Austin, Texas

FISCAL NOTE, 88TH LEGISLATIVE REGULAR SESSION

April 26, 2023

TO: Honorable John Whitmire, Chair, Senate Committee on Criminal Justice

FROM: Jerry McGinty, Director, Legislative Budget Board

IN RE: SB1388 by Parker (Relating to creating the criminal offense of operating a premises for unlawful controlled substance consumption.), **Committee Report 1st House, Substituted**

No significant fiscal implication to the State is anticipated.

The bill would create a second degree felony offense for operating or making premises available for unlawful controlled substance consumption. It is assumed that any fiscal impact and impact on state correctional populations or on the demand for state correctional resources would not be significant. While it is assumed that any state revenue impact would not be significant, it would be dependent on the number of offenses committed and the associated court costs.

Local Government Impact

It is assumed that any fiscal impact to units of local government associated with enforcement, prosecution, supervision, or confinement would not be significant.
