Dear Speaker Burrows:

Enclosure

**HB 5658, as Filed by Representative Jared Patterson
Texas Commission on Environmental Quality's Comments**

The Legislative Budget Board, in cooperation with the Texas Water Development Board (TWDB) and the Texas Commission on Environmental Quality (TCEQ), has determined that:

This bill creates Craver Ranch Municipal Management District No. 1 (the "District") with the powers and duties of a municipal management district under Water Code Chapter 49 and Local Government Code Chapter 375.

Comments on Powers/Duties Different from Similar Types of Districts:

The bill grants the District the same powers as similar municipal management districts. The bill states that the district may not impose an ad valorem tax. The bill states that if this Act does not receive a two-thirds vote of all the members elected to each house, the District may not exercise the power of eminent domain.

Overlapping Services: TCEQ does not have mapping information for water and/or wastewater providers because this function was transferred from the TCEQ to the Public Utility Commission on September 1, 2014. As a result, TCEQ is unaware of possible overlapping service providers.

TCEQ's Supervision: As with general law districts, the TCEQ will have general supervisory authority, including bond review authority and review of financial reports.
