YOU DO NOT REPRESENT US!!! Are you on drugs? These bills HB101, HB2795, HJR144, HB2795, HB3418, HB2224, HJR144 would greatly burden Texans in the midst of inflation, ridiculous gas prices, NO BABY FORMULA, CRT BEING TAUGHT IN OUR SCHOOLS. Why don't you pass HB2709? Wow how in the world did you get in office and what a waste of time on behalf of us Texans. This is from the Rio Grande Valley.

This VMT is going to cost Texans to set up a new branch of govt with more employees to hire at a time when we do not need extra costs, you would do the truckers and Texans a better job by just going up a few Pennie's on the fuel tax with a system that is already in place, vmt makes no sense when fuel tax is already proven and in place

Why doesn't Texas just go up a penny or two on fuel tax and save a bunch of money on creating a whole new govt branch that will cost more to set up and implement than the fuel tax method that is already tried and proven and in place?
