A JOINT RESOLUTION

1 proposing a constitutional amendment establishing an independent
2 redistricting commission to establish districts for the election of
3 the members of the United States House of Representatives elected
4 from this state, the Texas Senate, and the Texas House of
5 Representatives.

6 BE IT RESOLVED BY THE LEGISLATURE OF THE STATE OF TEXAS:

7 SECTION 1. Article III, Texas Constitution, is amended by
8 adding Section 28a to read as follows:

9 Sec. 28a. The independent redistricting commission
10 established under Article XVIII of this constitution exercises the
11 legislative authority of this state to adopt redistricting plans
12 for the election of members of the United States House of
13 Representatives elected from this state, the Texas House of
14 Representatives, and the Texas Senate. Districts for those
15 legislative bodies may not be established or changed except as
16 provided by that article.

17 SECTION 2. Sections 7a(e) and (i), Article V, Texas
18 Constitution, are amended to read as follows:

19 (e) Unless the legislature enacts a statewide
20 reapportionment of the judicial districts following each federal
21 decennial census, the board shall convene not later than the first
22 Monday of June of the third year following the year in which the
23 federal decennial census is taken to make a statewide
24 reapportionment of the districts. The board shall complete its

work on the reapportionment and file its order with the secretary of state not later than August 31 of the same year. If the Judicial Districts Board fails to make a statewide apportionment by that date, the independent redistricting commission [~~Legislative Redistricting Board~~] established under [~~by~~] Article XVIII [~~III, Section 28,~~] of this constitution shall convene on September 1 of the same year to make a statewide reapportionment of the judicial districts not later than the 90th [~~150th~~] day after the final day for the Judicial Districts Board to make the reapportionment.

(i) The legislature, the Judicial Districts Board, or the independent redistricting commission [~~Legislative Redistricting Board~~] may not redistrict the judicial districts to provide for any judicial district smaller in size than an entire county except as provided by this section. Judicial districts smaller in size than the entire county may be created subsequent to a general election where a majority of the persons voting on the proposition adopt the proposition "to allow the division of _____ County into judicial districts composed of parts of _____ County." No redistricting plan may be proposed or adopted by the legislature, the Judicial Districts Board, or the independent redistricting commission [~~Legislative Redistricting Board~~] in anticipation of a future action by the voters of any county.

12 individuals who are eligible to serve as commission members. The
13 selection pool must include:

4 geographic regions of this state; and

5 (B) includes applicants who would allow racial,
6 ethnic, and language minorities protected under the Voting Rights
7 Act of 1965 (52 U.S.C. Section 10301 et seq.) a meaningful
8 opportunity to participate in the development of this state's

15 Sec. 23. INTERVIEWS OF APPLICANTS. To assist the
16 nonpartisan agency in developing the selection pool under this
17 part, the nonpartisan agency shall conduct interviews of applicants
18 under oath. If an individual is included in a selection pool
19 developed under this part, all of the interviews of the individual
20 shall be transcribed and the transcriptions made available on the
21 nonpartisan agency's public Internet website at the same time the
22 report under Section 26 of this article is released.

23 Sec. 24. POLITICAL PARTY AFFILIATION OF SELECTION POOL
24 MEMBERS. For purposes of this subchapter, an individual is
25 considered to be affiliated with a political party only if the
26 nonpartisan agency is able to verify, to the greatest extent
27 possible, the information the individual provides in the

application submitted under Section 17(3) of this article, including by considering additional information provided by other persons with knowledge of the individual's history of political activity.

Sec. 25. ENCOURAGING APPLICATIONS FOR POOL. The nonpartisan agency shall take steps necessary to ensure that residents of the state across various geographic regions and demographic groups are aware of the opportunity to serve as commission members, including publicizing the role of the commission and using newspapers, broadcast media, online sources, and ethnic media, to encourage individuals to apply for inclusion in the selection pool developed under this part.

Sec. 26. REPORT ON ESTABLISHMENT OF POOL. At the time the nonpartisan agency submits the selection pool to the select committee under Section 21 of this article, the nonpartisan agency shall publish and post on the agency's public Internet website a report describing the process by which the pool was developed, including a description of how the individuals in the pool meet the eligibility criteria of Part 1 of this subchapter and how the pool reflects the factors the agency is required to take into consideration under Section 22 of this article.

Sec. 27. PUBLIC COMMENT ON POOL. During the 14 days after the nonpartisan agency publishes the report under Section 26 of this article, the agency shall accept comments from the public on the individuals included in the selection pool. The agency shall post all comments on the agency's public Internet website as soon as practicable after receipt and shall transmit them to the select

1 committee at the end of the comment period.

6 agency, in which case the pool becomes the approved selection pool
7 for purposes of Section 2 of this article; or

8 (2) reject the pool, in which case the nonpartisan
9 agency shall develop and submit a new selection pool as provided by
10 Part 3 of this subchapter.

11 (b) If the select committee fails to approve or reject the
12 pool by the deadline provided by Subsection (a) of this section, the
13 pool is considered rejected under Subsection (a)(2) of this
14 section.

15 PART 3. REPLACEMENT SELECTION POOL

16 Sec. 29. REPLACEMENT POOL. If the select committee rejects
17 the selection pool submitted by the nonpartisan agency under Part 2
18 of this subchapter, the nonpartisan agency shall, not later than 14
19 days after the rejection, develop and submit to the select
20 committee a replacement selection pool in the same manner provided
21 for the development and submission of the selection pool under
22 Sections 21 through 27 of this article. The replacement pool
23 submitted under this section may include individuals who were
24 included in the rejected selection pool submitted under Part 2 of
25 this subchapter if at least one individual in the replacement pool
26 was not included in the rejected pool.

27 Sec. 30. ACTION BY SELECT COMMITTEE. (a) Not later than 21

1 days after receiving the replacement selection pool from the
2 nonpartisan agency under Section 29 of this article, the select
3 committee shall:

4 (1) approve the pool as submitted by the nonpartisan
5 agency, in which case the pool becomes the approved selection pool
6 for purposes of Section 2 of this article; or

7 (2) reject the pool, in which case the nonpartisan
8 agency shall develop and submit a second replacement selection pool
9 as provided by Part 4 of this subchapter.

10 (b) If the select committee fails to approve or reject the
11 pool by the deadline provided by Subsection (a) of this section, the
12 pool is considered rejected under Subsection (a)(2) of this
13 section.

PART 4. SECOND REPLACEMENT SELECTION POOL

15 Sec. 31. SECOND REPLACEMENT POOL. If the select committee
16 rejects the replacement selection pool submitted by the nonpartisan
17 agency under Part 3 of this subchapter, the nonpartisan agency
18 shall, not later than 14 days after the rejection, develop and
19 submit to the select committee a second replacement selection pool,
20 in the same manner provided for the development and submission of
21 the selection pool under Sections 21 through 27 of this article.
22 The second replacement selection pool submitted under this section
23 may include individuals who were included in the rejected selection
24 pool under Part 2 of this subchapter or the rejected replacement
25 selection pool under Part 3 of this subchapter if at least one
26 individual in the second replacement pool was not included in
27 either rejected pool.

1 Sec. 32. ACTION BY SELECT COMMITTEE. (a) On the 14th or
2 15th day after receiving the second replacement selection pool from
3 the nonpartisan agency under Section 31 of this article, the select
4 committee shall:

5 (1) approve the pool as submitted by the nonpartisan
6 agency, in which case the pool becomes the approved selection pool
7 for purposes of Section 2 of this article; or

8 (2) reject the pool.

9 (b) If the select committee fails to approve or reject the
10 pool by the deadline provided by Subsection (a) of this section, the
11 pool is considered rejected under Subsection (a)(2) of this
12 section.

13 (c) If the select committee rejects the second replacement
14 pool under Section 31 of this article, this state shall petition:

15 (1) a federal court to order a remedial redistricting
16 plan for the election of members of congress; and

17 (2) a state or federal court to order a remedial
18 redistricting plan for the election of members of the Texas Senate
19 and Texas House of Representatives.

20 SUBCHAPTER D. CRITERIA FOR REDISTRICTING PLAN; PUBLIC NOTICE AND

21 INPUT

22 PART 1. DEVELOPMENT OF REDISTRICTING PLAN

23 Sec. 33. CRITERIA. (a) In this section, "community of
24 interest" means an area with recognized similarities of interests,
25 including ethnic, racial, economic, tribal, social, cultural,
26 geographic, or historic identities. The term may, in certain
27 circumstances, include political subdivisions such as counties,

1 municipalities, tribal lands and reservations, or school
2 districts. The term does not include common relationships with
3 political parties or political candidates.

4 (b) A redistricting plan shall establish single-member
5 districts using the following criteria in the following order of
6 priority:

7 (1) districts shall comply with the United States
8 Constitution, including the requirement that districts equalize
9 total population;

10 (2) districts shall comply with the Voting Rights Act
11 of 1965 (52 U.S.C. Section 10301 et seq.) and all applicable federal
12 laws;

13 (3) districts for the election of members of the Texas
14 Senate or Texas House of Representatives shall comply with all
15 applicable laws of this state;

16 (4) districts shall provide racial, ethnic, and
17 language minorities with an equal opportunity to participate in the
18 political process and to elect candidates of choice and may not
19 dilute or diminish their ability to elect candidates of choice
20 whether alone or in coalition with others; and

21 (5) districts shall respect communities of interest,
22 neighborhoods, and political subdivisions to the extent
23 practicable and after compliance with the requirements of
24 Subdivisions (1) through (4).

25 Sec. 34. NO FAVORING OR DISFAVORING OF POLITICAL PARTIES.

26 (a) A redistricting plan may not, when considered on a statewide
27 basis, unfairly favor or disfavor any political party.

(b) For purposes of Subsection (a) of this section, the determination of whether a redistricting plan has the effect of unfairly favoring or disfavoring a political party shall be based on the totality of circumstances, including whether the plan results in durable partisan bias as determined by scientifically accepted measures of partisan fairness and whether there are alternative plans that would have complied with the requirements of law and resulted in less durable levels of partisan bias. Notwithstanding this subsection, a redistricting plan may not be found to be in violation of Subsection (a) of this section because of application of the criteria provided by Sections 33(b)(1), (2), (3), and (4) of this article.

Sec. 35. FACTORS PROHIBITED FROM CONSIDERATION.
