Bryan Allen  
Self: Superintendent of Schools  
Breckenridge, TX

I support this bill.

George Brian Vachris, P.E.  
self retired  
Humble, TX

I fully support this bill that extends to private schools the same information that is now available to public school. As a former teacher, I had to submit to fingerprint and background checks at every employment opportunity.

Jackie Besinger  
Seld  
Austin, TX

TEA should not be entitle to handle more private information of children. This is a matter of districts and the parental rights.

Marlene Lobberecht  
self/retired teacher  
Houston, TX

All schools and early childhood programs everywhere in Texas need to require employees, volunteers, consultants, and administrators to have a criminal records check before and periodically during employment for child and youth safety. Public, charter, private, early childhood, and child care programs must do criminal records checks on employees, volunteers, consultants, and administrators.
