I oppose HB 3782, which would create a permanent border security advisory council to advise and help the governor run border security operations. We do not need more state bureaucracy, with the attendant taxpayer money spent thereon, answerable to the governor. We have spent BILLIONS of dollars on "border related crime" beginning with 2005, with little or no hard evidence to prove that our tax dollars have gotten us anything. The governor doesn't need any more power and this is more unnecessary legislation to stoke the fear-mongering about border security. Please vote against this bill and do not move it out of committee.
