

LEGISLATIVE BUDGET BOARD
Austin, Texas

FISCAL NOTE, 88TH LEGISLATIVE REGULAR SESSION

April 30, 2023

TO: Honorable Stephanie Klick, Chair, House Committee on Public Health

FROM: Jerry McGinty, Director, Legislative Budget Board

IN RE: HB4156 by Allen (Relating to the licensing of a psychologist as a licensed specialist in school psychology; authorizing a fee.), **As Introduced**

No significant fiscal implication to the State is anticipated.

The bill would amend the Occupations Code to establish licensing requirements and provide for continuing education for licensed specialists in school psychology. The Behavioral Health Executive Council (BHEC) would be authorized to set and collect a licensing fee from psychologists who hold these licenses. According to BHEC, while the agency is unable to determine how many additional specialists would seek a dual license; the revenue from the licensing fee assessed on these licenses is not anticipated to be significant.

Based on the analysis of the Behavioral Health Executive Council and the Comptroller of Public Accounts, duties and responsibilities associated with implementing the provisions of the bill could be accomplished by utilizing existing resources. This estimate assumes the bill would have an insignificant revenue increase to the state.

Local Government Impact

No significant fiscal implication to units of local government is anticipated.
