

LEGISLATIVE BUDGET BOARD
Austin, Texas

FISCAL NOTE, 88TH LEGISLATIVE REGULAR SESSION

March 18, 2023

TO: Honorable Stephanie Klick, Chair, House Committee on Public Health

FROM: Jerry McGinty, Director, Legislative Budget Board

IN RE: HB1106 by Goodwin (Relating to the training of and the provision of acupuncture services by an acudetox specialist.), **As Introduced**

No significant fiscal implication to the State is anticipated.

This bill would expand the list of individuals who would be eligible for acudetox specialist certification via the Texas Medical Board and would change their renewal period from annually to every 3 years.

Based on the analysis of the Comptroller of Public Accounts and the Texas Medical Board, duties and responsibilities associated with implementing the bill can be established with existing resources. Under the bill's provisions, there would be an increase in the acudetox specialist-eligible population which could increase the number of registrations and registration payments deposited to the credit of the General Revenue Fund; however, this estimate assumes that the revenue increase is not anticipated to be significant.

Local Government Impact

No significant fiscal implication to units of local government is anticipated.
