Protecting Texas by Reducing and Preventing Pollution

May 19, 2025

The Honorable Dan Patrick
Lieutenant Governor of Texas
Capitol Station
PO Box 12068
Austin, Texas 78711

Re: Responsibility of the Texas Commission on Environmental Quality (TCEQ) Pursuant to Article XVI, Section 59(d), Texas Constitution

Senate Bill (SB) 3063, as Filed by Senator Robert Nichols - Relating to the creation of the Bayou Belle Municipal Management District No. 1; granting a limited power of eminent domain; providing authority to issue bonds; providing authority to impose assessments, fees, and taxes.

Dear Governor Patrick:

The following comments are provided pursuant to the Constitutional requirements referenced above. Under those requirements, the TCEQ must submit, to the Governor, Lieutenant Governor and Speaker of the House of Representatives, the TCEQ's recommendations on specific legislation affecting water districts. We recommend that these comments be considered in the evaluation of the proposed legislation.

Senator Robert Nichols, Texas Senate

Enclosure

SB 3063, as Filed by Senator Robert Nichols
Texas Commission on Environmental Quality's Comments

The Legislative Budget Board, in cooperation with the Texas Water Development Board (TWDB) and the Texas Commission on Environmental Quality (TCEQ), has determined that:

This bill creates Bayou Belle Municipal Management District No. 1 (the “District”) with the powers and duties of a municipal management district under Local Government Code Chapter 375.

Comments on Powers/Duties Different from Similar Types of Districts:

The bill grants the District the same powers as similar municipal management districts. The bill states that if this Act does not receive a two-thirds vote of all the members elected to each house, the District may not exercise the power of eminent domain.

Overlapping Services: TCEQ does not have mapping information for water and/or wastewater providers because this function was transferred from the TCEQ to the Public Utility Commission on September 1, 2014. As a result, TCEQ is unaware of possible overlapping service providers.

TCEQ's Supervision: As with general law districts, the TCEQ will have general supervisory authority, including bond review authority and review of financial reports.

Sec. 4021.0102. NATURE OF DISTRICT. The Bayou Belle Municipal Management District No. 1 is a special district created under Section 59, Article XVI, Texas Constitution.

Sec. 4021.0103. PURPOSE; DECLARATION OF INTENT. (a) The creation of the district is essential to accomplish the purposes of Sections 52 and 52-a, Article III, and Section 59, Article XVI, Texas Constitution, and other public purposes stated in this chapter.

5 (c) The creation of the district is necessary to promote,
6 develop, encourage, and maintain employment, commerce,
7 transportation, housing, tourism, recreation, the arts,
8 entertainment, economic development, safety, and the public
9 welfare in the district.

10 (d) This chapter and the creation of the district may not be
11 interpreted to relieve the county from providing the level of
12 services provided as of the effective date of the Act enacting this
13 chapter to the area in the district. The district is created to
14 supplement and not to supplant county services provided in the
15 district.

16 Sec. 4021.0104. FINDINGS OF BENEFIT AND PUBLIC PURPOSE.

17 (a) All land and other property included in the district will
18 benefit from the improvements and services to be provided by the
19 district under powers conferred by Sections 52 and 52-a, Article
20 III, and Section 59, Article XVI, Texas Constitution, and other
21 powers granted under this chapter.

22 (b) The district is created to serve a public use and

10 the district territory as a community and business center;

11 (3) promote the health, safety, welfare, and enjoyment
12 of the public by providing pedestrian ways and by landscaping and
13 developing certain areas in the district, which are necessary for
14 the restoration, preservation, and enhancement of scenic beauty;
15 and

16 (4) provide for water, wastewater, drainage, road, and
17 recreational facilities for the district.

18 (e) Pedestrian ways along or across a street, whether at
19 grade or above or below the surface, and street lighting, street
20 landscaping, parking, and street art objects are parts of and
21 necessary components of a street and are considered to be a street
22 or road improvement.

23 (f) The district will not act as the agent or
24 instrumentality of any private interest even though the district
25 will benefit many private interests as well as the public.

26 Sec. 4021.0105. INITIAL DISTRICT TERRITORY. (a) The
27 district is initially composed of the territory described by

Section 2 of the Act enacting this chapter.

(b) The boundaries and field notes contained in Section 2 of the Act enacting this chapter form a closure. A mistake in the field notes or in copying the field notes in the legislative process does not affect the district's:

(2) right to issue any type of bonds for the purposes for which the district is created or to pay the principal of and interest on the bonds;

(3) right to impose or collect an assessment or tax; or

7 (c) All or any part of any facilities or improvements that
8 may be acquired by a district by the issuance of its bonds may be
9 submitted as a single proposition or as several propositions to be
10 voted on at the election.

11 Sec. 4021.0506. CONSENT OF MUNICIPALITY REQUIRED. The
12 board may not issue bonds until each municipality in whose
13 corporate limits or extraterritorial jurisdiction the district is
