

LEGISLATIVE BUDGET BOARD
Austin, Texas

FISCAL NOTE, 88TH LEGISLATIVE REGULAR SESSION

April 24, 2023

TO: Honorable Todd Hunter, Chair, House Committee on State Affairs

FROM: Jerry McGinty, Director, Legislative Budget Board

IN RE: HB2265 by Leach (relating to the award of compensatory damages caused by certain delays under governmental construction contracts.), **Committee Report 1st House, Substituted**

The fiscal implications of this bill cannot be determined at this time.

The bill could lead to compensatory damages resulting from delays caused by a state agency. However, it is not possible to predetermine the frequency of delays that might be caused by government agencies or predict any costs if an agency were to become involved in a related suit.

The bill would prohibit a governmental entity from limiting compensatory damages for a contractor for a delay caused solely by the governmental entity in certain circumstances.

Some agencies stated that the bill could result in potential costs if an agency or institution of higher education were to become involved in a suit related to the bill's requirements. However, the extent of those potential costs is unknown.

Local Government Impact

The fiscal implications of the bill cannot be determined at this time.
