(e) A receiving school district may, but is not required to, provide transportation to a student who transfers to the receiving district under this section.

(f) A receiving school district may revoke, at any time during the school year, the approval of the student's transfer if the student:

(c) The board of trustees must include an appeal made under Subsection (b) in the business of the next board meeting after the date the appeal is received.

Sec. 26.0026. RIGHT TO SELECT EDUCATIONAL SETTING. A parent is entitled to choose the educational setting for the parent's child, including public school, private school, or home school.

Sec. 26.0061. RIGHT TO REQUEST INSTRUCTIONAL MATERIAL REVIEW. (a) The board of trustees of each school district shall establish a process by which a parent of a student, as indicated on the student registration form at the student's campus, may request
an instructional material review under Section 31.0236 for a
subject area in the grade level in which the student is enrolled.

(1) may not require more than one parent of a student
to make the request;

(2) must provide for the board of trustees of the
school district to determine if the request will be granted, either
originally or through an appeal process; and

(3) may permit the requesting parent to review the

board denies the request. A review conducted under this subsection
shall include a review of instructional materials for each subject
area or grade level specified in the petition.

(d) The commissioner may adopt rules to implement this
section.

Sec. 26.0083. RIGHT TO INFORMATION REGARDING MENTAL,
EMOTIONAL, AND PHYSICAL HEALTH AND HEALTH-RELATED SERVICES. (a)
The agency shall adopt a procedure for school districts to notify
the parent of a student enrolled in the district regarding any
change in:

(1) services provided to or monitoring of the student
related to the student's mental, emotional, or physical health or well-being; or

(2) the district's ability to provide a safe and supportive learning environment for the student.

(b) A procedure adopted under Subsection (a) must reinforce the fundamental right of a parent to make decisions regarding the upbringing and control of the parent's child by requiring school district personnel to:

(1) encourage a student to discuss issues relating to the student's well-being with the student's parent; or

(2) facilitate a discussion described under Subdivision (1).

(c) A school district may not adopt a procedure that:

The notice must include a statement of the parent's right to withhold consent for or decline a health-related service. A parent's consent to a health-related service does not waive a requirement of Subsection (a), (c), or (e).

(h) Before administering a student well-being questionnaire or health screening form to a student enrolled in prekindergarten through 12th grade, a school district must provide a copy of the questionnaire or form to the student's parent and obtain the parent's consent to administer the questionnaire or form.

suspects that an offense has been committed against the parent's
child [except as provided by Section 38.004].
(b) An attempt by any school district employee to encourage
or coerce a child to withhold information from the child's parent is
grounds for discipline under Section 21.104, 21.156, or 21.211, as
