**FISCAL NOTE, 88TH LEGISLATIVE REGULAR SESSION**

**March 28, 2023**

**TO:** Honorable Reggie Smith, Chair, House Committee on Elections

**FROM:** Jerry McGinty, Director, Legislative Budget Board

**IN RE: HB2020** by Oliverson (Relating to the suspension of a county elections administrator.), **As Introduced**

<b>No significant fiscal implication to the State is anticipated.</b>
---

The bill would amend the Election Code related to the suspension of country elections administrators. The Secretary of State (SOS) would be given statutory authorization to suspend the employment of these administrators in certain circumstances. The SOS assumes that the salary, benefits, and related expenses of a temporary elections administrator appointed under the bill would be paid by the county, not the State.

**Local Government Impact**

Counties could be required to pay for temporary election administrators in addition to existing election officials; however, the fiscal impact of these additional costs is not expected to be significant.
