**No fiscal implication to the State is anticipated**, other than the cost of publication.

The cost to the state for publication of the resolution is \$204,406.

The resolution would propose an amendment to Article VIII of the Texas Constitution, relating to Taxation and Revenue, to authorize the Legislature, by general law, to exempt from property tax certain tangible personal property held by a manufacturer of medical or biomedical products as a finished good, or used in the manufacturing or processing of medical or biomedical products.
