(b) A school district shall use money received under Subsection (a) to increase the salary provided to each classroom teacher in the district for the 2023-2024 school year over the salary the teacher received or would have received if employed by the district in the 2022-2023 school year by at least the amount received per classroom teacher under Subsection (a).

(c) This section expires September 1, 2025.

SECTION 20. The following provisions are repealed:
