TO: Honorable Brad Buckley, Chair, House Committee on Public Education

FROM: Jerry McGinty, Director, Legislative Budget Board

IN RE: HB2411 by Talarico (relating to the maintenance, administration, and disposal of opioid antagonists on public and private school campuses and to the permissible uses of money appropriated to a state agency from the opioid abatement account.), **Committee Report 1st House, Substituted**

No significant fiscal implication to the State is anticipated.

It is assumed that any costs associated with the bill could be absorbed using existing resources.

Local Government Impact

It is assumed that school districts that choose to implement a policy regarding the maintenance, administration, and disposal of opioid antagonists would likely have costs including for appropriate training of staff and volunteers, storage, and reporting.
