Austin, Texas

FISCAL NOTE, 88TH LEGISLATIVE REGULAR SESSION

March 28, 2023

TO: Honorable Lois W. Kolkhorst, Chair, Senate Committee on Health & Human Services

FROM: Jerry McGinty, Director, Legislative Budget Board

IN RE: SB829 by Kolkhorst (Relating to cottage food production operations.), **As Introduced**

No significant fiscal implication to the State is anticipated.

According to the Department of State Health Services, some small, licensed Food Manufacturers who are producing foods that would be allowed as cottage foods would not renew their licenses and instead, produce as Cottage Food Operators. Some existing and prospective small producers who may have obtained Food Manufacturer Licenses to wholesale their products would instead produce as Cottage Food Operators. It is assumed that any revenue implications associated with the bill would be insignificant.

It is assumed that any costs associated with the bill could be absorbed using existing resources.

Local Government Impact

The fiscal implications of the bill cannot be determined at this time.
