Austin, Texas

FISCAL NOTE, 88TH LEGISLATIVE REGULAR SESSION

March 18, 2023

TO: Honorable Senfronia Thompson, Chair, House Committee on Youth Health & Safety, Select

FROM: Jerry McGinty, Director, Legislative Budget Board

IN RE: HB655 by Allison (Relating to the placement by a school district of a student who engages in habitually violent behavior.), **As Introduced**

No significant fiscal implication to the State is anticipated.

It is assumed that any costs associated with the bill could be absorbed using existing resources.

Local Government Impact

The bill may impact district and charter staffing patterns when providing remote learning for those students engaging in habitually violent behavior moved to remote settings; however, students in these settings would count in student attendance for state funding purposes.

Districts would need to make changes to all Discipline Action documents to capture and report to TEA on the new discipline codes.
