Austin, Texas

FISCAL NOTE, 88TH LEGISLATIVE REGULAR SESSION

March 4, 2023

TO: Honorable Morgan Meyer, Chair, House Committee on Ways & Means

FROM: Jerry McGinty, Director, Legislative Budget Board

IN RE: HB105 by Noble (Relating to excluding the furnishing of an academic transcript from the definition of "information service" for purposes of sales and use taxes.), **As Introduced**

No significant fiscal implication to the State is anticipated.

The bill would amend Section 151.0038 of the Tax Code to provide that the furnishing of an academic transcript is not included in the definition of a taxable information service for purposes of the sales and use tax.

The provisions of the bill would only apply to transcripts provided after the effective date of the bill.

Only private institutions currently are required to collect sales tax on academic transcripts. Based on a sample of published transcript fees at affected institutions and expected frequency of transcript requests, revenue collections from this source are estimated to be negligible.

The bill would take effect October 1, 2023.

Local Government Impact

No significant fiscal implication to units of local government is anticipated.
