

Amend SB 2155 (house committee printing) on page 24, between lines 24 and 25, by inserting the following:

(c) Rules adopted under Subsection (a) may not prohibit a person engaging in the practice of veterinary medicine remotely or by electronic means, including without a previously existing veterinarian-client-patient relationship or without having conducted a physical examination of an animal, so long as the person owns or is affiliated with a veterinary medical facility that is registered with the board.
