relating to parental rights in public education and prohibiting
instruction regarding sexual orientation or gender identity for
public school students; authorizing a civil remedy.

BE IT ENACTED BY THE LEGISLATURE OF THE STATE OF TEXAS:

SECTION 1. The heading to Section 26.011, Education Code,
is amended to read as follows:

Sec. 26.011. COMPLAINTS; CIVIL REMEDY.

SECTION 2. Section 26.011, Education Code, is amended by
adding Subsections (c), (d), and (e) to read as follows:

(c) A grievance procedure adopted under this section must
require that, not later than the 30th day after receipt of a
complaint described by Subsection (a), the school district:

(1) resolve the issue that gave rise to the complaint;

or

(2) provide to the parent who submitted the complaint
a written explanation of the district's reason for not resolving
the issue.

(d) If a school district does not resolve an issue described
by Subsection (c)(1), the parent may bring a civil action against
the district to obtain appropriate injunctive and declaratory
relief. A court may award damages and shall award reasonable
attorney's fees and court costs to a prevailing parent. Remedies
provided by this subsection are not exclusive.
The board of trustees of each school district shall adopt a policy for notifying parents of students enrolled in the district regarding the grievance procedure adopted by the district under this section.

SECTION 3. Chapter 26, Education Code, is amended by adding Sections 26.0083, 26.0084, and 26.016 to read as follows:

Sec. 26.0083. RIGHT TO INFORMATION REGARDING MENTAL, EMOTIONAL, AND PHYSICAL HEALTH AND HEALTH-RELATED SERVICES. (a) Each school district shall adopt a procedure for notifying the parent of a student enrolled in the district regarding any change in:

(1) services provided to or monitoring of the student related to the student's mental, emotional, or physical health or well-being; or

(2) the district's ability to provide a safe and supportive learning environment for the student.

(b) A procedure adopted under Subsection (a) must reinforce the fundamental right of a parent to make decisions regarding the upbringing and education of the parent's child by requiring school district personnel to:

(1) encourage a student to discuss issues relating to the student's well-being with the student's parent; or

(2) facilitate a discussion described under Subdivision (1).

(c) A school district may not adopt a procedure or a student support form, including a student well-being questionnaire or health screening form, that:
(1) prohibits a district employee from notifying the parent of a student regarding:

(A) information about the student's mental, emotional, or physical health or well-being; or

(B) a change in services provided to or monitoring of the student related to the student's mental, emotional, or physical health or well-being; or

(2) encourages or has the effect of encouraging a student to withhold from the student's parent information described by Subdivision (1)(A).

(d) A school district employee may not discourage or prohibit parental knowledge of or involvement in critical decisions affecting a student's mental, emotional, or physical health or well-being.

(e) Before the first instructional day of each school year, a school district shall provide to the parent of each student enrolled in the district written notice of each health-related service offered at the district campus the student attends. The notice must include a statement of the parent's right to withhold consent for or decline a health-related service. A parent's consent to a health-related service does not waive a requirement of Subsection (a), (c), or (d).

(f) Before administering a student support form to a student, a school district must provide a copy of the form to the student's parent and obtain the parent's consent to administer the form.

(g) Not later than June 30, 2024, the agency, the State
Board of Education, and the State Board for Educator Certification, as appropriate, shall review and revise as necessary the following to ensure compliance with this section:

Sec. 26.016. CONSENT REQUIRED FOR PARTICIPATION IN CERTAIN STUDENT CLUBS. (a) In this section, "student club" means any student organization sponsored or sanctioned by a school district.

(b) A school district shall require written parental consent as a condition of a student's participation in a student club that promotes themes of sexuality, gender, or gender identity.

(c) A school district shall seek parental consent under this section by providing a written form to a parent that includes the foundational documents of the student club described by Subsection
(b) in which the student wishes to participate, including:
   
   (1) the name of the club;
