

**HOUSE OF REPRESENTATIVES
COMPILATION OF PUBLIC COMMENTS**

Submitted to the Committee on Licensing & Administrative Procedures
For HB 2334

Compiled on: Wednesday, March 22, 2023 3:00 PM

Note: Comments received by the committee reflect only the view of the individual(s) submitting the comment, who retain sole responsibility for the content of the comment. Neither the committee nor the Texas House of Representatives takes a position on the views expressed in any comment. The committee compiles the comments received for informational purposes only and does not exercise any editorial control over comments.

Hearing Date: March 22, 2023 8:00 AM

Shannon Noble
Texas Air Conditioning Contractors Association
Austin, TX

The Texas Air Conditioning Contractors Association opposes HB 2334 because it would allow unlicensed individuals to perform important plumbing work. This could adversely affect homeowners in the area if improper connections are made to a public water supply or wastewater line. Licensed plumbers have years of training and practical experience performing this type of work, in order that the public is protected. Thank you.
