The committee compiles the comments received for informational purposes only and does not exercise any editorial control over comments.

Hearing Date: March 28, 2023 8:00 AM

Karen Allen

SELF

Dallas, TX

HB 1322 is an important bill for my eye care patients. It would allow patients to utilize their medical insurance and their vision insurance on the same day at my practice. This would help avoid repeat visits and unnecessary out-of-pocket costs to my patients. Some vision plans allow for this coordination, so this bill standardizes the concept. Thank you to Chairman Oliverson and the committee for taking up this important matter.

EMILY WALKER, Doctor of Optometry

Self

Cypress, TX

HB 1322 is an important bill for my patients seeking comprehensive eye care. It would allow patients to utilize their medical insurance and their vision insurance on the same day at my practice which will improve their access to care and improve overall quality of care. This would help avoid repeat visits and unnecessary out-of-pocket costs to my patients. Some vision plans allow for this coordination, so this bill standardizes the concept. Thank you to Chairman Oliverson and the committee for taking up this important matter.
