I strongly support this bill. It gives more accountability to those who propose raising my taxes.

This bill will require more accountability for our school districts to the taxpayers, which is desperately needed. We need this bill to pass.

I support this bill. I have experienced my school district using deceptive language to deny their deliberate decision to raise tax revenue. They blame everything on the legislature and on the appraisal district, and play the heroes who "lowers your rate every year!" We need more honesty and transparency. This bill will help. Thank you.

I support this bill. There must be more transparency on ISD property taxes and the process.
