H.B. No. 17

A BILL TO BE ENTITLED

AN ACT

relating to the requirements regarding notice of certain property tax-related information to be provided by taxing units and appraisal districts.

BE IT ENACTED BY THE LEGISLATURE OF THE STATE OF TEXAS:

SECTION 1. Section 44.004, Education Code, is amended by amending Subsections (b), (e), (g-1), (i), and (j) and adding Subsections (c-3) and (c-4) to read as follows:

(b) The president shall mail ~~[provide for the publication of]~~ notice of the budget and proposed tax rate meeting to each property owner in the district and may also publish the notice in a daily, weekly, or biweekly newspaper published in the district. If no daily, weekly, or biweekly newspaper is published in the district, the president may publish the ~~[shall provide for the publication of]~~ notice in a ~~[at least one]~~ newspaper of general circulation in the county in which the district's central administrative office is located. Notice under this subsection shall be provided ~~[published]~~ not earlier than the 30th day or later than the 10th day before the date of the hearing.

(c-3) In addition to the information required by Subsection (c), the notice required by that subsection must include the following statement:

"In the (preceding tax year) tax year, the enrollment of (name of school district) changed by (enrollment growth rate for

school district expressed as a percentage) percent. Inflation in
the state was (inflation rate expressed as a percentage) percent.
If (name of school district) adjusted the amount of property tax
revenue it collected in the (preceding tax year) tax year only to
account for enrollment change adjusted by inflation, (name of
school district) would collect (adjusted tax collections for school
district) in the (current tax year) tax year. If (name of school
district) adopts the proposed tax rate, (name of school district)
will collect (estimated dollar amount of property tax revenue to be
collected in the current tax year)."

(c-4) For purposes of Subsection (c-3):

(1) "Adjusted collection rate" for a school district
means the rate computed by subtracting one from the product of:

(A) the sum of one and the enrollment growth
rate; and

(B) the sum of one and the inflation rate.

(2) "Adjusted tax collections" for a school district
means an amount equal to the product of:

(A) the preceding year's estimated levy; and

(B) the sum of one and the adjusted collection
rate for the district.

(3) "Enrollment growth rate" means the rate of growth
of a school district's enrollment during the preceding school year,
expressed in decimal form rounded to the nearest thousandth,
determined by the district using information provided by the
agency.

(4) "Inflation rate" and "preceding year's estimated

1 levy" have the meanings assigned by Section 26.0621, Tax Code.

2 (e) A person who owns taxable property in a school district
3 is entitled to an injunction restraining the collection of taxes by
4 the district if the district has not complied with the requirements
5 of Subsections (b), (c), (c-1), (c-2), (c-3), and (d), and, if
6 applicable, Subsection (i), and the failure to comply was not in
7 good faith. An action to enjoin the collection of taxes must be
8 filed before the date the district delivers substantially all of
9 its tax bills.

10 (g-1) If the rate calculated under Subsection
11 (c)(5)(A)(ii)(b) decreases after the provision ~~[publication]~~ of
12 the notice required by this section, the president is not required
13 to provide ~~[publish]~~ another notice or call another meeting to
14 discuss and adopt the budget and the proposed lower tax rate.

15 (i) A school district that uses a certified estimate, as
16 authorized by Subsection (h), may adopt a budget at the public
17 meeting designated in the notice prepared using the estimate, but
18 the district may not adopt a tax rate before the district receives
19 the certified appraisal roll for the district required by Section
20 [26.01](#)(a), Tax Code. After receipt of the certified appraisal roll,
21 the district must provide ~~[publish]~~ a revised notice and hold
22 another public meeting before the district may adopt a tax rate that
23 exceeds:

24 (1) the rate proposed in the notice prepared using the
25 estimate; or

26 (2) the district's voter-approval rate determined
27 under Section [26.08](#), Tax Code, using the certified appraisal roll.

(j) Notwithstanding Subsections (g), (h), and (i), a school district may adopt a budget after the district adopts a tax rate for the tax year in which the fiscal year covered by the budget begins if the district elects to adopt a tax rate before receiving the certified appraisal roll for the district as provided by Section 26.05(g), Tax Code. If a school district elects to adopt a tax rate before adopting a budget, the district must provide ~~[publish]~~ notice and hold a meeting for the purpose of discussing the proposed tax rate as provided by this section. Following adoption of the tax rate, the district must provide ~~[publish]~~ notice and hold another public meeting before the district may adopt a budget. The comptroller shall prescribe the language and format to be used in the notices. The school district may use the certified estimate of taxable value in preparing a notice under this subsection.

SECTION 2. Section 44.004(c), Education Code, as amended by S.B. 1453, Acts of the 89th Legislature, Regular Session, 2025, and effective January 1, 2026, is amended to read as follows:

20 65 years of age or older or their surviving spouses, and using the
21 same group of residences for each year;

22 (iii) "Last Year's Rate Versus Proposed

1 for the calendar year preceding that calendar year.

2 (5) "Population growth rate" means the rate of growth
3 of a taxing unit's population during the preceding tax year,
4 expressed in decimal form rounded to the nearest thousandth,

9 methods determined by the taxing unit.

10 (6) "Preceding year's estimated levy" for a taxing
11 unit means the amount of property tax revenue the taxing unit
12 estimated it would collect in the preceding tax year on the date the
13 taxing unit proposed a tax rate for that tax year.

14 (b) The comptroller shall determine the inflation rate that

26 the (current tax year) tax year as compared to (preceding year's
27 estimated levy) in the (preceding tax year) tax year. The amount of

1 property tax revenue collected by (name of taxing unit) will
 2 increase by (estimated dollar amount of increase) in the (current
 3 tax year) tax year, which is a (insert percentage increase) percent
 4 increase from the amount collected in the (preceding tax year) tax
 5 year. In the (preceding tax year) tax year, the population of (name
 6 of taxing unit) changed by (population growth rate for taxing unit
 7 expressed as a percentage) percent. Inflation in the state was
 8 (inflation rate expressed as a percentage) percent. If (name of
 9 taxing unit) adjusted the amount of property tax revenue it
 10 collected in the (preceding tax year) tax year only to account for
 11 population change adjusted by inflation, (name of taxing unit)
 12 would collect (adjusted tax collections for taxing unit) in the
 13 (current tax year) tax year.";

14 (2) "If (name of taxing unit) adopts the proposed tax
 15 rate, (name of taxing unit) will collect (estimated dollar amount
 16 of property tax revenue to be collected in the current tax year) in
 17 the (current tax year) tax year as compared to (preceding year's
 18 estimated levy) in the (preceding tax year) tax year. The amount of
 19 property tax revenue collected by (name of taxing unit) will
 20 decrease by (estimated dollar amount of decrease) in the (current
 21 tax year) tax year, which is a (insert percentage decrease) percent
 22 decrease from the amount collected in the (preceding tax year) tax
 23 year. In the (preceding tax year) tax year, the population of (name
 24 of taxing unit) changed by (population growth rate for taxing unit
 25 expressed as a percentage) percent. Inflation in the state was
 26 (inflation rate expressed as a percentage) percent. If (name of
 27 taxing unit) adjusted the amount of property tax revenue it

1 collected in the (preceding tax year) tax year only to account for
2 population change adjusted by inflation, (name of taxing unit)
3 would collect (adjusted tax collections for taxing unit) in the
4 (current tax year) tax year."; or

5 (3) "If (name of taxing unit) adopts the proposed tax
6 rate, (name of taxing unit) will collect (estimated dollar amount
7 of property tax revenue to be collected in the current tax year) in
8 the (current tax year) tax year, which is the same amount of

11 year) tax year, the population of (name of taxing unit) changed by
12 (population growth rate for taxing unit expressed as a percentage)
13 percent. Inflation in the state was (inflation rate expressed as a
14 percentage) percent. If (name of taxing unit) adjusted the amount

20 Subsection (b-1) to read as follows:

26 database must include, with respect to each property that is listed
27 on the appraisal roll for the appraisal district:

1 (1) the following statement for each taxing unit other
2 than a school district in which the property is located:

3 "In the (preceding tax year) tax year, the population of
4 (name of taxing unit) changed by (population growth rate for taxing
5 unit expressed as a percentage) percent. Inflation in the state was
6 (inflation rate expressed as a percentage) percent. If (name of
7 taxing unit) adjusted the amount of property tax revenue it
8 collected in the (preceding tax year) tax year only to account for
9 population change adjusted by inflation, (name of taxing unit)
10 would collect (adjusted tax collections for taxing unit) in the
11 (current tax year) tax year. If (name of taxing unit) adopts the

14 tax year)."; and

15 (2) the following statement for each school district
16 in which the property is located:

20 the state was (inflation rate expressed as a percentage) percent.
21 If (name of school district) adjusted the amount of property tax
22 revenue it collected in the (preceding tax year) tax year only to
23 account for enrollment change adjusted by inflation, (name of
24 school district) would collect (adjusted tax collections for school
25 district) in the (current tax year) tax year. If (name of school
26 district) adopts the proposed tax rate, (name of school district)
27 will collect (estimated dollar amount of property tax revenue to be

1 collected in the current tax year)."

3 Subsection (a-1) and amending Subsection (b) to read as follows:

6 assigned by Section 26.0621, Tax Code. In addition to the
7 information required by Subsection (a) of this section, the notice
8 required by that subsection must include the following statement:

9 "In the (preceding tax year) tax year, the population of
10 (name of district) changed by (population growth rate for district
11 expressed as a percentage) percent. Inflation in the state was
12 (inflation rate expressed as a percentage) percent. If (name of
13 district) adjusted the amount of property tax revenue it collected
14 in the (preceding tax year) tax year only to account for population
15 change adjusted by inflation, (name of district) would collect
16 (adjusted tax collections for district) in the (current tax year)
17 tax year. If (name of district) adopts the proposed tax rate, (name
18 of district) will collect (estimated dollar amount of property tax
19 revenue to be collected in the current tax year)."

20 (b) Notice of the hearing [~~shall be~~]:
