Fiscal Analysis

The bill would amend Section 151.0035 of the Tax Code to exclude services provided by marketplace providers in relation to processing a sale or payment for a marketplace seller from the definition of a data processing service.

The bill would take effect October 1, 2023, and would only apply to tax liabilities after that date.

Methodology

Data on the various fees charged by marketplace providers, total sales made on marketplace platforms, and sales tax remitted by marketplace providers was used to estimate the amount of taxable data processing services

that are currently performed by marketplace providers on behalf of marketplace sellers located in Texas.

**Local Government Impact**

Fiscal implications for units of local government were estimated proportionally.
