parent's child, including public school, private school, or home
school.

Sec. 26.0061. RIGHT TO REQUEST INSTRUCTIONAL MATERIAL
REVIEW. (a) The board of trustees of each school district shall
establish a process by which a parent of a student, as indicated on
the student registration form at the student's campus, may request
an instructional material review under Section 31.0236 for a
subject area in the grade level in which the student is enrolled.

(b) A process established under Subsection (a):
(1) may not require more than one parent of a student
to make the request;
(2) must provide for the board of trustees of the
school district to determine if the request will be granted, either
originally or through an appeal process; and
(3) may permit the requesting parent to review the
instructional material directly before the district conducts an
instructional material review under Section 31.0236.

(c) If the parents of at least 25 percent of the students

to conduct an instructional material review under Section 31.0236,
the board shall conduct the review.

(e) A review conducted under Subsection (c) or (d) shall
include a review of instructional materials for each subject area

Sec. 26.0083. RIGHT TO INFORMATION REGARDING MENTAL,
EMOTIONAL, AND PHYSICAL HEALTH AND HEALTH-RELATED SERVICES. (a)
The agency shall adopt a procedure for school districts to notify
the parent of a student enrolled in the district regarding any
change in services provided to or monitoring of the student related
to the student's mental, emotional, or physical health or
well-being.

(b) A procedure adopted under Subsection (a) must reinforce
the fundamental right of a parent to make decisions regarding the
upbringing and control of the parent's child by requiring school
district personnel to:

(1) encourage a student to discuss issues relating to
the student's well-being with the student's parent; or

(2) facilitate a discussion described under
Subdivision (1).

(c) A school district may not adopt a procedure that:

(e) A school district employee may not discourage or prohibit parental knowledge of or involvement in critical decisions affecting a student's mental, emotional, or physical health or well-being.

(f) Any student support services training developed or provided by a school district to district employees must comply with any student services guidelines, standards, and frameworks established by the State Board of Education and the agency.

The notice must include a statement of the parent's right to withhold consent for or decline a health-related service. A parent's consent to a health-related service does not waive a requirement of Subsection (a), (c), or (e).

(h) Before administering a student well-being questionnaire or health screening form to a student enrolled in prekindergarten through 12th grade, a school district must provide a copy of the questionnaire or form to the student's parent and obtain the parent's consent to administer the questionnaire or form.
