Please pass HB 1686 regarding mutilation of children by changing their biological sex. These poor children need mental, emotional, and physical help by a loving parent who knows that adolescence and hormonal changes can disrupt their view of themselves, but that they grow out of that with time and maturity. Stop this child abuse.

I urge you to PASS HB 1686.

Thank you,  
Paige K. Moore

I strongly oppose this bill, people need health care regardless of sex and gender. This proposition is dangerous and disregards human life and we'll be
