

LEGISLATIVE BUDGET BOARD
Austin, Texas

FISCAL NOTE, 88TH LEGISLATIVE REGULAR SESSION

April 21, 2023

TO: Honorable Oscar Longoria, Chair, House Committee on Business & Industry

FROM: Jerry McGinty, Director, Legislative Budget Board

IN RE: HB2081 by Klick (relating to the registration of vision support organizations; imposing a fee; requiring an occupational registration; providing a civil penalty.), **Committee Report 1st House, Substituted**

No significant fiscal implication to the State is anticipated.

The bill would amend the Business & Commercial Code related to the registration of vision support organizations (VSOs). It would require that certain VSOs who failed to file or correct a registration would be liable to the state for a civil penalty. The Secretary of State (SOS) would be required to collect fees for the registration of VSOs and the Office of the Attorney General (OAG) would be required to pursue the collection of assessed civil penalties.

According to SOS, provisions of the bill related to the registration of VSOs could be accomplished with existing resources.

According to the Optometry Board, required rulemaking in the bill would have no significant fiscal impact.

According to the Office of Court Administration, no significant fiscal impact to the state court system is anticipated.

According to the Comptroller of Public Accounts, the fiscal impact on the state cannot be estimated.

It is presumed that collection of any civil penalties assessed by SOS could be accomplished by OAG with existing resources.

Local Government Impact

No significant fiscal implication to units of local government is anticipated.
