

**LEGISLATIVE BUDGET BOARD**  
**Austin, Texas**

**FISCAL NOTE, 88TH LEGISLATIVE REGULAR SESSION**

**April 11, 2023**

**TO:** Honorable Briscoe Cain, Chair, House Committee on Agriculture & Livestock

**FROM:** Jerry McGinty, Director, Legislative Budget Board

**IN RE: HB3361** by Cain (Relating to the slaughtering of livestock.), **As Introduced**

<b>No significant fiscal implication to the State is anticipated.</b>
-----------------------------------------------------------------------

It is assumed that any costs associated with the bill could be absorbed using existing resources.

**Local Government Impact**

The fiscal implications to units of local government cannot be determined because the number of permits required by a commissioners court for which a fee was paid that would no longer either be collected from existing slaughterers or required of new slaughterers is unknown.

No significant fiscal impact is anticipated for the local court system and units of local government from repealing the Class C misdemeanor for slaughterer violations.
