a child-care facility or  
2 other type of facility;

3 (C) direct mail; or

4 (D) telephone;

5 (2) is directed at an individual solely because the  
6 individual is a Medicaid recipient or is a parent of a child who is a  
7 Medicaid recipient or child health plan program enrollee; and

8 (3) is intended to influence the Medicaid recipient's  
9 or parent's choice of provider.

10 (b) A provider participating in the network of a managed  
11 care organization that contracts with the commission to provide  
12 services under Medicaid or the child health plan program must  
13 comply with the marketing guidelines the commission establishes  
14 under Section 540.0055.

15 (c) Nothing in this section prohibits:

16 (1) a Medicaid or child health plan program provider  
17 from:

18 (A) engaging in a marketing activity, including  
19 engaging in the dissemination of material or another attempt to  
20 communicate, that is intended to influence the choice of provider  
21 by a Medicaid recipient or a parent whose child is a Medicaid  
22 recipient or child health plan program enrollee, if the marketing  
23 activity:

24 (i) is conducted at a community-sponsored  
25 educational event, health fair, outreach activity, or other similar  
26 community or nonprofit event in which the provider participates and  
27 does not involve unsolicited personal contact or promotion of the

1 provider's practice; or

2 (ii) involves only the general  
3 dissemination of information, including by television, radio,  
4 newspaper, or billboard advertisement, and does not involve  
5 unsolicited personal contact;

6 (B) as permitted under the provider's contract,  
7 engaging in the dissemination of material or another attempt to  
8 communicate with a Medicaid recipient or a parent whose child is a  
9 Medicaid recipient or child health plan program enrollee, including  
10 communication in person or by direct mail or telephone, to:

11 (i) provide an appointment reminder;

12 (ii) distribute promotional health  
13 materials;

14 (iii) provide information about the types  
15 of services the provider offers; or

16 (iv) coordinate patient care; or

17 (C) engaging in a marketing activity that the  
18 provider has submitted for review and for which the provider has  
19 received a notice of prior authorization under Subsection (d); or

20 (2) a STAR+PLUS Medicaid managed care program provider  
21 from, as permitted under the provider's contract, engaging in a  
22 marketing activity, including engaging in the dissemination of  
23 material or another attempt to communicate, that is intended to  
24 educate a Medicaid recipient about available long-term services and  
25 supports.

26 (d) The commission shall establish a process by which a  
27 provider may submit a proposed marketing activity for review and

1 prior authorization to ensure that the provider is in compliance  
2 with the requirements of this section and, if applicable, Section  
3 540.0055, or to determine whether the provider is exempt from a  
4 requirement of this section and, if applicable, Section 540.0055.  
5 The commission may grant or deny a provider's request for  
6 authorization to engage in a proposed marketing activity.

7 (e) The executive commissioner shall adopt rules as  
8 necessary to implement this section, including rules relating to  
9 provider marketing activities that are exempt from the requirements  
10 of this section and, if applicable, Section 540.0055. (Gov. Code,  
11 Sec. 531.02115.)

12 Sec. 545.0203. REIMBURSEMENT CLAIMS FOR CERTAIN MEDICAID OR  
13 CHILD HEALTH PLAN SERVICES INVOLVING SUPERVISED PROVIDERS. (a) In  
14 this section, "national provider identifier" means the national  
15 provider identifier required under Section 1128J(e), Social  
16 Security Act (42 U.S.C. Section 1320a-7k(e)).

17 (b) If a Medicaid or child health plan program provider,  
18 including a nurse practitioner or physician assistant, provides a  
19 referral or orders health care services for a Medicaid recipient or  
20 child health plan program enrollee at the direction or under the  
21 supervision of another provider and the referral or order is based  
22 on the supervised provider's evaluation of the recipient or  
23 enrollee, the names and associated national provider identifier  
24 numbers of the supervised provider and the supervising provider  
25 must be included on any claim for reimbursement a provider submits  
26 based on the referral or order.

27 (c) The executive commissioner shall adopt rules necessary

1 to implement this section. (Gov. Code, Sec. 531.024161.)

2           Sec. 545.0204. PARTICIPATION OF DIAGNOSTIC LABORATORY  
3 SERVICE PROVIDERS IN CERTAIN PROGRAMS. Notwithstanding any other  
4 law, a diagnostic laboratory may participate as an in-state  
5 provider under any program a health and human services agency or the  
6 commission administers that involves diagnostic laboratory  
7 services, regardless of the location where any specific service is  
8 performed or where the laboratory's facilities are located, if:

9           (1) the laboratory or an entity that is a parent,  
10 subsidiary, or other affiliate of the laboratory maintains  
11 diagnostic laboratory operations in this state;

12           (2) the laboratory and each entity that is a parent,  
13 subsidiary, or other affiliate of the laboratory collectively  
14 employ at least 1,000 individuals at places of employment located  
15 in this state;

16           (3) the laboratory is otherwise qualified to provide  
17 the services under the program; and

18           (4) the laboratory is not prohibited from  
19 participating as a provider under any benefits program a health and  
20 human services agency or the commission administers based on  
21 conduct that constitutes fraud, waste, or abuse. (Gov. Code, Sec.  
22 531.066.)

15 CHAPTER 546. LONG-TERM CARE AND SUPPORT OPTIONS FOR INDIVIDUALS  
16 WITH DISABILITIES AND ELDERLY INDIVIDUALS

17 SUBCHAPTER A. GENERAL PROVISIONS

18 Sec. 546.0001. DEFINITIONS. In this chapter:

19 (1) "ICF-IID" and "local intellectual and  
20 developmental disability authority" have the meanings assigned by  
21 Section 531.002, Health and Safety Code.

22 (2) "Recipient" means a Medicaid recipient. (New.)

23 Sec. 546.0002. LONG-TERM CARE PLAN; COORDINATION OF  
24 SERVICES. (a) In this section, "long-term care" means the  
25 provision of health care, personal care, and assistance related to  
26 health and social services over a sustained period to individuals  
27 of all ages and their families, regardless of the setting in which

1 the care is provided.

2 (b) In conjunction with appropriate state agencies, the  
3 executive commissioner shall develop a plan for access to  
4 individualized long-term care services for individuals with  
5 functional limitations or medical needs and their families that  
6 assists those individuals in achieving and maintaining the greatest  
7 possible independence, autonomy, and quality of life.

8 (c) The guiding principles and goals of the plan that focus  
9 on the individual and the individual's family must:

10 (1) recognize that it is the policy of this state that:

11 (A) children should grow up in families; and

12 (B) individuals with disabilities and elderly  
13 individuals should reside in the setting of their choice; and

14 (2) ensure that an individual needing assistance and  
15 the individual's family will have:

16 (A) the maximum possible control over their  
17 services;

18 (B) a choice of a broad, comprehensive array of  
19 services designed to meet individual needs; and

20 (C) the easiest possible access to appropriate  
21 care and support, regardless of the area of this state in which they  
22 reside.

23 (d) The guiding principles and goals of the plan that focus  
24 on services and delivery of those services by the state must:

25 (1) emphasize the development of home-based and  
26 community-based services and housing alternatives to complement  
27 the long-term care services already in existence;

1           (2) ensure that the services will be of the highest  
2 possible quality, with a minimum amount of regulation, structure,  
3 and complexity at the service level;

4           (3) recognize that maximum independence and autonomy  
5 represent major goals, and with those comes a certain degree of  
6 risk;

7           (4) maximize resources to the greatest extent  
8 possible, with the consumer receiving only the services that the  
9 consumer prefers and that are indicated by a functional needs  
10 assessment; and

11           (5) structure the service delivery system to support  
12 these goals, ensuring that any necessary system complexity is at  
13 the administrative level rather than at the client level.

14           (e) The commission shall coordinate state services to  
15 ensure that:

16           (1) the roles and responsibilities of agencies  
17 providing long-term care are clarified; and

18           (2) duplication of services and resources is  
19 minimized. (Gov. Code, Sec. 531.043.)

20           Sec. 546.0003. EMPLOYMENT-FIRST POLICY. (a) It is the  
21 policy of this state that earning a living wage through competitive  
22 employment in the general workforce is the priority and preferred  
23 outcome for working-age individuals with disabilities who receive  
24 public benefits.

25           (b) The commission, the Texas Education Agency, and the  
26 Texas Workforce Commission shall jointly adopt and implement an  
27 employment-first policy in accordance with the state's policy under

1 Subsection (a). The policy must:

2 (1) affirm that an individual with a disability is  
3 able to meet the same employment standards as an individual who does  
4 not have a disability;

5 (2) ensure that all working-age individuals with  
6 disabilities, including young adults, are offered factual  
7 information regarding employment as an individual with a  
8 disability, including the relationship between an individual's  
9 earned income and the individual's public benefits;

10 (3) ensure that individuals with disabilities are  
11 given the opportunity to understand and explore options for  
12 education or training, including postsecondary, graduate, and  
13 postgraduate education, vocational or technical training, or other  
14 training, as pathways to employment;

15 (4) promote the availability and accessibility of  
16 individualized training designed to prepare an individual with a  
17 disability for the individual's preferred employment;

18 (5) promote partnerships with employers to overcome  
19 barriers in meeting workforce needs with the creative use of  
20 technology and innovation;

21 (6) ensure that staff of public schools, vocational  
22 service programs, and community providers are supported and trained  
23 to assist in achieving the goal of competitive employment for all  
24 individuals with disabilities; and

25 (7) ensure that competitive employment, while being  
26 the priority and preferred outcome, is not required of an  
27 individual with a disability to secure or maintain public benefits

1 for which the individual is otherwise eligible. (Gov. Code, Sec.  
2 531.02447.)

3 Sec. 546.0004. LONG-TERM CARE INSURANCE AWARENESS AND  
4 EDUCATION CAMPAIGN. (a) The commission, in consultation with the  
5 Texas Department of Insurance, shall develop and implement a public  
6 awareness and education campaign designed to:

7 (1) educate the public on:

8 (A) the cost of long-term care, including the  
9 limits of Medicaid eligibility and the limits of Medicare benefits;  
10 and

11 (B) the value and availability of long-term care  
12 insurance; and

13 (2) encourage individuals to obtain long-term care  
14 insurance.

15 (b) The Texas Department of Insurance shall cooperate with  
16 and assist the commission in implementing the campaign.

17 (c) The commission may coordinate the implementation of the  
18 campaign with any other state outreach campaign or activity  
19 relating to long-term care issues. (Gov. Code, Sec. 531.0841.)

20 SUBCHAPTER B. CARE SETTINGS AND SERVICE AND SUPPORT OPTIONS

21 Sec. 546.0051. DEFINITIONS. In this subchapter:

22 (1) "General residential operation" has the meaning  
23 assigned by Section 42.002, Human Resources Code.

24 (2) "Legally authorized representative" has the  
25 meaning assigned by Section 241.151, Health and Safety Code. (New.)

26 Sec. 546.0052. COMPREHENSIVE PLAN FOR ENSURING APPROPRIATE  
27 CARE SETTING FOR INDIVIDUALS WITH DISABILITIES; BIENNIAL REPORT.

1 (a) The commission and appropriate health and human services  
2 agencies shall implement a comprehensive, effectively working plan  
3 that provides a system of services and support to foster  
4 independence and productivity and provide meaningful opportunities  
5 for an individual with a disability to reside in the most  
6 appropriate care setting, considering:

7 (1) the individual's physical, medical, and behavioral  
8 needs;

9 (2) the least restrictive care setting in which the  
10 individual can reside;

11 (3) the individual's choice of care settings in which  
12 to reside;

13 (4) the availability of state resources; and

14 (5) the availability of state programs for which the  
15 individual qualifies that can assist the individual.

16 (b) The plan must require appropriate health and human  
17 services agencies to:

18 (1) provide to an individual with a disability  
19 residing in an institution or another individual as required by  
20 Sections 546.0053 and 546.0054 information regarding care and  
21 support options available to the individual with a disability,  
22 including community-based services appropriate to that  
23 individual's needs;

24 (2) recognize that certain individuals with  
25 disabilities are represented by a legally authorized  
26 representative, whom the agencies must include in any  
27 decision-making facilitated by the plan's implementation;

1           (3) facilitate a timely and appropriate transfer of an  
2 individual with a disability from an institution to an appropriate  
3 community setting if:

4                   (A) the individual chooses to reside in the  
5 community;

6                   (B) the individual's treating professionals  
7 determine the transfer is appropriate; and

8                   (C) the transfer can be reasonably accommodated,  
9 considering this state's available resources and the needs of other  
10 individuals with disabilities; and

11           (4) develop strategies to prevent the unnecessary  
12 placement in an institution of an individual with a disability who  
13 is:

14                   (A) residing in the community; and

15                   (B) in imminent risk of requiring placement in an  
16 institution because of a lack of community services.

17           (c) In implementing the plan, a health and human services  
18 agency may not deny an eligible individual with a disability access  
19 to an institution or remove an eligible individual with a  
20 disability from an institution if the individual prefers the type  
21 and degree of care provided in the institution and that care is  
22 appropriate for the individual. A health and human services agency  
23 may deny the individual with a disability access to an institution  
24 or remove the individual from an institution to protect the  
25 individual's health or safety.

26           (d) Subject to the availability of funds, each appropriate  
27 health and human services agency shall implement the strategies and

1 recommendations under the plan.

2 (e) To determine the appropriateness of transfers under  
3 Subsection (b)(3) and develop the strategies described by  
4 Subsection (b)(4), a health and human services agency shall presume  
5 that a child residing in a general residential operation is  
6 eligible for transfer to an appropriate community-based setting.

7 (f) To develop the strategies described by Subsection  
8 (b)(4), an individual with a mental illness who is admitted to a  
9 commission facility for inpatient mental health services three or  
10 more times during a 180-day period is presumed to be in imminent  
11 risk of requiring placement in an institution. The strategies must  
12 be developed in a manner that presumes the individual's eligibility  
13 for and the appropriateness of intensive community-based services  
14 and support.

15 (g) Not later than December 1 of each even-numbered year,  
16 the executive commissioner shall submit to the governor and the  
17 legislature a report on the status of the implementation of the  
18 plan. The report must include recommendations on any statutory or  
19 other action necessary to implement the plan.

20 (h) This section does not create a cause of action. (Gov.  
21 Code, Sec. 531.0244.)

22 Sec. 546.0053. INFORMATION AND ASSISTANCE REGARDING CARE  
23 AND SUPPORT OPTIONS FOR INDIVIDUALS WITH DISABILITIES. (a) The  
24 executive commissioner by rule shall require each health and human  
25 services agency to provide to each patient or client of the agency  
26 and to at least one family member of the patient or client, if  
27 possible, information regarding all care and support options

1 available to the patient or client, including community-based  
2 services appropriate to the patient's or client's needs, before the  
3 agency allows the patient or client to be placed in a care setting,  
4 including a nursing facility, an intermediate care facility for  
5 individuals with an intellectual disability, or a general  
6 residential operation for children with an intellectual disability  
7 that is licensed by the commission, to receive care or services  
8 provided by the agency or by a person under an agreement with the  
9 agency.

10 (b) The rules must require each health and human services  
11 agency to provide information about all long-term care and  
12 long-term support options available to the patient or client,  
13 including community-based options and options available through

16 may condition receipt of the grant on the organization's making a  
17 good faith effort to coordinate with other entities in the manner  
18 indicated in the proposal. (Gov. Code, Sec. 531.02481(g) (part).)

17                   (E) another residential arrangement other than a  
18 foster home that provides care to four or more children who are  
19 unrelated to each other.

20           (5) "Permanency planning" means a philosophy and  
21 planning process that focuses on the outcome of family support by  
22 facilitating a permanent living arrangement with the primary  
23 feature of an enduring and nurturing parental relationship. (Gov.  
24 Code, Sec. 531.151; New.)

25           Sec. 546.0202. POLICY STATEMENT. It is the policy of this  
26 state to strive to ensure that the basic needs for safety, security,  
27 and stability are met for each child in this state. A successful

1 family is the most efficient and effective way to meet those needs.  
2 This state and local communities must work together to provide  
3 encouragement and support for well-functioning families and ensure  
4 that each child receives the benefits of being a part of a  
5 successful permanent family as soon as possible. (Gov. Code, Sec.  
6 531.152.)

7 Sec. 546.0203. DEVELOPMENT OF PERMANENCY PLAN PROCEDURES.

8 (a) To further the policy stated in Section 546.0202 and except as  
9 provided by Subsection (b), the commission and each appropriate  
10 health and human services agency shall develop procedures to ensure  
11 that a permanency plan is developed for each child:

12 (1) who resides in an institution in this state on a  
13 temporary or long-term basis; or

14 (2) with respect to whom the commission or appropriate  
15 health and human services agency is notified in advance that  
16 institutional care is sought.

17 (b) The department shall develop a permanency plan as  
18 required by this subchapter for each child who resides in an  
19 institution in this state for whom the department has been  
20 appointed permanent managing conservator. The department is not  
21 required to develop a permanency plan under this subchapter for a  
22 child for whom the department has been appointed temporary managing  
23 conservator, but may incorporate the requirements of this  
24 subchapter in a permanency plan developed for the child under  
25 Section 263.3025, Family Code.

26 (c) In developing procedures under Subsection (a), the  
27 commission and other appropriate health and human services agencies

1 shall develop to the extent possible uniform procedures applicable  
2 to each of the agencies and each child who is the subject of a  
3 permanency plan that promote efficiency for the agencies and  
4 stability for each child.

5 (d) In implementing permanency planning procedures, the  
6 commission shall:

7 (1) delegate the commission's duty to develop a  
8 permanency plan to a local intellectual and developmental  
9 disability authority or enter into a memorandum of understanding  
10 with the local intellectual and developmental disability authority  
11 to develop the permanency plan for each child who resides in an  
12 institution in this state or with respect to whom the commission is  
13 notified in advance that institutional care is sought;

14 (2) contract with a private entity, other than an  
15 entity that provides long-term institutional care, to develop a  
16 permanency plan for a child who resides in an institution in this  
17 state or with respect to whom the commission is notified in advance  
18 that institutional care is sought; or

19 (3) perform the commission's duties regarding  
20 permanency planning procedures using commission personnel.

21 (e) A contract or memorandum of understanding under  
22 Subsection (d) must include performance measures by which the  
23 commission may evaluate the effectiveness of permanency planning  
24 efforts of a local intellectual and developmental disability  
25 authority or a private entity.

26 (f) In implementing permanency planning procedures, the  
27 commission shall engage in appropriate activities in addition to

1 those required by Subsection (d) to minimize the potential  
2 conflicts of interest that, in developing the plan, may exist or  
3 arise between:

4 (1) the institution in which the child resides or in  
5 which institutional care is sought for the child; and

6 (2) the best interest of the child.

7 (g) The commission and the department may solicit and accept  
8 gifts, grants, and donations to support the development of  
9 permanency plans for children residing in institutions by  
10 individuals or organizations not employed by or affiliated with  
11 those institutions.

12 (h) A health and human services agency that contracts with a  
13 private entity under Subsection (d) to develop a permanency plan  
14 shall ensure that the entity is provided:

15 (1) training regarding the permanency planning  
16 philosophy described by Section 546.0201; and

17 (2) available resources that will assist a child  
18 residing in an institution in making a successful transition to a  
19 community-based residence. (Gov. Code, Sec. 531.153.)

20 Sec. 546.0204. PERMANENCY PLANNING FOR CERTAIN CHILDREN.

21 (a) Notwithstanding Section 546.0201, in this section,  
22 "institution" has the meaning assigned by Section 242.002, Health  
23 and Safety Code.

24 (b) The commission and each appropriate health and human  
25 services agency shall develop procedures to ensure that permanency  
26 planning is provided for each child:

27 (1) residing in an institution in this state on a

1 temporary or long-term basis; or

2 (2) for whom institutional care is sought. (Gov.  
3 Code, Secs. 531.0245(a), (b)(1).)

4 Sec. 546.0205. INSTITUTION TO ASSIST WITH PERMANENCY  
5 PLANNING EFFORTS. An institution in which a child resides shall  
6 assist with providing effective permanency planning for the child  
7 by:

8 (1) cooperating with the health and human services  
9 agency, local intellectual and developmental disability authority,  
10 or private entity responsible for developing the child's permanency  
11 plan; and

12 (2) participating in meetings to review the child's  
13 permanency plan as requested by a health and human services agency,  
14 local intellectual and developmental disability authority, or  
15 private entity responsible for developing the child's permanency  
16 plan. (Gov. Code, Sec. 531.1531.)

17 Sec. 546.0206. IMPLEMENTATION SYSTEM: LOCAL PERMANENCY  
18 PLANNING SITES. The commission shall develop an implementation  
19 system that initially consists of four or more local sites and that  
20 is designed to coordinate planning for a permanent living  
21 arrangement and relationship for a child with a family. In  
22 developing the system, the commission shall:

23 (1) include criteria to identify children who need  
24 permanency plans;

25 (2) require the establishment of a permanency plan for  
26 each child who resides outside the child's family or for whom care  
27 or protection is sought in an institution;

1           (3) include a process to determine the agency or  
2 entity responsible for developing and overseeing implementation of  
3 a child's permanency plan;

4           (4) identify, blend, and use funds from all available  
5 sources to provide customized services and programs to implement a  
6 child's permanency plan;

7           (5) clarify and expand the role of a local community  
8 resource coordination group in ensuring accountability for a child  
9 who resides in an institution or who is at risk of being placed in an  
10 institution;

11           (6) require reporting of each placement or potential  
12 placement of a child in an institution or other living arrangement  
13 outside of the child's home; and

14           (7) assign in each local permanency planning site area  
15 a single gatekeeper for all children in the area for whom placement  
16 in an institution through a state-funded program is sought with  
17 authority to ensure that:

18                   (A) family members of each child are aware of:

19                           (i) intensive services that could prevent  
20 placement of the child in an institution; and

21                           (ii) available placement options; and

22                   (B) permanency planning is initiated for each  
23 child. (Gov. Code, Sec. 531.158.)

24           Sec. 546.0207. DESIGNATION OF VOLUNTEER ADVOCATE. (a) The  
25 commission shall designate an individual, including a member of a  
26 community-based organization, to serve as a volunteer advocate for  
27 a child residing in an institution to assist in developing a

1 permanency plan for the child if:

2 (1) the child's parent or guardian requests the  
3 assistance of an advocate;

4 (2) the institution in which the child is placed  
5 cannot locate the child's parent or guardian; or

6 (3) the child resides in an institution the commission  
7 operates.

8 (b) The individual designated to serve as the child's  
9 volunteer advocate may be:

10 (1) an individual the child's parent or guardian  
11 selects, except that the individual may not be employed by or under  
12 a contract with the institution in which the child resides;

13 (2) an adult relative of the child; or

14 (3) a child advocacy group representative.

15 (c) The commission shall provide to each individual  
16 designated to serve as a child's volunteer advocate information  
17 regarding permanency planning under this subchapter. (Gov. Code,  
18 Sec. 531.156.)

19 Sec. 546.0208. PREADMISSION NOTICE AND INFORMATION. (a)  
20 The requirements of this section do not apply to a request to place  
21 a child in an institution if the child:

22 (1) is involved in an emergency situation, as defined  
23 by rules the executive commissioner adopts; or

24 (2) has been committed to an institution under:

25 (A) Chapter 46B, Code of Criminal Procedure; or

26 (B) Chapter 55, Family Code.

27 (b) The executive commissioner by rule shall develop and

1 implement a system by which the commission ensures that, for each  
2 child with respect to whom the commission or a local intellectual  
3 and developmental disability authority is notified of a request for  
4 placement in an institution, the child's parent or guardian is  
5 fully informed before the child is placed in the institution of all  
6 community-based services and any other service and support options  
7 for which the child may be eligible. The system must be designed to  
8 ensure that the commission provides the information through:

9           (1) a local intellectual and developmental disability  
10 authority;

11           (2) any private entity that has knowledge and  
12 expertise regarding the needs of and full spectrum of care options  
13 available to children with disabilities as well as the philosophy  
14 and purpose of permanency planning; or

15           (3) a commission employee.

16           (c) The commission shall develop comprehensive information  
17 consistent with the policy stated in Section 546.0202 to explain to  
18 a parent or guardian considering placing a child in an institution:

19           (1) options for community-based services;

20           (2) the benefits to the child of residing in a family  
21 or community setting;

22           (3) that the child's placement in an institution is  
23 considered temporary in accordance with Section 546.0215; and

24           (4) that an ongoing permanency planning process is  
25 required under this subchapter and other state law.

26           (d) An institution in which a child's parent or guardian is  
27 considering placing the child may provide the information required

1 under Subsection (b), but the information must also be provided by a  
2 local intellectual and developmental disability authority, private  
3 entity, or employee of the commission as required by that  
4 subsection.

5 (e) Except as otherwise provided by this subsection and  
6 Subsection (a), the commission shall ensure that, not later than  
7 the 14th working day after the date the commission is notified of a  
8 request for a child's placement in an institution, the child's  
9 parent or guardian is provided the information described by  
10 Subsections (b) and (c). The commission may provide the information  
11 after the 14th working day after the date the commission is notified  
12 of the request if the child's parent or guardian waives the  
13 requirement that the information be provided within the period  
14 otherwise required by this subsection. (Gov. Code, Sec. 531.1521.)

15 Sec. 546.0209. REQUIREMENTS OF PARENT OR GUARDIAN ON  
16 CHILD'S ADMISSION TO CERTAIN INSTITUTIONS. On the admission of a

23 providing reasonable accommodations in accordance with the  
24 Americans with Disabilities Act (42 U.S.C. Section 12101 et seq.),  
25 including providing an accessible meeting location or a sign

4 activities listed under Subsection (e)(1) or (2), the ICF-IID or  
5 nursing facility must notify the commission of that determination  
6 and request that the commission initiate a search for the child's  
7 parent or guardian. (Gov. Code, Sec. 531.164.)

12 facility;

13 (2) the local intellectual and developmental  
14 disability authority for the region in which the institution is  
15 located, if the child:

16 (A) is placed in an ICF-IID; or

18 agency in a general residential operation for children with an  
19 intellectual disability that the commission licenses;

20 (3) the community resource coordination group in the  
21 county of residence of the child's parent or guardian;

27 the institution is located.

1 (b) The commission shall notify the local intellectual and

6 531.154.)

7 Sec. 546.0212. NOTICE TO PARENT OR GUARDIAN REGARDING  
8 PLACEMENT OPTIONS AND SERVICES. Each entity receiving notice of a  
9 child's initial placement in an institution under Section 546.0211  
10 may contact the child's parent or guardian to ensure that the parent  
11 or guardian is aware of:

12 (1) services and support that could provide  
13 alternatives to placing the child in the institution;

14 (2) available placement options; and

15 (3) opportunities for permanency planning. (Gov.  
16 Code, Sec. 531.155.)

17 Sec. 546.0213. PLACEMENT ON WAIVER PROGRAM WAITING LIST. A  
18 state agency that receives notice of a child's placement in an  
19 institution shall ensure that, on or before the third day after the  
20 date the agency is notified of the child's placement in the  
21 institution, the child is also placed on a waiting list for Section  
22 1915(c) waiver program services appropriate to the child's needs.  
23 (Gov. Code, Sec. 531.157.)

24 Sec. 546.0214. INTERFERENCE WITH PERMANENCY PLANNING  
25 EFFORTS. An entity that provides information to a child's parent or  
26 guardian relating to permanency planning shall refrain from  
27 providing the child's parent or guardian with inaccurate or

1 misleading information regarding the risks of moving the child to  
2 another facility or community setting. (Gov. Code, Sec. 531.1532.)

3       Sec. 546.0215. INITIAL PLACEMENT OF CHILD IN INSTITUTION  
4 AND PLACEMENT EXTENSIONS. (a) The chief executive officer of each  
5 appropriate health and human services agency or the officer's  
6 designee must approve a child's placement in an institution. The  
7 child's initial placement in the institution is temporary and may  
8 not exceed six months unless the appropriate chief executive  
9 officer or the officer's designee approves an extension of an  
10 additional six months after conducting a review of documented  
11 permanency planning efforts to unite the child with a family in a  
12 permanent living arrangement.

13       (b) After the initial six-month extension of a child's  
14 placement in an institution approved under Subsection (a), the  
15 chief executive officer or the officer's designee shall conduct a  
16 review of the child's placement in the institution at least  
17 semiannually to determine whether continuing that placement is  
18 warranted. If, based on the review, the chief executive officer or  
19 the officer's designee determines that an additional extension is  
20 warranted, the officer or the officer's designee shall recommend to  
21 the executive commissioner that the child continue residing in the  
22 institution.

23       (c) On receipt of a recommendation made under Subsection  
24 (b), the executive commissioner, the executive commissioner's  
25 designee, or another person with whom the commission contracts  
26 shall conduct a review of the child's placement. Based on the  
27 results of the review, the executive commissioner or the executive

1 commissioner's designee may approve a six-month extension of the  
2 child's placement if the extension is appropriate.

3 (d) A child may continue residing in an institution after  
4 the six-month extension approved under Subsection (c) only if the  
5 chief executive officer of the appropriate health and human  
6 services agency or the officer's designee makes subsequent  
7 recommendations as provided by Subsection (b) for each additional  
8 six-month extension and the executive commissioner or the executive  
9 commissioner's designee approves each extension as provided by  
10 Subsection (c). (Gov. Code, Secs. 531.159(b), (c), (d).)

11 Sec. 546.0216. REVIEW OF CERTAIN PLACEMENT DATA. (a) The  
12 executive commissioner or the executive commissioner's designee  
13 shall conduct a semiannual review of data received from health and  
14 human services agencies regarding all children who reside in  
15 institutions in this state.

16 (b) The executive commissioner, the executive  
17 commissioner's designee, or a person with whom the commission  
18 contracts shall also review the recommendations of the chief  
19 executive officer of each appropriate health and human services  
20 agency or the officer's designee if the officer or the officer's  
21 designee repeatedly recommends that children continue residing in  
22 an institution. (Gov. Code, Sec. 531.159(e).)

23 Sec. 546.0217. PROCEDURES FOR PLACEMENT REVIEWS. The  
24 executive commissioner by rule shall develop procedures for  
25 conducting the reviews required by Sections 546.0215(c) and (d) and  
26 546.0216. (Gov. Code, Sec. 531.159(f) (part).)

27 Sec. 546.0218. ANNUAL REAUTHORIZATION OF PLANS OF CARE FOR

1 CERTAIN CHILDREN. (a) The executive commissioner shall adopt  
2 rules under which the commission requires a nursing facility in  
3 which a child resides to request from the child's parent or guardian  
4 a written reauthorization of the child's plan of care.

5 (b) The rules must require that the written reauthorization  
6 be requested annually. (Gov. Code, Sec. 531.1591.)

7 Sec. 546.0219. TRANSFER OF CHILD BETWEEN INSTITUTIONS. (a)  
8 This section applies only to an institution described by Section  
9 546.0201(4)(A), (B), or (D) in which a child resides.

10 (b) Before transferring a child who is 17 years of age or  
11 younger, or a child who is at least 18 years of age and for whom a  
12 guardian has been appointed, from one institution to another  
13 institution, the institution in which the child resides must  
14 attempt to obtain consent for the transfer from the child's parent  
15 or guardian unless the transfer is in response to an emergency  
16 situation, as defined by rules the executive commissioner adopts.  
17 (Gov. Code, Sec. 531.166.)

18 Sec. 546.0220. COMPLIANCE WITH PERMANENCY PLAN  
19 REQUIREMENTS AS PART OF INSPECTION, SURVEY, OR INVESTIGATION. As  
20 part of each inspection, survey, or investigation of an  
21 institution, including a nursing facility, a general residential  
22 operation for children with an intellectual disability that the  
23 commission licenses, or an ICF-IID, in which a child resides, the  
24 agency or the agency's designee shall determine the extent to which  
25 the nursing facility, general residential operation, or ICF-IID is  
26 complying with the permanency planning requirements under this  
27 subchapter. (Gov. Code, Sec. 531.160.)

1           Sec. 546.0221.   SEARCH FOR CHILD'S PARENT OR GUARDIAN.   (a)

2   The commission shall develop and implement a process by which the  
3   commission, on receipt of notification under Section 546.0210(h)  
4   that a child's parent or guardian cannot be located, conducts a  
5   search for the parent or guardian. If, on the first anniversary of  
6   the date the commission receives the notification under that  
7   subsection, the commission has been unsuccessful in locating the  
8   parent or guardian, the commission shall refer the case to:

9           (1) the department's child protective services  
10   division if the child is 17 years of age or younger; or

11           (2) the department's adult protective services

14   department's child protective services division shall exercise  
15   intense due diligence in attempting to locate the child's parent or  
16   guardian. If the division is unable to locate the child's parent or  
17   guardian, the department shall file a suit affecting the  
18   parent-child relationship requesting an order appointing the  
19   department as the child's temporary managing conservator.

20           (c) A child is considered abandoned for purposes of the  
21   Family Code if the child's parent or guardian cannot be located  
22   following the department's exercise of intense due diligence in

24           (d) On receipt of a referral under Subsection (a)(2), the  
25   department's adult protective services division shall notify the  
26   court that appointed the child's guardian that the guardian cannot

1           Sec. 546.0222. DOCUMENTATION OF ONGOING PERMANENCY  
2 PLANNING EFFORTS. The commission and each appropriate health and  
3 human services agency shall require a person who develops a  
4 permanency plan for a child residing in an institution to identify  
5 and document in the child's permanency plan all ongoing permanency  
6 planning efforts at least semiannually to ensure that, as soon as  
7 possible, the child will benefit from a permanent living  
8 arrangement with an enduring and nurturing parental relationship.  
9 (Gov. Code, Sec. 531.159(a).)

10           Sec. 546.0223. ACCESS TO RECORDS. Each institution in  
11 which a child resides shall allow the following to have access to  
12 the child's records to assist in complying with the requirements of  
13 this subchapter:

14                   (1) the commission;  
15                   (2) appropriate health and human services agencies;  
16 and

17                   (3) to the extent not otherwise prohibited by state or  
18 federal confidentiality laws, a local intellectual and  
19 developmental disability authority or private entity that enters  
20 into a contract or memorandum of understanding under Section  
21 546.0203(d) to develop a permanency plan for the child. (Gov. Code,  
22 Sec. 531.161.)

23           Sec. 546.0224. COLLECTION OF INFORMATION REGARDING  
24 INVOLVEMENT OF CERTAIN PARENTS AND GUARDIANS. (a) The commission  
25 shall collect and maintain aggregate information regarding the  
26 involvement of parents and guardians of children residing in  
27 institutions described by Sections 546.0201(4)(A), (B), and (D) in

1 the lives of and planning activities relating to those children.  
2 The commission shall obtain input from stakeholders concerning the  
3 types of information most useful in assessing the involvement of  
4 those parents and guardians.

5 (b) The commission shall make the aggregate information  
6 available to the public on request. (Gov. Code, Sec. 531.167.)

7 Sec. 546.0225. REPORTING SYSTEMS: SEMIANNUAL REPORTING.

8 (a) For each of the local permanency planning sites, the commission  
9 shall develop a reporting system under which each appropriate  
10 health and human services agency responsible for permanency  
11 planning under this subchapter is required to semiannually provide  
12 to the commission:

13 (1) the number of permanency plans the agency develops  
14 for children residing in institutions or children at risk of being  
15 placed in institutions;

16 (2) progress achieved in implementing permanency  
17 plans;

18 (3) the number of children the agency serves residing  
19 in institutions;

20 (4) the number of children the agency serves at risk of

24 with their families or placed with alternate permanent families;  
25 and

26 (6) cost data related to developing and implementing  
27 permanency plans.

1           (b) The executive commissioner shall submit to the governor  
2 and the committees of the senate and the house of representatives  
3 having primary jurisdiction over health and human services agencies  
4 a semiannual report on:

5           (1) the number of children residing in institutions in  
6 this state and the number of those children for whom a  
7 recommendation has been made for a transition to a community-based  
8 residence but who have not yet made that transition;

9           (2) the circumstances of each child described by  
10 Subdivision (1), including the type of institution and name of the  
11 institution in which the child resides, the child's age, the  
12 residence of the child's parents or guardians, and the length of  
13 time during which the child has resided in the institution;

14           (3) the number of permanency plans developed for  
15 children residing in institutions in this state, progress achieved  
16 in implementing those plans, and barriers to implementing those  
17 plans;

18           (4) the number of children who previously resided in  
19 an institution in this state and have made the transition to a

23 families or placed with alternate families;

24           (6) the community supports that resulted in the  
25 successful placement of children described by Subdivision (5) with  
26 alternate families; and

27           (7) the community supports that are unavailable but

1 necessary to address the needs of children who continue to reside in  
2 an institution in this state after being recommended to make a  
3 transition from the institution to an alternate family or  
4 community-based residence. (Gov. Code, Sec. 531.162.)

5 Sec. 546.0226. EFFECT ON OTHER LAW. This subchapter does  
6 not affect responsibilities imposed by federal or other state law  
7 on a physician or other professional. (Gov. Code, Sec. 531.163.)

8 SUBCHAPTER F. FAMILY-BASED ALTERNATIVES FOR CHILDREN

9 Sec. 546.0251. DEFINITIONS. In this subchapter:

10 (1) "Child" means an individual younger than 22 years  
11 of age who:

12 (A) has a physical or developmental disability;

13 or

14 (B) is medically fragile.

15 (2) "Family-based alternative" means a family setting  
16 in which the family provider or providers are specially trained to  
17 provide support and in-home care to children with disabilities or  
18 children who are medically fragile.

20 system of family-based alternatives required under this  
21 subchapter.

23 including:

24 (A) a nursing facility;

25 (B) an ICF-IID;

26 (C) a group home operated by the commission; and

27 (D) a general residential operation for children

1 with an intellectual disability that the commission licenses.

2 (5) "Waiver services" means services provided under:

3 (A) the medically dependent children (MDCP)  
4 waiver program;

10 (DBMD) waiver program; and

11 (E) any other Section 1915(c) waiver program that  
12 provides long-term care services to children. (Gov. Code, Sec.  
13 531.060(c); New.)

14 Sec. 546.0252. FAMILY-BASED ALTERNATIVES SYSTEM: PURPOSE,  
15 IMPLEMENTATION, AND ADMINISTRATION. (a) The purpose of the  
16 family-based alternatives system is to further this state's policy  
17 of providing for a child's basic needs for safety, security, and  
18 stability by ensuring that a child becomes a part of a successful  
19 permanent family as soon as possible.

20 (b) In achieving the purpose described by Subsection (a),  
21 the family-based alternatives system is intended to operate in a  
22 manner that recognizes that parents are a valued and integral part  
23 of the process established under the system. The system must:

24 (1) encourage parents to participate in all decisions  
25 affecting their children; and

26 (2) respect the authority of parents, other than  
27 parents whose parental rights have been terminated, to make

1 decisions regarding their children.

2 (c) The commission shall begin implementing the  
3 family-based alternatives system in areas of this state with high  
4 numbers of children who reside in institutions.

5 (d) The family-based alternatives system may be  
6 administered in cooperation with public and private entities. (Gov.  
7 Code, Secs. 531.060(a), (b), (f), (h).)

8 Sec. 546.0253. FAMILY-BASED ALTERNATIVES SYSTEM DESIGN  
9 REQUIREMENTS. (a) The family-based alternatives system must  
10 provide for:

11 (1) recruiting and training alternative families to  
12 provide services for children;

13 (2) comprehensively assessing each child in need of  
14 services and each alternative family available to provide services,  
15 as necessary to identify the most appropriate alternative family  
16 for the child's placement;

17 (3) providing to a child's parents or guardian  
18 information regarding the availability of a family-based  
19 alternative;

20 (4) identifying each child residing in an institution  
21 and offering support services, including waiver services, that  
22 would enable the child to return to the child's birth family or be  
23 placed in a family-based alternative; and

24 (5) determining through a child's permanency plan  
25 other circumstances in which the child must be offered waiver  
26 services, including circumstances in which changes in an  
27 institution's status affect the child's placement or the quality of

1 services the child receives.

2 (b) In complying with the requirement imposed by Subsection  
3 (a)(3), the commission shall ensure that the procedures for  
4 providing information to parents or a guardian permit and encourage  
5 the participation of an individual who is not affiliated with the  
6 institution in which the child resides or with an institution in  
7 which the child could be placed.

8 (c) In designing the family-based alternatives system, the  
9 commission shall consider and, when appropriate, incorporate  
10 current research and recommendations developed by other public and  
11 private entities involved in analyzing public policy relating to  
12 children residing in institutions. (Gov. Code, Secs. 531.060(i),  
13 (j), (m).)

14 Sec. 546.0254. MEDICAID WAIVER PROGRAM ALIGNMENT. As  
15 necessary to implement this subchapter, the commission shall:

16 (1) ensure that an appropriate number of openings for  
17 waiver services that become available as a result of funding for  
18 transferring individuals with disabilities into community-based  
19 services are made available to both children and adults;

20 (2) ensure that service definitions applicable to  
21 waiver services are modified as necessary to permit the provision  
22 of waiver services through family-based alternatives;

23 (3) ensure that procedures are implemented for making  
24 a level of care determination for each child and identifying the  
25 most appropriate waiver service for the child, including procedures  
26 under which the commission's director of long-term care, after  
27 considering any preference of the child's birth family or

1 alternative family, resolves disputes among agencies about the most  
2 appropriate waiver service; and

3 (4) require that the health and human services agency  
4 responsible for providing a specific waiver service to a child also  
5 assume responsibility for identifying any necessary transition  
6 activities or services. (Gov. Code, Sec. 531.060(n).)

7 Sec. 546.0255. COMMUNITY ORGANIZATION ELIGIBILITY;  
8 CONTRACT AND REQUIREMENTS. (a) The commission shall contract with  
9 a community organization, including a faith-based community  
10 organization, or a nonprofit organization to develop and implement  
11 a family-based alternatives system under which a child who cannot  
12 reside with the child's birth family may receive necessary services  
13 in a family-based alternative instead of an institution. For  
14 purposes of this subsection, a community organization, including a  
15 faith-based community organization, or a nonprofit organization  
16 does not include:

17 (1) a governmental entity; or

18 (2) a quasi-governmental entity to which a state  
19 agency delegates authority and responsibility for planning,  
20 supervising, providing, or ensuring the provision of state  
21 services.

22 (b) To be eligible for the contract under Subsection (a), an  
23 organization must possess knowledge regarding the support needs of  
24 children with disabilities and their families.

25 (c) The contracted organization may subcontract for one or  
26 more components of implementing the family-based alternatives  
27 system with:

1           (1) community organizations, including faith-based  
2 community organizations;

3           (2) nonprofit organizations;

4           (3) governmental entities; or

5           (4) quasi-governmental entities described by  
6 Subsection (a)(2). (Gov. Code, Secs. 531.060(d), (e).)

7           Sec. 546.0256. PLACEMENT OPTIONS. (a) In placing a child  
8 in a family-based alternative, the family-based alternatives  
9 system may use a variety of placement options, including a shared  
10 parenting arrangement between the alternative family and the  
11 child's birth family. Regardless of the option used, a  
12 family-based alternative placement must be designed as a long-term  
13 arrangement, except in cases in which the child's birth family  
14 chooses to return the child to their home.

15           (b) Adoption of the child by the child's alternative family  
16 is an available option in cases in which the child's birth family's  
17 parental rights have been terminated. (Gov. Code, Sec. 531.060(k).)

18           Sec. 546.0257. AGENCY COOPERATION. Each affected health  
19 and human services agency shall:

20           (1) cooperate with the contracted organization and any  
21 subcontractors; and

22           (2) take all action necessary to implement the  
23 family-based alternatives system and comply with the requirements  
24 of this subchapter. (Gov. Code, Sec. 531.060(g) (part).)

25           Sec. 546.0258. DISPUTE RESOLUTION. The commission has  
26 final authority to make any decisions and resolve any disputes  
27 regarding the family-based alternatives system. (Gov. Code, Sec.

1 531.060(g) (part).)

2           Sec. 546.0259. GIFTS, GRANTS, AND DONATIONS.       The  
3 commission or the contracted organization may solicit and accept  
4 gifts, grants, and donations to support the family-based  
5 alternatives system's functions under this subchapter. (Gov. Code,  
6 Sec. 531.060(1).)

7           Sec. 546.0260. ANNUAL REPORT. Not later than January 1 of  
8 each year, the commission shall report to the legislature on the  
9 implementation of the family-based alternatives system. The report  
10 must include a statement of:

11                   (1) the number of children currently receiving care in  
12 an institution;

13                   (2) the number of children placed in a family-based  
14 alternative under the system during the preceding year;

15                   (3) the number of children who left an institution  
16 during the preceding year under an arrangement other than a  
17 family-based alternative under the system or for another reason  
18 unrelated to the availability of a family-based alternative under  
19 the system;

20                   (4) the number of children waiting for an available  
21 placement in a family-based alternative under the system; and

22                   (5) the number of alternative families trained and  
23 available to accept placement of a child under the system. (Gov.  
24 Code, Sec. 531.060(o).)

25           SUBCHAPTER G. LONG-TERM CARE INSTITUTIONS AND FACILITIES

26           Sec. 546.0301. PROCEDURES TO REVIEW CONDUCT RELATED TO  
27 CERTAIN INSTITUTIONS AND FACILITIES. The commission shall adopt

1 procedures to review:

2 (1) citations or penalties assessed for a violation of  
3 a rule or law against an institution or facility licensed under  
4 Chapter 242, 247, or 252, Health and Safety Code, or certified to  
5 participate in Medicaid administered in accordance with Chapter 32,  
6 Human Resources Code, considering:

7 (A) the number of violations by geographic  
8 region;

9 (B) the patterns of violations in each region;  
10 and

11 (C) the outcomes following the assessment of a  
12 citation or penalty; and

13 (2) the performance of duties by employees and agents  
14 of a state agency responsible for licensing, inspecting, surveying,  
15 or investigating institutions and facilities licensed under  
16 Chapter 242, 247, or 252, Health and Safety Code, or certified to  
17 participate in Medicaid administered in accordance with Chapter 32,  
18 Human Resources Code, related to:

19 (A) complaints the commission receives; or

20 (B) any standards or rules violated by an  
21 employee or agent of a state agency. (Gov. Code, Sec. 531.056.)

22 Sec. 546.0302. ISSUANCE OF MATERIALS TO CERTAIN LONG-TERM  
23 CARE FACILITIES. The executive commissioner shall:

24 (1) review the commission's methods for issuing  
25 informational letters, policy updates, policy clarifications, and  
26 other related materials to an entity licensed under Chapter 103,  
27 Human Resources Code, or Chapter 242, 247, 248A, or 252, Health and

1 Safety Code; and

2 (2) develop and implement more efficient methods to  
3 issue those materials, as appropriate. (Gov. Code, Sec. 531.0585.)

4 SUBCHAPTER H. INCENTIVE PAYMENT PROGRAM FOR CERTAIN NURSING  
5 FACILITIES

6 Sec. 546.0351. DEFINITIONS. In this subchapter:

7 (1) "Incentive payment program" means the program  
8 established under this subchapter.

9 (2) "Nursing facility" means a convalescent or nursing  
10 home or related institution licensed under Chapter 242, Health and  
11 Safety Code, that provides long-term care services, as defined by  
12 Section 22.0011, Human Resources Code, to recipients. (Gov. Code,  
13 Sec. 531.912(a); New.)

14 Sec. 546.0352. INCENTIVE PAYMENT PROGRAM. (a) If  
15 feasible, the executive commissioner by rule may establish an  
16 incentive payment program for nursing facilities that choose to  
17 participate. The program must be designed to improve the quality of  
18 care and services provided to recipients.

19 (b) Subject to Section 546.0354, the incentive payment  
20 program may provide incentive payments in accordance with this  
21 section to encourage facilities to participate in the program.

22 (c) The executive commissioner may:

23 (1) determine the amount of any incentive payment  
24 under the incentive payment program; and

25 (2) enter into a contract with a qualified person, as  
26 the executive commissioner determines, for the following services  
27 related to the program:

- 1 (A) data collection;  
2 (B) data analysis; and  
3 (C) technical support. (Gov. Code, Secs.  
4 531.912(b), (e).)

5 Sec. 546.0353. COMMON PERFORMANCE MEASURES. (a) In  
6 establishing an incentive payment program, the executive  
7 commissioner shall adopt common performance measures to be used in  
8 evaluating nursing facilities that are related to structure,  
9 process, and outcomes that positively correlate to nursing facility  
10 quality and improvement. The common performance measures:

11 (1) must be:

12 (A) recognized by the executive commissioner as  
13 valid indicators of the overall quality of care recipients receive;  
14 and

15 (B) designed to encourage and reward  
16 evidence-based practices among nursing facilities; and

17 (2) may include measures of:

18 (A) quality of care, as determined by clinical  
19 performance ratings published by the Centers for Medicare and  
20 Medicaid Services, the Agency for Healthcare Research and Quality,  
21 or another federal agency;

22 (B) direct-care staff retention and turnover;

23 (C) recipient satisfaction, including the  
24 satisfaction of recipients who are short-term and long-term  
25 facility residents, and family satisfaction, as determined by the  
26 Consumer Assessment of Healthcare Providers and Systems Nursing  
27 Home Surveys relied on by the Centers for Medicare and Medicaid

1 Services;

2 (D) employee satisfaction and engagement;

3 (E) the incidence of preventable acute care  
4 emergency room services use;

6 (G) level of person-centered care; and

7 (H) direct-care staff training, including a  
8 facility's use of independent distance learning programs for  
9 continuously training direct-care staff.

10 (b) The executive commissioner shall maximize the use of  
11 available information technology and limit the number of  
12 performance measures adopted under this section to achieve  
13 administrative cost efficiency and avoid an unreasonable  
14 administrative burden on participating nursing facilities. (Gov.  
15 Code, Secs. 531.912(c), (d).)

16 Sec. 546.0354. SUBJECT TO APPROPRIATIONS. The commission  
17 may make incentive payments under an incentive payment program only  
18 if money is appropriated for that purpose. (Gov. Code, Sec.  
19 531.912(f).)

20 SUBCHAPTER I. MEDICAID GENERALLY

21 Sec. 546.0401. MEDICAID LONG-TERM CARE SYSTEM. (a) The  
22 commission shall ensure that the Medicaid long-term care system  
23 provides the broadest array of choices possible for recipients  
24 while ensuring that the services are delivered in a manner that is  
25 cost-effective and makes the best use of available funds.

26 (b) The commission shall also make every effort to improve  
27 the quality of care for recipients of Medicaid long-term care

1 services by:

2 (1) evaluating the need for expanding the provider  
3 base for consumer-directed services and, if the commission  
4 identifies a demand for that expansion, encouraging area agencies  
5 on aging, independent living centers, and other potential long-term  
6 care providers to become providers through contracts with the  
7 commission;

8 (2) ensuring that all recipients who reside in a  
9 nursing facility are provided information about end-of-life care  
10 options and the importance of planning for end-of-life care; and

11 (3) developing policies to encourage a recipient who  
12 resides in a nursing facility to receive treatment at that facility  
13 whenever possible, while ensuring that the recipient receives an  
14 appropriate continuum of care. (Gov. Code, Sec. 531.083.)

15 Sec. 546.0402. ADMINISTRATION AND DELIVERY OF CERTAIN  
16 WAIVER PROGRAMS; PUBLIC INPUT. (a) To the extent authorized by  
17 law, the commission shall make uniform the functions relating to  
18 the administration and delivery of Section 1915(c) waiver programs,  
19 including:

- 20 (1) rate-setting;
- 21 (2) the applicability and use of service definitions;
- 22 (3) quality assurance; and
- 23 (4) intake data elements.

24 (b) Subsection (a) does not apply to functions of a Section

26 federally funded state Medicaid program that is authorized under  
27 Section 1915(b) of the Social Security Act (42 U.S.C. Section

1 1396n(b)).

2 (c) The commission shall ensure that information on  
3 individuals seeking to obtain services from Section 1915(c) waiver  
4 programs is maintained in a single computerized database that is  
5 accessible to staff of each of the state agencies administering  
6 those programs.

7 (d) In complying with the requirements of this section, the  
8 commission shall regularly consult with and obtain input from:

- 9 (1) consumers and family members;  
10 (2) providers;  
11 (3) advocacy groups;  
12 (4) state agencies that administer a Section 1915(c)  
13 waiver program; and  
14 (5) other interested persons. (Gov. Code, Secs.  
15 531.0218, 531.02191.)

16 Sec. 546.0403. RECOVERY OF CERTAIN ASSISTANCE; MEDICAID  
17 ACCOUNT. (a) The executive commissioner shall ensure that Section  
18 1917(b)(1) of the Social Security Act (42 U.S.C. Section  
19 1396p(b)(1)) is implemented under Medicaid.

20 (b) The Medicaid account is an account in the general  
21 revenue fund. Any funds recovered by implementing the provisions  
22 of Section 1917(b)(1) of the Social Security Act (42 U.S.C. Section  
23 1396p(b)(1)) must be deposited in the Medicaid account. Money in  
24 the account may be appropriated only to fund long-term care,  
25 including community-based care and facility-based care. (Gov.  
26 Code, Sec. 531.077.)

16 Security Act (42 U.S.C. Section 1315).

17 (b) The executive commissioner by rule shall develop a  
18 uniform process that complies with the policy adopted under Section  
19 546.0003 to:

20 (1) assess the goals of and competitive and integrated  
21 employment opportunities and related employment services available  
22 to an individual to whom this section applies; and

23 (2) use the identified goals and available  
24 opportunities and services to direct the individual's plan of care  
25 at the time the plan is developed or renewed.

26 (c) The entity responsible for developing and renewing the  
27 plan of care for an individual to whom this section applies shall

1 use the uniform process developed under Subsection (b) to assess  
2 the individual's goals, opportunities, and services described by  
3 that subsection and incorporate those goals, opportunities, and  
4 services into the individual's plan of care.

5 (d) The executive commissioner by rule shall:

6 (1) identify strategies to increase the number of  
7 individuals receiving employment services from the Texas Workforce  
8 Commission or through the waiver program in which an individual is  
9 enrolled;

10 (2) determine a reasonable number of individuals who  
11 indicate a desire to work to receive employment services and ensure  
12 those individuals:

13 (A) have received employment services during the  
14 state fiscal biennium ending August 31, 2023, or during the period  
15 beginning September 1, 2023, and ending December 31, 2023, from the  
16 Texas Workforce Commission or through the waiver program in which  
17 an individual is enrolled; or

18 (B) are receiving employment services on  
19 December 31, 2023, from the Texas Workforce Commission or through  
20 the waiver program in which an individual is enrolled; and

21 (3) ensure each individual who indicates a desire to  
22 work is referred to receive employment services from the Texas  
23 Workforce Commission or through the waiver program in which the  
24 individual is enrolled.

25 (e) Not later than December 31 of each even-numbered year,  
26 the executive commissioner shall prepare and submit to the  
27 governor, lieutenant governor, speaker of the house of

1 representatives, and legislature a written report that outlines:

2 (1) the number of individuals to whom this section  
3 applies who are receiving employment services in accordance with  
4 rules adopted under this section;

5 (2) whether the employment services described by  
6 Subdivision (1) are provided by the Texas Workforce Commission,  
7 through the waiver program in which an individual is enrolled, or  
8 both; and

9 (3) the number of individuals to whom this section  
10 applies who have obtained competitive and integrated employment,  
11 categorized by waiver program and, if applicable, an individual's  
12 level of care. (Gov. Code, Sec. 531.02448.)

13 Sec. 546.0452. RISK MANAGEMENT CRITERIA FOR CERTAIN WAIVER  
14 PROGRAMS. (a) In this section, "legally authorized  
15 representative" has the meaning assigned by Section 546.0101.

16 (b) The commission shall consider developing risk  
17 management criteria under home and community-based services waiver  
18 programs designed to allow individuals eligible to receive services  
19 under the programs to assume greater choice and responsibility over  
20 the services and supports the individuals receive.

21 (c) The commission shall ensure that any risk management  
22 criteria developed include:

23 (1) a requirement that if an individual who will be  
24 provided services and supports has a legally authorized  
25 representative, the representative is involved in determining  
26 which services and supports the individual will receive; and

27 (2) a requirement that if services or supports are

1 declined, the decision to decline is clearly documented. (Gov.  
2 Code, Sec. 531.0515.)

3           Sec. 546.0453. PROTOCOL FOR MAINTAINING CONTACT  
4 INFORMATION OF INDIVIDUALS INTERESTED IN MEDICAID WAIVER PROGRAMS.  
5 The commission shall develop a protocol in the office of the  
6 ombudsman to improve the capture and updating of contact  
7 information for an individual who contacts the office of the  
8 ombudsman regarding Medicaid waiver programs or services. (Gov.  
9 Code, Sec. 531.0501(d).)

10           Sec. 546.0454. INTEREST LIST MANAGEMENT FOR CERTAIN  
11 MEDICAID WAIVER PROGRAMS. (a) This section applies only to the  
12 following waiver programs:

13                   (1) the community living assistance and support  
14 services (CLASS) waiver program;

15                   (2) the home and community-based services (HCS) waiver  
16 program;

17                   (3) the deaf-blind with multiple disabilities (DBMD)  
18 waiver program;

19                   (4) the Texas home living (TxHmL) waiver program;

20                   (5) the medically dependent children (MDCP) waiver  
21 program; and

22                   (6) the STAR+PLUS home and community-based services  
23 (HCBS) program.

24           (b) The commission, in consultation with the Intellectual  
25 and Developmental Disability System Redesign Advisory Committee  
26 established under Section 542.0052, the state Medicaid managed care  
27 advisory committee, and interested stakeholders, shall develop a

1 questionnaire to be completed by or on behalf of an individual who  
2 requests to be placed on or is currently on an interest list for a  
3 waiver program.

4 (c) The questionnaire developed under Subsection (b) must,  
5 at a minimum, request the following information about an individual  
6 seeking or receiving services under a waiver program:

7 (1) contact information for the individual or the  
8 individual's parent or other legally authorized representative;

9 (2) the individual's general demographic information;

10 (3) the individual's living arrangement;

11 (4) the types of assistance the individual requires;

12 (5) the individual's current caregiver supports and  
13 circumstances that may cause the individual to lose those supports;

14 and

15 (6) when the delivery of services under a waiver  
16 program should begin to ensure the individual's health and welfare  
17 and that the individual receives services and supports in the least  
18 restrictive setting possible.

19 (d) If an individual is on a waiver program's interest list  
20 and the individual or the individual's parent or other legally  
21 authorized representative does not respond to a written or verbal  
22 request made by the commission to update information concerning the  
23 individual or otherwise fails to maintain contact with the  
24 commission, the commission:

25 (1) shall designate the individual's status on the  
26 interest list as inactive until the individual or the individual's  
27 parent or other legally authorized representative notifies the

1 commission that the individual is still interested in receiving  
2 services under the waiver program; and

3 (2) at the time the individual or the individual's  
4 parent or other legally authorized representative provides notice  
5 to the commission under Subdivision (1), shall designate the  
6 individual's status on the interest list as active and restore the  
7 individual to the position on the list that corresponds with the  
8 date the individual was initially placed on the list.

9 (e) The commission's designation of an individual's status  
10 on an interest list as inactive under Subsection (d) may not result  
11 in the removal of the individual from that list or any other waiver  
12 program interest list.

13 (f) Not later than September 1 of each year, the commission  
14 shall provide to the Intellectual and Developmental Disability  
15 System Redesign Advisory Committee established under Section  
16 542.0052, or, if that advisory committee is abolished, an  
17 appropriate stakeholder advisory committee, as determined by the  
18 executive commissioner, the number of individuals, including  
19 individuals whose status is designated as inactive by the  
20 commission, who are on an interest list to receive services under a  
21 waiver program. (Gov. Code, Sec. 531.06011.)

22 Sec. 546.0455. INTEREST LIST MANAGEMENT FOR CERTAIN  
23 CHILDREN ENROLLED IN MEDICALLY DEPENDENT CHILDREN (MDCP) WAIVER  
24 PROGRAM. (a) This section applies only to a child who is enrolled  
25 in the medically dependent children (MDCP) waiver program but  
26 becomes ineligible for services under the program because the child  
27 no longer meets:

1           (1) the level of care criteria for medical necessity  
2 for nursing facility care; or

3           (2) the age requirement for the program.

4           (b) A legally authorized representative of a child who is  
5 notified by the commission that the child is no longer eligible for  
6 the medically dependent children (MDCP) waiver program following a  
7 Medicaid fair hearing, or without a Medicaid fair hearing if the  
8 representative opted in writing to forgo the hearing, may request  
9 that the commission:

10           (1) return the child to the interest list for the  
11 program unless the child is ineligible due to the child's age; or

12           (2) place the child on the interest list for another  
13 Section 1915(c) waiver program.

14           (c) At the time a child's legally authorized representative  
15 makes a request under Subsection (b), the commission shall:

16           (1) for a child who becomes ineligible for the reason  
17 described by Subsection (a)(1), place the child:

18                   (A) on the interest list for the medically  
19 dependent children (MDCP) waiver program in the first position on  
20 the list; or

21                   (B) except as provided by Subdivision (3), on the  
22 interest list for another Section 1915(c) waiver program in a  
23 position relative to other individuals on the list that is based on  
24 the date the child was initially placed on the interest list for the  
25 medically dependent children (MDCP) waiver program;

26           (2) except as provided by Subdivision (3), for a child  
27 who becomes ineligible for the reason described by Subsection

1 (a)(2), place the child on the interest list for another Section  
2 1915(c) waiver program in a position relative to other individuals  
3 on the list that is based on the date the child was initially placed  
4 on the interest list for the medically dependent children (MDCP)  
5 waiver program; or

6 (3) for a child who becomes ineligible for a reason  
7 described by Subsection (a) and who is already on an interest list  
8 for another Section 1915(c) waiver program, move the child to a  
9 position on the interest list relative to other individuals on the  
10 list that is based on the date the child was initially placed on the  
11 interest list for the medically dependent children (MDCP) waiver  
12 program, if that date is earlier than the date the child was  
13 initially placed on the interest list for the other waiver program.

14 (d) Notwithstanding Subsection (c)(1)(B) or (c)(2), a child  
15 may be placed on an interest list for a Section 1915(c) waiver  
16 program in the position described by those subsections only if the  
17 child has previously been placed on the interest list for that  
18 waiver program.

19 (e) At the time the commission provides notice to a legally  
20 authorized representative that a child is no longer eligible for  
21 the medically dependent children (MDCP) waiver program following a  
22 Medicaid fair hearing, or without a Medicaid fair hearing if the  
23 representative opted in writing to forgo the hearing, the  
24 commission shall inform the representative in writing about:

25 (1) the options under this section for placing the  
26 child on an interest list; and

27 (2) the process for applying for the Medicaid buy-in

1 program for children with disabilities implemented under Section  
2 532.0353. (Gov. Code, Sec. 531.0601.)

3           Sec. 546.0456. ELIGIBILITY OF CERTAIN CHILDREN FOR  
4 MEDICALLY DEPENDENT CHILDREN (MDCP) OR DEAF-BLIND WITH MULTIPLE  
5 DISABILITIES (DBMD) WAIVER PROGRAM; INTEREST LIST PLACEMENT. (a)  
6 Notwithstanding any other law and to the extent allowed by federal  
7 law, in determining a child's eligibility for the medically  
8 dependent children (MDCP) waiver program, the deaf-blind with  
9 multiple disabilities (DBMD) waiver program, or a "Money Follows  
10 the Person" demonstration project, the commission shall consider  
11 whether the child:

12           (1) is diagnosed as having a condition included in the  
13 list of compassionate allowances conditions published by the United  
14 States Social Security Administration; or

15           (2) receives Medicaid hospice or palliative care  
16 services.

17           (b) If the commission determines a child is eligible for a  
18 waiver program under Subsection (a), the child's enrollment in the  
19 applicable program is contingent on the availability of a slot in  
20 the program. If a slot is not immediately available, the commission  
21 shall place the child in the first position on the interest list for  
22 the medically dependent children (MDCP) waiver program or  
23 deaf-blind with multiple disabilities (DBMD) waiver program, as  
24 applicable. (Gov. Code, Sec. 531.0603.)

25       SUBCHAPTER K. MEDICALLY DEPENDENT CHILDREN (MDCP) WAIVER PROGRAM

26           Sec. 546.0501. LIMITATION ON NURSING FACILITY LEVEL OF CARE  
27 REQUIREMENT. To the extent allowed by federal law, the commission

1 may not require that a child reside in a nursing facility for an  
2 extended period of time to meet the nursing facility level of care  
3 required for the child to be determined eligible for the medically  
4 dependent children (MDCP) waiver program. (Gov. Code, Sec.  
5 531.0604.)

6           Sec. 546.0502. CONSUMER DIRECTION OF SERVICES.  
7 Notwithstanding Sections 546.0102(b) and 546.0103(1), a consumer  
8 direction model implemented under Subchapter C, including the  
9 consumer-directed service option, for the delivery of services  
10 under the medically dependent children (MDCP) waiver program must  
11 allow for the delivery of all services and supports available under  
12 that program through consumer direction. (Gov. Code, Sec.  
13 531.0511.)

14           Sec. 546.0503. ASSESSMENTS AND REASSESSMENTS. (a) The  
15 commission shall ensure that the care coordinator for a Medicaid  
16 managed care organization under the STAR Kids managed care program  
17 provides for review the results of the initial assessment or annual  
18 reassessment of medical necessity to the parent or legally  
19 authorized representative of a recipient receiving benefits under  
20 the medically dependent children (MDCP) waiver program. The  
21 commission shall ensure that providing the results does not delay  
22 the determination of the services to be provided to the recipient or  
23 the ability to authorize and initiate services.

24           (b) The commission shall require the signature of a parent  
25 or legally authorized representative to verify the parent's or  
26 representative's receipt of the results of the initial assessment  
27 or reassessment from the care coordinator. A Medicaid managed care

1 organization may not delay the delivery of care pending the  
2 signature.

3 (c) The commission shall provide to a parent or legally  
4 authorized representative who disagrees with the results of the  
5 initial assessment or reassessment an opportunity to request to  
6 dispute the results with the Medicaid managed care organization  
7 through a peer-to-peer review with the treating physician of  
8 choice.

9 (d) This section does not affect any rights of a recipient  
10 to appeal an initial assessment or reassessment determination  
11 through the Medicaid managed care organization's internal appeal  
12 process, the Medicaid fair hearing process, or the external medical  
13 review process. (Gov. Code, Sec. 531.0602.)

14 Sec. 546.0504. QUALITY MONITORING BY EXTERNAL QUALITY  
15 REVIEW ORGANIZATION. The commission, based on the state's external  
16 quality review organization's initial report on the STAR Kids  
17 managed care program, shall determine whether the findings of the  
18 report necessitate additional data and research to improve the  
19 program. If the commission determines additional data and research  
20 are needed, the commission, through the external quality review  
21 organization, may:

22 (1) conduct annual surveys of recipients receiving  
23 benefits under the medically dependent children (MDCP) waiver  
24 program, or their representatives, using the Consumer Assessment of  
25 Healthcare Providers and Systems;

26 (2) conduct annual focus groups with recipients  
27 described by Subdivision (1) or their representatives on issues

1 identified through:

2 (A) the Consumer Assessment of Healthcare  
3 Providers and Systems;

4 (B) other external quality review organization  
5 activities; or

6 (C) stakeholders; and

7 (3) in consultation with the STAR Kids Managed Care  
8 Advisory Committee and as frequently as feasible, calculate  
9 Medicaid managed care organizations' performance on performance  
10 measures using available data sources such as the collaborative  
11 innovation improvement network. (Gov. Code, Sec. 531.06021(a).)

12 Sec. 546.0505. QUARTERLY REPORT. Not later than the 30th  
13 day after the last day of each state fiscal quarter, the commission  
14 shall submit to the governor, the lieutenant governor, the speaker  
15 of the house of representatives, the Legislative Budget Board, and  
16 each standing legislative committee with primary jurisdiction over  
17 Medicaid a report containing, for the most recent state fiscal  
18 quarter, the following information and data related to access to  
19 care for recipients receiving benefits under the medically  
20 dependent children (MDCP) waiver program:

21 (1) enrollment in the Medicaid buy-in for children  
22 program implemented under Section 532.0353;

23 (2) requests relating to interest list placements  
24 under Section 546.0455;

25 (3) use of the Medicaid escalation help line  
26 established under Subchapter R, Chapter 540, if the help line was  
27 operational during the applicable state fiscal quarter;

1 (4) use of, requests for, and outcomes of the external  
2 medical review procedure established under Section 532.0404; and

3 (5) complaints relating to the medically dependent  
4 children (MDCP) waiver program, categorized by disposition. (Gov.  
5 Code, Sec. 531.06021(b).)

6 SUBCHAPTER L. QUALITY ASSURANCE FEE PROGRAM

7 Sec. 546.0551. QUALITY ASSURANCE FEE FOR CERTAIN MEDICAID  
8 WAIVER PROGRAM SERVICES. (a) In this section, "gross receipts"  
9 means money received as compensation for services under an  
10 intermediate care facility for individuals with an intellectual  
11 disability waiver program, such as a home and community services  
12 waiver or a community living assistance and support services  
13 waiver. The term does not include:

14 (1) a charitable contribution;

15 (2) revenues received for services or goods other than  
16 waivers; or

17 (3) any money received from consumers or their  
18 families as reimbursement for services or goods not normally  
19 covered under a waiver program.

20 (b) The executive commissioner by rule shall modify the  
21 quality assurance fee program under Subchapter H, Chapter 252,  
22 Health and Safety Code, by providing for a quality assurance fee  
23 program that imposes a quality assurance fee on persons providing  
24 services under a home and community services waiver or a community  
25 living assistance and support services waiver.

26 (c) The executive commissioner shall establish the fee at an  
27 amount that will produce annual revenues of not more than six

1 percent of the total annual gross receipts in this state.

2 (d) The executive commissioner shall adopt rules governing:

3 (1) the reporting required to compute and collect the  
4 fee and the manner and times of collecting the fee; and

5 (2) the administration of the fee, including the  
6 imposition of penalties for a violation of the rules.

7 (e) Fees collected under this section must be deposited in  
8 the waiver program quality assurance fee account. (Gov. Code, Sec.  
9 531.078.)

10 Sec. 546.0552. WAIVER PROGRAM QUALITY ASSURANCE FEE  
11 ACCOUNT. (a) The waiver program quality assurance fee account is a  
12 dedicated account in the general revenue fund. The account is  
13 exempt from the application of Section 403.095.

14 (b) The account consists of fees collected under Section  
15 546.0551.

16 (c) Subject to legislative appropriation and state and  
17 federal law, money in the account may be appropriated only to the  
18 commission to:

19 (1) increase reimbursement rates paid under:

20 (A) the home and community services waiver  
21 program; or

22 (B) the community living assistance and support  
23 services (CLASS) waiver program; or

24 (2) offset allowable expenses under Medicaid. (Gov.  
25 Code, Sec. 531.079.)

26 Sec. 546.0553. REIMBURSEMENT UNDER CERTAIN MEDICAID WAIVER  
27 PROGRAMS. Subject to legislative appropriation and state and

1 federal law, the commission shall use money from the waiver program  
2 quality assurance fee account, together with any federal money  
3 available to match money from the account, to increase  
4 reimbursement rates paid under:

- 5 (1) the home and community services waiver program; or
- 6 (2) the community living assistance and support  
7 services (CLASS) waiver program. (Gov. Code, Sec. 531.080.)

8 Sec. 546.0554. INVALIDITY; FEDERAL MONEY. If any portion  
9 of Section 546.0551, 546.0552, or 546.0553 is held invalid by a  
10 final order of a court that is not subject to appeal, or if the  
11 commission determines that the imposition of the quality assurance  
12 fee and the expenditure of the money collected as provided by those  
13 sections will not entitle this state to receive additional federal  
14 money under Medicaid, the commission shall:

- 15 (1) stop collecting the quality assurance fee; and
- 16 (2) not later than the 30th day after the date the  
17 commission stops collecting the quality assurance fee, return any  
18 money collected under Section 546.0551, but not spent under Section  
19 546.0553, to the persons who paid the fees in proportion to the  
20 total amount paid by those persons. (Gov. Code, Sec. 531.081.)

21 Sec. 546.0555. EXPIRATION OF QUALITY ASSURANCE FEE PROGRAM.  
22 If Subchapter H, Chapter 252, Health and Safety Code, expires, this  
23 subchapter expires on the same date. (Gov. Code, Sec. 531.082.)

24 SUBCHAPTER M. VOLUNTEER ADVOCATE PROGRAM FOR CERTAIN ELDERLY

17 to the following principles:

18 (1) the intent of the program is to evaluate, through  
19 the operation of pilot projects, whether providing the services of  
20 a trained volunteer advocate selected by an elderly individual or  
21 the individual's designated caregiver is effective in achieving the  
22 following goals:

23 (A) extend the time the elderly individual can  
24 remain in an appropriate home setting;

25 (B) maximize the efficiency of services  
26 delivered to the elderly individual by focusing on services needed  
27 to sustain family caregiving;

1 (C) protect the elderly individual by providing a  
2 knowledgeable third party to review the quality of care and

13 Sec. 546.0702. MORTALITY REVIEW SYSTEM. (a) The executive  
14 commissioner shall establish an independent mortality review  
15 system to review the death of an individual with an intellectual or  
16 developmental disability who, at the time of the individual's death

22 abuse, neglect, or exploitation is completed.

23 (d) To ensure consistency across mortality review systems,  
24 a review under this subchapter must collect information consistent  
25 with the information required to be collected by another  
26 independent mortality review process established specifically for  
27 individuals with an intellectual or developmental disability.

1 (e) The executive commissioner shall adopt rules regarding

2 contain any information that would permit the identification of an  
3 individual or that is confidential or privileged under this  
4 subchapter or other state or federal law.

5 (b) Information and records acquired by the contracted  
6 organization in the exercise of the organization's duties under

2 (3) may not be introduced into evidence in any civil,  
3 criminal, or administrative proceeding.

4 (f) A member of the contracted organization's review team  
5 may not testify or be required to testify in a civil, criminal, or

3 required by this subsection for the largest county included in the  
4 collaborative, if the collaborative includes more than one county.

5 (b) A community collaborative may seek and receive gifts,  
6 grants, or donations from any person to raise the required funds  
7 from non-state sources. (Gov. Code, Secs. 531.0993(c), (c-1).)

8 Sec. 547.0354. COMMUNITY COLLABORATIVE ELIGIBILITY;  
9 CERTAIN GRANTS PROHIBITED. (a) A community collaborative may  
10 petition the commission to receive a grant under the matching grant  
11 program only if the collaborative includes:

14 the county; and

15 (3) each hospital district, if any, located in the  
16 county.

18 designated by the collaborative's members.

19 (c) The commission may not award a grant under this  
20 subchapter for a fiscal year to a community collaborative that  
21 includes a county with a population greater than four million if the  
22 legislature appropriates money for a mental health jail diversion  
23 program in the county for that fiscal year. (Gov. Code, Secs.  
24 531.0993(b), (i).)

25 Sec. 547.0355. PETITION REQUIRED; CONTENTS. In each state

1 than the 30th day of that fiscal year. The collaborative must  
2 include with a petition:

3 (1) a statement indicating the amount of funds from  
4 non-state sources that the collaborative is able to provide; and

6 (A) is endorsed by each of the collaborative's  
7 member entities;

8 (B) identifies a target population;

9 (C) describes how the grant money and the funds  
10 from non-state sources will be used;

11 (D) includes outcome measures to evaluate the  
12 success of the plan; and

13 (E) describes how the success of the plan, in  
14 accordance with the outcome measures, would further the state's  
15 interest in the grant program's purposes. (Gov. Code, Sec.  
16 531.0993(d).)

17 Sec. 547.0356. REVIEW OF PETITION BY COMMISSION. The  
18 commission must review plans submitted with a petition under  
19 Section 547.0355 before the commission provides a grant under this  
20 subchapter. The commission must fulfill this requirement not later  
21 than the 60th day of each fiscal year. (Gov. Code, Sec.  
22 531.0993(e).)

23 Sec. 547.0357. USE OF GRANT MONEY AND MATCHING FUNDS.

27 diversion program;

3 restoration, inpatient competency restoration in a setting other  
4 than a state hospital, or jail-based competency restoration;

5           (4) providing assertive community treatment or

16           Sec. 547.0358. REPORT BY COMMUNITY COLLABORATIVE. Not  
17 later than the 90th day after the last day of the state fiscal year  
18 for which the commission distributes a grant under this subchapter,  
19 each grant recipient shall prepare and submit a report to the  
20 commission describing the effect of the grant money and matching  
21 funds in achieving the standard defined by the outcome measures in  
22 the plan submitted with a petition under Section 547.0355. (Gov.  
23 Code, Sec. 531.0993(g).)

24           Sec. 547.0359. INSPECTIONS. The commission may inspect the  
25 operation and provision of mental health services provided by a  
26 community collaborative to ensure state money appropriated for the  
27 matching grant program is used effectively. (Gov. Code, Sec.

1 531.0993(h).)

2           Sec. 547.0360. ALLOCATING APPROPRIATED MONEY. (a) Except  
3 as provided by Subsection (b), the commission shall reserve at  
4 least 20 percent of money appropriated to the commission for each  
5 fiscal year to implement the matching grant program to be awarded  
6 only as grants to a community collaborative that includes a county  
7 with a population of less than 250,000.

8           (b) Without regard to the limitation provided by Subsection  
9 (a) and to the extent money appropriated to the commission for a  
10 fiscal year to implement this subchapter remains available to the  
11 commission after the commission has selected grant recipients for  
12 the fiscal year, the commission shall make grants available through  
13 a competitive request for proposal process using the remaining  
14 money for the fiscal year.

15           (c) The commission may use a reasonable amount not to exceed  
16 five percent of the money appropriated by the legislature for the  
17 purposes of this subchapter to pay the administrative costs of  
18 implementing this subchapter. (Gov. Code, Secs. 531.0993(c-2),  
19 (f-1), (j).)

27           Sec. 547A.0001. GRANTS FOR ESTABLISHING AND EXPANDING

1 COMMUNITY COLLABORATIVES. (a) To the extent funds are  
2 appropriated to the commission for that purpose, the commission  
3 shall make grants to entities, including local governmental  
4 entities, nonprofit community organizations, and faith-based  
5 community organizations, to establish or expand community  
6 collaboratives that bring the public and private sectors together  
7 to provide services to individuals experiencing homelessness,  
8 substance use issues, or mental illness. In awarding grants, the  
9 commission shall give special consideration to entities:

- 10 (1) establishing new collaboratives; or  
11 (2) establishing or expanding collaboratives that  
12 serve two or more counties, each with a population of less than  
13 100,000.

14 (b) Except as provided by Subsection (c), the commission  
15 shall require each entity awarded a grant under this section to:

- 16 (1) leverage additional funding or in-kind  
17 contributions from private contributors or local governments,  
18 excluding state or federal funds, in an amount that is at least  
19 equal to the amount of the grant awarded under this section;

20 (2) provide evidence of significant coordination and  
21 collaboration between the entity, local mental health authorities,  
22 municipalities, local law enforcement agencies, and other  
23 community stakeholders in establishing or expanding a community  
24 collaborative funded by a grant awarded under this section; and

- 25 (3) provide evidence of a local law enforcement policy  
26 to divert appropriate individuals from jails or other detention  
27 facilities to an entity affiliated with a community collaborative

1 for the purpose of providing services to those individuals.

2 (c) The commission may award a grant under this section to  
3 an entity for the purpose of establishing a community mental health  
4 program in a county with a population of less than 250,000, if the  
5 entity leverages additional funding or in-kind contributions from  
6 private contributors or local governments, excluding state or  
7 federal funds, in an amount equal to one-quarter of the grant amount  
8 to be awarded under this section, and the entity otherwise meets the  
9 requirements of Subsections (b)(2) and (3). (Gov. Code, Sec.  
10 539.002.)

11 Sec. 547A.0002. ACCEPTABLE USES OF GRANT MONEY. An entity  
12 shall use money received from a grant made by the commission and  
13 private funding sources to establish or expand a community  
14 collaborative. Acceptable uses for the money include:

15 (1) developing the infrastructure of the  
16 collaborative and the start-up costs of the collaborative;

17 (2) establishing, operating, or maintaining other  
18 community service providers in the community the collaborative  
19 serves, including intake centers, detoxification units, sheltering  
20 centers for food, workforce training centers, microbusinesses, and  
21 educational centers;

22 (3) providing clothing, hygiene products, and medical  
23 services to and arranging transitional and permanent residential  
24 housing for individuals the collaborative serves;

25 (4) providing mental health services and substance use  
26 treatment not readily available in the community the collaborative  
27 serves;

1           (5) providing information, tools, and resource  
2 referrals to assist individuals the collaborative serves in  
3 addressing the needs of their children; and

4           (6) establishing and operating coordinated intake  
5 processes, including triage procedures, to protect public safety in  
6 the community the collaborative serves. (Gov. Code, Sec. 539.003.)

7           Sec. 547A.0003. ELEMENTS OF COMMUNITY COLLABORATIVES. (a)  
8 If appropriate, an entity may incorporate into the community  
9 collaborative the entity operates the use of the homeless  
10 management information system, transportation plans, and case  
11 managers. An entity may also consider incorporating into a  
12 collaborative mentoring and volunteering opportunities, strategies  
13 to assist homeless youth and homeless families with children,  
14 strategies to reintegrate individuals who were recently  
15 incarcerated into the community, services for veterans, and  
16 strategies for individuals the collaborative serves to participate  
17 in the planning, governance, and oversight of the collaborative.

18           (b) The focus of a community collaborative shall be the  
19 eventual successful transition of individuals from receiving  
20 services from the collaborative to becoming integrated into the  
21 community the collaborative serves through community relationships  
22 and family supports. (Gov. Code, Sec. 539.004.)

23           Sec. 547A.0004. OUTCOME MEASURES FOR COMMUNITY  
24 COLLABORATIVES. Each entity that receives a grant from the  
25 commission to establish or expand a community collaborative shall  
26 select at least four of the following outcome measures that the  
27 entity will focus on meeting through implementing and operating the

1 collaborative:

2 (1) individuals the collaborative serves finding  
3 employment that results in those individuals having incomes that  
4 are at or above 100 percent of the federal poverty level;

5 (2) individuals the collaborative serves finding  
6 permanent housing;

7 (3) individuals the collaborative serves completing  
8 alcohol or substance use programs;

9 (4) the collaborative helping to start social  
10 businesses in the community or engaging in job creation, job  
11 training, or other workforce development activities;

12 (5) a decrease in the use of jail beds by individuals  
13 the collaborative serves;

14 (6) a decrease in the need for emergency care by  
15 individuals the collaborative serves;

16 (7) a decrease in the number of children whose  
17 families lack adequate housing referred to the Department of Family  
18 and Protective Services or a local entity responsible for child  
19 welfare; and

20 (8) any other appropriate outcome measure the  
21 commission approves that measures whether a collaborative is  
22 meeting a specific need of the community the collaborative serves.  
23 (Gov. Code, Sec. 539.005.)

24 Sec. 547A.0005. PLAN REQUIRED FOR CERTAIN COMMUNITY  
25 COLLABORATIVES. (a) The governing body of a county shall develop  
26 and make public a plan detailing the method by which:

27 (1) local mental health authorities, municipalities,

1 local law enforcement agencies, and other community stakeholders in  
2 the county may coordinate to establish or expand a community  
3 collaborative to accomplish the goals of Section 547A.0001;

4 (2) entities in the county may leverage funding from  
5 private sources to accomplish the goals of Section 547A.0001  
6 through the formation or expansion of a community collaborative;  
7 and

8 (3) the formation or expansion of a community  
9 collaborative may establish or support resources or services to  
10 help local law enforcement agencies to divert individuals who have  
11 been arrested to appropriate mental health care or substance use  
12 treatment.

13 (b) The governing body of a county in which an entity that  
14 received a grant under former Section 539.002 before September 1,  
15 2017, is located is not required to develop a plan under Subsection  
16 (a).

17 (c) Two or more counties, each with a population of less  
18 than 100,000, may form a joint plan under Subsection (a). (Gov.  
19 Code, Sec. 539.0051.)

20 Sec. 547A.0006. ANNUAL REVIEW OF OUTCOME MEASURES. The  
21 commission shall contract with an independent third party to verify  
22 annually whether a community collaborative is meeting the outcome  
23 measures the entity that operates the collaborative selects under  
24 Section 547A.0004. (Gov. Code, Sec. 539.006.)

25 Sec. 547A.0007. REDUCTION AND CESSATION OF FUNDING. The  
26 commission shall establish processes by which the commission may  
27 reduce or cease providing funding to an entity if the community

1 collaborative the entity operates does not meet the outcome  
2 measures the entity for the collaborative selects under Section  
3 547A.0004. The commission shall redistribute on a competitive  
4 basis any funds withheld from an entity under this section to other  
5 entities operating high-performing collaboratives. (Gov. Code,  
6 Sec. 539.007.)

7       Sec. 547A.0008. RULES. The executive commissioner shall  
8 adopt any rules necessary to implement the community collaborative  
9 grant program established under this chapter, including rules  
10 establishing:

11               (1) the requirements for an entity to be eligible to  
12 receive a grant;

13               (2) the required elements of a community collaborative  
14 an entity operates; and

15               (3) permissible and prohibited uses of money an entity  
16 receives from a grant the commission makes. (Gov. Code, Sec.  
17 539.008.)

18       Sec. 547A.0009. ADMINISTRATIVE COSTS. The commission may  
19 use a reasonable amount not to exceed five percent of the money the  
20 legislature appropriates for the purposes of this chapter to pay  
21 administrative costs of implementing this chapter. (Gov. Code,  
22 Sec. 539.009.)

7 service or procedure delivered by a health care provider with whom  
8 the organization contracts to a Medicaid recipient as a  
9 telemedicine medical service, teledentistry dental service, or

11 is not provided through an in-person consultation; or

12           (2) limit, deny, or reduce reimbursement for a covered  
13 health care service or procedure delivered by a health care

17 platform for providing the health care service or procedure.

18           (b) In complying with state and federal requirements to

9 telemedicine medical service, teledentistry dental service, or  
10 telehealth service delivered by a health care provider to a  
11 Medicaid recipient.

12           (b) The commission is required to implement this section  
13 only if the legislature appropriates money specifically for that  
14 purpose. If the legislature does not appropriate money specifically  
15 for that purpose, the commission may, but is not required to,

4 managed care organization ensures that using telemedicine medical  
5 services, teledentistry dental services, or telehealth services  
6 promotes and supports patient-centered medical homes by allowing a  
7 Medicaid recipient to receive a telemedicine medical service,  
8 teledentistry dental service, or telehealth service from a provider  
9 other than the recipient's primary care physician or provider,  
10 except as provided by Section 548.0202(b), only if:

13 care service in an in-person setting, including requirements  
14 regarding care coordination; and

15           (2) subject to Subsection (b), the provider of the

6 accordance with Subsection (a). The process must include  
7 monitoring of the rate at which a telemedicine medical service,  
8 teledentistry dental service, or telehealth service provider gives  
9 notice in accordance with Subsection (a)(2). (Gov. Code, Secs.

14 develop and implement a pilot program in one or more sites the  
15 executive commissioner chooses under which Medicaid reimbursements  
16 are paid for medical consultations provided by physicians or other  
17 health care professionals using the Internet. The pilot program  
18 must be designed to test whether an Internet medical consultation  
19 is a cost-effective alternative to an in-person consultation under  
20 Medicaid.

21 (b) The executive commissioner may modify the pilot program  
22 as necessary throughout the program's implementation to maximize  
23 the potential cost-effectiveness of Internet medical  
24 consultations.

25 (c) If the executive commissioner determines from the pilot  
26 program that Internet medical consultations are cost-effective,  
27 the executive commissioner may expand the pilot program to

1 additional sites or implement Medicaid reimbursements for Internet  
2 medical consultations statewide.

3 (d) The executive commissioner is not required to implement  
4 the pilot program authorized under Subsection (a) as a prerequisite  
5 to providing Medicaid reimbursement authorized by Section 548.0302  
6 on a statewide basis. (Gov. Code, Secs. 531.02175(c), (d).)

12 SUBCHAPTER A. GENERAL PROVISIONS APPLICABLE TO PROVISION OF DRUGS

13 UNDER VENDOR DRUG PROGRAM AND CERTAIN OTHER PROGRAMS

14 Sec. 549.0001. BULK PURCHASING WITH ANOTHER STATE OF  
15 PRESCRIPTION DRUGS AND OTHER MEDICATIONS. (a) Subject to  
16 Subsection (b), the commission and each health and human services  
17 agency the executive commissioner authorizes may enter into an  
18 agreement with one or more other states for the joint bulk  
19 purchasing of prescription drugs and other medications to be used  
20 in Medicaid, the child health plan program, or another program  
21 under the commission's authority.

22 (b) A joint bulk purchasing agreement may not be entered  
23 into until:

24 (1) the commission determines that entering into the  
25 agreement would be feasible and cost-effective; and

26 (2) if appropriated money would be spent under the  
27 proposed agreement, the governor and the Legislative Budget Board

1 grant prior approval to spend appropriated money under the proposed  
2 agreement.

3 (c) In determining the feasibility and cost-effectiveness  
4 of entering into a joint bulk purchasing agreement, the commission  
5 shall identify:

6 (1) the most cost-effective existing joint bulk  
7 purchasing agreement; and

8 (2) any potential groups of states with which this  
9 state could enter into a new cost-effective joint bulk purchasing  
10 agreement.

11 (d) If a joint bulk purchasing agreement is entered into,  
12 the commission shall adopt procedures applicable to an agreement  
13 and joint purchase described by this section. The procedures must  
14 ensure that this state receives:

15 (1) all prescription drugs and other medications  
16 purchased with money provided by this state; and

17 (2) an equitable share of any price benefits resulting  
18 from the joint bulk purchase. (Gov. Code, Sec. 531.090.)

19 Sec. 549.0002. VALUE-BASED ARRANGEMENT IN MEDICAID VENDOR  
20 DRUG PROGRAM. (a) In this section, "manufacturer" has the meaning  
21 assigned by Section 549.0101.

22 (b) Subject to Subchapter D, the commission may enter into a  
23 value-based arrangement for the Medicaid vendor drug program by  
24 written agreement with a manufacturer based on outcome data or  
25 other metrics to which this state and the manufacturer agree in  
26 writing. The value-based arrangement may include a rebate, a  
27 discount, a price reduction, a contribution, risk sharing, a

1 reimbursement, payment deferral or installment payments, a  
2 guarantee, patient care, shared savings payments, withholds, a  
3 bonus, or any other thing of value. (Gov. Code, Sec. 531.0701.)

4       Sec. 549.0003. PERIOD OF VALIDITY OF PRESCRIPTIONS UNDER  
5 MEDICAID. (a) This section does not apply to a prescription for a  
6 controlled substance, as defined by Chapter 481, Health and Safety  
7 Code.

8       (b) In the rules and standards governing the vendor drug  
9 program, the executive commissioner, to the extent allowed by  
10 federal law and laws regulating the writing of prescriptions and  
11 dispensing of prescription medications, shall ensure that a  
12 prescription written by an authorized health care provider under  
13 Medicaid is valid for the lesser of:

14               (1) the period for which the prescription is written;  
15 or

16               (2) one year. (Gov. Code, Sec. 531.0694.)

17       Sec. 549.0004. CERTAIN MEDICATIONS FOR SEX OFFENDERS  
18 PROHIBITED. (a) To the maximum extent allowed under federal law,  
19 the commission may not provide a sexual performance enhancing  
20 medication under the vendor drug program or any other health and  
21 human services program to an individual required to register as a  
22 sex offender under Chapter 62, Code of Criminal Procedure.

23       (b) The executive commissioner may adopt rules as necessary  
24 to implement this section. (Gov. Code, Sec. 531.089.)

25       Sec. 549.0005. PRIOR APPROVAL OF AND PHARMACY PROVIDER  
26 ACCESS TO CERTAIN COMMUNICATIONS WITH CERTAIN RECIPIENTS AND  
27 ENROLLEES. (a) This section applies to:

1 (1) the vendor drug program for Medicaid and the child  
2 health plan program;

3 (2) the kidney health care program;

4 (3) the children with special health care needs  
5 program; and

6 (4) any other state program the commission administers  
7 that provides prescription drug benefits.

8 (b) A managed care organization, including a health  
9 maintenance organization, or a pharmacy benefit manager, that  
10 administers claims for prescription drug benefits under a program  
11 to which this section applies shall, at least 10 days before the  
12 date the organization or pharmacy benefit manager intends to  
13 deliver a communication to recipients or enrollees collectively  
14 under a program:

15 (1) submit a copy of the communication to the  
16 commission for approval; and

17 (2) if applicable, allow the pharmacy providers of the  
18 recipients or enrollees who are to receive the communication access  
19 to the communication. (Gov. Code, Sec. 531.0697.)

20 SUBCHAPTER B. REVIEW AND ANALYSIS OF CERTAIN PRESCRIPTION DRUG  
21 PURCHASES AND PATTERNS

22 Sec. 549.0051. PERIODIC REVIEW OF VENDOR DRUG PROGRAM  
23 PURCHASES. (a) The commission shall periodically review all  
24 purchases made under the vendor drug program to determine the  
25 cost-effectiveness of including a component for prescription drug  
26 benefits in any capitation rate paid by this state under a Medicaid  
27 managed care program or the child health plan program.

1 (b) In making the determination required by Subsection (a),  
2 the commission shall consider the value of any prescription drug  
3 rebates this state receives. (Gov. Code, Sec. 531.069.)

4 Sec. 549.0052. MEDICAID PRESCRIPTION DRUG USE AND  
5 EXPENDITURE PATTERNS. The commission shall:

6 (1) monitor and analyze Medicaid prescription drug use  
7 and expenditure patterns;

8 (2) identify the therapeutic prescription drug  
9 classes and individual prescription drugs that are most often  
10 prescribed to patients or that represent the greatest expenditures;  
11 and

12 (3) post the data the commission identifies under this  
13 section on the commission's Internet website and update the  
14 information on a quarterly basis. (Gov. Code, Sec. 531.0693.)

15 SUBCHAPTER C. SUPPLEMENTAL REBATES OR PROGRAM BENEFITS FOR  
16 PRESCRIPTION DRUGS

17 Sec. 549.0101. DEFINITIONS. In this subchapter:

18 (1) "Labeler" means a person that:

19 (A) has a labeler code from the United States  
20 Food and Drug Administration under 21 C.F.R. Section 207.33; and

21 (B) receives prescription drugs from a  
22 manufacturer or wholesaler and repackages those drugs for later  
23 retail sale.

24 (2) "Manufacturer" means a manufacturer of  
25 prescription drugs as defined by 42 U.S.C. Section 1396r-8(k)(5),  
26 including a subsidiary or affiliate of a manufacturer.

27 (3) "Supplemental rebate" means a cash rebate a

1 manufacturer pays to this state:

2 (A) on the basis of appropriate quarterly health  
3 and human services program utilization data relating to the  
4 manufacturer's products; and

5 (B) in accordance with a state supplemental  
6 rebate agreement negotiated with the manufacturer and, if  
7 necessary, approved by the federal government under 42 U.S.C.  
8 Section 1396r-8.

9 (4) "Wholesaler" means a person licensed under  
10 Subchapter I, Chapter 431, Health and Safety Code. (Gov. Code,  
11 Secs. 531.070(a), (b).)

12 Sec. 549.0102. REQUIREMENT TO NEGOTIATE FOR SUPPLEMENTAL  
13 REBATES FOR CERTAIN PROGRAMS. (a) Subject to Subsection (b), the  
14 commission shall negotiate with manufacturers and labelers,  
15 including generic manufacturers and labelers, to obtain  
16 supplemental rebates for prescription drugs provided under:

17 (1) the Medicaid vendor drug program in excess of the  
18 Medicaid rebates required by 42 U.S.C. Section 1396r-8;

19 (2) the child health plan program; and

20 (3) any other state program the commission or a health  
21 and human services agency administers, including a community mental  
22 health center or state mental health hospital.

23 (b) The commission may by contract authorize a private  
24 entity to negotiate with manufacturers and labelers on the  
25 commission's behalf. (Gov. Code, Secs. 531.070(h), (i).)

26 Sec. 549.0103. VOLUNTARY NEGOTIATION FOR MANUFACTURER AND  
27 LABELER SUPPLEMENTAL REBATES. A manufacturer or labeler that sells

1 prescription drugs in this state may voluntarily negotiate with the  
2 commission and enter into an agreement to provide supplemental  
3 rebates for prescription drugs provided under:

4 (1) the Medicaid vendor drug program in excess of the  
5 Medicaid rebates required by 42 U.S.C. Section 1396r-8;

6 (2) the child health plan program; and

7 (3) any other state program the commission or a health  
8 and human services agency administers, including a community mental  
9 health center or state mental health hospital. (Gov. Code, Sec.  
10 531.070(j).)

11 Sec. 549.0104. CONSIDERATIONS IN SUPPLEMENTAL REBATE  
12 NEGOTIATIONS. (a) In negotiating terms for a supplemental rebate  
13 amount, the commission shall consider:

14 (1) rebates calculated under the Medicaid rebate  
15 program in accordance with 42 U.S.C. Section 1396r-8;

16 (2) any other available information on prescription  
17 drug prices or rebates; and

18 (3) other program benefits as specified in Section  
19 549.0106(b).

20 (b) In negotiating terms for a supplemental rebate, the  
21 commission shall use the average manufacturer price as defined in  
22 42 U.S.C. Section 1396r-8(k)(1) as the cost basis for the product.  
23 (Gov. Code, Secs. 531.070(k), (m).)

24 Sec. 549.0105. REQUIRED DISCLOSURES IN NEGOTIATIONS FOR  
25 SUPPLEMENTAL REBATES. Before or during supplemental rebate  
26 agreement negotiations for a prescription drug being considered for  
27 the preferred drug list, the commission shall disclose to

1 pharmaceutical manufacturers any clinical edits or clinical  
2 protocols that may be imposed on drugs within a particular drug  
3 category that are placed on the preferred drug list during the  
4 contract period. Clinical edits may not be imposed for a preferred  
5 drug during the contract period unless the disclosure is made.  
6 (Gov. Code, Sec. 531.070(n).)

7       Sec. 549.0106. PROGRAM BENEFITS INSTEAD OF SUPPLEMENTAL  
8 REBATES; MONETARY CONTRIBUTION OR DONATION. (a) For purposes of  
9 this section, a program benefit may mean a disease management  
10 program authorized under this title, a drug product donation  
11 program, a drug utilization control program, prescriber and  
12 beneficiary counseling and education, a fraud or abuse initiative,  
13 and another service or administrative investment with guaranteed  
14 savings to a program a health and human services agency operates.

15       (b) The commission may enter into a written agreement with a  
16 manufacturer to accept a program benefit instead of a supplemental  
17 rebate only if:

18               (1) the program benefit yields savings that are at  
19 least equal to the amount the manufacturer would have provided  
20 under a state supplemental rebate agreement during the current  
21 biennium as determined by the written agreement;

22               (2) the manufacturer:

23                       (A) posts a performance bond guaranteeing  
24 savings to this state; and

25                       (B) agrees that if the savings are not achieved  
26 in accordance with the written agreement, the manufacturer will  
27 forfeit the bond to this state, less any savings that were achieved;

1 and

2 (3) the program benefit is in addition to other  
3 program benefits the manufacturer currently offers to recipients of  
4 Medicaid or related programs.

5 (c) For purposes of this subchapter, the commission may  
6 consider a monetary contribution or donation to the arrangements  
7 described in Subsection (b) for the purpose of offsetting  
8 expenditures to other state health care programs, but that funding  
9 may not be used to offset expenditures for covered outpatient drugs  
10 as defined by 42 U.S.C. Section 1396r-8(k)(2) under the vendor drug  
11 program. An arrangement under this subsection may not yield less  
12 than the amount this state would have benefited under a  
13 supplemental rebate. The commission may consider an arrangement  
14 under this subchapter as satisfying the requirements of Section  
15 549.0204(a). (Gov. Code, Secs. 531.070(c), (d), (g).)

16 Sec. 549.0107. LIMITATIONS ON AGREEMENT TO ACCEPT PROGRAM  
17 BENEFITS INSTEAD OF SUPPLEMENTAL REBATES. (a) A commission  
18 agreement to accept a program benefit described by Section  
19 549.0106:

20 (1) may not prohibit the commission from entering into  
21 a similar agreement with another entity that relates to a different  
22 drug class;

23 (2) must be limited to a period the commission  
24 expressly determines; and

25 (3) subject to Subsection (b), may cover only a  
26 product that has received United States Food and Drug  
27 Administration approval as of the date the commission enters into

1 the agreement.

2 (b) A new product the United States Food and Drug  
3 Administration approves after the commission enters into the  
4 agreement may be incorporated into the agreement only under an  
5 amendment to the agreement. (Gov. Code, Sec. 531.070(f).)

6 Sec. 549.0108. TREATMENT OF PROGRAM BENEFITS FOR CERTAIN  
7 PURPOSES. Other than as required to satisfy the provisions of this  
8 subchapter, a program benefit described by Section 549.0106 is  
9 considered an alternative to, and not the equivalent of, a  
10 supplemental rebate. A program benefit must be treated in this  
11 state's submissions to the federal government, including, as  
12 appropriate, waiver requests and quarterly Medicaid claims, so as  
13 to maximize the availability of federal matching payments. (Gov.  
14 Code, Sec. 531.070(e).)

15 SUBCHAPTER D. CONFIDENTIALITY OF INFORMATION RELATING TO  
16 PRESCRIPTION DRUG REBATE NEGOTIATIONS AND AGREEMENTS

17 Sec. 549.0151. CERTAIN PRESCRIPTION DRUG INFORMATION  
18 CONFIDENTIAL. (a) Notwithstanding any other state law other than  
19 Sections 549.0152 and 549.0153, information the commission obtains  
20 or maintains regarding prescription drug rebate negotiations or a  
21 supplemental Medicaid or other rebate agreement, including trade  
22 secrets, rebate amount, rebate percentage, and manufacturer or  
23 labeler pricing, is confidential and not subject to disclosure  
24 under Chapter 552.

25 (b) Information that is confidential under Subsection (a)  
26 includes information described by that subsection that the  
27 commission obtains or maintains in connection with:

- 1 (1) the vendor drug program;
- 2 (2) the child health plan program;
- 3 (3) the kidney health care program;
- 4 (4) the children with special health care needs  
5 program; or
- 6 (5) another state program the commission or a health  
7 and human services agency administers. (Gov. Code, Secs.  
8 531.071(a), (b).)

9 Sec. 549.0152. GENERAL PRESCRIPTION DRUG INFORMATION NOT  
10 CONFIDENTIAL; EXCEPTION. General information about the aggregate  
11 costs of different classes of prescription drugs is not  
12 confidential under Section 549.0151(a), except that a drug name or  
13 information that could reveal a drug name is confidential. (Gov.  
14 Code, Sec. 531.071(c).)

15 Sec. 549.0153. EXISTENCE OR NONEXISTENCE OF SUPPLEMENTAL  
16 REBATE AGREEMENT NOT CONFIDENTIAL. Information about whether the  
17 commission and a manufacturer or labeler reached or did not reach a  
18 supplemental rebate agreement under Subchapter C for a particular  
19 prescription drug is not confidential under Section 549.0151(a).  
20 (Gov. Code, Sec. 531.071(d).)

21 SUBCHAPTER E. PREFERRED DRUG LISTS

22 Sec. 549.0201. DEFINITION. In this subchapter, "board"  
23 means the Drug Utilization Review Board. (New.)

24 Sec. 549.0202. PREFERRED DRUG LISTS REQUIRED FOR MEDICAID  
25 VENDOR DRUG AND CHILD HEALTH PLAN PROGRAMS. In a manner that  
26 complies with state and federal law, the commission shall adopt  
27 preferred drug lists for:

- 1           (1) the Medicaid vendor drug program; and  
2           (2) prescription drugs purchased through the child  
3 health plan program. (Gov. Code, Sec. 531.072(a) (part).)

4           Sec. 549.0203. PREFERRED DRUG LISTS AUTHORIZED FOR CERTAIN  
5 PROGRAMS. The commission may adopt preferred drug lists for:

- 6           (1) community mental health centers;  
7           (2) state mental health hospitals; and  
8           (3) any state program the commission or a state health  
9 and human services agency administers other than a program for  
10 which Section 549.0202 requires the adoption of preferred drug  
11 lists. (Gov. Code, Sec. 531.072(a) (part).)

12           Sec. 549.0204. LIMITATION ON DRUGS INCLUDED ON PREFERRED  
13 DRUG LISTS; EXCEPTIONS. (a) The preferred drug lists adopted under  
14 this subchapter may contain only drugs provided by a manufacturer  
15 or labeler that reaches an agreement with the commission on  
16 supplemental rebates under Subchapter C.

17           (b) Notwithstanding Subsection (a), the preferred drug  
18 lists may contain:

19           (1) a drug provided by a manufacturer or labeler that  
20 has not reached a supplemental rebate agreement with the commission  
21 if the commission determines that including the drug on the  
22 preferred drug lists will not have a negative cost impact to this  
23 state; or

24           (2) a drug provided by a manufacturer or labeler that  
25 has reached an agreement with the commission to provide program  
26 benefits instead of supplemental rebates as described by Subchapter  
27 C. (Gov. Code, Secs. 531.072(b), (b-1).)

1           Sec. 549.0205. CONSIDERATIONS FOR INCLUDING DRUG ON  
2 PREFERRED DRUG LISTS. (a) In making a decision regarding the  
3 placement of a drug on each of the preferred drug lists adopted  
4 under this subchapter, the commission shall consider:

5           (1) the board's recommendations under Section  
6 549.0309;

7           (2) the drug's clinical efficacy;

8           (3) the price of competing drugs after deducting any  
9 federal and state rebate amounts; and

10           (4) program benefit offerings solely or in conjunction  
11 with rebates and other pricing information.

12           (b) The commission shall consider including on a preferred  
13 drug list:

14           (1) multiple methods of delivery within each drug  
15 class, including liquid, capsule, and tablet, including an orally  
16 disintegrating tablet; and

17           (2) all strengths and dosage forms of a drug. (Gov.  
18 Code, Secs. 531.072(b-2), (c), (c-1).)

19           Sec. 549.0206. SUBMISSION OF EVIDENCE TO SUPPORT INCLUDING  
20 DRUG ON PREFERRED DRUG LISTS. (a) In this section, "labeler" and  
21 "manufacturer" have the meanings assigned by Section 549.0101.

22           (b) The commission shall ensure that a manufacturer or  
23 labeler may submit written evidence that supports including a drug  
24 on the preferred drug lists before a supplemental rebate agreement  
25 is reached with the commission. (Gov. Code, Sec. 531.072(e)  
26 (part).)

27           Sec. 549.0207. PUBLICATION OF INFORMATION RELATING TO AND

1 DISTRIBUTION OF PREFERRED DRUG LISTS. (a) The commission shall  
2 publish on the commission's Internet website any decisions on  
3 preferred drug list placement, including:

4 (1) a list of drugs reviewed and the commission's  
5 decision for or against placement on a preferred drug list of each  
6 reviewed drug;

7 (2) for each recommendation, whether a supplemental  
8 rebate agreement or a program benefit agreement was reached under  
9 Subchapter C; and

10 (3) the rationale for any departure from a board  
11 recommendation under Section 549.0309.

12 (b) The commission shall:

13 (1) provide for the distribution of current copies of  
14 the preferred drug lists adopted under this subchapter by posting  
15 the lists on the Internet; and

16 (2) mail copies of the lists to a health care provider  
17 on the provider's request. (Gov. Code, Secs. 531.072(d),  
18 531.0741.)

19 SUBCHAPTER F. PRIOR AUTHORIZATION FOR CERTAIN DRUGS

20 Sec. 549.0251. DRUGS SUBJECT TO PRIOR AUTHORIZATION  
21 REQUIREMENTS. (a) The executive commissioner, in the rules and  
22 standards governing the Medicaid vendor drug program and the child  
23 health plan program, shall require prior authorization for the  
24 reimbursement of a drug that is not included in the appropriate  
25 preferred drug list adopted under Subchapter E unless:

26 (1) the drug is exempt from prior authorization  
27 requirements by federal law; or

1           (2) the executive commissioner is prohibited under  
2 Sections 549.0252 and 549.0253(a) from requiring prior  
3 authorization for the drug.

4           (b) The executive commissioner may require prior  
5 authorization for the reimbursement of a drug provided through any  
6 state program, other than a program described by Subsection (a),  
7 that the commission or a state health and human services agency  
8 administers, including a community mental health center and a state  
9 mental health hospital if the commission adopts a preferred drug  
10 list under Subchapter E that applies to that facility and the drug  
11 is not included in the appropriate list.

12           (c) The executive commissioner shall require that the prior  
13 authorization be obtained by the prescribing physician or  
14 prescribing practitioner. (Gov. Code, Sec. 531.073(a).)

15           Sec. 549.0252. PRIOR AUTHORIZATION AND CERTAIN PROTOCOL  
16 REQUIREMENTS PROHIBITED FOR CERTAIN ANTIRETROVIRAL DRUGS. (a) In  
17 this section, "antiretroviral drug" means a drug that treats human  
18 immunodeficiency virus infection or prevents acquired immune  
19 deficiency syndrome. The term includes:

- 20           (1) protease inhibitors;
- 21           (2) non-nucleoside reverse transcriptase inhibitors;
- 22           (3) nucleoside reverse transcriptase inhibitors;
- 23           (4) integrase inhibitors;
- 24           (5) fusion inhibitors;
- 25           (6) attachment inhibitors;
- 26           (7) CD4 post-attachment inhibitors;
- 27           (8) CCR5 receptor antagonists; and

1           (9) other antiretroviral drugs used to treat human  
2 immunodeficiency virus infection or prevent acquired immune  
3 deficiency syndrome.

4           (b) The executive commissioner, in the rules and standards  
5 governing the Medicaid vendor drug program, may not require a  
6 clinical, nonpreferred, or other prior authorization for an  
7 antiretroviral drug, or a step therapy or other protocol, that  
8 could restrict or delay the dispensing of the drug except to  
9 minimize fraud, waste, or abuse. (Gov. Code, Sec. 531.073(j).)

10           Sec. 549.0253. PRIOR AUTHORIZATION PROHIBITED FOR CERTAIN  
11 NONPREFERRED ANTIPSYCHOTIC DRUGS. (a) The executive commissioner,  
12 in the rules and standards governing the vendor drug program, may  
13 not require prior authorization for a nonpreferred antipsychotic  
14 drug that is included on the vendor drug formulary and prescribed to  
15 an adult patient if:

16           (1) during the preceding year, the patient was  
17 prescribed and unsuccessfully treated with a 14-day treatment trial  
18 of an antipsychotic drug that is included on the appropriate  
19 preferred drug list adopted under Subchapter E and for which a  
20 single claim was paid;

21           (2) the patient has previously been prescribed and  
22 obtained prior authorization for the nonpreferred antipsychotic  
23 drug and the prescription is for the purpose of drug dosage  
24 titration; or

25           (3) subject to federal law on maximum dosage limits  
26 and commission rules on drug quantity limits, the patient has  
27 previously been prescribed and obtained prior authorization for the

1 nonpreferred antipsychotic drug and the prescription modifies the  
2 dosage, dosage frequency, or both, of the drug as part of the same  
3 treatment for which the drug was previously prescribed.

4 (b) Subsection (a) does not affect:

5 (1) a pharmacist's authority to dispense the generic  
6 equivalent or interchangeable biological product of a prescription  
7 drug in accordance with Subchapter A, Chapter 562, Occupations  
8 Code;

9 (2) any drug utilization review requirements  
10 prescribed by state or federal law; or

11 (3) clinical prior authorization edits to preferred  
12 and nonpreferred antipsychotic drug prescriptions. (Gov. Code,  
13 Secs. 531.073(a-3), (a-4).)

14 Sec. 549.0254. ADMINISTRATION OF PRIOR AUTHORIZATION  
15 REQUIREMENTS. (a) The commission may by contract authorize a  
16 private entity to administer the prior authorization requirements  
17 imposed by Sections 549.0251 and 549.0255 through 549.0259 on the  
18 commission's behalf.

19 (b) The commission shall ensure that the prior  
20 authorization requirements are implemented in a manner that  
21 minimizes the cost to this state and any administrative burden  
22 placed on providers. (Gov. Code, Secs. 531.073(e), (f).)

23 Sec. 549.0255. PREREQUISITE TO IMPLEMENTING PRIOR  
24 AUTHORIZATION REQUIREMENT FOR CERTAIN DRUGS. Until the commission  
25 completes a study evaluating the impact of a prior authorization  
26 requirement on recipients of certain drugs, the executive  
27 commissioner shall delay requiring prior authorization for drugs

1 that are used to treat patients with illnesses that:

2 (1) are life-threatening;

3 (2) are chronic; and

4 (3) require complex medical management strategies.

5 (Gov. Code, Sec. 531.073(a-1).)

6 Sec. 549.0256. NOTICE OF PRIOR AUTHORIZATION REQUIREMENT  
7 IMPLEMENTATION AND PROCEDURES. Not later than the 30th day before  
8 the date a prior authorization requirement is implemented, the  
9 commission shall post on the Internet for consumers and providers:

10 (1) notice of the implementation date; and

11 (2) a detailed description of the procedures to be  
12 used in obtaining prior authorization. (Gov. Code, Sec.  
13 531.073(a-2).)

14 Sec. 549.0257. PRIOR AUTHORIZATION PROCEDURES. (a) The  
15 commission shall establish procedures for the prior authorization  
16 requirement under the Medicaid vendor drug program to ensure that  
17 the requirements of 42 U.S.C. Section 1396r-8(d)(5) are met. The  
18 procedures must ensure that:

19 (1) a prior authorization requirement is not imposed  
20 for a drug before the drug has been considered at a meeting of the  
21 Drug Utilization Review Board under Subchapter G;

22 (2) a response to a request for prior authorization is  
23 provided by telephone or other telecommunications device within 24  
24 hours after receipt of the request; and

25 (3) a 72-hour supply of the drug prescribed is  
26 provided in an emergency or if the commission does not provide a  
27 response within the period required by Subdivision (2).

1           (b) The commission shall implement procedures to ensure  
2 that a recipient or enrollee under Medicaid, the child health plan  
3 program, or another state program the commission administers, or an  
4 individual who becomes eligible under Medicaid, the child health  
5 plan program, or another state program the commission or a health  
6 and human services agency administers, receives continuity of care  
7 in relation to certain prescriptions the commission identifies.

8           (c) The commission shall ensure that requests for prior  
9 authorization may be submitted by telephone, facsimile, or  
10 electronic communications through the Internet.

11           (d) The commission shall provide an automated process that  
12 may be used to assess a Medicaid recipient's medical and drug claim  
13 history to determine whether the recipient's medical condition  
14 satisfies the applicable criteria for dispensing a drug without an  
15 additional prior authorization request. (Gov. Code, Secs.  
16 531.073(b), (d), (g), (h).)

17           Sec. 549.0258. PRIOR AUTHORIZATION AUTOMATION AND  
18 POINT-OF-SALE REQUIREMENTS. The executive commissioner, in the  
19 rules and standards governing the vendor drug program and as part of  
20 the requirements under a contract between the commission and a  
21 Medicaid managed care organization, shall:

22           (1) require, to the maximum extent possible based on a  
23 pharmacy benefit manager's claim system, automation of clinical  
24 prior authorization for each drug in the antipsychotic drug class;  
25 and

26           (2) ensure that, at the time a nonpreferred or  
27 clinical prior authorization edit is denied, a pharmacist is

1 immediately provided a point-of-sale return message that:

2 (A) clearly specifies the contact and other  
3 information necessary for the pharmacist to submit a prior  
4 authorization request for the prescription; and

5 (B) instructs the pharmacist to dispense, only if  
6 clinically appropriate under federal or state law, a 72-hour supply  
7 of the prescription. (Gov. Code, Sec. 531.073(a-5).)

8 Sec. 549.0259. APPLICABILITY OF PRIOR AUTHORIZATION  
9 REQUIREMENTS TO PRIOR PRESCRIPTIONS. The commission shall ensure  
10 that a prescription drug prescribed before implementation of a  
11 prior authorization requirement for that drug for a recipient or  
12 enrollee under Medicaid, the child health plan program, or another  
13 state program the commission or a health and human services agency  
14 administers, or for an individual who becomes eligible under  
15 Medicaid, the child health plan program, or another state program  
16 the commission or a health and human services agency administers,  
17 is not subject to any prior authorization requirement under this  
18 subchapter until the earlier of:

19 (1) the date the recipient or enrollee exhausts all  
20 the prescription, including any authorized refills; or

21 (2) the expiration of a period the commission  
22 prescribes. (Gov. Code, Sec. 531.073(c).)

23 Sec. 549.0260. APPEAL OF PRIOR AUTHORIZATION DENIAL UNDER  
24 MEDICAID VENDOR DRUG PROGRAM. A recipient of drug benefits under  
25 the Medicaid vendor drug program may appeal through the Medicaid  
26 fair hearing process a denial of prior authorization under this  
27 subchapter for a covered drug or covered dosage. (Gov. Code, Sec.

1 531.072(f).)

2 SUBCHAPTER G. DRUG UTILIZATION REVIEW BOARD

11 organizations, one of whom must be a physician and one of whom must  
12 be a pharmacist, as nonvoting members;

13 (2) at least 17 physicians and pharmacists who:

14 (A) provide services across the entire

27 recipients.

1           (b) The executive commissioner by rule shall develop and  
2 implement a process by which an individual may apply to become a  
3 board member and shall post the application and information  
4 regarding the application process on the commission's Internet  
5 website. (Gov. Code, Secs. 531.0736(c), (c-1).)

6           Sec. 549.0303. CONFLICTS OF INTEREST. (a) A voting board  
7 member may not have a contractual relationship with, ownership  
8 interest in, or other conflict of interest with:

9                   (1) a pharmaceutical manufacturer or labeler; or

10                   (2) an entity the commission engages to assist in  
11 developing preferred drug lists or administering the Medicaid Drug  
12 Utilization Review Program.

13           (b) The executive commissioner may implement this section  
14 by:

15                   (1) adopting rules that identify prohibited  
16 relationships and conflicts; or

17                   (2) requiring the board to develop a  
18 conflict-of-interest policy that applies to the board. (Gov. Code,  
19 Sec. 531.0737.)

20           Sec. 549.0304. BOARD MEMBER TERMS. Board members serve  
21 staggered four-year terms. (Gov. Code, Sec. 531.0736(e).)

22           Sec. 549.0305. PRESIDING OFFICER. The voting board members  
23 shall elect from among the voting members a presiding officer. The  
24 presiding officer must be a physician. (Gov. Code, Sec.  
25 531.0736(f).)

26           Sec. 549.0306. INAPPLICABILITY OF OTHER LAW TO BOARD.  
27 Chapter 2110 does not apply to the board. (Gov. Code, Sec.

1 531.0736(m).)

2           Sec. 549.0307. ADMINISTRATIVE SUPPORT FOR BOARD. The  
3 commission shall provide administrative support and resources as  
4 necessary for the board to perform the board's duties. (Gov. Code,  
5 Sec. 531.0736(1).)

6           Sec. 549.0308. RULES FOR BOARD OPERATION. (a) The  
7 executive commissioner shall adopt rules governing the board's  
8 operation, including:

9                   (1) rules governing the procedures the board uses to  
10 provide notice of a meeting; and

11                   (2) rules prohibiting the board from discussing  
12 confidential information described by Subchapter D in a public  
13 meeting.

14           (b) The board shall comply with the rules adopted under this  
15 section and Section 549.0311. (Gov. Code, Sec. 531.0736(i).)

16           Sec. 549.0309. GENERAL POWERS AND DUTIES OF BOARD. (a) In  
17 addition to performing any other duties required by federal law,  
18 the board shall:

19                   (1) develop and submit to the commission  
20 recommendations for the preferred drug lists the commission adopts  
21 under Subchapter E;

22                   (2) suggest to the commission restrictions or clinical  
23 edits on prescription drugs;

24                   (3) recommend to the commission educational  
25 interventions for Medicaid providers;

3 lists, the board shall consider the clinical efficacy, safety, and  
4 cost-effectiveness of, and any program benefit associated with, a  
5 product.

6 (c) To the extent feasible, the board:

7 (1) shall review all drug classes included in the  
8 preferred drug lists at least once every 12 months; and

9 (2) may recommend inclusions in and exclusions from  
10 the lists to ensure that the lists provide for a range of clinically  
11 effective, safe, cost-effective, and medically appropriate drug  
12 therapies for the diverse segments of the Medicaid population,  
13 children receiving health benefits coverage under the child health  
14 plan program, and any other affected individuals. (Gov. Code,  
15 Secs. 531.0736(b), (h), (k).)

16 Sec. 549.0310. BOARD MEETINGS; REVIEW OF CERTAIN PRODUCTS.

17 (a) The board shall hold a public meeting quarterly at the call of  
18 the presiding officer and shall permit public comment before voting  
19 on any changes in the preferred drug lists the commission adopts  
20 under Subchapter E, the adoption of or changes to drug use criteria,  
21 or the adoption of prior authorization or drug utilization review  
22 proposals. The location of the quarterly public meeting may rotate  
23 among different geographic areas across this state, or allow for  
24 public input through teleconferencing centers in various  
25 geographic areas across this state.

26 (b) The board shall hold public meetings at other times at  
27 the call of the presiding officer.

1 (c) Minutes of each meeting shall be made available to the  
2 public not later than the 10th business day after the date the  
3 minutes are approved.

4 (d) The board may meet in executive session to discuss  
5 confidential information as described by Section 549.0308.

6 (e) Board members appointed under Section 549.0302(a)(1)  
7 may attend quarterly and other regularly scheduled meetings, but  
8 may not:

9 (1) attend executive sessions; or

10 (2) access confidential drug pricing information.

11 (f) In this subsection, "labeler" and "manufacturer" have  
12 the meanings assigned by Section 549.0101. The commission shall  
13 ensure that a drug that has been approved or had any of the drug's  
14 particular uses approved by the United States Food and Drug  
15 Administration under a priority review classification is reviewed  
16 by the board at the next regularly scheduled board meeting. On  
17 receiving notice from a manufacturer or labeler of the availability  
18 of a new product, the commission, to the extent possible, shall  
19 schedule a review for the product at the next regularly scheduled  
20 board meeting. (Gov. Code, Secs. 531.072(e) (part), 531.0736(b)  
21 (part), (d), (g).)

22 Sec. 549.0311. BOARD SUMMARY OF CERTAIN INFORMATION  
23 REQUIRED. (a) The executive commissioner by rule shall require the

15           (b) In determining the number and types of drug use reviews  
16 to be performed, the commission shall:

8 (b) The commission may award money in the account

17 eligible participating families in attaining self-sufficiency by:

18 (1) identifying eligibility requirements for the  
19 continuation of financial assistance or supplemental nutrition  
20 assistance benefits and time limits for the benefits, the  
21 application of which may be waived for a limited period and that, if  
22 applied, would impede self-sufficiency;

23 (2) implementing strategies, including waiving the  
24 application of the eligibility requirements and time limits  
25 identified in Subdivision (1), to remove barriers to  
26 self-sufficiency; and

6 assistance benefits, as necessary;

7 (B) a second phase in which:

8 (i) the family transitions toward stability  
9 by securing employment and any necessary child care and by  
10 participating in services that build the financial management  
11 skills necessary to meet financial goals; and

12 (ii) the family's financial assistance and  
13 supplemental nutrition assistance benefits are reduced according  
14 to the following scale:

15 (a) on reaching 25 percent of the  
16 family's sufficient wage, the amount of benefits is reduced by 10  
17 percent;

19 family's sufficient wage, the amount of benefits is reduced by 25  
20 percent; and

21 (c) on reaching 75 percent of the  
22 family's sufficient wage, the amount of benefits is reduced by 50  
23 percent;

24 (C) a third phase in which the family:

25 (i) transitions to self-sufficiency by  
26 securing employment that pays a sufficient wage, reducing debt, and  
27 building savings; and

1                   (ii) becomes ineligible for financial  
2 assistance and supplemental nutrition assistance benefits on  
3 reaching 100 percent of the family's sufficient wage; and

4                   (D) a final phase in which the family attains  
5 self-sufficiency by retaining employment that pays a sufficient  
6 wage, amassing at least \$1,000 per member of the family's  
7 household, and having manageable debt so that the family will no  
8 longer be dependent on financial assistance, supplemental  
9 nutrition assistance, or other means-tested public benefits for at  
10 least six months following the date the family stops participating  
11 in the program. (Gov. Code, Secs. 531.02241(d), (f).)

12           Sec. 550.0204. BENEFIT ELIGIBILITY FOR PILOT PROGRAM

15 reduction of the benefits using a slow reduction scale, the pilot  
16 program will test extending the benefits for at least 24 months but  
17 not more than 60 months by waiving:

18                   (1) the application of income and asset limit  
19 eligibility requirements for financial assistance and supplemental  
20 nutrition assistance benefits; and

21                   (2) the time limits specified by Section 31.0065,  
22 Human Resources Code, for financial assistance benefits.

23           (b) The commission shall freeze a participating family's  
24 eligibility status for financial assistance and supplemental  
25 nutrition assistance benefits beginning on the date the  
26 participating family enters the pilot program and ending on the  
27 date the family ceases participating in the program.

1           (c) The waiver of the application of any asset limit  
2 requirement under this section must allow the participating family  
3 to have assets in an amount equal to at least \$1,000 per member of  
4 the family's household. (Gov. Code, Sec. 531.02241(c).)

10 Subdivision (1)(B) to allow for continuation of financial  
11 assistance and supplemental nutrition assistance benefits; and

12 (5) if the individual's family is determined eligible  
13 for and chooses to participate in the program, schedule a follow-up  
14 meeting to:

15 (A) further assess the family's crisis;

16 (B) review available referral services; and

17 (C) create a service plan.

18 (b) A participating family must be assigned a program case

23 family to continue receiving financial assistance and supplemental  
24 nutrition assistance benefits on a slow reduction scale;

25 (2) during the initial phase of the program, create  
26 medium- and long-term goals consistent with the strategies
