

LEGISLATIVE BUDGET BOARD
Austin, Texas

FISCAL NOTE, 88TH LEGISLATIVE REGULAR SESSION

April 10, 2023

TO: Honorable Joe Moody, Chair, House Committee on Criminal Jurisprudence

FROM: Jerry McGinty, Director, Legislative Budget Board

IN RE: HB3025 by Vasut (Relating to the prosecution of the criminal offenses of aggravated kidnapping, kidnapping, and interference with child custody.), **As Introduced**

No significant fiscal implication to the State is anticipated.

The bill would remove the limitation on the period during which indictments may be presented for the offense of interference with child custody. The bill would increase the limitations period during which indictments may be presented for the offenses of kidnapping and aggravated kidnapping to 20 years after the 18th birthday of the victim if the victim was younger than 17 years of age at the time the offense was committed. The bill would establish the limitations period at 3 years after the date of the commission of such offenses if the victim was 17 years of age or older at the time the offense is committed. The bill would establish that, if conduct that constitutes certain state jail felony offenses of interference with child custody also constitutes a third degree felony offense of kidnapping, the actor may be prosecuted only for kidnapping.

It is assumed that any fiscal impact and the impact on state correctional populations or on the demand for state correctional resources would not be significant. While it is assumed that any state revenue impact would not be significant, it would be dependent on the number of offenses committed and the associated court costs.

Local Government Impact

It is assumed that any fiscal impact to units of local government associated with enforcement, prosecution, supervision, or confinement would not be significant.
