A BILL TO BE ENTITLED

AN ACT

relating to grant programs established to support nursing education and training.

BE IT ENACTED BY THE LEGISLATURE OF THE STATE OF TEXAS:

SECTION 1. Chapter 61, Education Code, is amended by adding Subchapter Z-1 to read as follows:

SUBCHAPTER Z-1. GRANT PROGRAMS SUPPORTING NURSING EDUCATION AND TRAINING

Sec. 61.9641. DEFINITIONS. In this subchapter:

(1) "Clinical site" means an acute care or rehabilitation facility, a primary care setting, a long-term care facility, a nursing home, a residential care setting, or any other site identified by the board as providing clinical learning experiences for nursing students.

(2) "Nursing advisory committee" means the nursing advisory committee established under Section 104.0155, Health and Safety Code.

Sec. 61.9642. CLINICAL SITE NURSE PRECEPTOR GRANT PROGRAM.

(a) The board, in consultation with the nursing advisory committee, shall establish and administer a program to award grants to eligible clinical sites to support the use of nurse preceptors in providing clinical training to nursing students.

(b) To be eligible for a grant under this section, a clinical site must:

1           (1) provide clinical training to nursing students  
2 through the use of one or more nurse preceptors;

3           (2) comply with any clinical site requirements  
4 established by the board; and

5           (3) comply with any other requirements adopted by  
6 board rule.

7           Sec. 61.9643. CLINICAL SITE INNOVATION AND COORDINATION  
8 PROGRAM. The board shall establish and administer a program to  
9 award grants to eligible clinical sites that create and operate  
10 innovative pilot programs that will support nursing performed at  
11 clinical sites in this state by increasing the number of nurses,  
12 improving the working environment for nurses, improving the  
13 retention of nurses, addressing workplace safety, and coordinating  
14 with other clinical sites any solutions found to address common  
15 nursing concerns.

16           Sec. 61.9644. NURSING FACULTY GRANT PROGRAM: PART-TIME  
17 POSITIONS. (a) The board shall award grants under a nursing  
18 faculty grant program to eligible institutions of higher education  
19 to provide funding for qualified nursing staff working at clinical  
20 sites who serve as part-time nursing faculty at those institutions.

21           (b) The amount of a grant and the number of grants to be  
22 awarded must be based on the total number of nursing staff serving  
23 as part-time faculty in institutions of higher education throughout  
24 the state in the year for which the grant is awarded.

25           (c) A grant received under this section must be expended to  
26 support the applicable nursing faculty positions, including the  
27 faculty stipend.

1       (d) An institution of higher education must certify in the  
2 grant application the number of unfilled faculty positions to which  
3 the application applies and, after a grant is awarded, must certify  
4 which of those positions have been filled before receipt of the  
5 grant funds.

6       (e) The board shall prescribe the dates for the submission  
7 of applications and the award of grants under this section to ensure  
8 that a grant recipient has sufficient time to prepare for receipt  
9 and effective use of the grant funds before the academic period for  
10 which the grant is awarded.

11       (f) Grant amounts are awarded under this section for two  
12 consecutive state fiscal years. The board may distribute a grant  
13 amount for nursing faculty only on receiving the certification from  
14 the institution of higher education that the applicable nurse  
15 faculty position has been filled. For each first-year nursing  
16 faculty position for which a clinical site receives an initial  
17 grant amount in a state fiscal year, the board shall make available  
18 an equal grant amount for the subsequent state fiscal year  
19 contingent on filling the part-time nursing faculty positions  
20 funded by the grant in that second year.

21       Sec. 61.9645. NURSING FACULTY GRANT PROGRAM: CLINICAL  
22 TRAINING. (a) The board shall award grants under a nursing faculty  
23 grant program to eligible clinical sites to provide funding for  
24 qualified nursing faculty of institutions of higher education who  
25 seek to obtain additional clinical training by working part-time at  
26 a clinical site.

27       (b) The amount of a grant and the number of grants to be

1 awarded must be based on the total number of nursing faculty in  
2 institutions of higher education throughout the state in the year  
3 for which the grant is awarded.

4 Sec. 61.9646. FUNDS. (a) In consultation with the nursing  
5 advisory committee, the board shall allocate funds appropriated for  
6 purposes of this subchapter and any other funds received as  
7 described by Subsection (b) as the board considers appropriate to  
8 further the purposes of this subchapter.

9 (b) In addition to money appropriated by the legislature,  
10 the board may solicit, accept, and spend gifts, grants, and  
11 donations from any public or private source for the purposes of the  
12 grant programs established under this subchapter.
