(4) conducting trainings, programs, or activities designed or implemented in reference to race, color, ethnicity, gender identity, or sexual orientation, other than trainings, programs, or activities developed by an attorney and approved in writing by the institution's general counsel and the office of the attorney general for the sole purpose of ensuring compliance with any applicable court order or state or federal law.

(b) The governing board of an institution of higher education shall ensure that each academic or administrative unit of the institution:

(1) does not, except as required by federal law:

(B) hire or assign an employee of the institution or contract with a third party to perform the duties of a diversity, equity, and inclusion office;

(C) compel, require, induce, or solicit any person to provide a diversity, equity, and inclusion statement or give preferential consideration to any person based on the provision of a diversity, equity, and inclusion statement;

(D) give preference on the basis of race, sex, color, ethnicity, or national origin to an applicant for employment, an employee, or a participant in any function of the institution; or
