

Amend HB 1576 (house committee report) on page 2 as follows:

- (1) Strike lines 23-24 and substitute the following:  
technique, or standardized code that is:
  - (A) submitted by an insurer or other entity and approved by the commissioner; or
  - (B) adopted by the commissioner on the commissioner's own initiative.
- (2) On line 26, strike "wind zone III" and substitute "wind zone II".
