**FISCAL NOTE, 88TH LEGISLATIVE REGULAR SESSION**

**March 27, 2023**

**TO:** Honorable Joe Moody, Chair, House Committee on Criminal Jurisprudence

**FROM:** Jerry McGinty, Director, Legislative Budget Board

**IN RE: HB2084** by Landgraf (Relating to the punishment for the criminal offense of racing on highway; increasing a criminal penalty.), **As Introduced**

<b>No significant fiscal implication to the State is anticipated.</b>
---

The bill would increase the penalty for racing on a highway to a first degree felony if two or more individuals suffer serious bodily injury or death as a result of the offense. The offense is currently punishable as a second degree felony if an individual suffers serious bodily injury or death as a result of the offense.

It is assumed that any fiscal impact and any impact on state correctional populations or on the demand for state correctional resources would not be significant.

**Local Government Impact**

It is assumed that any fiscal impact to units of local government associated with enforcement, prosecution, supervision, or confinement would not be significant.
