11 Network, about 1 in every 44 children in the United States is
12 identified with autism spectrum disorder, compared with 1 in 150
13 three decades ago; and

14 WHEREAS, One of the oldest autism-focused grassroots
15 organizations in the United States, ASA launched a nationwide
16 effort in 1970 to promote autism awareness and improve the quality
17 of life for those affected by the disorder; the organization went on
18 to establish a branch in Texas in 1990, and since then, ASA and AST
19 have supported and empowered countless Texans through initiatives
20 such as the Navigating Autism helpline, in-person and virtual
21 support groups, and education and advocacy efforts; today, the
22 organizations have expanded their missions to emphasize the
23 importance of promoting inclusivity and accepting those in the
24 autism community; and

1 WHEREAS, The cause of autism is unknown, but therapy and
2 support services can dramatically improve outcomes; early
3 diagnosis and intervention are crucial to help people living with
4 autism use their skills and talents to reach their full potential;
5 now, therefore, be it
