

Amend CSHB 2038 (house committee report) as follows:

(1) On page 3, lines 12 and 13, strike "in the five years preceding application under this section".

(2) On page 6, strike lines 7 through 12 and substitute the following:

(h) The board shall adopt rules for the issuance of a provisional license under Subsection (a), the renewal of a provisional license under Subsection (d), and the issuance of a license under this subtitle as provided by Subsection (f), including rules establishing eligibility for and fees applicable to the licenses. The board may adopt rules for the reporting of board specialty certification requirement information as requested by a board specialty organization.
