

LEGISLATIVE BUDGET BOARD
Austin, Texas

FISCAL NOTE, 88TH LEGISLATIVE REGULAR SESSION

March 12, 2023

TO: Honorable Stephanie Klick, Chair, House Committee on Public Health

FROM: Jerry McGinty, Director, Legislative Budget Board

IN RE: HB1805 by Klick (Relating to the medical use of low-THC cannabis by patients with certain medical conditions.), **As Introduced**

No significant fiscal implication to the State is anticipated.

Based on the analysis of the Health and Human Services Commission and the Department of State Health Services, duties and responsibilities associated with implementing the provisions of the bill could be accomplished by utilizing existing resources. While the increase in enforcement complaints for the Texas Medical Board (TMB) cannot be estimated, this estimate assumes that given the scope of the bill and the affected licensee population, TMB will similarly be able to fulfill any duties and responsibilities associated with implementing the provisions of the bill by utilizing existing resources.

Local Government Impact

No significant fiscal implication to units of local government is anticipated.
