Dear Congresspersons,

I am writing to ask you to vote "YES" to this bill!

Adding this to bill to another section of law makes it harder for CPS to actually terminate a parents rights when a parent seeks a second opinion, or refuses psych drugs except in a limited number of circumstances.

Please consider this bill and vote "YES".

Thank you,

Debi Litton

This bill accurately reflects the constitutional right of parents to make medical decisions regarding their children and clarifies the limitations on government actors. Please pass this bill out of committee.
